COLONIAL ECHO

ELIZABETH MOORE EDITOR-IN-CHIEF

CALDWELL CASON BUSINESS MANAGER

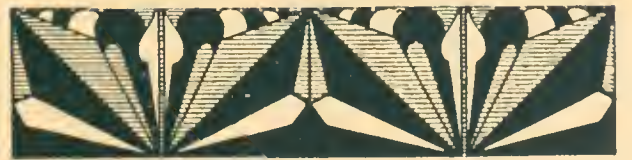

COLLEGE OF WILLIAM AND MARY IN VIRGINIA

1940

**COLONIAL
ECHO**

DR. GRACE WARREN LANDRUM

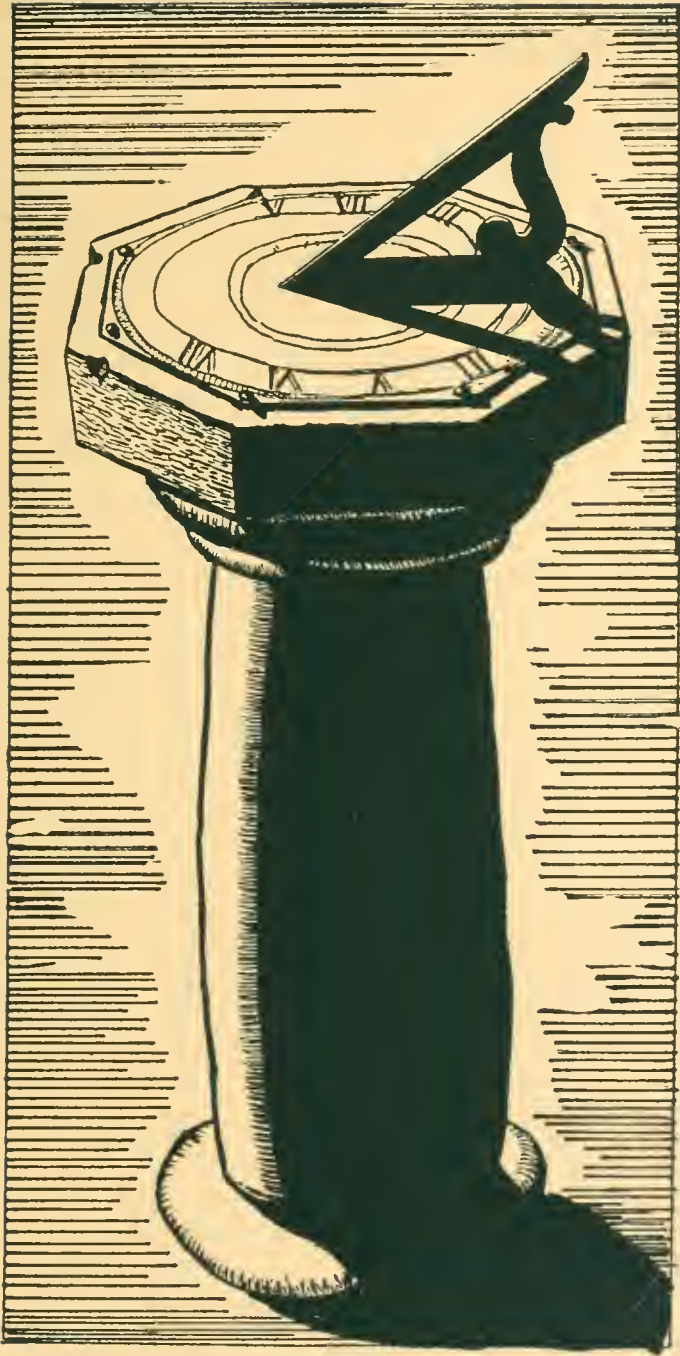

DEDICATION

THE 1940 COLONIAL ECHO IS DEDICATED TO GRACE WARREN LANDRUM, IN RECOGNITION OF HER INCALCULABLE CONTRIBUTION TO THE LIFE OF THE COLLEGE. THOSE WHO KNOW HER IN HER CLASSES FIND HER LOVE OF LEARNING A JOY AND AN INSPIRATION; THOSE WHO MEET HER AS DEAN OF WOMEN EXPERIENCE HER DEEP UNDERSTANDING AND GENEROUS SYMPATHY. ALL HER MANY FRIENDS RECOGNIZE IN HER A RARE SINCERITY AND AN ABIDING LOYALTY.

FOREWORD

IN THIS YEAR'S COLONIAL ECHO WE HAVE TRIED TO CAPTURE AND CRYSTALLIZE THE FRIENDLY AND COOPERATIVE SPIRIT THAT PERVADES THE EVERYDAY LIFE AT WILLIAM AND MARY AND TO RECORD IT AS ADEQUATELY AS POSSIBLE. WE HOPE THAT, WHEN YOU RECALL YOUR COLLEGE LIFE IN YEARS TO COME, THIS COLONIAL ECHO WILL HELP FILL THE GAPS IN YOUR MEMORY AND BRING BEFORE YOU VIVIDLY ONCE AGAIN YOUR COLLEGE YEARS AT WILLIAM AND MARY.

ALMA MATER

Hark! the students' voices swelling,
Strong and true and clear;
Alma Mater's love they're telling,
Ringing far and near.

Chorus:

William and Mary, loved of old,
Hark upon the gale,
Hear the thunder of our chorus,
Alma Mater, Hail!

All thy sons are faithful to thee
Through their college days;
Singing loud from hearts that love thee,
Alma Mater's praise.

Iron shod or golden sandaled
Shall the years go by,
Still our hearts shall weave about thee
Love that cannot die.

God, our Father, hear our voices,
Listen to our cry—
Bless the College of our fathers,
Let her never die!

Each session has its own essential characteristic. For 1939-40 there should be no doubt that the heightening of the will to win has been the attribute by which this session will be remembered.

All education and all training look to success, and no man purposely prepares for failure. All college work, then, is pointed to the goal of achievement in scholarship or business or the professions or in the wider and far more difficult field of the art of life.

Full achievement can never be won by the easy way of using natural gifts alone; for everyone there comes a time of strain when the reserves of energy must be tapped, when, in order to win, the final test is whether or not a man will put his whole heart into his courage and determination.

The call to put out power is dramatized in athletic contests, especially on the football field; that is why these contests move the throng so deeply; but above and beyond the skill and gen-

eralship of complicated plays, or the brilliance of occasional runs, there stands out the appeal to that unconquerable spirit that will not yield. That spirit was shown by our team this fall, and the power of that will is not to be measured by victory or destroyed by defeat, for such a will is not under the control of superior force or the power of chance; we know that in life, as in every other contest, when a college, city, or nation will not flinch nor yield, that community has lifted itself above the domination of events, and has entered into fellowship with the immortals. There was such a company of soldiers in Athens once, of whom Thucydides wrote:

"They dared beyond their strength and hazarded beyond their hope, and in their extremity were not downhearted."

If that ability and that will continue to inspire the student body of William and Mary, the future of the sons and daughters of this College will be in their own hands.

ATHLETIC ADMINISTRATION

CARL M. VOYLES

Director of Athletics

February of 1939 brought a new athletic regime to William and Mary under the rule of Carl M. Voyles. Mr. Voyles came to Williamsburg with a record that well qualifies him to fill the position of director of athletics. Prior to the acceptance of his new job, Mr. Voyles was head track coach and assistant to Wallace Wade in football at Duke University, Durham, North Carolina. Here he assumes the position of head football coach in addition to his administrative post.

DWIGHT STUESSY

Varsity Basketball Coach

Dwight Stuessy came to William and Mary last year from McCallister College in Minnesota where he coached football and basketball. Here Mr. Stuessy has taken over freshman football and is the varsity basketball coach.

REUBEN N. McCRAY

Varsity Baseball Coach

Reuben N. McCray came from Tennessee Wesleyan. Here Mr. McCray, besides being assistant coach of football and freshman basketball, is head coach of baseball.

JOSEPH CHANDLER

Varsity Track and Swimming Coach

Joseph Chandler took up head coachship of track at William and Mary in 1924 after graduating, in the spring of the same year, a great track star of William and Mary. The varsity and freshman swimming teams have also been under his tutelage for a number of years.

First Row: Darby, Wallace, Jerry, Black.
 Second Row: Pettet, Hazen, May, Holland.

ALBERT WERNER

Assistant Football Coach

Albert Werner came from Morris-Harvey College, Charleston, West Virginia. At William and Mary, Mr. Werner is an assistant to Mr. Voyles in football and takes over the freshman baseball team in the spring.

WILLIAM S. GOOCH

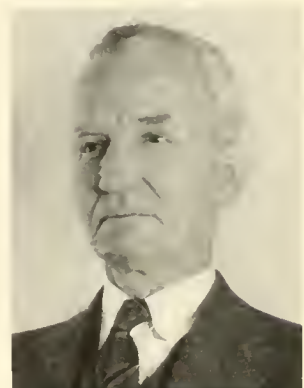

Business Manager of Athletics

William S. Gooch is the real tradition behind William and Mary athletics. Since his arrival at Williamsburg in 1928 he has served William and Mary in all phases of athletics, and at present is acting in the capacity of business manager.

TUCKER JONES

Professor of Physical Education

Tucker Jones has been connected with William and Mary athletics for a great number of years. Besides being a professor of Physical Education, he has coached men and women's fencing, and acts as chairman of the Women's Athletic Council.

won the game for them and as a result they ran wild in the last quarter, running the final score up to 31-6.

SUMMARY

GUILFORD

William and Mary students and Alumni received their first glimpse of Carl Voyles's football system when the Indians trounced a fighting Guilford Eleven 31-6. The scoring was done once in the third period and twice again in the fourth period; each time Jimmie Howard converted the point. Guilford's only touch-down was made on a 92-yard run by Captain Letz.

NAVY

The Indians journeyed to Annapolis confident that they were going to show the Middies some real football and this they did in the first three periods of a well-played game. Navy scored in the first period but the Tribesmen returned the score on a long run by Burchfield as the half ended 6-6. It was only the reserve strength of the Midshipmen that

APPRENTICE

The William and Mary football team had a field day at the expense of the Apprentice School in Newport News. Scoring started almost immediately and continued throughout the game. Long runs by Howard and Hickey were features and the scoring spree ended 39-6.

V. P. I.

With the regular forward wall playing like "All-Americans," the Indians fought to a 6-6 tie with the highly favored V. P. I. Gobblers. Credit for the Tribesmen's touchdown went to the hard-charging end, Gondak, who blocked a Tech punt and fell on the ball behind the goal line. The Techmen made their only score early in the third period on a series of clever running and passing plays.

HAMPDEN-SYDNEY

Hampden-Sydney College made its annual trip to Williamsburg, and had to be content with a 26-0 shutout at the

hands of the Voyles men. The first Indian score came after Whitehouse blocked an attempted field goal by the Tigers. During the second half William and Mary had entire command of the game and scored almost at will.

VIRGINIA

A long pass from Burchfield to Gondak resulted in the first score on Virginia by William and Mary in the history of football competition between the two schools. Statistics show that the Indians were an even match for the

Cavaliers during the first half; but the defense, weakened by lack of reserves, gave way in the second half. Final score was 26-6 in favor of the University.

RANDOLPH-MACON

The next victim to be added to the growing list of victorious scalping parties was Randolph-Macon. The visitors scored on the first five plays of the game but were held to this lone touchdown as the Voyles machine rolled up a score of 19-6 at the final gun.

Homecoming Game Half-time.

WASHINGTON AND LEE

Before a Homecoming Day crowd of 10,000 an inspired William and Mary team rose to great heights to score one of the outstanding upsets of the year by defeating Washington and Lee 18-14. The game was judged to be the most sensational ever staged at Williamsburg. Washington and Lee started the scoring late in the first quarter and from that time on the lead was juggled back and forth from one team to the other.

RICHMOND

To complete a highly successful season, the Indians took the scalps of their greatest rivals, the Spiders of Richmond, on Thanksgiving Day. That day was long awaited by the followers of the William and Mary football team and the game itself was a tribute to the fine coaching of Coach Voyles. William and Mary's lone and winning tally came in the second quarter on a line buck by Jimmy Howard with Matthews kicking the extra point.

FRESHMAN FOOTBALL

The Varsity limbers up in spring practice.

The highly touted freshmen arrived a few days early in September and it was then that they first banded together as a unit. Since that time they have lived as a group, studied in unison, and, greatest of all, they became a highly successful football team.

The freshmen season opened with a "warm-up" game with the big Naval Base team. The score only begins to show the superiority of the newly organized frosh. It was 26-0.

A week later the powerful Fork Union machine was torn wide open as the stars of the season—Johnson, Korczowski, and McAfee went wild. The final whistle saw 33 points for the Papooses, with no score for the future Generals.

Against the Wake Forest frosh the

baby Indians turned in the best game of the season. Wake Forest scored early to take the lead. With Johnson and Korczowski sparking the attack, the Papooses turned the tables and won, 26-6.

The rest of the season was not as successful. The baby Spiders of Richmond scored 20 points by the third quarter and held off a belated Papoose rally to take a thrilling game, 20-19.

Finally, at Norfolk Division, John Torma ran wild to bring the game out of the fire for the Indian yearlings. The Papooses came from behind to win 19-13, and to call a halt to a good season. The coaches felt that the frosh had gained some necessary experience and would be a great help to the varsity in the future seasons.

A bit bewildered by a surprising upset handed them by the Naval Base, the William and Mary cagers avenged their initial defeat by winning over a strong Apprentice School team with a score of 50-37. At Ashland, Virginia, Coach Steussy's men continued in the winning column and trounced a fast and alert Randolph-Macon team, 33-22.

William and Mary's basketball invasion of the North was technically an unsuccessful one, as the Tribesmen dropped games to Panzer, St. Francis, and Seton Hall. In the first game the Indians were the fifth victim this year and the twenty-second in a row to fall at the hands of powerful Panzer. The Indian hoopmen led St. Francis at the halfway mark but the Brooklynites overtook them early in the second half and maintained the lead

until the final whistle. In their final appearance in the Metropolitan area Steussy's charges lost to Seton Hall, 51-35.

At the University of Richmond Gym the Indians lost a scrappy contest to the Spiders who turned the tide in the last few seconds of the game and finished with a score of 35-33. Virginia also defeated the touring Tribe the following night in Charlottesville. Continuing their trip on into the Carolinas the Indians broke even in their two scheduled games, winning over Furman and dropping a close one to the Citadel.

In one of the most thrilling finishes to be seen in this vicinity the Indian cagers trounced the visiting Virginia Tech five, 38-33, in the last ten minutes of play. Again Tom Andrews took scoring honors with eleven points, followed closely by Mackey with ten. William and Mary next upset the favored Cavaliers in a game that saw the lead change in every shot. The regular all-Junior combination of Tom Andrews, Virg Andrews, Gondak, Mackey, and Taffe played the entire game, and to them went the full credit of victory. Tom and Virg Andrews then led the Indian basketballers in an easy victory over Hampden-Sydney.

Two more victories were enjoyed by the Indians as V. P. I. and V. M. I. went down in defeat, 49-29 and 42-32. For the first time since 1934 the Indian five pinned the Spiders in their tracks and broke a seventeen game tie with Richmond by winning, 43-38. The three remaining games of the season found the Indians playing an overtime period with Washington and Lee only to lose, 36-33. An easy game of free scoring was taken from V. M. I. and a final game with Navy was lost, 52-46.

FRESHMAN BASKETBALL

Upholding the honor set by the frosh football team, the 1943 basketball squad won their opening game by defeating the spunky Hopewell High School team. With this first taste of victory still with them, the freshmen went ahead and conquered Wilson High of Portsmouth by a score of 45-15.

The confident Indians then swooped down on the William and Mary Division and scalped the much vaunted Division lads to the tune of 44-42. Shortly following this, the team traveled to Richmond to hand Thomas Jefferson High School a crushing defeat.

With an unbroken string of victories behind them, the Papooses laid siege to Fork Union, but here the swelling tide met difficulty, for the Soldiers proved themselves one basket stronger than the undefeated Indians.

Somewhat disheartened, but none the less confident, the frosh went up against their old rivals from the University of Richmond, and, with a determination to

end their season victoriously, the Papooses crushed the Richmond yearlings in a game which offered very few thrills because of the lack of competition which Richmond offered.

The William and Mary track season, while not marked by decisive victories, was outstanding in that it produced a number of stellar performances and a well-earned victory over our highly-touted rivals from Richmond.

The Chandlermen opened the season here on April 1 with a loss to V. M. I. Captain Ranny Duke captured the 440 and low hurdles in excellent time considering the wet track and the early stage in the season. Bob Rawl soared over the

cross-bars to take a first in the pole vault. Bob Rowland displayed excellent form in winning the high hurdles, while Pete Peterson placed in the javelin. Most of the enemy strength seemed to lie in the field events, as they scored their points in that sphere.

The Indians next journeyed to Lexington where they met the University of Washington and Lee. Harry Glick upset Curl when he turned in a 10 flat 100-yard dash. Big Sam Walker took firsts in the shot-put and discus, turning in the outstanding field performance of the day. Bob Rawl once again captured the pole vault at eleven-feet six. The Generals proved too strong for Scrap Chandler's charges and won, 78-48.

On April 22, the trackmen met a formidable Maryland team. The quarter-mile and low hurdles meet records were

broken by two fleet-footed Terps. It was at this meet that the Indians showed their strength in the field events. Bob Rawl continued his "winning ways" by taking his specialty with a vault of twelve feet. Mac Douglas won the discus with a toss of 125 feet, and Sam Walker, who was in fine form, took a first in the shot.

The following week brought the trackmen from the University of Virginia to Williamsburg. Taking into consideration an all-powerful Virginia team, the Indian squad conserved their track strength and prepared for the long-anticipated Richmond fray. However, it was at this meet that Cason turned in his best race of the year when he beat Goodall, Virginia's ace half-miler. Richmond was only four days away.

In the Richmond meet Scrap Chandler's boys atoned for all previous losses with a brilliant win over the Spiders. The

day was marked by Bob Rowland's—Indian track star—record-breaking time in the high hurdles, covering the distance in fifteen flat. The meet was otherwise marked by brilliant Indian victories in practically every event. Ranny Duke proved himself able captain that he was, by capturing two firsts and a second in the 220 dash, and 440 dash respectively. Lloyd Phillips captured first in the 440. In the most thrilling race of the meet, Harry Glick, ace dash-man of the Indians, beat Richmond's crack sprint man, Art Jones. Glick turned in a ten-second hundred. The distance men, Cason in the 880 and Al Alley in the two-mile, took firsts. Jack Hudson ran a fine mile only to be nosed out in the final stretch. With the chips down, Ray Dudley came through in the broad jump with a meritorious jump of 22' 3". Captain-elect Bob Rawl once again cleared the bar to take first place. The victory was a spectacular finish to an otherwise listless season.

FRESHMAN TRACK

The fall of 1939 found Coach "Scrap" Chandler molding a cross country team out of four "duccapped" Freshmen. During the season these men, DeHave, Blanford, Hanley, and Kelley, won themselves honor as cross country runners. All took place in the State meet and DeHaven was claimed cross country champ.

Getting around to spring track Coach Chandler was greatly handicapped by lack of men in the field events before entering a meet. The team ran off scheduled meets with Newport News High School, Maury High, Apprentice School, V. M. I. Frosh, Richmond Frosh, and Norfolk Division. Out of the six meets two were won—those with Newport News and Apprentice. Newport News High

brought a State championship team to Williamsburg and the Freshmen Indians won from them by a two point margin in what was about the most thrilling meet of the year. Kent's first in the distance against V. M. I., strongest Frosh team in the state, was one of the biggest individual upsets of the season.

Jack Moore, who ran the hurdles and dashes, was top man of the season in points. The quarter mile was run by Hanley, Kelley, and Forrest while Blanford, DeHaven and Scripps took care of the half mile. In field events the broad jumping was done by Fisher, Bremer threw the shot, Hansen, the discus, and Factor pole-vaulted.

The 1939 Indian nine ended the season with a record of seven victories in 17 contests. The loss of such star performers as hard-hitting Bud Metheny and sen-

sational pitcher "Rosy" Waugh proved too great a handicap to the cohorts of William and Mary.

Of these seven victories, six may be attributed directly to Lloyd Cornell, who, in reality, was the pitching staff himself. His fine efforts in defeating Navy and the high riding University of Virginia exemplify his excellent hurling throughout the season.

Al Tirelis led the hitters with a mark of .340. Closely following him were Virgil Andrews and Cornell with .320 and .310 respectively. These were the only .300 hitters on the squad; hence this and the lack of abundant pitching talent were the apparent causes for a mediocre season.

First Row: Chalko, Leftwich, Merritt, Purfill, Captain V. Andrews, Howard.
 Second Row: Sills, Dennis, T. Andrews, Reid, Haley, Crane.

The infield of Coach McCray consisted of Johnny Menz at first base, Frank Yeager at second, Shorty Beale at shortstop, and Red Hern at third base, with Frank Koss in a utility role. The outfield was patrolled by Captain Charley Baltimore, who, despite a painful injury suffered early in the season, continued to play. Accompanying him were Virgil Andrews and Al Chesnut. Rudy Tucker, Vance Fowler, and Ben Trower shared in the utility roles in the outfield.

The outlook for 1940 is considerably brighter with the advent of such freshmen stars as Dick Sills, Bill Morrell in the infield; Jimmy Howard in the outfield,

and Al Cholko and Ben Read behind the plate. The pitching should be well-rounded with sophomores having the burden on their shoulders. This task should not be too difficult to conquer with two such capable starting pitchers as Roy Merritt and Vic Raschi; the former hurled a no-hit, no-run game as a yearling. Tommy Crane, smart southpaw, will take care of the relief pitching.

This group should aid Coach McCray towards building a successful team for the coming spring. It is with this hope in mind that we wish the best of luck to Coach McCray and the Indian contingent for 1940.

FRESHMAN BASEBALL

With a nine-game schedule on hand Coach Werner put his Frosh baseball men hard at work supporting Merritt, Raschi, and Crane, the three hurlers who supplied the sustaining strength to a strong team.

In a nine-game schedule the Frosh lost but one game to a scrappy high school team from Hopewell. But after this upset, the Papooses won seven straight games, taking Benedictine, Maury High, Norfolk Division, and the Fork Union soldiers in long strides. John Marshall High

School of Richmond gave the Indians the hardest battle of the season, but the stellar hurling of Raschi and Crane pulled the Frosh nine out of a deep hole which had been dug by poor infield support.

From a mere handful of inexperienced baseball players, Coach Werner molded a smooth-running ball club which played heads-up ball at all times, and by score showed itself to be the better team eight out of nine times. Any vacancies on the '40 squad can be very readily filled by an experienced Frosh.

■ VARSITY TENNIS

William and Mary's 1939 tennis team experienced its most successful season since the entrance of the college into that sport, winning five matches and losing two.

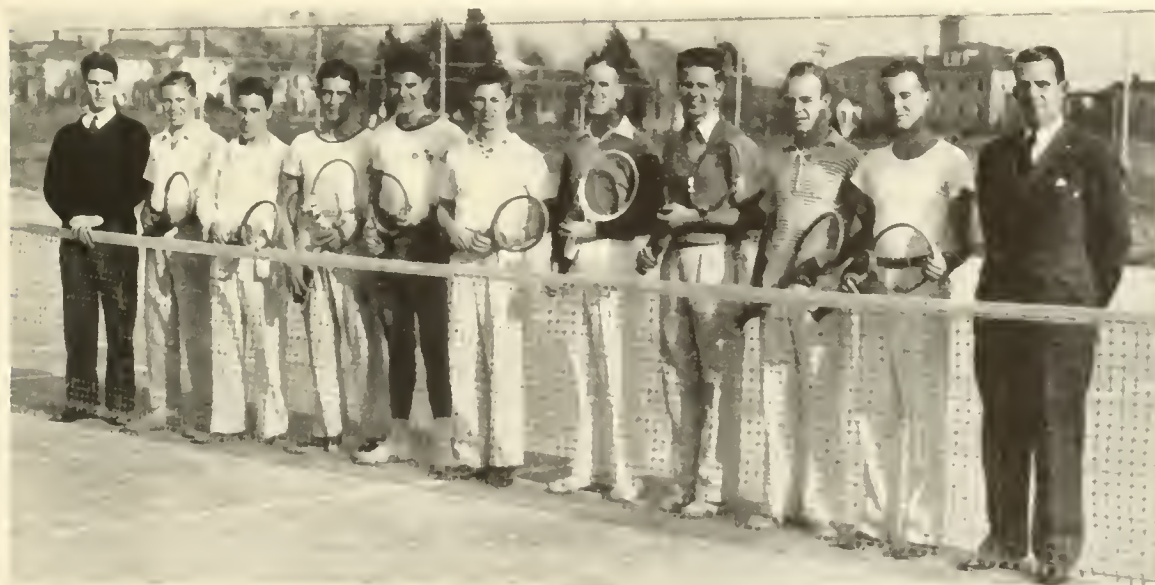

The team was composed almost entirely of lettermen. Captain "Babe" Walker was supported by former Captain Jimmy Ryder, Ben Letson, Carl Stublen, Sid Jaffe, Walt Snowden, and John Teal. Stublen's was the best individual record. He lost only one singles match, that at the Naval Academy.

Getting off to a good start, the netters won easily over the Norfolk Division, Drew, and Hampden-Sydney. Stopped by the University of Richmond when

playing there, the Indians came back to hand the Spiders a return defeat, 5-4, on the home courts. The final match was the only shut-out received by the squad. Navy tore into them for a 5-0 loss. Stublen furnished the Midshipmen with the only serious competition.

Inevitable Williamsburg rain cancelled five of the scheduled matches, four of which were in the Southern Conference competition. In Conference competition the team averaged .500.

Loss of five lettermen will give Coach John Lewis a real problem. Returning are Letson and Snowden, but the reserves are notably weak.

First Row: Douglas, Snowden, Letson, Ryder, Jaffe, Walker, Stublen, Teal, Littleton, Gebauer, Coach Lewis.

VARSITY SWIMMING

JACK PURTILL

The William and Mary varsity swimming team, handicapped by a late start and lack of material, turned in a more creditable record than was expected at the outset.

Although winning but two dual meets during the season, the performances of Captain Purtill, veteran distance man; Almond, breast-stroker; Brennan, back-stroker, and Rubin, diver, were outstanding. However, Coach Joseph C. "Scrap"

Chandler lacked capable supporting material in many events.

The Indian mermen opened a tough eight-meet schedule against North Carolina and notwithstanding the fact that the first places were split evenly and two new pool records were set by the W. and M. team, the N. C. boys proved too powerful and won, 44-31.

In the next meet, W. and M. bowed to the Cavaliers of the University of Virginia by a 29-46 score.

Seated on board, left to right: Purtill (Captain), Almond, Rubin, J. Brennan, Scripps, Edwards.
Seated on pool, left to right: Walker, Merritt, T. Brennan.

Entering Blow Pool as underdogs, the Indians reached their peak, in turning back the Washington and Lee swimmers, 43-32. This meet, one of the best from the onlooker's viewpoint, was only decided in the last two events when T. Bren-

nan won the 40-yard free-style and the 400-yard relay team came through easily to win. After the victory the home tankmen won but one other match, against V. P. I. as the season drew to a close.

FRESHMAN SWIMMING

The freshman swimmers had little chance to show their worth this season, for their schedule included only two meets, both with Norfolk Division. The freshman tankmen dropped both of these to the Division by a very small margin, 32-34.

As is the case with most freshmen teams, the free-style events showed up the best. Brown, Poland, and Wing turned in fine performances in these events.

The backstroke and breast stroke were

a little weak due to the inexperience of the men competing in those respective events. Behel swimming backstroke and Butler and Gross swimming breast stroke showed a lot of improvement through the season.

Aside from their actual performance, the yearlings show a lot of spirit and enthusiasm. With these men coming up and only one man graduating, the varsity will have the added strength in the free-style events, which will be invaluable to them.

First Row: Holland, Feaganes, Wing.
Second Row: Garfinkle, Poland, Behel.

VARSITY FENCING

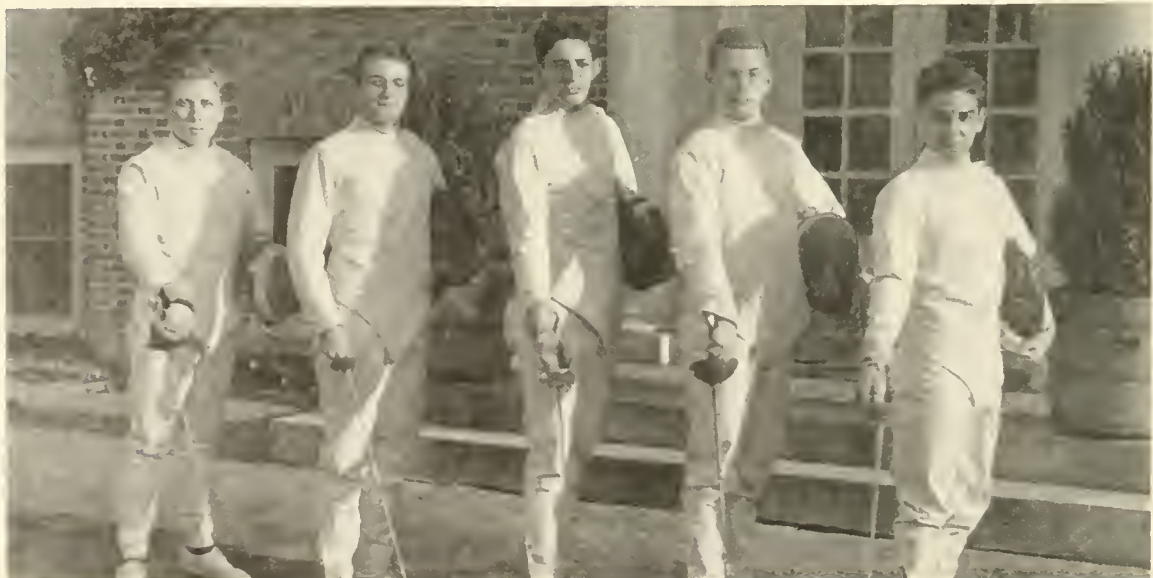

Under the excellent coaching of Tucker Jones and able leadership of Captain Paul Makler, the Indian fencers closed a season in which they had no taste of defeat. Henry Kibel, Paul Makler, and Jim Glassman, fencing foil, epee, and sabre along with Dave Meyer and Samuel Bessman made up the roster of the squad.

Successful meets with the University of Virginia, North Carolina, Richmond, and V. M. I. gave the Indians their fourth undefeated year on home ground. On a northern trip the team won easily over Lehigh, Rutgers, Stevens, and Drew.

During April the team enters the Southern meet and should place in first or second position. Last year's honor of

second place in the Eastern Intercollegiate Conference is expected to be repeated again this year.

Jim Glassman was the only newcomer to the squad and joined the veterans, Kibel and Makler, to form the backbone of the team. Glassman proved to be something of a sensation when he managed the semi-final round of the Metropolitan Fencing Tournament held in New York during Christmas. In advancing to the semi-final round, Glassman made a better showing than any other freshman in the tournament and was defeated going into the final bracket by two seasoned veterans who later went on to win the finals.

Left to right: Meyer, Bessman, Glassman, Makler, Kibel.

1939 GOLF SEASON

The William and Mary golf team completed its 1939 season with a record that is well worthy of praise. Out of thirteen matches played, the Indian "Divot-Diggers" came through with seven victories, two ties, and four defeats.

Norfolk Division was the first to fall at the feet of the Indians and the following week Boston College and University of Pennsylvania were defeated. The match with Hampden-Sydney was the most contested game of the entire season, the final count being Hampden-Sydney $9\frac{1}{2}$, William and Mary $8\frac{1}{2}$. The veteran teams of the University of Virginia and Washington and Lee proved too strong

for the Indians, and they lost, 18 to 0, and $13\frac{1}{2}$ to $4\frac{1}{2}$ respectively. In spite of these three defeats, William and Mary's oldest rival, Richmond, bowed before the Indians' shooting to a score of $11\frac{1}{2}$ to $6\frac{1}{2}$.

The University of Maryland and Franklin and Marshall College both held the team to a 3-3 deadlock. At Haverford, however, the invading Southerners emerged victors in a match that ended in 8 to 1 score, but Swarthmore defeated the Tribesmen 4 to 0. A repeated victory over the Division and a final win from Apprentice School ended the season.

Left to right: Vining, Newton, Simons, Hornsby, Nowak.

MR. TUCKER JONES

Chairman of Women's Athletic Committee

Mr. Jones has been in the department since 1922. As head of the Department of Physical Education, he has many other duties, but he still acts as head of the Women's Athletic Committee. Besides this, he coaches both men and women in fencing.

MISS MARTHA BARKSDALE

Director of Women

Miss Barksdale has been at the college since she graduated in 1921. At present she is the director of women, in the Physical Education Department. She coaches the major sports, that is hockey and basketball, besides bowling and tennis.

MISS LUCILLE LOWRY

Head of Intramurals

Miss Lowry graduated from the college in 1932, and returned in the fall of 1933 to teach in the department. She has been greatly responsible for organizing the present scoring system and the general rules for the extensive Intramural Program.

MISS VIRGINIA DIX STERLING

Assistant Director of Intramurals

Miss Sterling came to the college in 1936, as an instructor in Physical Education. At present she is assistant director of Women's Intramurals and coaches various freshman sports.

The Women's Athletic Council is composed of six members. Four of these are faculty members appointed by the president. The rest of the Council is made up of three students elected by the women students. To this council is delegated the power of general supervision of athletics for women. The president of the Council is the senior representative; the junior representative acts as the point recorder; and the sophomore representative is secretary of the organization.

Acting as a directing body for women's athletics, the Council plans and carries out the regular activities and any new types of programs which may have been suggested. It promotes the intramural programs between dormitories and the sororities. Intercollegiate schedules in the four varsity sports are also approved by this council. Through the wide range of activities planned by the Women's Athletic Council, everyone is enabled to participate in some form of recreation.

HOCKEY, 1939

After opening the season by defeating Madison College 4 to 1 on November 2, William and Mary was hostess to the Virginia State Hockey Tournament, November 3 and 4, in which fourteen teams participated. Six Green and Gold varsity members and four alumnae were chosen on the All-State team. Snow, Miller, Douglas, and Bruger were placed on the first team. Flavell, Lebair, Woods, Sterling, and Chamings made the Reserve eleven.

While playing in the tournament, William and Mary won from both Westhampton, 4 to 2, and Sweet Briar, 5 to 1. The Apples, a team composed of offi-

cial, coaches, and All-Southeast players, defeated the Green and Gold, 3 to 1.

At the Southeastern Tournament held in Elizabeth, New Jersey, Douglas was chosen on the All-Southeastern first team, and Snow and Miller placed on the Reserve. All three participated in the All-American tournament at Cleveland.

Late in November, the varsity invaded New York, defeating Hofstra, 3 to 1, and Manhattanville, 3 to 2. Beaver was the only collegiate team to win from William and Mary, doing so 3 to 0 in the last game of the season.

Mary Jane Miller captained the Indianettes; Peggy Lebair was an able manager.

First Row: Flavell, Green, Tweedy, Allen.
Second Row: Snow, Yachnin, Captain Miller, Douglas, Lebair, Jones, Armitage.

■ VARSITY BASKETBALL, 1940

The Varsity basketball team has started their season off with three state games. On February 22, they played Farmville, who defeated the Indianettes, 32-14. The game with Sweet Briar on the following day, showed that experience was their best teacher. They won the game by a score of 13-8. This is by far the best game that has been played this season. The passing and the defense game put the coeds in the favored position. In the game after this, with Fairfax Hall, the Indianettes once more put their opponents on the defensive, but lost by the score, 16-17.

During the first week in March the Varsity team will take a trip to New York, to play Manhattenville and Panzer colleges. On their return trip, they will stop in Philadelphia to play Swarthmore and Bryn Mawr. These last two teams are new on the schedule.

Only two of the last year's lettermen remain on the team. They are Ann Mitchell, captain, and Betty Douglas. Other members of last year's team who have been active this year are Yachnin, Lebar, and Miller. Besides these, there are six freshmen who have been moved up to the coveted positions on the first string.

Front Row, left to right: Douglas, Allan, Mitchell (Captain), Hale, Yachnin.
Back Row, left to right: Bull, A. Armitage, C. Armitage, Lebar, Kyle.

RESERVE HOCKEY

Captained by Kitty Jones, the William and Mary second team averaged slightly less than .500% in their season's play, winning two and losing three bitterly contested games. The two wins of the Reservists came at the expense of the Richmond Division. Taking part in the State Tournament, the group lost, 3 to 0, to Salem College, and to Etcetera B team, 1 to 0. Saint Catherine's defeated the Reserves, 5 to 0.

The excellent playing of the second team showed that it would be a close match for the varsity.

FRESHMAN BASKETBALL, 1940

The first game the freshman team played was on February 3, with the Norfolk Division. The Division won by a score of 31-23. On February 7, the freshmen went to Richmond where they played St. Catherine's. This they lost also by the score of 25-12. On February 20, the freshmen once more tried to hold down the Norfolk Division. This time they were defeated, 32-4.

Three of the strongest players, Anne and Carolyn Armitage, and Hale, have moved to the varsity squad.

A team composed of Bull, Lebair, McCarthy, Ripperton, Timberlake, and Manager Coggin invaded New York early in May, meeting Temple, Swarthmore, and Manhattenville.

FENCING

The girls' fencing squad, composed of Locke, Knight, Reeder, Mode, and Massenburg as manager, met, at New York, New York University and were narrowly defeated by a score of 5-4. The team also fenced with Hunter, Brooklyn, Wagner, and Hofstra on this trip.

During the season Rollins College fenced William and Mary and were defeated, 7-2. Finally the team headed north and entered the Intercollegiates. They lost narrowly to Cornell and Wagner with a score of 5-4 in each match, but defeated Brooklyn, 6-3.

In 1934-35 the intramural program was reorganized under the supervision of Mr. Jones, Miss Barksdale, and Miss Lowry. Miss Lowry was named as faculty director, and Beatrice Torrence was appointed as student director. A council was formed of the newly elected representatives from each of the dormitories and sororities. This group of girls worked hard to outline a program of six activities for competition in the two leagues, dormitory and sorority. When the figures were totaled at the end of the year, they showed that 281 girls had taken part in the program, or a total of 46 per cent of the women's student body.

At the end of the 1938-39 season, it was found that 70.1 per cent of the girls in college had taken part in one or more of twelve competitive sports offered by the intramural division.

A great deal of credit belongs to Miss Lowry, who has given a great deal of time and thought to this program. Through her effort, and with the able assistance of Miss Sterling, a program has been worked out in which any woman student can find something of interest.

With the passing of time and the increase of facilities and staff, this program now plays a greater part in the social and recreational life of the women.

DORMITORY SONG CONTEST WINNERS

The tennis tournament started the program off in the fall. First places in this were won by Kappa Delta and West Barrett Hall. Following this was the ping-pong tournament which was won by the Kappas and a tie for first place in the other league between East and West Barrett Hall. The swimming meet was held in Blow Gym, and the winners in this were Chi Omega and Brown Hall. The song contest proved to be a talent show with all the potential song writers showing their talents. The Gamma Phi Beta's won this contest in the sorority league, while in the dormitory league, Jefferson Hall won.

The end of November proved good time for the dormitory hockey tournament, which was won by Brown Hall. Just before the Christmas vacation the bridge tournament got under way and was won by the Chi Omega's and West Barrett Hall. Close on this came the bowling tournament. This was won by the Chi Omega's and Jefferson Hall. All of this brings the program up to midwinter and spring sports. Basketball, badminton, archery, canoeing, and softball are on the waiting list. The winners of the two cups are not announced until the program has been completed, which is about the first of May.

Theta Delta Chi was founded at Union College in 1847. The Epsilon Charge was established at the College of William and Mary in 1853, the first social fraternity on the campus. Theta Delta Chi was the first fraternity to use a pledge pin, have an official flag, issue a regular publication, and to adopt official flower and colors.

After changing locations several times, the fraternity has moved into its new location on Richmond Road.

Sigma Alpha Epsilon Fraternity was founded March 9, 1856, at the University of Alabama. Later in the same year, by secret communications, another chapter of Sigma Alpha Epsilon was established at the University of North Carolina. The local chapter, Virginia Kappa, was started here December 12, 1857. This organization was disbanded during the Civil War, but on February 7, 1925, it was reborn, with the original charter still intact.

Pi Kappa Alpha Fraternity was founded at the University of Virginia on March 1, 1868. Gamma Chapter was installed at William and Mary in 1871 and held forth until the college was closed between 1881 and 1888. When the college reopened, Pi Kappa Alpha was completely reorganized and established in a house on Scotland Street. The Fraternity moved to its present location in the fall of 1939.

Kappa Alpha Order was founded at Washington and Lee University in 1865. Alpha Zeta Chapter was established on the William and Mary campus in January, 1890. All sixty-seven of its chapters, embracing twenty-five thousand active members, are south of the Mason-Dixon line, hence the reference to it as the Southern Fraternity. The local house is located on the Richmond Road.

The Kappa Sigma Fraternity was founded December 10, 1869, at the University of Virginia. It has expanded rapidly since that date throughout the United States and Canada until now it is composed of one hundred and eleven active chapters. With the encouragement of the late Dr. L. G. Tyler, a Kappa Sigma from the University of Virginia, who became President of the College of William and Mary two years before, Nu Chapter was established in 1890 with fourteen charter members.

Lambda Chi Alpha was founded at Boston University in 1909. The fraternity, an outgrowth of the Cosmopolitan Law Club of that institution, now has one hundred and seven chapters.

Epsilon-Alpha Zeta of Lambda Chi Alpha was originally a local social fraternity by the name of Alpha Phi Epsilon. This name was changed to Alpha Tau Epsilon, and in 1927, the society became the seventy-third Zeta of Lambda Chi Alpha.

In the summer of 1934 Epsilon-Alpha Zeta moved to its present location at 607 Richmond Road.

In 1925, Zeta Theta Pi was established as a local Jewish fraternity at the College of William and Mary. Within two years, this organization had reached the point where affiliation with a national fraternity seemed desirable. Accordingly on February 22, 1927, Zeta Theta Pi was installed as Tau Chapter of Phi Alpha Fraternity. Phi Alpha, founded in 1914 at George Washington University, today numbers twenty-one active undergraduate chapters.

Sigma Pi Fraternity was founded in Vincennes University, Vincennes, Indiana, in the year 1897. Alpha Eta Chapter was established at the College of William and Mary, June 6, 1931, from the local fraternity, Alphi Psi.

The first Sigma Pi house on this campus, established by three men, was situated on Scotland Street. At the beginning of the 1932-'33 session, the fraternity moved to 321 Richmond Road, where they remained until June, 1935. Sigma Pi was again moved at the start of the 1935-'36 session, when quarters were taken in the special dormitory adjacent to Tyler Hall.

T H E R O Y A L I S T

Three years ago there appeared on the campus of William and Mary a pocket-size publication called "The Royalist." Neither a literary magazine, nor a humor magazine, "The Royalist," frankly experimental, aimed to be a college magazine. Published entirely by the students and designed to appeal to the whole student body, it included illustrated articles and fiction, cartoons and other humorous features, poetry, book reviews, and photographs of the college. Enthusiastically received from the beginning, it continued to hold student interest through the ever-improving quality of its content and make-up, through the close contact it has kept with the college, and through its spirit of enterprise.
