In replying refer to #F-47805

Dear Madam:-

Acknowledgment is hereby made of the receipt of your communication requesting information relative to the case of

Name Edward R McElligott

Rank and Organization 152nd Aero Sqdn, Am Air Service, A E F

The records now in this Bureau do not disclose any application signed by the above named enlisted man. It is possible, however, that he has executed one but that it has not yet been received here, or it might be that it has been lost in transit.

The Bureau has written to the above named enlisted man's commanding officer, requesting that he forward a copy of the retained duplicate of the application, in case he executed one.

As allotments made to members of Class B (parent, grandchild, brother or sister) are voluntary on the part of the enlisted man, it is suggested that you communicate with him, requesting that he file with this Bureau an application in which you are named as beneficiary. In case he has already forwarded an application, have his commanding officer submit a copy of the one retained in his files.

Very truly yours,
C. F. NESBIT,
Commissioner.
