Mr W^m Maccock Esq

My dear Sir

I have just discovered
that I shipped my pen, or
the Editor's card played the
card with his types, most
probably I am the shipping
party and the meeting
of the Board is called for
the 6th of April instead of
the 6th of March. If I shipped
as much when approaching
you - Please allow your no-
tice to the 10th of March

to which day I have altered
the printed notice - as they
are obliged to alter Graduate
that day as the one most
agreeable to the University
to our minds

Dear inform Ed Ewell
Yours truly
James Syon

^{time of}
The meeting of Visitation has been changed
to 10th of March. —
