Dear Sister

Having a few leisure minutes I concluded that I would answer your always welcome letters. I have nothing of any interest to write. I have left Rose and am rooming with Mr Arnold Wright of Goldsboro formerly of Fayetteville he is a very nice young man as you would term him I will carry him to Fayetteville at vacation when you can have a chance of seeing him he has a very fine moustache and spike tail coat. I heard a splendid sermon this morning by Dr Craven and went down and got a very nice dinner tell Ma that she will not have to hear Mr Mc Daniel much longer as I expect to

Take his place I believe that  
is what she sent me for I must  
close I hear the little sheep bells  
in all directions ringing for  
supper so you cannot blame  
for not writing as I am hungry  
write to me the day you get this  
there there there is and sheep bell  
sending forth its delicious notes  
Supper Supper Supper Good bye
