Richmond June 29th 1795-

I this moment receiv'd my most belov'd friend's very acceptable Letter. Happy indeed do I feel, to hear of your recovery.

Sister Pleasants desires me to request the favor of you to procure a House for her in W^mburg; she wishes to purchase one, provided you think the situation as eligible with regard to health and expense, as her present residence.

God bless you my ever dear Sir. I have scarcely time to subscribe myself yours as usual
