

New York Dec 21 1866

Mr Chas King
Sir

I want to sell the three shares
of F. & M. stock & send the money down to me at
No 101 Maiden Lane by the first mail. The owner
wants it right off. - What you will get for
it I don't know perhaps 110 or thereabouts but sell
it for as much as you can without taking too
much trouble. Hooker will buy it for a dollar
less any time I express -

Yours &c
