In addition to the foregoing your Commissioners beg leave to report that being directed by the aforesaid Decree to take into actual possession the property of the said Mary E Warburton a portion of which consisted of negroes expense was necessarily incurred in the care and support of them during the period which elapsed from the date of said Decree until the day of Sale. during this period negro woman Betty was confined in Child bed her two

Chelieu Egan & Lenny and also negro man Ben was for  
 a considerable portion of the time confined by sickness the expen-  
 se therefore incurred was necessarily greater than would have been  
 under other circumstances. Your Commissioner is not prepared to state  
 the several items of expenditure but reports that the sum of  
 Thirty Five Dollars was appropriated out of the proceeds of the  
 sales to defray the expense incurred in the support care and  
 maintenance of the negroes mentioned in this decree a sum  
 which your Commissioner considers exceedingly moderate under  
 the circumstances. The following statement will show the  
 amount in hand subject to the future order of the Court
