

Having been called on by Mr. W. S. Spencer to state in writing my opinion relative to the Charge of Thirty Five Dollars which he has charged for the Care support and maintenance of the negroes of Mrs Mary E Warburton during the time they were in his hands under the decree of the Court. in the case of Robt McLeod vs said Major E Warburton & c. I am prepared to state and do believe that the Five Dollars is a sum sufficiently small ~~to~~ for the actual maintenance and support of ~~two~~ negroes during the time they were in his hands as they were very sick during the time and also require additional attention. Given under my hand the 3^d day of Nov 1857-
