Mr W H E Morcock Esq

Dear Sir

I have this moment  
received your letter of the 3<sup>d</sup>  
inst stating that I had  
directed a convocation  
of the vestry on 29<sup>th</sup> of Decem-  
ber. In answer I certainly  
made a mistake, as I intended  
to write November and not  
December, and I think you will  
find <sup>from</sup> the contents of my letter  
to you that I could not  
have intended December,  
because I had thought it  
my duty to have the appoint-  
ment made before the first  
day of January next as men

usually made their engage-  
ments for the coming year  
before its commencement  
I purposely fixed the last of  
November, or rather the latter  
end of it, with a view to  
accommodate Mr. Good, in  
route to Washington - They  
pardon for the haste which  
caused the mistake and  
now must ask of you the  
favor to ~~send~~ <sup>bring</sup> Thursday the  
19<sup>th</sup> of this month - Decem-  
ber - at the foot of the  
printed notes please to add,  
<sup>your own</sup> signature.  
"all printing bills will  
~~please~~ to be presented to John  
S. Wise Esq. Burar of the College  
Richmond Va 77  
The time for publishing must  
now be changed. - Publish in

Richmond on the 10, or 11 and  
in New York on the 12 or 13

Most Respectfully

and truly yr

James Lyon
