KNIGHTS OF COLUMBUS
WAR ACTIVITIES

June 13 1918

Dear Ed

I suppose I have quite a nerve
in starting a correspondence as late
as this, really Ed I am ashamed of myself
for not writing to some of the best
friends I have. But here's hoping I am
or maybe forgiven.

You know that it was two weeks ago
I landed here, since then have done
nothing much outside of work. We
get passes every night from 5 to 9:30 PM.
I should like to be in England with
Dick for a while, I wrote to him on
the 11th.

Everything is tip top. I am your first
class candidate than the Sabx and trying
to keep that way. If I were home well
it would be the end of baseball.

season, and school, well that's a
good song. What the use of worrying 'em.

I suppose you will be going to Cincinnati
with your corn, well have a good time,
I wish and myself for Calhoun will be
down with you next summer.

How is Mother, Father, Mary and
old "Chubby." I suppose as healthy
as ever.

What do you think about the War
Es how long is it going to last?
that's a good bet for the 15th fus, when
you write state your case and
I'll bet you \$1000.

Well Es I guess I will have to back
to the Fortness as it is getting pretty
late. 9:10 late for an Army bird ha
Hoping all an well and happy as
I am.

Wishing to return your fudge as ever
