Frammingham

Feb. 4. 1876.

Dear Mr Garrison,

Many thanks,
from all of us, for the Memorial
Card with the verse from Whittier so
appropriate and tender, suggesting
at once the whole poem full of
consolation and elevated sentiment.
Our hearts go forth to you in sym-
pathy in your bereavement, knowing
that it must be an affliction indeed
to part with such a wife, so long
spared to comfort and cheer you
through a life so eventful.

We hope you are recovering
from your recent attack of sick-
ness. Our Country needs your
services longer yet. Your
presence, even, is a rebuke to
the time serving and an in-

Couragement to the faithful.

Now that the rebel element at the South is rallying again to strike hands with northern partisans greedy for power, to gain political supremacy, we need the warning voice of the Veteran whose fidelity and success give authority to his utterance.

Long may you be spared to your Country, your friends and your children!

Wm Stone thanks you most heartily for your kind note with the autograph and sentiment for Isabella.

With great esteem,
Yours truly,

H. C. Stone.
