

Morrisania March 19<sup>th</sup> 1816

I acknowledged my very Dear Friends  
last kind favor immediately and have since  
taken the liberty of sending a piece of  
China which I hope Polly will grant a  
place on her mantlepiece - there is a glass  
belonging to it which I shall send another  
time - they could not go in the same box.  
Present my cordial love to her and Mr.  
Tucker - I trust you will both gain  
health on the return of Spring -

My old friend Mrs. Mandolph,  
formerly of Sandy Ford near Wizarre, writes  
me that she understands our dear Beverly  
has gone to the westward - I shall always  
sincerely love him and Henry - not forgetting  
Charles -

I hope the small cloaths fitted  
you, particularly those made of virginia  
cloth -

Accept my good Husbands  
best respects, and a kiss from our frolicsome  
boy -

Adieu my beloved Friend  
I am most truly and gratefully your very  
tenderly attached Friend A. C. Morris
