

received in a post letter  
dated in the month of July 1830

My dear Sir  
I received your  
kind letter by the last  
mail with the enclosures,  
and I have this day written  
to the Postmaster General  
in relation to our cause,  
and I sincerely hope may suc-  
ceed in getting employment.  
I would have also written  
to Mr. Hughes & Gov. Brent,  
but from the peculiar state  
of things in Washington, it  
seemed to me that it

would not be in their power  
to do any thing in his behalf.

I hope, that your health im-  
proves, and that the effects  
of the warmth of summer  
will be to restore you en-  
tirely to your usual state  
of health.

I had the pleasure to find  
my family well on my return  
home. Mr. Colburn desires

to be affectionately remem-  
bered to you & Mrs. Hay.

With sincere regard

I am &c

J. C. Colburn

Mrs. Hay
