Hello Dad,

I have been receiving your letters but they are getting here a little slow. Also the clippings you have been sending. That must be some baseball team month has this year. All the boys will be graduating this month. Some more material for the army. I feel sorry for the poor kids. They will be going to the GI college of hard-knocks instead of a civilian college.

Mother tells me you have been

I have been reviewing your letter
but there are a few things here or there
which the engineering department will
not want to handle. I am sure that
you will be glad to hear that
the department will be glad to
assist you in any way possible.

busy painting the house. That's a good
idea. Since you have a lot of spare
time you can really fix the place up.
Also heard Dick Haphorn was drafted.
Glad they finally caught up with him.
They should get the rest of those guys
around there that are laying around on
their lazy ass and put in the army.
It might help replace some of the guys
that have been overseas for a long time.

Haven't heard from Joe or John yet.
I guess I should be hearing from them
any time now. Tell them to write me
next time you write to them.

I sent another money order dated the 3 of this month. Let me know when you receive it. It is for fifty dollars.

Say if you get a chance and if it's not too much trouble would you send me two cartons of Kool cigs. Kool Kools are the only kind I want, just 2 cartons.

I will write a request at the bottom of the letter. I got four cartons of Chesterfields today. That's my ration for June. I guess cigarettes are expensive back in the states.

We only pay a nickel a pack over here.

How you doing with the cow?
Still giving you trouble? Can you get any tires yet. That crate sure gives plenty

good one after the war. Something really
classy.

Well that's about all for now. Take
good care of mother and yourself. Don't
worry about me, I am doing okay.
