Dear Sister,

I received your kind, and
welcome, letter but I am worried
about that money I sent to you
I will enclose you the receipt
and shall give you an account
of it. I sent you two twenty
dollar bills treasury notes
I sent it to you on the 14th Oct
and this receipt will show for
it self but I always thought
no one could draw the money
without the receipt to show
when you get it answer my
letter right away to let me
know about it, I am happy
to hear you are all well as
I cannot complain, considering
we are very busy building
