My Darling

I guess you are wondering if your husband is going to ever leave this place. Well as a matter of fact I am beginning to feel the same way. The idea of being in the 'States' and not being with you doesn't suit my fancy. We should have been on our way by now but for some reason we were delayed. It was none of our fault. It must be something the 'navy bureau' thought up! We

are picking up  
some extra men  
to carry as  
passengers. They are a mixture  
of Sea Bees and other men  
of all branches of the navy.  
I have no idea when we  
will leave but as far as  
'Scuttle Butt' has it we leave  
Sunday.

How is Mima getting  
along? Is she still in  
the hospital? What is Bobby  
doing now that his mom is  
sick? Have ~~you~~ you been taking  
him to the cowboy shows? I  
wish I could be there with  
you. We could go to see  
the 'Shoot-em-Up' with Bob  
and I could hold your hand  
and tell you just how
