

John O. Alkin.

This man has been guilty of Bushwhacking to some extent, and of keeping Ben Raymond <sup>and others</sup> about his house this we know to be a fact for we chased Ben Raymond off of Alkin's bed. and also of his own acknowledgements.

Benjamin C. Conrad.

This man has been guilty of carrying news for the secesh guerrillas while we were out there on an other scout previous to this last one, and we found him this time standing picket for Ben Raymond and also found a letter in his pocket directing him to kill as many of the Blue bellied Yankees as he could and to be sure and not to take any of their pills for they don't work off well. and that he was also in the service of the rebels the period of 2 months.

William Jeffry.

This man we found scouting in the woods with his gun and three other rebels; though they made their escape. This ~~was~~ happened on a previous scout.

He Acknowledges this and claims that he was pressed in to their service still he stayed there among them very well contented
