### Notice of right to appeal

Appeal from classification by local board must be made within 10 days after the mailing of this notice. You may file a written notice of appeal with the local board, or you may go to the office of the local board and sign appeal form on back of Selective Service Questionnaire (Form 40).

Within the same 10-day period you may file a written request for personal appearance before the local board. If this is done, the time in which you may appeal is extended to 10 days from the date of mailing of a new Notice of Classification (Form 57) after such personal appearance.

If you are the first person to take an appeal and such appeal is based on occupational grounds, you may, in accordance with Selective Service regulations, request transfer of the case to the board of appeal having jurisdiction over the area where you work.

If an appeal has been taken and you are classified by the board of appeal in either Class I-A, I-A-O, or IV-E and one or more members of the board of appeal dissented from such classification, you may file appeal to the President with your local board within 10 days after the mailing of notice of such classification.

*For advice, see your Government appeal agent.*

**The law requires you:** (1) To keep in touch with your local board; (2) to notify it of any change of address; (3) to notify it of any fact which might change your classification; (4) to comply with the instructions on the notice of classification part of this form.
