

# One of the Women Pictured Below Will Reign as Queen of the May

Nancy Miller    Barbara Campbell    Marcia MacKenzie    Pat Daversa    Jeanne Payne    Wanda Grove    Pat Jones    Liz Daniels

## THE FLAT HAT

COLLEGE OF WILLIAM AND MARY

VOL. XXXIV NO. 22

COLLEGE OF WILLIAM AND MARY, WILLIAMSBURG, VIRGINIA

Tuesday, March 21, 1950

### Voters to Select Queen From Eight Candidates

Election of May Queen will take place Thursday, in the large and small cafeterias from 11:30 a. m. to 12:30 p. m. and from 5 to 6 p. m. The eight girls who received the majority of votes at last week's nominations and who will be on the ballot Thursday are Liz Daniels, Pat Daversa, Barbara Campbell, Wanda Grove, Pat Jones, Marcia MacKenzie, Nancy Miller and Jeanne Payne.

The girl receiving the greatest number of votes will be May Queen while the runner-up will be the maid of honor. The May Court will consist of the remaining finalists.

Plans for the May Day program to take place on May 20 are already under way.

Jim Anthony, booth committee chairman, has announced that sororities and fraternities contributing booths to the May Fair should have their plans in by April 1. Fifteen dollars has been set as the limit that each organization may spend. In case of rain, the fair will be held inside Blow Gymnasium.

The coronation of the queen will take place Saturday, May 20, in the sunken garden, and dances have been scheduled for Friday and Saturday nights in Blow Gym.

### Lambert Announces Fall Term Averages

If statistics mean anything, the women at William and Mary are smarter than the men. They make better grades anyway.

According to a quality point average report for the first semester, 1949-50, issued this week by J. Wilfred Lambert, dean of students, the quality point average of all women students was 1.44. The average for men students was 1.28. Overall, the average for the student body was 1.34.

Highest average of any particular class was 2.05, listed for graduate students.

The other classes were listed as follows: freshmen, 1.04; sophomores, 1.26; juniors, 1.44; seniors, 1.64; B. C. L. candidates, 1.56 and unclassified students, 1.39.

The enrollment breakdown of the student body for the first semester, also included in the report, was as follows: freshmen, 618; sophomores, 369; juniors, 435; seniors, 393; B. C. L. candidates, 49; graduate students, 43; and unclassified students, 20.

There were 1,222 men and 705 women enrolled during the first semester, making a grand total of 1,927 students in college.

**Dr. Katharine R. Jeffers, dean of women, will not be in her office from March 25 through March 30. At this time she will be attending the National Association of Deans of Women in Atlantic City.**

Pat Stringham, editor of the ROYALIST, has corrected the statement appearing in the FLAT HAT which set March 30 as the issuing date for the third issue of the ROYALIST.

Pat announces that March 30 is the final day for submitting manuscripts for the third issue and that it may be out for circulation May 1.

### W & M Choir Prepares Annual Spring Concert

A varied program ranging from the sacred music of the Russian composer to the spiritual of the American negro will be presented by the William and Mary Choir in its annual spring concert next Tuesday and Wednesday in Phi Beta Kappa Hall.

The program, which begins each night at 8 p. m., is to consist of five major groups. The first of these groups deals with the sacred music of three of the great composers of the Golden Age of Choral Polyphony. Heard in this group will be *Exultate Deo*, Palestrina; *Ave Verum Corpus*, Byrd, and *O Magnum Mysterium*, Victoria.

A series of chorales constitutes the second group. Included will be *Chorale from Die Meistersinger*, Wagner, *God, My King Thy Might Confessing*, J. S. Bach, and *In Excelsis Gloria*, from a Breton melody arranged by Luvaas.

#### Negro's Contribution

The Negro's contribution to the music of America, the spiritual, will be presented as the third group. The choir will render such famous spirituals as *Ride the Chariot*, arranged by Krone, *Were You There*, arranged by Burleigh, and *Soon Ah Will Be Done*, arranged by Dawson.

Following this third group there will be a short intermission after which the fourth group, that of the sacred works of Russian composers will be rendered. Included in this set will be *High Barbary* arranged by Hall, and *A Violin Is Singing In the Street*, an old Ukrainian folk song with a special arrangement by Koshetz. Also, in this set will be the white spiritual, *I Have*

See CHOIR, page 3

### Varsity Show Cast to Start Rehearsals

By Nancy June  
Bill Harper, president of Backdrop Club, has announced the tentative cast for the 1950 Varsity Show to be held the second week in May.

Harper stressed that this will be a variety show. The participants were selected on acting, dancing and singing ability, and none will star.

Carrying the burden of the performance will be Joe Benedetti, Marianna Brose, Ann Buckles, Layton Zimmer, Anna Inge, Stan Paymer, David "Jeep" Friedman,

Rusty Davis, Kitty Stephenson, Joe Giordano and Chick Brown.

**Members of Cast**  
Also included in the cast are Maryibe Chandler, George Belk, Nan Ellis, Skip Scherer, Dick Lee, Chris Moe, Lucille Gerber, Murray Work, Ruth Ann Davis, Tex Wilde, Bill Farley, Jay Noyes, Jet O'Sullivan, Jack Sirich, Sam Marks, Betty MacDaniel, Judith Hollowell, Sandy Miller, Barry Wilson, Fran Thatcher, Pat Forehand, Bruce Crowell and Glenn Garrison.

Also Judy Robinson, Sue Morse,

Jay Sawyer, Scot Petrequin, Cary Scates, Bobbie Castle, Jack Wolf, Bert Wilbur, Barbara Mott, Dottie Lenham, Ann Holland, Madge Noffsinger, Liz Beard, Caroline Young, Harriet Willimon, Fred Kelley, Buddy Barker, Oren Lewis and Freddy Ann Bailey.

Also Willard Allen Bridges, Peggy Gordon, Nan Child, Barbara Schwartz, Elaine Diehm, Edith Kyser, Mary Null, Jackie Fischer, Terry Stewart, Joan Alleman, C. J.

See VARSITY SHOW, page 10

### Renander, Chockley Win Chairmanships

Lee Renander and Sidna Chockley are chairman of the honor committee and chairman of the judicial committee, respectively, as the result of the Women Students' Co-operative Government Association elections held last Wednesday.

Others elected were Pat Hedman, secretary of the executive council; Elaine Diehm, secretary of the judicial committee; Jean Madsen, sophomore member of the honor committee, and Wendy Phillips, junior member of the judicial

committee.

Those persons nominated last night for other offices include: two senior members of the honor committee: Dorothy Butts, Betty Cox, Virginia Flaherty, Dorothy (Dot) Franklin, Carol Gardner, Phoebe Martin, Melissa (Mike) Warfield, Mary Anne Woodhouse; sophomore representative of the judicial committee: Ruth Anne Davis, Dorothy (Dottie) Lenham, Peggy Prosser, Bev Simonton; senior member of executive council:

Mary-Jo Finn, Betty Hicks, Kitty Nottingham, Nancy Ramseur.

Representative-at-large to the executive council: Ella Mae Harrison, Teddy Nicas, Fran Thatcher, Carroll Walker; senior member of the judicial committee: Bolling Conner, Nancy Leigh Hall, Joan Kohler, Ina Saville; representative-at-large to the judicial committee: Tita Cecil, Julia Ann Horn, Fran Jewell, Ann Litts.

### Student Body Gains Fishing Permission

Due to the work of the General Co-operative Committee, William and Mary students are now allowed to fish in Matoaka Lake, it was announced this week.

John Dayton, president of the student body, had previously stated that the lake was overpopulated with fish and there would be plenty for all students who wished to enjoy the sport.

Under the leadership of Hugh Haynie, vice president of the student body, a committee was appointed to work with the administration concerning the situation.

In granting permission, Dr. John E. Pomfret, president of the college, issued the following statement:

"Students wishing permission to fish from the banks in the unrestricted area of Lake Matoaka will apply to William S. (Pappy) Gooch, the college game warden. If the applicant exhibits a state fishing license, he will be granted permission to fish during the open season preceding March 21. This permission may be removed from time to time."

### Something Worthwhile

The proposal for a network of radio stations located at Virginia colleges has been receiving considerable attention during recent months. Several stations are already in operation, notably at VPI and Virginia. The Student Assembly is investigating the possibility of establishing one at William and Mary.

The interest for something of this sort is definitely a reality at W&M. Last year a radio club was organized, which concentrated in writing and producing radio programs of various sorts. Broadcasting was done over station WVEC in Hampton with considerable success. The club members were all fired up with ideas for this year, but difficulties over transportation and program time caused the activity to die a slow death.

Broadcasting has been done from Phi Beta Kappa Hall many times by wire over a period of years. Speeches, concerts, recitals and the like were carried over a local station. A good example was the W&M-Richmond joint pep rally last fall.

It is needless to state the many advantages that could be gained by such a campus-operated and owned station. But for sake of clarity, we will mention a few. Publicity for the college—something that it always being looked for providing it is good publicity, opportunity for the choir and band to give concerts over the air, opportunity for students to gain experience in radio thereby enriching their college training, and the opportunity to broadcast various functions important to the college during the year.

It would be a good thing, and a welcome addition to the many valuable campus activities, giving a new group of people the opportunity to participate in extracurriculars. We hope that it will become a reality in the near future, and we see no major obstacle in its path at this stage.

H. DeS.

### A Lock Means Keep Out

When spring comes peeking around the corner, all the tennis bugs hit for the courts with wild enthusiasm. This in itself is understandable, as a warm day is most conducive to a few quick sets. But, in the case of last week's activities, the migration was a bit premature. The clay courts were still soft and soggy from the rain and snow of the past few weeks.

The courts are enclosed with fences, complete with gates and locks. Obviously the gates are to keep people out when the courts are not in playing condition.

The gates were locked last week, but playing went on despite this fact. Fence scaling is learned early in life, and is generally a tactic used by children or those with the minds of children. A locked gate signifies 'keep out' to members of an adult society.

As the result of the junior commando tennis players, the courts have been considerably damaged, and it will be some time before they will be in any sort of playing condition. It is suggested that students refrain from scaling the fences — wait until the gates are opened.

### A Worthy Dedication

The University of Virginia has picked up the needle again, with William and Mary, as usual, receiving the barb.

In the current issue of the Charlottesville institution's humor magazine, the *Virginia Spectator*, the board of editors apologized for publishing such a poor issue, then justified it by making the dedication of the issue to the W&M-UVa basketball game to be played after the issue came out.

This dedication came after the editors had failed to find what they termed a worthy subject for their dedication. In view of the fact that the magazine last week was reprimanded for printing obscene material, it might have been well if they had put more time on selecting worthy subjects for their features.

We don't like to strike when a person is down, but we take this opportunity to dedicate the score of the W&M-UVa basketball game to the *Virginia Spectator* magazine. 76-58.

H. DeS.

"Nevertheless you have to give him credit for never being late!"

### Lodge Social Hours

It has been suggested that the *Flat Hat* call the attention of the student body to the social hours governing the fraternity lodges. Taken from the 1949-50 *Indian Handbook*, the hours are as follows: "Women guests, including students, are permitted to visit in the fraternity lodges from 3 p. m. to 10 p. m., Tuesdays through Fridays, on Saturday from 1 p. m. to midnight, and on Sundays from 1 p. m. to 10 p. m. Women students will not be permitted to visit the lodges on Mondays."

### Through The Looking Glass

By Jeannette Keimling

"Goof off on whatever you want, but don't do anything controversial, because it takes two to shoulder the blame" were M-J's magnanimous words as I put her on the slow bus to Hampton. "And remember, Alice, there's nothing like a dry martini when one feels faint."

I could talk about evolution, metaphysics, or the aims of education, but the chances of drawing an inside straight on any of these are virtually nil. About the only uncontroversial topic around here is the weather; it changes before anyone can argue. Weather, by the way, is the general condition of the atmosphere at a given time.

Deciding that this column needs a little atmosphere and human interest, I donned my aliceburgown and went to a party with some interesting humans where everybody had a little bottle labelled "Drink me," and Alice was in Midwinter Wonderland.

St. Patrick really deserves the Shamrock Orgy held in his honor; after all, he drove the snakes out of Ireland. I started to tie this up with the cops in New York, but that would be controversial. Anyway a few new things happened at this Hop: Blow Gym was packed (The duchess was there shouting, "No room, no room."); The music was danceable (Even the Mad Hatter could do the Maxican Shuffle), and the boys were gallant, and the gals were bouyant.

Mr. Spivak did an interesting variation of "Boo-Ray" — "The fraternity lodges will not be open during intermission." ("Boo"), "so we won't take any." ("Ray"). This plan might sound a bit sadistic, but humans are an inert bunch and once they get some place, they tend to remain. In this case, the place was Blow Gym;

most of the people stayed until two. It was novel to find couples still dancing at the "go home" signal instead of just a bored night watchman wandering listlessly and a weary band. And so a good brawl was had by all. Of course, a few people had to find a little box of aspirins the next morning labelled "Swallow me."

Henry Pinsker has warned me that "intellectual sophisticates who go about believing that ALICE IN WONDERLAND is delightful and quotable are not the sort who would waste time reading a confused column of concentrated trivia." In other words, if you understand the foregoing, you shouldn't be reading it.

Despite my good mentor's admonition, I'm going to present a few orchids to Orchestis. I can't help being prejudiced because I saw the show when it was still a gleam in the choreographer's eye and Dr. Ryan and His All-Greek Boys couldn't synchronize the metronome, oboist, dancers, and the alphabetas.

Phi Beta is rather a breezy place to practice in in cheese-cloth, but I hugely enjoyed observing in my mink stadium boots. And due to the long run of the previous paying production, the Orchettes could not rehearse in this hysteric spot until less than a week before the actual show. The works had to be planned elsewhere and crammed on the stage later. And because of a few more circumstances, costumes and scenery were not available for a complete rehearsal until five o'clock on the night of the first show.

Yet a coherent and colorful recital was presented with cheer thrown in almost at curtain time by Jeep Friedman.

### Opportunity Knocks—

WANTED — HUMOR COLUMNISTS WHO ARE DEPENDABLE, AND WHO CAN TURN IN A GOOD COLUMN EVERY WEEK. ANYONE MAY TRY OUT, AND MORE THAN ONE COLUMNIST OR TEAM OF COLUMNISTS MAY BE PICKED. ALL INTERESTED PARTIES ARE ASKED TO COMMUNICATE WITH THE EDITOR OF THIS NEWSPAPER.

### Letters To The Editor

Dear Sir;

I am writing this letter because I enjoy seeing my name in print and because I have nothing better to do.

Just for kicks I'm going to gripe about the cafeteria. I realize this is a ridiculous thing to do, since it will do absolutely no good. The cafeteria situation has been deplorable for a good many years, and I am convinced it will remain in this state for a good many years to come.

After coating my stomach with old crankcase oil I patiently waited in line with a few thousand other dissatisfied individuals for my evening meal. The food really wasn't so bad—it's just that it ought to cost a lot less for what you get.

You can make a list of figures stand on their head and whistle *Dixie* if you want to, but pure logic will tell you that you aren't getting your money's worth. This is evidenced by the fact that other school cafeterias and even commercial cafeterias serve better food, more of it, and at lower prices. It's just like Bob Hendrich said, "Either the cafeteria is grossly mis-managed or someone is making a fortune at our expense".

Well, I don't guess it makes any difference, I like William and Mary and I'll graduate in two years anyway—It does seem a shame though—How do you feel about it?

I hope you print this letter, because I think the "Flat Hat" is just a peachy, jim-dandy, woop-doo newspaper.

Yours very sincerely,  
Douglas A. Ryder

Dear Sir:

In view of recent comment ascribing un-American doctrines to the World Federalist movement, the following facts should be made known.

World Federalists advocate change through legal and democratic process. In America change would evolve through constitutional amendment—hardly an alien or revolutionary practice. None of Federalist doctrines jeopardize any of the civil liberties found in our federal constitution.

World Federalism is not a device to spread communism. Because Federalism advocates self-determination of governmental forms it is not susceptible to the purposes of the Soviet state.

Supporters of World Federalism include such American institutions as the Kiwanis and the National Junior Chamber of Commerce. Among us are governors, senators and Supreme Court justices. This is hardly a coterie of wild-eyed revolutionaries trying to insinuate an insidious philosophy upon the American scene.

For those among your readers who lack the courage to inquire about World Federalism because of fear of stigma involved, Federalists feel indifference. But for those who, in shallow humor, jokingly call us "reds" and "bomb-hatchers," we have contempt. Although we earnestly desire honest criticism which is well-founded, we regard it as a disservice when fatuous derrogation deprives the public of an otherwise open mind.

Very truly yours,  
Sidney Schwartz  
Pres., W&M Chapter

Dear Sir:

A few weeks ago I visited Wake Forest, Duke and the University of North Carolina while on a debate trip. While at each of the schools I had an opportunity to visit their cafeterias. I won't repeat the too-often-told tale of better food and lower prices, although it is all too true.

The point that I wish to make is that at none of the three schools is there such a thing as the forced patronage practiced here at William and Mary. At the North Carolina schools which I visited, it is up to the individual student whether he wishes to eat at the school or at a local restaurant. It seems that our fellow students in North Carolina have a great deal more freedom than is accorded to us even though our school is located in "the cradle of democracy".

I suggest that the William and Mary administration take a hint from our neighbors to the south and discontinue their policy of forced patronage. This one step would surely solve the entire cafeteria problem. Without forced patronage the cafeteria would find it necessary to adjust the quality and price of their food in order to attract customers.

Sincerely,  
Jack Buchheit

### Tidewater Alumni To Sponsor Dance In Norfolk April 4

The second annual spring dance sponsored by the Tidewater Student Alumni Association will be held at the Norfolk Yacht and Country Club on Tuesday evening, April 4, from 9 p. m. until 1 a. m., it was disclosed today.

Music will be furnished by Ellwood Duncan and his band with vocal features by Betty Fields.

Bids for the dance may be obtained now from dormitory and sorority representatives. Bid booths will also be placed in the large cafeteria during the noon and supper meals beginning Monday, March 27.

"Bids may be secured through members only as bid distributions will be limited for this dance. As a reminder, circumstances make it impossible for those desiring to obtain bids when they arrive home and during the night of the dance," stated Bill Lee, co-chairman of the organization.

Dormitory representatives include Dick Mattox, Old Dominion; Linwood Perkins, Monroe; Jim Lawrence, Brown; Jacqueline Kellam, Chandler, Barrett and Jefferson; and Phyllis Wilt, Ludwell Apartments.

Recent appointments to positions on the executive committee by Bill Lee, co-chairman, include Linwood Perkins, new co-chairman; Bob Parker, representative of Suffolk; Jack Mathews, representative of Portsmouth; Charlie Craig, chairman of finance; and Dick Mattox, chairman of the Constitution Committee.

### Graduates To Apply

June and August graduates interested in advertising and publications work may apply for positions as Junior Executive Trainees with the Reuben H. Donnelley Corporation of New York City through the College Placement Bureau.

The approximate salary for a trainee during the training program which will last about two years is \$65.00 per week. In order to qualify for one of these positions the applicant must be between 20-29 years of age and a college graduate.

The Donnelley Corporation handles over 50% of the sales and national publication of all classified telephone directories, trade journal publications and direct mail and distribution of advertising.

### College Adds \$319 To Red Cross Fund

The William and Mary Red Cross drive ended March 16 with a total of \$319.12, which surpassed last year's total by \$100 dollars.

Barrett third floor collected the highest amount with a grand total of \$21.06, first floor Monroe ran a close second with a sum of \$19.78 and Chandler third floor collected \$18.53.

The totals of the dormitories and sororities are as follows: Monroe second floor, \$14.15; third, \$6.10. Old Dominion first, \$9.37; second, \$10.08; third, \$6.10. Brown first, \$4.00, second, \$2.73; third, \$4.50. Taliaferro collected \$11.08; Tyler, \$8.83, and the Chicken Coop, \$7.75.

Barrett first, \$10.00; second, \$16.55. Chandler first, \$5.16; second, \$7.38; third, \$18.53. Jefferson second, \$14.85; third, \$12.80. Ludwell raised \$26.23.

Alpha Chi Omega collected \$8.25; Chi Omega, \$13.95; Delta Delta Delta, \$3.35; Gamma Phi Beta, \$2.54; Kappa Alpha Theta, \$11.00; Kappa Delta, \$10.00; Kappa Kappa Gamma, \$9.10; Phi Mu, \$5.00 and Pi Beta Phi, \$10.16.

Mark McCormack, chairman of the William and Mary drive stated that the drive went over the tentative goal set by the committee.

### Choir

(Continued from Page 1)

a Mother in the Heavens, arranged by Bryan, and Dark Water, by Will James.

#### Concluding Group

The concluding group is composed of folk music from various walks of life. Exaltation, from the motet Celestial Spring by Christiansen, the familiar Hymn of the Cherubim, Tschalkowsky, and To Thee We Sing, with an arrangement by Tkach will be heard.

Conducting the William and Mary Choir, which now includes some 46 voices, will be Warren Sprouse. He is acting choral director in place of Carl A. Fehr, director, who is at present on a leave of absence.

Sprouse is a fast baritone soloist with the choir and has worked with the choir in preparation for this program.

Tickets for both night's performances will sell at 60 cents per person.

We know a fellow who spent so much on his girl that he finally had to marry her for his money.

### The Wax Works

By Buck Bounds

AT THE LODGES: This week it's PIKA. The brothers are really on the ball with a new idea of how to increase their collection of waxings. Mary Atkins's boys each buy two discs of their choice per semester. This adds up to mucho platters when the local lads have finished making their trek from the local platter stand to fraternity row. The record shop is cooperating with the idea in keeping a list of the wax bought, thus no duplications. Join the fad lads and lassies and watch your stacks grow.

Stanley Kenton, proprietor of the screaming brass section, is scoring quite a success with his new 40 man aggregation. In February, Stan and the group finished a special album for Capitol Records, who have given this masterworks top priority for release the last of this month. Innovations is the label that Kenton has selected for the parcel and Capitol claims that the wizard's latest will reveal the revolutionary new type of jazz that Kenton is offering. Maynard Ferguson, Canada's answer to why a trumpet was made, is playing most of the solo horn in the new band along with Buddy Childers, one of the best first seat men in the music business. Shelly Manne is back at the cow hides and a guy named Sasfranski, comparable only to Chubby Jackson as far as bass men go, is still plucking the oversized violin for Kenton. Kenton is so fond of Sasfranski's unusual artistry that he has made and titled a disc in his name. It's on Capitol and is just one continuous bass ride from beginning to end with a little accompaniment thrown in to break the monotony.

For perfect composition and that straight-to-the-heart effect, we like My Foolish Heart. It has become one of the campus favorites,

and like the old goose song, it is here to stay. The talented voice of Sandy Evans does the job of putting the song over and as old man Pabst or Miller throws in the most choice hops to bring out the superb flavor of a brew, so do Gordon Jenkins and the orchestra toss in the right notes that make for superb accompaniment.

Welcome to the new jockey: From Richmond every afternoon at 2, Harry Curran is dominating the airwaves with an hour and a half of recorded music. Harry's program is dubbed Curran's Corner and the new platter spinner welcomes all requests with typical disc jockey enthusiasm. WXGI is the station and 850 is the number on your dial. Good luck, Harry!

### Lost and Found

LOST: Chi Omega sorority pin, either in vicinity of cafeteria or between cafeteria and Chandler Hall. If found, please return to Ebbie Shelton, Chandler 202, or to Chi Omega House.

# Wilsonmen Finish Third in Cincinnati Tournament

## Topple Morris-Harvey 68-59 After Bowling to Bearcats

By Mark McCormack

The William and Mary basketball team, after being soundly walloped on Friday night, closed the present basketball season successfully by defeating Morris-Harvey of West Virginia last Saturday by a score of 68-59. The win gave the Tribe third place in the tournament, and a 23-9 overall record.

Behind 35-27 at halftime, the Wilsonmen, playing before a rather sparse Cincinnati crowd rallied to pour in 41 points in the second half and gain third place in the four team tourney. The University of Cincinnati, the host team, was victorious in the tournament, beating Xavier in the finals 57-48.

George King, Morris-Harvey forward who is the leading scorer in the nation, although held down to only 13 points by Xavier on Friday, truly lived up to advanced billing against the Indians as he played havoc with the two Brave guards in totalling 29 points. Fuzz McMillan fouled out on King and Betsy Lewis had committed four fouls when the final gun sounded. Meanwhile the fabulous King had made good on the astounding total of 17 out of 22 free throws which when added to six field goals made up his 29 point total.

Chet Giermak hit for 20 points to lead the Braves, making the second night in a row that Chet equalled or bettered the 20 point mark. McMillan closely followed Chet as he tossed in seven shots from the floor and four charity throws for an 18 point total.

On Friday night the William and Mary invaders were dealt one of the worst defeats in the schools history as they were virtually slaughtered by the University of Cincinnati Bearcats 80-44. The only encouraging thing about the game, if you can find anything encouraging about a massacre, was that Giermak made a very impressive showing as he hit for 21 points.

The Bearcats threw the Indians off stride with the entire court press they used so effectively throughout the game. In the first half, William and Mary, upset by the press, threw the ball away close to 20 times. Cincinnati quickly took advantage of this and jumped to a 37-17 lead at halftime.

The Wilsonmen were never close in the second half. Bob Benjamin and Co-captain Jere

## Atwater Elected Captain; Will Lead Netmen This Year

Joining such former William and Mary tennis greats as Jim Macken, Tut Bartzon and Bert Rance, Howe Atwater was recently elected captain of the Indians 1950 squad.

Led by Captain Atwater the Braves nationally famous tennis team will be collectively shooting for their fourth straight undefeated season and the extension of their all time record of 74 straight victories.

Atwater, a native of St. Paul, Minn., is a sociology major and is married to former W&M athletic star Jane Oblender. The 23 year old vet won numerous tournaments last summer, including the Northwest and Minneapolis clay court titles.

A veteran Indian netster, Atwater last season played in the number two spot and teamed in doubles with Fred Kovaleski, forming one of the top combos in collegiate tennis.

He will face one of his toughest tests of the year when he takes the court against Cornell's Dick Savitt on March 29, and the outcome of his match may well decide the meet.

Bunting both fouled out near the closing minutes of the game. Giermak was the only Tribesmen to hit double numbers, and his 21 markers were the most scored by any player in the first night's action.

The win over Morris-Harvey on Saturday night was William and Mary's first victory in the Cincinnati Gardens. Last season the Tribe fell twice in the tournament.

The Hoopmen returned by plane to the Reservation on Sunday afternoon.

DISTANCE MEN: Seven of Coach Lou Hoitsma's distance mainstays working out in Cary Field for the season's opener March 29. Reading from left to right they are Tex Hopkins, Bill Simonson, John Munger, Bob Batchelder, Dick Scofield and Co-captains Clyde Baker and Sam Lindsay. (Photo by Kepner)

## Baseball Nine Play 19 Game Schedule With 9 Home Tilts

There's absolutely nothing like a good case of snow, says Howard Smith, to bring out the gray hairs of a baseball coach. Especially when that blanket falls two weeks before the first game of the season.

Weather so far has proved a hindrance as Coach Smith attempts to mold a ball club to meet the Naval Air Station March 31.

A revised schedule released this week shows a 19-game slate, beginning with the Flyers and closing against Virginia on May 25.

The diamond Braves will meet 11 conference foes and 13 state opponents.

The Air Station game is the only one listed before the team disbands for the holidays. Michigan comes to Williamsburg on April 11.

Following that, the Indians tear into a string of six conference games that includes engagements with Maryland, VPI, W&L and VMI. George Washington is the only other out of state opponent W&M will meet.

Coach Smith, despite the adverse weather conditions, has had his prospective pitching staff hard at it every day, either indoors or out.

Hi Wardwell and Bill Stone, the only holdovers from the '49 mound corps, have been joined on the hill by aspirants Ed Spencer, Paul Walsak, Roy Stone and Dave Smith.

As yet Coach Smith has issued no announcement as to probable starting assignments.

## Baker, Lindsay Are Chosen To Lead Tribe Cindermen

By Hugh DeSampier

When the 1950 Tribe cindermen take the field on March 29 for the traditional home opener against the Apprentice School, the co-captains of the team will be the most consistent pair of distance men that the school has ever known.

Clyde Baker and Sam Lindsay, approaching their last swing of competition for the Tri-color, have been selected to lead the Indians for the coming season. Two of the mainstays in the rebuilding program for track started under Al Thomas two years ago, and now under the direction of Lou Hoitsma, this ace duo averaged nearly 18 points a meet last year between them.

### Holds Many Titles

Lindsay, the smaller and frailer looking of the pair—he weighs around 130—is the state indoor and outdoor mile and half-mile champion, and holds the state cross-country title jointly with teammate Clyde.

In addition to the above-mentioned joint harrier title, Baker is the recently crowned indoor two mile champion of the state. He was captain of the cross-country team in 1948 and shared the honor with Lindsay last fall.

Two records are expected to fall this spring, one to each of the two new co-captains. Already holders of numerous cross-country records in the state and southern conference area, these two speedsters plan assaults on the W&M mile and two-mile marks.

### Gunning for Record

Baker will most likely be the first to erase the old mark, as he is gunning for the two-mile mark of 9:58, held by Lou Plummer, now teaching in Newport News High School. Clyde came within a half-second of cracking it at the conference meet last spring, and is hovering within shooting distance already this spring. He hopes to set a new mark in the opening meet.

While Lindsay came within a second of smashing Clyde Bullard's 4:22 mile mark, last year, it may take several meets before "Slamin' Sam" can drop it from the books. Sam will most likely have run the 880 before the mile in every meet, and it takes a little bit out of him, as he comes close to two flat every time he runs that event.

### Two New Yorkers

New York claims both of these Indian cindermen, Lindsay from the heart of the big city, while Baker lives in suburban Flushing.

## Netmen, Richmond To Play Saturday On Tribe's Courts

Still hampered by bad practice weather the Indian courtmen have been unable to commence outdoor practice, but last week graduate coach Bren Macken did take time out to announce that a practice match has been scheduled for this Saturday with Richmond, on the Braves courts.

The eight man squad led by Captain Howe Atwater will take to the court, weather permitting, this week for concentrated drills in preparation for their big Cornell match four days later.

Although the squad will lack the individual power of last year's, the team Macken will field against Cornell will be far better balanced and will depend on "down the line" strength to win.

Both are members of Lambda Chi Alpha fraternity.

Frank Dobson, one of the better known coaches in the East, and until recently, track coach at the Apprentice School, is credited with the following statement, made to his milers before a W&M meet in 1948. "This is Baker. Take a good look at him now, and run with the rest of the milers." Good advice—Baker finished first.

### End of the Line

Next year holds new, but uncertain experiences for this sterling pair. Lindsay will take his degree in June and will be working—he doesn't know where—and one can imagine him bearing the colors of the famed New York Athletic Club, or some other organization in the "Garden" track meets in the next few years.

Baker, on the other hand, will swap his W&M tri-color for the bunting of MIT, and expects to be running in Ivy League competition come next spring.

If the rest of the team can follow the example set by the co-captains, there will be no doubt as to the quality of the cinder squad this spring. It will be first rate.

## Rhomen Defend Track Title In Mural Meet Thursday

Track will take the spotlight this Thursday afternoon, when the first meet of the outdoor season will be held, but it will not be the varsity runners responding to the crack of the starter's gun. On the contrary, it will be the 1950 intramural track meet that opens the new season in Cary Field Stadium.

The early date of the meet breaks away from the usual late May spot on the program, and was moved up so that track Coach Lou Hoitsma might get a look at the intramural runners and field men and possibly discover a likely candidate or two for the varsity.

### Sigma Rho Defending

Sigma Rho will be out to defend the cinder crown that it has won for two years running, but will not be cast in the favored role. Losses due to graduation and the spring football drills will cut down the available personnel of the Rhomen and make the meet a wide open affair.

The meet will find a lot of new faces scoring points, as many of the top men in last spring's affair have graduated. The hundred champion, Ed Weber, is expected to be busy with football, leaving it up to Jack Bruce, Jim Casey, Paul Webb and Bob Hackler, of the finals contestants.

Webb will be back to defend his title in the 220, as will finals contestants Casey, Walt Raymond, and Jake Stevens. In the quarter mile, title holder Vito Ragazzo may not be around, leaving Tom Stevens,

Jim Kelly, Don Fields and Hank Ashton to vie for the crown.

In the half-mile, only two of last years point scorers are able to enter. Bob Carter, last year's winner, is ineligible, leaving second and third placers Dick Forest and Dave Wakefield to lead the field.

### Korcowski Gone

In the field events, the big loss is Tommy Korcowski, who took two firsts to cop high point honors. None of the top five men in the discus will be back, with the result that this event will have no seeded entries.

In the shot put, the top seven finishers are not returning, leaving Bill Watson and Bob McNamara in the heir apparent spot.

Irv Rascob leads the tried candidate in the broad jump, and his known competition will come from Jack Bruce, Fuzz McMillan, Ron Barnes and Bill Watson.

Rascob and Bob Engel, tie winners of the high jump, are both back, as are runners-up Roy Slezak and Bob Benjamin. Lanky Dick Forrest could do a lot in this event, also.

On the basis of last year's returning scorers, it looks like a dogfight between Sigma Rho, SAE, Pi KA and Lambda Chi. The latter team is known to be preparing a few surprises, and other fraternities may have new men that are track men also. But the cards will be on the table—or the cinders—come Thursday afternoon, weather permitting.

# Whites Defeat Greens 27-12 in Intrasquad Game

## Yewcic, Mioduszewski Lead Whites; Lewis, Weber Greens

William and Mary's 1950 football squad put on a preview of things to come for some 2,500 spectators Saturday, who saw the Whites defeat the Greens 27-12 in a regulation game.

The fans got their first view of the tricky and diversified attack of the new "Y" formation, and also witnessed some spectacular playing by the Whites' Paul Yewcic and Ed Mioduszewski.

Yewcic, a sophomore quarterback, led the Whites in running, passing and kicking, and he scored the first touchdown of the afternoon and passed 60 yards to Mioduszewski for the final tally of the day.

Freshman Ed Mioduszewski, who was voted New Jersey's outstanding high school player in 1948, scored two touchdowns for the Whites, and unveiled his running and rifle like passing to the crowd. For the Greens, who had the more experienced backfield, the Whites had more lettermen in their line, Ed Weber, Ed Magdziak, Dickie Lewis and Captain Vito Ragazzo stood out.

The rather long and drawn out affair started off slowly with a scoreless first period.

Midway in the second period, Captain Joe Mark's White team marched 63 yards to break the scoreless deadlock. Three runs by Yewcic and his two passes to Joe Connors and Dick Kovacevich set up his 2-yard off tackle plunge for the touchdown.

Don Howren then split the uprights with the first of his three extra points.

The Greens took Dutch Kremer's kick off on their own 22-yard line, and slowly went the 78 yards to paydirt. On the final play of the half, Dickie Lewis fired a 25-yard pass to Ed Weber who made a spectacular catch in the end zone

as the buzzer sounded.

Tommy Martin's try for the extra point was wide, and left the Whites leading 7-6 at halftime.

In the third period, the Whites quickly added to their scant lead with two touchdowns. The first came when George Zupko and Leon Goodlow combined to block Lewis' punt with the ball going out of bounds on the one-yard line. Fullback John Connors plowed over for the score. Mioduszewski set-up and scored the second tally on a four yard run off tackle.

Passes by Lewis, and Magdziak's two yard scoring plunge put the Greens back into the ball game, 20-12, early in the final period. But four plays later, Paul Yewcic uncorked a beautiful 60-yard pass to Mioduszewski in the endzone to finish the scoring.

After the game, Coach McCray singled out guards Joe Mark and Ron Gonier, and tackle Ted Gehlmann as the defensive standouts of the game.

## Handballers Reach Fifth Round of Play

The intramural handball tournament entered the fourth round of play last week with SAE's Paul Walzak and Olaf Hedman of Sigma Rho leading the way. Both Hedman and Walzak are now in the quarterfinals.

Fourth round play this week will have Clarence Bass of SAE meeting Ronnie Barnes of Lambda Chi; Shelly Flanzig, Pi Lamb against Bill Martin of Pi KA

**PABLO ON THE LOOSE:** Quarterback Paul (Pablo) Yewcic cutting around right end to pick up yardage for the Whites. Captain Joe Mark (21) is leading the way for Yewcic who has gotten around Paul Sica (center) into the clear. The Whites' Ted Gehlmann has blocked out John Kream-check in aiding the run. The Whites defeated the Greens 27-12. (Photo by Kepner)

## Kappa Sig Finally Wins, Beats Chi O In Upset of Week

Men once again proved themselves to be the stronger sex last Thursday night, when the Kappa Sigs downed the hoopsters of Chi O in a hotly fought, 25 to 24 basketball game in Blow Gym.

Getting off to a roaring start in the first half with baskets dropping in as fast as the snow was dropping outside, the score stood

at 14 to 6 at the midway point, Kappa Sigs leading.

The second half proved equally as exciting as the first but the Chi O "goal-guarders" couldn't stop Kappa Sig's red hot Hendrich-Stewart combination.

**Combination Play**  
Their combination play went something like this: Hendrich would hop up on Stewart's shoulders, the ball would be passed to Hendrich, and Stewart would make a bee-line for the basket.

Clad in borrowed football uniforms and sneakers, and with water pistols concealed under their helmets, the Kappa Sigs finally eaked out a victory by one point.

**Distraction Plot**  
Adelaide Leftwich, Chi O. water boy, was involved in a "distraction

plot" planned by the Chi Omegas at halftime. Appearing on the scene in a bedroom black costume definitely not designed for winter wear, she served water in beer mugs to the KaySigs.

# SAE Takes Championship Pi KA, Rhomen Vie for 2nd

As the fraternity basketball league heads into the final week, only seven games remain. This week's major encounter is the Pi KA-Sigma Rho contest for second place.

Undefeated SAE finished their season undefeated by smothering Sigma Pi 69-17. The well-balanced SAE attack was led by Randy Davis, Roy Slezak, Joe Giordano, and Bill Watson who scored 16, 14, 13, and 13 points respectively.

Theta Delt pulled up into fourth place as they ran away from Lambda Chi 54-33. A tight Theta Delt defense held high-scoring Lambda Chi to ten points in the first half, as they had a 20-10 halftime lead. Sharp-shooting Tommy Boys, who hit on 10 of 19 field goal attempts, paced the winners with 21 markers. Mark McCormack and Bob Schauf controlled the rebounds and each hit for 10.

Sigma Rho slipped into a two-way tie with Pi KA by whipping Pi Lamb 44-33. Cliff Kimmerle paced the winners by tallying 10, while Shelly Flanzig led Pi Lamb with 12. The defeat dropped Pi

Lamb behind Theta Delt into fifth place.

Phi Alpha lost two games this past week. Lambda Chi unmercifully pressed them all over the court as they posted a 67-38 win. Ron Barnes scored 44 points for a new record to lead the winners, while Arnold Hanft meshed 22 for Phi Alpha. Pi KA broke the season's single game high scoring mark as they routed Phi Alpha 79-15, as Vic Janega scored 33 markers.

Sigma Pi completed its season by bowing to Kappa Sig and Phi Tau. Kappa Sig, with "Stretch" Vescovi, Dick Bishop and "Red" Hegeman scoring all but five of their points, emerged from a 14-10 halftime deficit to eke out a 38-34 victory. Dave Steck of Sigma Pi took scoring honors for the game as he netted 16 markers. In the Phi Tau encounter George Larkin paved the way for a 42-23 victory.

In a battle for sixth place Kappa Sig edged Lambda Chi 34-30. Bob Carter topped the scoring as he hit for ten of the losers' points.

# Rubber Guts Down Bouncers, Lion Cubs Take Two Victories

In the big game of the week, the unbeaten Rubber Guts edged the previously undefeated Jersey Bouncers, 32-29, to virtually clinch the Independent League basketball championship.

The Bouncers, paced by Paul Walzak's seven points, led the Guts 13-10 at the half. However, the Rubber Guts surged back to win in a nip and tuck battle. Walzak hooped 11 points to lead all scorers, and Olaf Hedman made eight. The Rubber Guts were led by Royce Jones, who made 10 markers. He was closely followed by Don Dolan and Don Jeffrey with eight tallies apiece.

The Lion Cubs copped two wins this past week. Tuesday the Cubs routed the hapless Virginia Hams 56-18. The Lion Cubs had an air tight defense in the first half holding the Hams to two foul shots. Welton Mansfield and Jack McNally sparked the victors with 17 and 16 points respectively.

### Cubs Swamp

Thursday, the Lion Cubs swamped the Lamby Pies, 61-27 and at halftime, the Cubs were safely ahead 24 to 9. The winners were led by Jim Sood, Jack McNally and Welton Mansfield, who tallied 17, 15 and 13 points respectively. George Southwell

# Pi KA Cops Mural Bowling Crown, Phi Tau Captures Second in Playoff

Consistency-plus paved the way to victory for Pi Kappa Alpha in last Thursday night's three-way roll-off in the Fraternity Bowling League. Phi Kappa Tau placed second, with Kappa Sigma third. Pi KA rolled up an impressive three game total of 1636. Phi Tau followed with 1587, while Kappa Sig trailed with a total of 1518.

Phi Kappa Tau, led by Gene Rambacher's 145 and Bobby Davis' was tops for the Lamby Pies meshing 12 markers.

Wednesday the Jersey Bouncers bounced the Lamby Pies 36-26. The first half was close, as the Pies only trailed 13 to 11. The Bouncers' Walzak topped the contest with 10 markers while Al Curtis dropped in nine points for the Pies.

During the past week the Blue Bullets split two decisions. The Bullets defeated the Monarchs 33-23 after trailing 13-12 at the intermission. The high scorer of the game was Bullet Lawson of the Bullets who meshed 12 markers. George Lyon tallied 10 for the Monarchs.

137, jumped to a slim lead after the first game. They pinned the night's high single in this game with a 563 set.

In the second game Kappa Sig came through with a 552 total but Pi KA moved in front by coupling a 525 with their first game of 559. Their two game aggregate read 1084, with Phi Tau in the second slot with 1061 and Kappa Sig pulling closer with 1030.

The wind-up game saw Phi Kappa Alpha sew up the winner's spot with a 552 game, for their 1636 total. Bob Davis again led Phi Tau, with a 135, but their 526 effort fell short by almost 50 pins as they totaled 1587. Kappa Sig slipped back to finish third with their 1518.

Phi Tau's Bob Davis chalked up the night's high individual set with 377 and Gene Rambacher's 145 was the evening's high single. But Pi KA proved consistent down the line, boasting a team average of 109, and chalked up a well-earned victory to win the Intramural trophy.

## Major Barrett To Hold Interviews For Marine Corps Leader Program

Men and women students who are interested in entering the Marine Corps Platoon Leader program may gain information on the subject tomorrow and Thursday, when Major Charles D. Barrett, USMC, will hold interviews from 9 a. m. to 4:30 p. m. in the second floor corridor of the Wren Building.

Major Barrett emphasized three phases of the program that have been particularly appealing. The most important, in his consideration, is the eligibility for retirement under Public Law 810 after 20 years of service on inactive duty. A person could conceivably draw from \$120 to \$150 per month in retirement pay under this plan.

Other special features of the program are that it offers the opportunity for active duty upon graduation, but does not compel it. One can go on active duty with a regular commission if properly qualified, but it will take an act of Congress to compel active duty status.

### Commissions for Women

The other point is that the program offers commissions to qualified women under the same conditions as those for men, with the exception that there are fewer vacancies.

The program calls for two six-week training periods at Quantico in summers prior to graduation. Salaries for the training will be \$125 for the first summer and \$150 for the second.

The program calls for freshmen

and sophomores in particular, due to the summer training requirement, but will take juniors who have had at least one year of previous service.

### Requirements

The requirements, besides the class requirements already mentioned, include that the student be of good scholastic standing in his class, and require a letter from the dean attesting the fact; the physical examination is the one given for entrance to the U. S. Naval Academy at Annapolis. Major Barrett stated that he would like to enlist at least six students from William and Mary.

Training camps are conducted in two increments for each class, according to Major Barrett. The junior course has opening dates set at July 2 and 23, while the senior course begins on June 18 and July 9. He stated that it is generally possible for the candidate to get whichever group he desires.

## Dr. Lillian Gilbreth Will Speak at SAM Meeting in Richmond

Dr. Lillian Gilbreth, will speak on Motion Economy in the Home when the Society for the Advancement of Management holds its dinner and meeting in the John Marshall Hotel in Richmond on March 28. The gathering is being sponsored by the Richmond chapter of SAM.

The dinner and meeting is for members only and will cost \$2.50 per person, announced John Watson, president of the William and Mary chapter of SAM.

Charles Cox, industrial relations consultant, spoke on Labor Man-

agement Relations last week when he addressed the local chapter of SAM in Washington Hall.

Cox is a former employee of the United States Labor Department. Accompanying Cox was E. Starke Farley of the Richmond Engineering Company.

# NO CIGARETTE HANGOVER

when you smoke PHILIP MORRIS!

In just a few seconds you can prove

## PHILIP MORRIS

IS DEFINITELY LESS IRRITATING than the brand you're now smoking!

**1... light up a PHILIP MORRIS**

THEN, just take a puff—DON'T INHALE—and s-l-o-w-l-y let the smoke come through your nose. Easy, isn't it? And NOW...

**2... light up your present brand**

Do exactly the same thing—DON'T INHALE. Notice that bit of that sting? Quite a difference from PHILIP MORRIS!

NOW YOU KNOW WHY YOU SHOULD BE SMOKING PHILIP MORRIS!

Everybody talks about PLEASURE, but only ONE cigarette has really done something about it.

- That cigarette is PHILIP MORRIS!

Remember: *less* irritation means *more* pleasure. And PHILIP MORRIS is the ONE cigarette proved definitely *less* irritating, definitely *milder*, than any other leading brand.

NO OTHER CIGARETTE CAN MAKE THAT STATEMENT.

### Dr. A. C. McGiffert To Talk In Chapel Grey Speaks on Conceptions of Time

Dr. Arthur C. McGiffert, president of the Chicago Theological Seminary, will speak in Chapel tomorrow, after which he will attend a reception given him by the Student Religious Union in Phi Beta Kappa Hall.

As opposed to the Christian philosophy of time, Dr. John H. Grey, pastor of the Presbyterian Church, defined in chapel last week the philosophies of time as conceived by other distinct groups.

The Communists, he explained, derive their feeling of superiority from their concept of time as belonging solely to them and that in all phases of life time is on their side working to their advantage.

Time, as understood by non-Christians, belongs to the devil, for civilization is doomed for destruction excepting for those who can accept Jesus Christ.

As a further example of definition of this time element, Dr. Grey sights the individualistic philosophy that time, aside from that used for making a living, is his personal property and hence is at his own disposal. If the community or campus is suffering from lack of leadership, that is not his responsibility.

He stresses that the Christian philosophy of time differs from that of the others in the respect that their time is the possession of God and that He entrusts us with it. Time is the essence of life and that takes the forms of leadership, responsibility and liberty.

In his final analysis of time, Dr. Grey recited a few lines from *Salutation of the Dawn*, reminding one that "Yesterday only a dream, tomorrow only a vision; Today well lived makes of every yesterday a joyous memory and of every tomorrow a vision of hope. Look well therefore to this day."

### SOCIAL NOTES

### VA Announces Plan Of Dividend Checks

The Veterans Administration announced this week that generally speaking, insurance dividend checks are mailed out soonest on serial numbers whose last three digits are low, but there are numerous exceptions to this general rule.

For example, applications are handled in groups, up to certain cut-off dates. Two veterans may have the same three serial digits, but the date on which VA received their applications will put them into different groups. The veteran in the earlier group will get his check sooner than the one in the later group, in spite of their same serial digits.

Also, many of the applications have to be hand-processed by VA instead of run in the machine production line that has been set up. Due to the limitations of the machines, when a veteran's last name has more than 15 letters, it falls in this class.

### Visitors To Witness 18th Century Play In April and May

An 18th century comedy, *Dr. Last In His Chariot*, will be presented here weekly during April and May as another colonial entertainment activity for spring-time visitors to Williamsburg.

Staged in the manner of pre-Revolutionary days, the old play will be given on Friday evenings beginning Friday, April 7. It will be presented at the Reception Center where the specially-constructed stage has been equipped with the accoutrements of a colonial theater to provide a setting reminiscent of the 1700's.

The three-act play, *Dr. Last In His Chariot*, a take-off on hypochondriacs and quack doctors, is an 18th century adaptation by Bickerstaff and Foote of a Moliere play and was popular among theater audiences of the 18th century in England and in the colonies. It will be enacted by the College of William and Mary Theatre

### Spanish Club Holds Banquet at Thieme's

A banquet attended by members of the Spanish Club was held last Wednesday evening at Thieme's Dining Room.

The program included a quiz in which each member, representing an outstanding Spanish personality, attempted to identify himself by asking leading questions. During the meal, members conversed on various topics in Spanish.

A plan to hold a similar supper meeting each month as well as a card playing tournament was discussed.

All Spanish students have been invited into membership, announced Bob Saba, president of the club.

## Major Roy Carlson, U. of Iowa, Training Executive, U.S. Air Force!

Born in Red Oak, Iowa, Roy graduated from Thomas Jefferson High School at Council Bluffs. He was ready to enter the University when war changed his mind.

He went to work at Consolidated Vultee in San Diego, building PBV's and B-24's. But it wasn't long until he had put in his application for Aviation Cadet training.

Cadet Carlson won his wings in April, 1943, was assigned to P-47 "Thunderbolts" with the 368th Fighter Group in England, to break ground for the Normandy invasion.

Roy completed 125 combat missions, leading many of them, supporting the invasion and the advances on into Germany. Won Air Medal, D. F. C., many other decorations. Promoted to Captain, then to Major.

Back home, he married the lovely Army nurse from Lowell, Massachusetts, whom he had met at Cannes, France. After the honeymoon, he returned to finish his studies at the University of Iowa.

Major Carlson is now Chief of Operations, 2471st Air Force Reserve Training Center, at O'Hare International Airport, near Chicago. Has two husky sons, a fine job, a great career still ahead of him!

If you are single, between the ages of 20 and 26½, with at least two years of college, consider the many career opportunities as a pilot or navigator in the U. S. Air Force. Procurement Teams are visiting many colleges and universities to explain these career opportunities. Watch for them. You may also get full details at your nearest Air Force Base or U. S. Army and U. S. Air Force Recruiting Station, or by writing to the Chief of Staff, U. S. Air Force, Attn: Aviation Cadet Branch, Washington 25, D. C.

# GREEK LETTERS

Recently elected officers of Phi Kappa Tau are the following: James Sawyer, president; Daniel Myers, vice-president; John DeRose, secretary; Joe Kilgore, treasurer.

On March 13 Roland Maxwell, Richard Young and Thomas Ashley, national president, vice-president and field secretary, respectively, visited the local chapter. Following a reception held in their honor, the national officers witnessed a "model" initiation of the chapter's "model" pledge, Robert Cattell. The annual Founders' Day banquet was held that evening at the Williamsburg Lodge.

Recently initiated into Chi Omega were the following: Andy Anderson, Noel Blankinship, Barbara Brums, Maribe Chandler, Nan Child, Greta Clark, Jackie Fisher, Betty King, Pat Mitchell, Eunice Myers, Mary Null, Ella Tuck, Carroll Turner, Diane Weed and Ann Williams.

Newly elected officers of the Kappa Delta pledge class are Barbara Wilson, president and Peggy Prosser, secretary-treasurer. Dr. Dorothy Veon, province president of Washington, D. C., visited the local chapter last week.

Jane Renton and Nancy Adams, both of the class of '49, visited the Gamma Phi Beta house recently.

Phi Mu announces the election

of the following new officers: Nancy Ramseur, president; Nancy Kennedy, vice-president; Ella Mae Harrison, secretary; Joan Kohler, treasurer; Anne Moore, pledge director; Peggy McCune, rush chairman.

Thursday, March 16, the pledges of Delta Delta Delta entertained for the actives with a "dessert" at the house. Initiation was held on March 19 and 20. The following were initiated: Bobbie Castle, Lin Crandell, Sunny Davenport, Mary Detwiler, Sally Eger, Nan Evans, Ginny Gary, Betty Gayle, Lee Granger, Pam Hall, Bessie Hatzopoulos, Yvette Hickey, Carolyn James, Ann Johnson, Harriett Jordan, Emmy Ketterson, Helen Mason, Jane Middleton, Sandy Miller, Barbie Jo Mott, Claudia Richmond, Bev Simonton, Joanne Stengel, Anne Dunn Smith, Helen Wesson and Harriet Willimon.

An Andrew Jackson Birthday party was held at the Kappa Sigma lodge last Thursday night following the Chi O-Kappa Sig basketball game at which the Chi O's were guests of honor.

The Alpha Chi Omega initiation banquet was held this evening at the Williamsburg Lodge.

Pi Beta Phi announces the initiation of the following on March 11: Joan Allemon, Tina Bass,

Liz Beard, Tink Bell, Sue Biederman, Betsy Booth, Joan Booth, Barbara Bowman, Ann Buckles, Jeanne Carmody, Stet Clay, Mary Compere, Nancy Easterling, Jean Farley, Mary Jo Finn, Beth Forrester, Toni Gilman, Julia Hagler, Kathryn Halsey, Ruth Hasemeyer, Anne Ivory, Mary Rogers King, Dorothy Lenham, Suzanne Moffett, Joan Padden and Gayle Ruffin. A banquet was held at the Williamsburg Lodge following the initiation.

Randy Garrett, '48, visited the Theta Delta lodge over the weekend.

The William and Mary chapter of the Society for Advancement of Management is one of 86 student chapters.

## CBS Airs Program About Williamsburg

On Sunday, March 19, a nation wide broadcast over CBS entitled **The Stamp Act Rebellion** "covered" Williamsburg. Spot radio coverage was given to an historical event which occurred in this colonial city some 185 years ago.

The broadcast, which was part of the network's **You Are There** series, dealt with the dramatic arrival of a representative of the King in Williamsburg to collect the Stamp Tax as if actual reporters were on the spot.

Colonel George Mercer, a native of Williamsburg who was appointed King's Collector while on a visit to London, was met by seething crowds of angry colonists upon his arrival back in Williamsburg.

The tension and descriptive moments were reported by CBS newsmen Bill Leonard, Ned Calmer, Don Hollenback and Quincy Howe, from points of vantage in Williamsburg, Boston and New York.

## Wilt, Harrison Win Flat Hat Phone Quiz

The time for the Flat Hat Telephone Quiz, sponsored by Chesterfield, has been changed from Sunday evening to Wednesday evening, announced Joan Carpenter, Chesterfield representative on campus.

The winners for last week were Phyllis Wilt and David Harrison, from Ludwell and Tyler A. Respectively. They each received a carton of Chesterfields for answering the question, "What is the proposed completion date for the new men's dormitory," correctly with the answer "the fall of 1951."

Each week on Wednesday evening telephone calls will be made to two dormitory sections and a question will be asked concerning some article in the Flat Hat of the preceding day. If the correct answer is given, a carton of Chesterfields will be given to the person who answers.

## Who will she be on this campus?

Cast your ballot today for "MISS FASHION PLATE OF 1950"

What excitement! Revlon is sponsoring a contest to determine which girl is fairest of them all on your campus.

You elect Revlon's MISS FASHION PLATE of 1950! And you give her a chance to win the Grand Prize... a glamorous trip to Bermuda by Pan American Clipper plus an expense free week at the famous "Castle Harbour" Hotel! And 7 other thrilling prizes: an RCA-Victor "Globetrotter" portable radio; a Lane "18th Century" Hope Chest; an Amelia Earhart party case in "Revlon Red" leather; a silver-plated lighter, cigarette urn and tray set by Ronson; a necklace, bracelet and earring set by Trifari; a year's supply of Berkshire's nylon stockings; a Wittnauer wrist watch; and, of course, a full year's supply of Revlon cosmetics!

You know the winner! Your campus teems with candidates for "MISS FASHION PLATE of 1950". That's why Revlon asked your Campus Board of Selection to pre-select 10 girls. Look over their names... and decide who deserves to win the title "MISS FASHION PLATE of 1950" on your campus—and possibly from coast to coast!

She must excel on 4 counts:

- Beauty and Charm
- Fashion Knowledge and Dress
- Personal Grooming
- Personality and Poise

What more natural sponsor than Revlon?

Isn't it just like Revlon, foremost name in cosmetics, to dream up a contest to choose the loveliest girl on your campus? Revlon named this exciting contest after its own product "FASHION PLATE"... the one and only cream wafer face make-up in the world! Because Revlon believes that the most beautiful women have skin that lights up and glows... skin touched with the magic of FASHION PLATE.

Important: The candidate you select will compete against candidates selected by other colleges and universities from seaboard to seaboard! Watch the papers in May for the announcement of the Grand Prize Winner... the girl who'll win the free trip to Bermuda! The girl who wins on your campus—whether or not she's national "MISS FASHION PLATE of 1950"—will win a year's free supply of Revlon cosmetics!

Make sure the best girl wins! Cast your ballot today! A panel of beauty authorities is waiting to judge your candidate.

## Ballot

Contest closes midnight, April 15! Clip ballot—drop it in ballot box in this newspaper office. Watch newspaper for announcement of other ballot box locations on campus.

\*\*\* GRAND PRIZE \*\*\* A trip to Bermuda by Pan-American Clipper plus an expense-free week at the famous "Castle Harbour".

### IFC Amendment Calls for Revision of Rotation Plan

In an effort to help campus fraternities assume more responsibility the Interfraternity Council last night proposed several new measures and amendments to the Council constitution at a meeting held in Phi Beta Kappa Auditorium. The assemblage was attended by members of all the fraternities, with Jack Gully acting as spokesman for the Council.

#### Would Abolish Rotation

Among the major proposals was a suggestion on the part of the council for changing the system of choosing a president. At present the system is to rotate the office from fraternity to fraternity.

Under the proposed amendment the Council would nominate three men, with those fraternities whose men were on the ballot being ineligible to vote. Each Council member would nominate three men and those whose names appear most often would go on the ballot.

The president, it was proposed, shall be elected from second representatives to the council and not from fraternity presidents. This way, Gully pointed out, it would be an honor to hold the office rather than the mere headache which it is at present.

#### Experienced Men

These second representatives, it was advocated, should come into the council four months before the president is elected so that the Council will always have experienced men in its ranks.

### Religious News

The Baptist Student Union will have an installation banquet on March 26 for its newly elected officers. Dr. Archibald Ward, pastor of the Baptist Church, will be the speaker.

Continuing the Student Religious Union suppers, the Canterbury Club was entertained by the Wesley Foundation at the Methodist Church Sunday night.

The Presbyterian Supper Club will have a square dance from 7 to 10 Friday night at the Bruton Parish Church. The club will hold its annual election of officers on March 26.

Rae Harcum, Joy Reynolds, Jim Reese and Bob Strohkorb attended the conference of the Methodist Student Movement at Roslyn this past weekend.

At its regular meeting next Sunday night, which will be held in the large assembly room, the Wesley Foundation will elect its officers for next year. The Foundation had a Sunday Soiree at which refreshments were served and various games played last Sunday night.

### Library to Purchase Newspaper Editions On Microfilm Rolls

Microfilm rolls of the New York Times and the Richmond Times Dispatch are being purchased by the Library to replace the bulky bound copies of the newspaper editions it was learned this week.

The Library is continuing its subscription to both newspapers and will keep the daily copies on file for a year's duration. After that, the Library will discard them and depend upon the microfilm as a substitution.

The periodical room is equipped with a machine on which these 35mm microfilms can easily be read. This research device can be used by the students under the supervision of a library assistant who will safeguard the machine and protect the films.

Even though this innovation is slightly more expensive, the offered advantages outweigh the financial situation, it is believed. The compact cartons of film occupy five per cent of the space required for shelving the bound editions, guarantee permanent records as they can easily be refilmed and, if kept under proper conditions, will last 10 times as long as the pulp wood paper.

### Varsity Show

(Continued from Page 1)

Hodgdon, Ann Helms and Kitty Stephenson.

The 1950 Varsity Show is to be held on May 9, 10, and 11 in Phi Beta Kappa Auditorium. On Friday, May 12, it will be presented at the WRVA theatre in Richmond. On Saturday, May 6, there will be a television broadcast of the show at 6 p. m.

#### Script, Music, Dance

The script was written by Crowell, Garrison and Harper. Harper will also serve as director. Responsible for composing the music will be Richard Hutcheson and Martin Herman. Bob Smith will be the dance director for the show.

All members of the Backdrop Club are requested to attend the meeting tomorrow in Washington 200 from 7:30 to 10 p. m. The first

act of the Varsity Show will be read, and rehearsal schedules will be announced. The spring activities for the club will be planned at this time.

Tom Brummer, business manager, and Blair MacKenzie, technical director for the show, announced that there are openings in those departments. They will hold group meetings following the general meeting.

Anyone interested in helping on the music staff should see Herman or Hutcheson at the meeting Wednesday night.
