M^d. Quarters. 36th V. Regt.
Camp Near Charleston Sept 18th 1862.

Col. J^r. W. Cauland
Comdg. 4th Brigade

Sir

In obedience to your
order, I have the honor of submitting the following
Report.

On Saturday the 13th inst, on our march
from Camp Wickerson to Charleston, the 36th V. Regt, was
ordered to march in the rear, as a reserve to your
Command on that day.

On the march from Camp Wickerson to Charleston, nothing of
importance occurred with the 36th Regt.

We were halted in the upper part of Charleston, where we
remained a short time, and then rec^d. orders to march my
Regt. through Charleston to the hill at Col. Clarkson's residence
near Elk River. And whilst there, in compliance with
an order, I detached a Company from the Regt to
assist in extinguishing the fire then in Charleston.

We remained there by orders acting as a reserve, until
I rec^d. orders to march my Regt back through town
towards the mouth of Elk River, and was stopped near
that point, and remained there until after dark that
night, when in accordance to orders I marched my
Regt to Camp above Charleston.

I have no Casualties to report.

Very Respectfully Submitted

Your Obed^t. Serv^t

B. R. Jenkins

Adj. Comdg. 36th V. Regt.
