Dear Sister

I recieved your
kind letter and was verry glad to
hear from you and also that you
recieved that mornny i thought
that it was too this is the first
letter i recieved from you this year
i was verry anxious to hear from
you news i have none to write but
we have verry cold weather here
and high water has wash away 3
Bridges we had a verry hard time
geting it out of the water it has not
been so high in 15 years we are as getting
the P. & F. road built

I will now draw to a close
by sending you to you

From Your
Brother
