

Dear Rufus,

You will owe me \$80 in March
for interest paid Galters - I will be greatly obliged
to you if you can get the money to send it to
me. The great expenses I have been at about
my farm makes me want money just now.
I am just beginning to reap the profits -
Wood has risen so much, that the wood
& timber are worth double what I gave for
them for me - I sold my hundred years
of land on the River is worth more as
well as mine - Dr. Goodwin rode
over it with me and said it was the
greatest bargain he ever known sold in
land - If you will send this money it
will much oblige me, and hereafter I am
I am I shall not come to trouble you -

Why dont you bring your wife to see her
Give my love to her - Maria & the girls were
delighted with her - I send her love especially
her - I think Belmont would buy \$4500 -
and Thomas ought to sell -

Yrs affly

Dear Mother

I have just received your letter of the 20th and was glad to hear from you. I am well and hope these few lines will find you the same. I have not much news to write at present.

The weather here is very warm at present. I have been out for a walk several times and feel much better. I have not seen any of the old friends here.
