The last time I had the pleasure
 to hear from my dear friend was in
 a letter Sister Virginia wrote me
 just before I left home - We re:
 turned in good health, thank God!
 and found affairs at Morrisania
 doing well - Our journey was a
 charming one, thro' a delightful
 country - we travelled nearly
 twelve hundred miles - and were
 absent almost three months -
 When stationary, we were on the
 banks of the magnificent St.
 Lawrence, or beautiful Orwayotta
 ice - I did not write a line to
 any person for my mother's
 son's spirits required constant
 care - We never have to check

The Hon^{ble}  
 Mr George Tucker

 paid

him except for vivacity.

This is merely to as-
:sure you of my truly affection-
:ate remembrance - In our ex-
:cursion we were at the houses
of my excellent Husband's real
friends during several weeks,
consequently, every exertion
was made to render me happy.

Present me most
cordially to M^r. Tucker -

Poor Myland died
before I got home - he was a
good man I always believed

Accept M^r. M^r's
regards - God bless you
yours tenderly attached
