The way you described yourself in weight, height and pretty brown eyes, my favourite! I see you are just a athletic, I was till I came in the army three years ago.

I would like to at least you play in the band, it is hard to find any good numbers down here like up home, my favourite in the wood and I'll be seeing you. and lot of others this is to far much.

I my hasn't told me much about you or in fact she never at all

 first in the Hawaiian Islands and
 then other in Honolulu dozens of
 times then I went to the Solomon
 Islands that is when I ended up at
 on the island of Guadalcanal, that is

 want to think about it.

You said ~~you~~ you was a member
 of the girls' tumbling team, well
 they get plenty of that here although
 I don't have to so much just see that
 the others do.

You better take a vacation to
 sunny Florida before you start to
 school, I will send you a folder if

will in the world & that the world
 has not yet seen anything so
 noble as you are. You are
 better than any of the kings of
 the world. You are a man of
 God, your heart is in the
 right place, your hands are
 clean, your feet are pure.

lost month, but they froze the ratings, I don't know how long. You asked if I got mounted no I never, the reason I come back was by rotation, which is a good thing, after two years they send you back but I was busy then was 100 in my co and only 13 could come back so they saw my number, and then hasn't been any more come back since then. You asked what I do, well I am an assistant instructor have it easy just see that the trainees do what they are supposed to and show them. You said I must have some sea service ribbons, well in this (no good) picture I am sending you can see what I have got on my shirt, but I have the best ones on another shirt that I didn't wear it was in the laundry, like

Dearest Margaret,

I will try and answer your most welcome letter I received last week, glad you received the folder and the picture, I knew you would like the folder, I have sent several of them out to friends.

I know you didn't have any of those bad habits that you mentioned, any girl that is that way, I really think a lot of them, before I went in the army I was going with a girl and planned to get married if I got home but I met you a year and

held too long some 45 got
her and from what I hear
now she is doing about every
thing under the sun, I never
saw her all the time I was
home and I still don't want
to. I sent her a 8.10 picture
while I was in Honolulu and
she is sending it back it
is paired a very good picture.

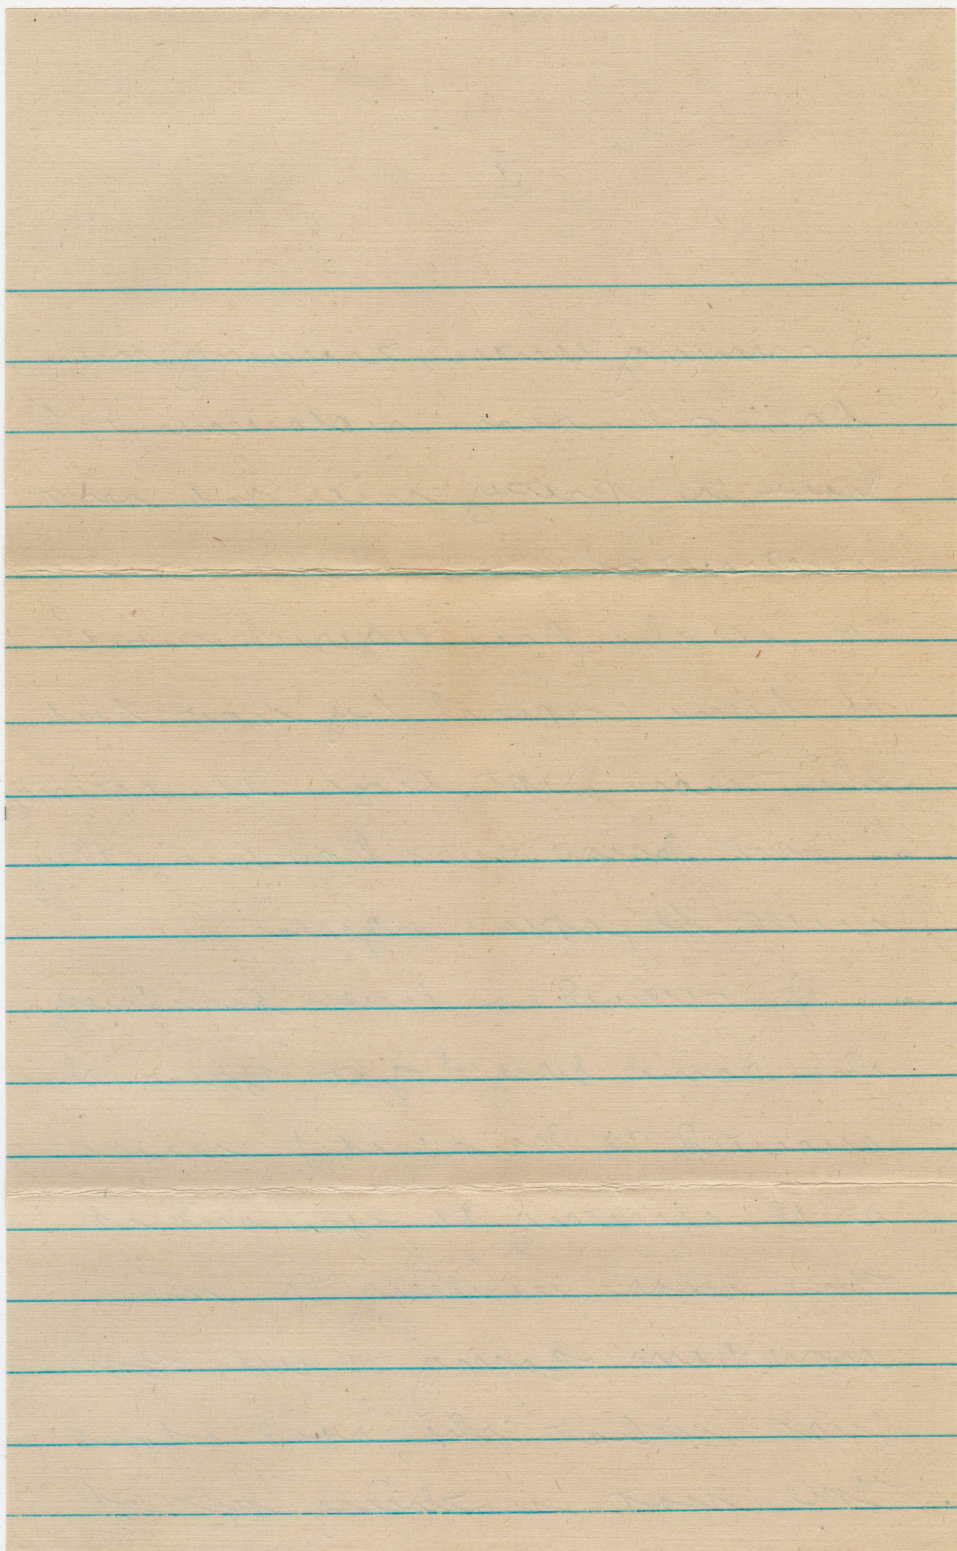

Yes the picture was taken
here in camp by the guest
house on the back ground is
rather.

You asked just what branch
of service I am in well it
is the Infantry Replacement

I raising center, training men
for overseas replacement, I
have a pretty nice job assist.
instructor. we have it nice
to all the privileges I would
of been corporal by now but
the War Dept. froze the ratings.
I don't know just how soon they
will be open again.

I received a letter from my
the same day I got yours, she
wanted to know if I was
still writing to you and if
you was writing to me,
now I am going to tell you
just what she said about
you not writing out of

the way. here it is, she said
you was a very nice girl
quiet & talker and this takes
every thing, ha, very pretty,
well she didnt need to tell
me that so I have a picture
to prove it, ha. Thanks for
what you said about my
sisters, they are really
something to be proud to meet.
I guess I had better be signing
off for this time, answer real
soon, Good bye.

Your loving friend
P. out.
