Dearest Betty.

This is going to be short 'cause I don't have much time. I just wanted you to know that I am thinking of you and I sincerely hope that you are doing the same about me.

As you already know I got to the Gay? city of Norfolk with out any trouble and I no idea how long I will be here, If I leave tomorrow it won't be too soon. This is the worse place on the face of the earth. I have been on the base all day. If I don't change my way of thinking, I'll be on the base untill I am transfered.
My address is
