

Stensington Jan 6<sup>th</sup> 1740

My dear Sir

I find Wednesday the 8<sup>th</sup> marked  
as the day of the next sitting, may  
I venture if that be so to propose  
between  $\frac{1}{2}$  past one and two should  
that be perfectly convenient for you  
to be here.

Most faithfully & truly  
your obliged Servant

Daniel Wetton

James Hall Esq
