you get it all fixed up.

I still haven't heard from Joe
or John.

So Ernie Schultzy was home.
That's fine. He is a good kid, I think
the money was a good thing for him.

So they finally drafted Dick
Seaphar, well its about time. I don't
see how lunks like him stay out so
long. If they would get the rest
of those guys like him everything would
be fine.

So you got the poock clipped.
I guess he looks funny as the devil.

It's a good idea though, the hot weather
won't be too much for him.

You say you had a time with
grandmother. She sure is set in her ways.
One thing, she should ^{quit} ~~quit~~ working and
take it easy.

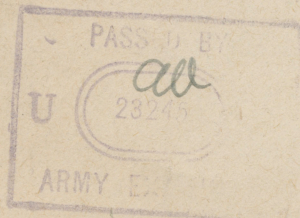

I hope you are feeling like you
yourself again. Now that summer is
there you can get plenty of fresh air and
sunshine.

Well that's all for now.

Take care of yourself and don't
do too much work-

Your loving son,
Francis.
