Dear Mother & Dad,

It has been a long
time since I have been
able to write a letter.

I am on night duty
with German prisoners.

The last two times we
have moved we have gone
some distance. It takes
longer in a conveyance.

I ran into an American
patient from Pauls outfit
Monday. He had left

Have been working quite hard. Went on night duty Tues. up until then I had been working from 8 AM until 8 PM. By the time we would get off duty it would be dark. We don't have lights as we are still in blackout.

I think I have seen
all of France from the
tail end of a G.I. truck.

Our mail is having
a terrible time catching
up with us

It certainly is cold
here. It gets a little warmer
in the day time but the
minute the sun goes
down it is freezing.

Right now - 4 AM - I have on
a long sleeve undershirt,
a heavy wool shirt, my
fatigue top & fatigue pants
my combat jacket & pants

table of a Mr. ...

Before morning I'll have
a blanket on top of all
that.

I have picked up a
few German words. Of course
my conversation is quite
limited. Between the very
little French & very little
German my English is
suffering.

I hope to get to go see
Fred Astaire tomorrow he is
putting on a show
several miles down the
road & if I'm not too
tired in the Am I'll
walk down to see it.

Before morning 11 am
a sheet on top of all
that.
