Camp Ruffner Putnam Co. Va Oct 2^d 1862

Lt. Col. H. Fitzhugh
A. C. G.

Colonel -

The Infantry Command
near Col McCausland is encamped ~~at~~
at the House, and my Cavalry at this place
which is two miles below - There is nothing
new to report of the movements of the enemy
except that his pickets (or more probably his scouts)
have been seen three miles below Buffalo.

Very Respectfully

Yours -
