

Richmond

July 27th 1879

Wm W H Monrocks
Dear Sir

Your letter of the
25th has been put in
circulation. My letter of
this date to you explains
the postponement until
the 11th which I have
accommodated you. I do
not regret to appear that
I will with pleasure do
all that you desire.
I am glad to find this

it was the Lord's and

not I who slipped

your truly

James Lyby
