2 weeks training they put me in a co. that
had 2 weeks of training so I wont lose no training
that way. This way I have to stay longer

they dont count for the training. But for the
pay they count so I just get a extra ~~month~~
months pay that gave me more more money
to go home on. Well mom this letter should
be no. 15 But I wont no. it Because I didnt
get no letter from you'll today and it would
mess the ~~no~~ no. that way so I wont no. this
