

Bizacoa May 28th 1832 ..

Altho' eleven months have elapsed since
I received a line from any member of my ever
beloved Mr. Tucker's family - yet it is impossible
for me to forbear entreating him to give me
some account of dear Jan's health, by the
next Post. I am inexorably distressed to
hear of her being sick. - Pardon this
my dear Sir - I am here entirely alone
and so ill that I can scarcely sit up a mo-
ment =

Yours unalterably
