Dear Sir;

Your letter, enclosing copies of certain resolutions adopted by the Bd. Visitors at their last meeting, reached this office in the absence of Dr. Buchanan. The Dr. is aware of the action of the Board in regard to the matters mentioned in your letter, and fully appreciates the necessity of prompt action in the premises. But his engagements in connection with Academy institutes have kept him away from this office and prevented his ^{giving} attention to the matter. He will return here this week, and I will call his attention to your letter, &c.

I shall be very much obliged if you will kindly give me the names of the applicants for the presidency of the College, as far as known to you at this time.

Respectfully Yours,

J. A. McIlwray,
Secy Bd. Edn

My dear Mr. Morecock,

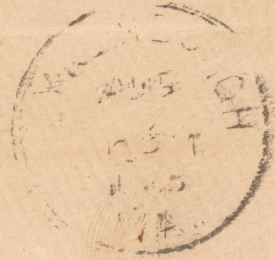

I wrote you some days ago giving the amount of my bill (#3²⁵) and asking for the names of any applicants you may have on file for the Presidency or the position as Training Teacher. As I have received no reply from you, I presume my letter must have miscarried, or that you have overlooked it in the mass of your correspondence.

Hoping you are well and flourishing, I am

Yours truly,

Dear Sir, - I have received your favor of the 10th, with lists of members of the Bd., for which accept thanks. We sent you on yesterday a page of the circular prepared by Dr. B. We have distributed these circulars throughout the State through our Co. & City Supts. If the supply sent you is not sufficient, we can furnish more.

There is evidently some misunderstanding in regard to the day fixed for the next meeting of the Bd. of Visitors. We understand that the Bd. will meet the 23rd, as stated in your letter. Col. Lamb and some other members think it is the 22d.

Very truly yours,
J. A. McIlwain,
