

Dear Cousin Rufus,

I have received your check for the amount due me for servants hire. For German promised to let me have \$100.00 this month when he received the hires of the childrens servants, as you will have to send a check to him I will take the responsibility of retaining in your hands that amount. If you can send it to me, I shall write to the ~~for~~ I do not think he will have an objection to it.

July 25th 5-8
Yours respectfully
