Turote to our friend mi Carrington to tell my beloved me Judmer why 5 had been sa long selent: Two wrecessed monthes have I prossed, A Benlomond, and in its vicinity, expecting my brothers wou'd remove me to some himd of home It is now absolutely necessary for me to trouble a friend, for a made of con: iveyance. Prese are na carriages around here. if my doarest In Tucker will send a Hach up to the little town of Tellerson in bowhatan it can carry me ho my Shelter and return to kich mond by the next night o Two of the neighbors are perfectly amiable the rest have attached my forlown situation, saying I am an object of Inarity cost on them to support

and that they do not believe my brothers have promised to hate me away. Do not dolay sending a Carriage my dearest Ser. I will write to you from the golace at which it leaves me finose who are amisble in this grant of the world, have their sma houses as full as they can hold. I mush move, if I go on foot, but determined on apolying to you - God blops you Thans nover yet wished myself back at poor dear Binarre - your own Mechionale - If Book in Gowhaten it can comy November 2. 1806 shows and in Sirons the neighbors are perpedicy aminthe the real have attached my Horlers While the series of the series Grange cook in them to relabery
