

DEPARTMENT OF PUBLIC INSTRUCTION,

400 N. 12th Street,

Richmond, Aug. 14, 1888.

W. N. C. Morecock, Esq.,  
Sixty. Va., Williamsburg, Va.

Dear Sir, - I have received your favor of the 10th, with lists of members of the Bd., for which accept thanks. We sent you on yesterday a page of the circular prepared by Dr. B. We have distributed these circulars throughout the State through our Co. & City Supts. If the supply sent you is not sufficient, we can furnish more.

There is evidently some misunderstanding in regard to the day fixed for the next meeting of the Bd. of Visitors. We understand that the Bd. will meet the 23rd, as stated in your letter. Col. Lamb and some other members think it is the 22d.

Very truly yours,  
J. A. McJilroy,  
Sixty. Bd. Ed.
