

Saint George Tucker

[806?]

I am this moment informed that  
my beloved M<sup>r</sup> Tucker is near me - it is  
quite impossible to express my emotions -  
would to heaven I could fly to embrace one,  
for whom my heart has long throbb'd with  
filial affection - Present me cordially  
to dear M<sup>rs</sup> Tucker and Polly - I trust  
we shall meet - either here, or at M<sup>r</sup> Mus-  
:ray's - I can never have any intercourse  
with M: W - and you will one day find  
that I am not prejudiced -

Heaven protect my  
dearest friend A: P: M:
