Dear Mrs. Switzer -

I am writing you  
in regards to your dues  
for Annie Perdue Sebring Chap.  
At our last meeting, the  
members discussed how  
much you should pay  
to get your ~~2~~ <sup>2</sup> ~~year~~ <sup>year</sup> ~~dues~~ <sup>dues</sup>. You  
are due the chapter 7 years  
which would be \$16.80. That  
would be \$240 a year. A motion  
was made & carried, that if  
you would pay half of  
that amount, they would

Dear Mr. [Name] [Address]  
[Faded text, likely a letter or document, mostly illegible due to fading and bleed-through from the reverse side.]

issue you your Demit. #8.40  
Two dollars and forty cents  
more, has to be sent to the  
state. So you see the balance  
only reimburses the chapter  
for what they have paid out to  
the state.

Your mothers dues are the  
same as yours.

I hope that you will enjoy  
the chapter there, for it is a  
wonderful work.

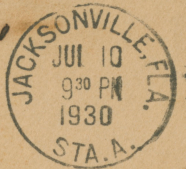

I am always.

sincerely

I have your good receipt  
Two dollars and fifty cents  
I have the receipt to the  
state, so you need the balance  
only remember the chapter  
for what they have paid out to  
the state.  
I have made two five and the  
balance is given to me.  
I hope that you will like  
the chapter this far it is  
very interesting and  
I will send you a copy  
of it but only for the  
use of the school.  
I will be glad to  
hear from you.  
Yours truly,  
C. C. C.

Dear Ma + Pa Switzer,

I was very glad to hear from you. Sorry I haven't written you sooner but I've been doing a lot lately.

Please come to see us on your way back from New Orleans! I'd love to see you! I came and stayed with you this summer so please come and see us. Give Mary my love.

I think Virginia has forgotten me instead of me forgetting her.

She hasn't written me in two weeks. That's pretty long for a boy like me to wait. But I guess she's having a wonderful time with all the boys.

Thank you very much for your lovely present. I really appreciate it very much.

Everybody is just fine up here but me. I've got a fractured leg. There is a bone right below my left knee cap which is hurt. It really isn't very bad. The Dr. just put tape around it so as to make the bone grow back in place.

Well we'll be ~~exp~~pecting of all. So please  
come!!!

Your son, (if I may say so!)

Charles

P. S. I really believe you were wrong  
about my handwriting. So excuse  
my crude writing.
