

Dear John

road Beach 7 May 1850

Uncle M^c is coming over
this morning & I have concluded
to drap you a few lines.

I hope you will not fail to
come over this evening according
to promise, and go out to see
Miss Henrietta & the Misses Harris
I anticipate a pleasant visit

enough - you know what
kind of girls the Misses Harris
are. wide awake and full of
flesh. Perhaps William May
field will go with us, and if
he is over there inform him of
our intentions & invite him
over with you to say don't
fail to come. if by any cause you
fail to write me a note by M^c.

Your sincere friend
W^m Mayfield
