A thousand thanks to my very dear Friend for his most welcome favor just received. I feel great anxiety on the score of M^r. Tucker's health present me cordially to her - northern air would most probably reward her for the trouble of seeking it. To say that our house and hearts are open to receive her and you - (and yours) must be useless - she would perhaps lay up a store of health to last many years my husband would rejoice in returning you both some of that hospitality which I so long and often found under your roof. We certainly could make you feel at home. M^r. M. is always in a good humor, so is the charming boy - he sends a kiss to each of you - Give much love to Polly, for me, if you please -

This has been the seat of health and conjugal harmony for more than a century. You could try, for your good wife, the waters of Saratoga (the best in the State) a few days and return to us. should M^r. T. continue in delicate health many weeks - she surely had better summer resolution for a longer journey than usual - Be certain of a home at Morrisania where we should delight to receive you.

Oh my dear Sir - fondly does my heart turn
to good dear Saint George. I regard him
with feelings truly maternal and pray
Heaven to keep his mind in a contented
state - he has been dear to me every moment
of his life -

God bless you & yours
Sincerely Attached and grateful Friend

Ann C. Morris

am not yet recovered.
I have been very
tired and have not
been able to do much
work lately. I have
been thinking of you
very much and hope
you will write soon.
