INDIANS MEET MEDICO QUINT ON TOMORROW

Basketball Team Opens Season With
Horace Hicks Quintet from the
Richmond Medical College;
Good Game Expected.

THREE LETTER MEN BACK

Captain Todd, Wallick, and Davis Will
Be Mainstays of 1927 Quintet;
Prospects Much Brighter Than
Appearances Would Suggest

The bid will be knocked off William
and Mary's basketball season tomor-
row afternoon at four o'clock, when
Tasker's cagemen meet the Medical
College of Virginia in Blow Gymna-
sium. This will be the first of 18
games.

While it is impossible to prophesy
anything about the team's chances
for a successful season this early in
the year, at present things look bet-
ter than might have been expected
from the setbacks suffered in the
loss of such men as Marshall, Young,
Christo, Kahn, Metcalf and St. Clair.
Tasker is building his attack around
the three letter men, Captain Todd,
Wallick and Davis, who returned.
These three have some excellent ma-
terial behind them in such men as
Macon, Snyder, Matsu, Aronow, and
Wynn, who while failing to make a
letter last winter showed up well in
basketball circles. A new man, Ryan,
also looks good.

The embryo physicians, although
losing their first game of the season
last Saturday night to American Uni-
versity by a 48 to 20 score, look like
they have the material to give the
Indians a stiff fight tomorrow. Among
those of Horace Hicks' tribe who look
good are the four letter men, Pulley,
delet, Stull and Preas, who are ex-
pected to shine all over the state
this season. There are also three
freshmen on his team which can be
expected to put up a tough fight.
These are Wice, formerly of Washing-
ton and Lee, Newman, of Richmond
College, who is stepping at a fast
pace as forward, and Metcalf, a for-
mer wearer of the Green.

The freshman squad is expected to
(Continued on page eight)

Upper and Silver Coins Presented to WM Library

Mr. Thomas Nelson Howard of Fish
kill, York County, Va., has recently
presented to the College Library an
interesting and valuable collection of
upper and silver coins, many of which
were picked up on his farm. Some of
the coins were undoubtedly used by
French soldiers during the Revolu-
tionary War while others were evi-
dently used by the Union soldiers un-
der McClellan during the War be-
tween the States.

Howard, who is a great, great,
grandson of Thomas Nelson,
author of the Declaration of Indepen-
dence, has always shown a great inter-
est in the College. Only a few months
ago he presented to the Library a
fraternity badge of the T. K. K.
fraternity which was worn by his
grandfather, John H. Fox, who attended the
College in 1837. This fraternity has
entirely forgotten and the badge is
only evidence of its existence.

Unique Will Left by Hon. J. Heath

One of the most unique wills
ever recorded was brought to light
here recently by a person connect-
ed with the college who is a de-
scendant of the maker of the will.
It is stated that John Heath, found-
er and first president of Phi Beta
Kappa and later a member of
Congress, left a will in which the
stipulation was made that every
one of his descendants should learn
the Greek alphabet and be able to
count ten in Latin.

Just what purpose the venerable
founder of the first intercollegiate
fraternity had in mind is not
known or if it is, nothing has been
told of it. However it may be
assumed that Heath was interested
very deeply in Greek and Latin,
it being his influence which caused
the fraternity to take a Greek let-
ter name.

MATSU AND DAVIS HIGHLY HONORED

Times-Dispatch Places Indian Captain
and Wingman on All-Virginia
Team; Meb Davis Awarded
For Second Year Straight

Art Matsu and Meb Davis, star
quarterback and end on William and
Mary's 1926 grid team, have been
picked by writers for the Richmond
Times-Dispatch as worthy of the all-
state eleven. This is an entirely dif-
ferent selection from that which ap-
peared in the News Leader last week.

This news story appearing in last
Sunday's issue of the Times-Dispatch
also credited Lee Todd, Wallick, Eason
and Carmichael as being deserving of
honorable mention.

The writer in commenting on the
players spoke in glowing terms of
both the Indians. Speaking of Cap-
tain Matsu, he stated: "In his (Mat-
su's) final year he added to his pass-
ing and punting ability ground gain-
ing qualities which stamped him as
a triple threat. His generalship
against Columbia, Wake Forest, Rich-
mond and Chattanooga left little
to be desired. . . Matsu displayed his
all-around ability against powerful
teams. In the North and East, Mat-
su's outstanding ability is generally
recognized."

"Meb Davis," the writer continued
further down the page, "for the sec-
ond year in succession won a place on
the mythical All-Virginia eleven. . . A
brilliant receiver of passes, a hard
tackler and a keen diagnostician of
plays, Davis has the speed and build
of an ideal wingman."

Six Virginia institutions placed men
on this eleven. These in addition to
William and Mary, were Washington
and Lee, Virginia, Washington and
Lee, V. P. I. and V. M. I.

Indian Nine Will Play Yale University Twice

William and Mary's baseball team
will meet Yale University in two
games next spring according to an
Associated Press dispatch from New
Haven, Conn. The first will be played
in Williamsburg April 8, and the sec-
ond on Yale's home grounds.

Yale will meet two other Virginia
teams next season, the University of
Richmond at Westhampton, April 7,
and the University of Virginia in New
Haven, May 5.

"GOOSE HANGS HIGH" GIVEN TOMORROW

Dramatic Club Presents Famous Xmas
Play as First Production to be
Given in Phi Beta Kappa Hall

CAST CONSIDERED ALL-STAR

Many Departments of College Cooper-
ating in Making Play a Success;
Costumes Have Been Secured
Through Richmond Firm

The management of the play
announce that no one will be seat-
ed after the rise of the first curtain
until the end of the act. Those who
come will have to arrive on time.

Tomorrow night will mark the first
dramatic production given on the Phi
Beta Kappa Hall stage, when the
Dramatic Club will present "The
Goose Hangs High," a three act com-
edy at 8:15. The play will be given un-
der the direction of Miss Althea Hunt.

Various departments of the college
are cooperating with Miss Hunt and
the Dramatic Club in the production.
The art department under the super-
vision of Miss Carey and Miss Selle-
vold will have charge of the stage
decorating, and the home economics
department under the supervision of
Miss Cummings will aid in the choos-
ing of costumes. Thalmer Bros., of
Richmond have charge of the stage
equipment. The play production class
of the college is rendering invaluable
practical assistance in the multifar-
ious duties which are essential to suc-
cessful production. The business man-
ager who is staging this performance
is Robert L. Brewer, while D. K. Van
Wormer is attending to the publicity
and advertising. Music for the play
will be contributed by the college or-
chestra.

"The Goose Hangs High" is a play
which won a recent success on Broad-
way and now is continuing its popu-
larity before audiences all over the
country. It is a story of Christmas
cheer and happiness, overhung with
gloom for a time, but eventuating in
a happy denouement. The Ingals fam-
ily have been economizing and sacri-
ficing to keep the son and daughter,
twins, in college. The twins and their
older brother arrive home for the
Christmas holidays in a burst of gai-
ety. In the midst of the family hap-
piness, the father is threatened with
financial disaster. How the three
children show their filial love by
cheerfully pitching in to help their
parents, and how they exert their
cleverness to amend the situation,
(Continued on page eight)

Season's Greetings

With this issue THE FLAT HAT
suspends publication until after
the Christmas Holidays. The first
number in January will appear on
Friday, the seventh. On account
of examinations, publication will
again be suspended after January
14 until February 4.

The Staff of THE FLAT HAT
wishes for the faculty, student
body, and alumni a merry and
pleasant holiday season. May all
exams be forgotten and the an-
cient good fellow, Saint Nick,
reign supreme!

New Lights to be Placed on Campus

An entire new system of lighting
on the campus of the College of
William and Mary is to be instal-
led in the near future according to
an announcement made this
week. The cost of the new campus
lights aggregates approximately
\$9,000.

The new lights will be of Col-
onial style and will be placed
over the entire campus, supplanti-
ng the present gawky-looking
poles which adorn the front por-
tion. Several will be placed at
points which heretofore were in
darkness. It is said that these new
lamps will give the college a more
brilliant lighting system than it
has at the present time.

W. H. Perry Company of New-
port News was awarded the con-
tract for the work.

PHOENIX WINS IN FROSH CONTEST

Literary Society Regains Freshman
Banner from Philomatheans by
Winning Debate, Oration,
and Reading

Phoenix Literary Society regained
the much coveted Freshman Banner
Tuesday night in Chapel by winning
three out of four events in the an-
nual contest between the freshmen
of the two societies. The general
consensus of opinion was that the
contest was one of the hardest
fought in recent years and that the
men appearing on the program were
prepared excellently.

The first number on the program
was a debate on the subject, "Re-
solved, that the Ku Klux should be
abolished," and was won by the Pho-
enix Society by unanimous vote of
the judges. The speakers from the
Phoenix Society were T. C. Hardy,
and A. Earl Garrett. They were op-
posed by L. F. Brewster and LeRoy
M. Ober.

The Phoenix Society also won the
Oration and Reading, the first by
unanimous vote of the judges, and
the second by a two to one vote.
Percy Warren represented the Pho-
enicians, while L. N. Prince repre-
sented the Philomatheans in the Or-
ation, and C. M. Hailey, Jr. read for
the Phoenicians and H. M. Sanger
read for the Philomatheans.

The last number of the program
was the most closely contested of
all. J. G. Epaminando, declaiming
for the Philomatheans won it by a
matchless rendition of "The Bells"
by Poe, although Eugene Hallom
was very good in his declamation of
Henry's famous speech.

The Phoenix Society won the con-
test by four to one, since the debate
counted for two points. By virtue
of winning the contest this society
is entitled to the Phoenix-Philoma-
thean Banner for a year, or until it
it won from them again. The Philo-
mathean Society has held the banner
for the last year, although the Pho-
enix held it for the three preceding
years. In addition to the society re-
ceiving the banner, each winning
contestant will receive a medal.

The judges for the contest were
Mr. George W. Spicer, Mr. Maynard
L. Cassidy, and Mr. Horace E. Cro-
mer. The Committee from the Pho-
enix (Continued on page eight)

THREE CHOSEN FOR MILWAUKEE NAT'L CONFERENCE

William and Mary to Be Represented
at National Student Conference
Which Meets from December
28 to January 1.

CAMPUS PROBLEMS DISCUSSED

Elizabeth Lam, Lawrence F'Anson,
and George Hunt Will Attend
as Representatives of Y. W.
C. A. and Y. M. C. A.

The two Christian Associations on
the campus are sending as representa-
tives from William and Mary three
delegates to the Milwaukee National
Student Conference from December
28th to January 1st. Miss Elizabeth
Paxton Lam of Norfolk who is well
known on the campus as secretary of
the Y. W. C. A. and a member of the
Executive Council of the Student Gov-
ernment will represent the Young
Women's Christian Association. Those
who will represent the Young Men's
Christian Association at this Confer-
ence, "the most significant intercol-
legiate event of the present genera-
tion," are L. W. F'Anson, president of
the Y. W. C. A. and George Hunt, as-
sociate chairman of the deputation
work.

As expressed by Mr. F'Anson, "for
the purpose of giving the delegates
some idea of the various campus pro-
blems," about twenty men and women
students recognized as leaders in
campus activities have been meeting
in the Monogram room for the last
two Saturday nights to criticize and
discover the predominant evils that a
visitor at William and Mary would
find. Among those practices which the
delegates will take to the conference
for discussion are: the participation
in too many activities, open politics
on the campus, etiquette in the dining
hall, and the Honor System. As pic-
tured in the literature, "it will be a
four day meeting for frank discussion
of any search for answers to the ques-
tion, "What Resources has Jesus for
Life in the World?" Among the in-
ternationally famous men who will
stimulate the thought and increase the
interest at the conference will be G.
(Continued on page eight)

Pi Gamma Mu Will Offer Prize in Social Science

Announcement has been made that
the local chapter of Pi Gamma Mu,
honorary social science fraternity, has
offered a prize of twenty-five dollars
to any member of the Junior or Sen-
ior classes who prepares the best pa-
per on any subject in the broad field of
social science. Students wishing to
try out for this prize are advised to
consult some member of the faculty,
who teaches on the following subjects:
History, Political Science, Psychology,
Education, Philosophy, English Litera-
ture, Modern Languages, Religion, or
Natural Science.

The manuscript must be handed in
to the President of the Pi Gamma Mu
Chapter at William and Mary, Dr. K.
J. Hoke, on or before May 1, 1927.

Dr. E. G. Swem, Librarian of the
College, is chairman of the Prize Com-
mittee and will give further informa-
tion to the interested students.

TURNER ELECTED FOOTBALL MGR.

Al Turner Elected to Manager 1927 Gridiron Squad; Heavy Vote is Polled in Annual Election Held Last Tuesday

Alfred K. Turner, of Danville, Virginia, was chosen manager of the 1927 William and Mary football team at a general election of the student body held Tuesday of this week. Balloting, although not as heavy as in previous elections, was carried on in a lively manner and the majority of men eligible to vote came to the polls at Monroe Hall during the day. The final returns gave Turner a lead of 116 votes over his opponent for the honor, William G. (Bill) Thompson.

Turner enters his position next fall fully prepared for the work in connection with the biggest and most coveted managership of the college. He has served under several managers and completed his training this year under Manager "Red" Marston. Next year's schedule will place upon the manager an even greater task than that of this year, with stronger opponents listed on the card.

Manager-elect Turner is active in a number of student affairs and is a member of the Alpha Tau Epsilon Local Social Fraternity.

The election Tuesday was presided over by the judges, Henry B. Frazier, President of the Student Body, G. Dewey Grove, President of the honor council, and M. Carl Andrews, Secretary of the student body. They were assisted at the polls by members of the honor council.

Dr. Cornish Lectures on Religious Minorities

Under the joint auspices of the Y. M. and Y. W. C. A.'s and Dr. Kathleen Bruce, of the Department of History, Dr. Louis C. Cornish delivered a most interesting lecture last Wednesday night in the "Y" room, on "Religious Minorities in Transylvania." The lecture was well attended both by faculty and students. Dr. Cornish has twice visited Transylvania, a country bordering on Roumania which the latter took when Austria-Hungary collapsed during the late World War.

On his last visit Dr. Cornish served upon an Anglo-American mission, the other members of which were Dr. Arthur S. Hearn of Lancaster, England, Mr. Charles E. Schaeffer, of Philadelphia, and Dr. Sylvester Beach, of Princeton. The Commission was sent to Roumania by a famous American Committee made up of distinguished Americans of various religious affiliations, and known as the American Committee on the Rights of Religious Minorities. Among the members of this Committee may be cited Dr. John H. Finley, of the New York Times, Dr. Henry Sloane Coffin, President of the Union Theological Seminary of New York City, the Honorable Herbert Hoover, Chief Justice Taft, and the late Charles Elliot, President Emeritus of Harvard University.

Chi Beta Phi Frat. Pledges Nine Men

Beta Chapter of Chi Beta Phi, honorary scientific fraternity, has announced the initiation of the following men: Dr. A. W. Dearing, Chris Somers, Lee Todd, Roy Powell, Captain Thomas P. Walsh, Logan Hudson, Manley Mallard, Sewell Hopkins, and C. C. Kerns.

The Chapter holds regular bi-monthly meetings. It is a requirement of the chapter that every initiate must read an original paper upon some scientific subject.

The next important event that is being looked forward to by the members is the annual fall banquet, which is to be held sometime within the next three weeks at the Colonial Hotel. Reservations have already been made for the members of the chapter and their guests. At that time, Dr. J. A. C. Chandler is scheduled to speak.

SWINDLED!

The Flat Hat was made a party to one of the greatest mail order frauds ever uncovered by the U. S. Government last week when it was disclosed by Postal officials that the Acme Farms, of Gainesville, Florida, were largely fictitious and that the oranges advertised by them were merely a means of getting money by fraudulent means.

Acme, under this and several other names, has advertised all over the country in college and even in newspapers the sale of crates of oranges, 300 in number, for the moderate price of \$3.00, express prepaid. Money obtained in this way, in addition to advertising obtained gratis, amounts to about \$1,000,000, according to a dispatch reaching the staff.

The Flat Hat is indeed humiliated that an unverified add, should have been run and that possibly students have been defrauded. The Business Manager assures the patrons of the Flat Hat that careful investigation of advertisers will be made in the future.

FOOTBALL SQUAD TO EAT TONIGHT

Annual Banquet under Auspices of Athletic Association Will Be Held Tonight; Various Forms of Entertainment Planned

The Annual football banquet, held under the auspices of the Athletic Association will be given tonight in the main dining hall. Malcolm Bridges, Alumni Secretary has planned a most entertaining program for the amusement and diversion of the grid warriors. All football men, managers, and a number of faculty members and guests will be present at the affair and all are looking forward to an enjoyable evening.

The evening program calls for a cheering and pep squad that will open the function with some rousing yells, a negro quartette, selections by the men's and women's Glee Clubs, and a trip to Jazzland with the "Indian Sere-naders."

As usual the election of captain for the next season will be held and the dinner will reach its climax in speeches by the coaches, team, faculty, and visitors.

Phoenix Literary Society Approves New Meeting

Phoenix Literary Society held its usual meeting on last Friday evening in Phoenix Hall. The main business to be brought up was whether or not the society should adopt the Phi Delta Gamma plan of meeting jointly every other week with the Philomathean Society. The general consensus of opinion in the society was in favor of the plan on the grounds that it caused a change in the general routine program of the society, and promoted a closer spirit of cooperation between the two societies. After some discussion, the plan was adopted by the Phoenix Society with the understanding that the society might withdraw from the agreement if the joint meetings do not create the interest that is expected.

The regular program was then given, the debate being on the subject, "Resolved, That the United States should cancel its allied war debts." The same subject will be debated and discussed tonight at the joint meeting of the Philomathean and Phoenix Societies in Phoenix Hall, which all men are urged to attend.

THETA CHI DELTA

Alpha Theta Chapter of Theta Chi Delta honorary chemical fraternity announces the initiation of the following men:

Dr. A. W. Dearing, Fred L. Finch, John B. Hozier, W. A. Porter, Jack Grizzard, D. L. Foglia, Milton H. Bland, C. C. Kerns, Edward T. Justis, William Melvin, Manley Mallard, Warfield Wynne, Edward Hill.

INDIAN SPORTS

S. P. E.'s Win Aquatic Meet

Sororities Play for Series Title

Indians Play Eli Twice

Just A Word About Sports

By "DAUBA"

Art Matsu in the Chattanooga game hung up two season's records according to the latest statistics released. Honors in both phases of the kicking game were claimed by the Indian Captain when he dropped the oval neatly across the bars from the 47-yard line to clinch the decision, and earlier in the fray when he punted the pigskin 75 yards through the blue ozone. Both exhibitions of master toe-work were faultlessly and perfectly performed and brought a roar of applause from the appreciative spectators. The entire section is singing the praises of Braves' 1926 leader.

Virginia Tech, who this year was one of the strongest eleven in the Old Dominion, recognizes the ability of the Indian gridsters and have placed on the all-state team published in their weekly, the Matsu-Davis combination. Though since that time the leading papers of the state have so honored this pair, yet the Tech selection was made before the Chattanooga game and it has proved them to be pioneers in the fields of excellent choice.

The Blow Gym court is the scene of daily commotion and activity. The mentors are separating the grain from the chaff and picking from large number of prospects the men who will represent the Green Gold, and Silver on the fields of battle this winter. The manager has booked a lively schedule for the basketeers and they give promise of plenty excitement both at home and on the road.

Statistics show that Wallick, flashy Indian halfback is leading the William and Mary squad in individual scoring with a total of 27 points. Captain Matsu runs a close second with one less point to his credit. The complete scoring record is as follows:

	TD.	FG.	PT.	T.
Wallick	4	0	3	27
Matsu (C)	1	2	14	26
Davis	4	0	0	24
Bauserman	4	0	0	24
Macon	3	0	0	18
Bloxsom	2	0	0	12
Taylor	3	0	0	18
Eason	1	0	0	6
Baldacci	1	0	0	6
Fields	1	0	0	6
Ryan	0	0	1	1
Total for team				168
Penalty point				1
Total				169

Relay Practice Starts After Coming Holidays

Preliminary practice for the relay season will begin Monday, January 3 on the track of the George Blow Gymnasium, according to an announcement made this week by track coach, Joseph Chandler. All of last year's varsity and freshmen team with one exception are expected to again be on hand.

In all probability the varsity team will be composed of the same quartet as last year, namely Green, Warren, Daughtery and Yates, though these four may expect some close competition from King, Melvin and Gresham of last year's reserve squad. Mike Smith, who is barred on account of having played with the New York Giants, will be the only one of the former freshmen team who will not be out again.

William and Mary's relay schedule is very light this year, there being only one meet, a triangular affair with Richmond and Randolph-Macon in Richmond.

Court Squad Defeats Soldiers in Practice

Coach Tasker is slowly rounding up the best basket-ball material, and has now cut the squad down to twenty men. At the beginning of the season there were something like twice this number trying out for varsity berths, but about half of these have been sent down to freshmen squad and it is likely that more will follow them in a few days.

The first team is now composed of three men from last year's freshmen quintet, Crossfield who saw action with the Indians two years ago, and Baggett who is a first year man. This aggregation met the soldiers from Fort Eustis in a practice game last week and snowed them under with a regular volley of field goals. Starting the game off with a rush, the Indian quint soon ran up a large score and carried the ball up and down the floor with ease by means of quick passes and accurate shooting.

New Captain

Tommy Thompson, senior, third baseman of the Indian nine, who was elected Captain for the 1927 season to succeed "Juddy" Delk, who failed to return to college this year.

THOMPSON MADE CAPTAIN OF NINE

Indian Third-Sacker Chosen to Lead Baseball Team for 1927 Season; Has Played Hot Corner Three Years

Tommy Thompson, peerless Indian third-sacker, was elected captain of the baseball nine at a meeting of lettermen held last Saturday night. The election was called to fill the vacancy left by "Judy" Delk, who failed to return this year.

Thompson for three years has been a mainstay on the Tasker nine, playing two seasons on the varsity and one on the frosh aggregation. Last year "Tommy" was second in team batting with an average of .387 and ranked well up in the realm of fielding. His arm has made him famous through this section and experience has proved him to be a base-runner par excellent.

Thompson's home is in Ashland, Virginia and he is a member of Kappa Alpha, Alpha Kappa Psi, and Kappa Phi Kappa.

KATHLEEN CONE IS MADE CHAIRMAN OF Y. W. C. A. PUBLICITY

At a meeting of the Young Women's Christian Association cabinet held Wednesday, of last week, Kathleen Cone of Huron, South Dakota, was elected Publicity chairman for the Association. Miss Cone attended Huron College before coming to William and Mary and has gained much valuable experience in this work. She has been placed in charge of the costuming for the Christmas pageant to be given on Sunday night.

LETTERS TO BE GIVEN TONIGHT

Nineteen Letters in Football Will Be Awarded Tonight Together with Six in Cross-Country; Big Event to be Banquet

Nineteen members of the William and Mary football team and six men of the cross country team will be awarded the W. & M. monogram tonight at the annual football banquet in the college dining hall. The fortunate men on the football squad are Captain Matsu, Lee Todd, Grove, Williams, Hines, Davis, Cooke, Bloxson, Macon, Baldacci, Eason, Carmichael, Power, Wallick, Murphy, Ryan, Walter, and C. H. Marston, manager. Captain Hudson, Caplan, Kink, Baggett, Campbell and Gresham will receive the cross-country letter.

Both of these teams met with unprecedented success this season, the football team losing only three games, to Harvard, Syracuse and Columbia, while the harriers triumphed in all but two meets, those with Maryland and the Naval Academy.

The football banquet tonight will be a colorful affair. Covers will be laid for several score of guests, who will number among them outstanding stars in local, state and section college circles, as well as alumni and high school athletic stars.

KAPPAS-THETAS FIGHT TO A TIE

Championship of Inter-Sorority Basketball League is Deadlocked; Dormitories Practice as the Varsity Begins Work

Girls' basketball season is in full swing now with the inter-sorority games hotly contested, and varsity practice going on. The dormitory games are also working every night, under the supervision of the girls in advanced physical education. Marjorie Carter and Jean Miles are coaching Tyler Annex, Nina Trevett and Mary Farmer, Tyler Hall, Sallie Cogle and B. V. Harwood, Boundary, Anna Wilkins and Lowndes Scott, Jefferson Hall. There will be a dormitory game on Monday before the holidays.

The Women's Student Government Council played the Y. W. C. A. on Wednesday in a very amusing and unscientific game, because of the unexperienced and ignorant players.

The sorority games are very spirited and hard fought, with Kappa Alpha Theta and Kappa Kappa Gamma in the lead, followed by Pi Beta Phi. Keen rivalry is exhibited in the contests, but so far no serious accidents have occurred. The balconies are crowded with spectators who come to see these closely contested battles, and show their spirit by vocal encouragement, making it even more exciting.

The score as it stood after Tuesday's games was:

	W.	L.	T.
Kappa Alpha Theta	2	0	1
Kappa Kappa Gamma	2	0	1
Pi Beta Phi	2	1	
Alpha Beta Chi	1	2	
Chi Omega	1	2	
Phi Mu	0	3	

S. P. E.'S TAKE SWIMMING MEET

Kent Proves Star Performer in Helping His Fraternity Win Greek Pool Struggle; Justis Does Well for A. T. E.

Sigma Phi Epsilon fraternity triumphed in the swimming meet which was held in Blow Gym between the various Greek letter organizations on the campus. Alpha Tau Epsilon, who ran them a close second, was in the running up until the last event when their rivals forged ahead in the relay and left them in their wake. Kent displayed some of the best swimming ability ever seen at the college and his diving was the subject of much favorable comment. The work of Justis was outstanding both in the dashes and diving and he was the big factor in keeping his frat near the lead up to the final event. Justis copped two first places and two second places, thereby taking the honors as high point man of the meet.

A handsome wall plaque will be presented to the winners by the department of Physical Education. It is hoped to make this inter-fraternity swimming meet an annual affair in order to create friendly rivalry among the different groups. The results of the meet follow:

40 Yard (Free Style)
1st—Kent, S. P. E.; 2nd—Justis, A. T. E.; 3rd—Wilkins, A. T. E. Time 22.5 seconds.

60 Yard Dash
1st—Kent, S. P. E.; 2nd—Van Wormer, S. N.; 3rd—Wilkins, A. T. E. Time 43 seconds.

100 Yard Dash
1st—Justis, A. T. E.; 2nd—Van Wormer, S. N.; 3rd—Macon, S. P. E. Time 1 minute, 17.8 seconds.

40 Yard Back
1st—Justis, A. T. E.; 2nd—Van Wormer, S. N.; 3rd—Porter, S. P. E. Time 28.9 seconds.

Relay
1st. S. P. E.—Kent, Macon, Porter, Hosier. 2nd A. T. E.—Justis, Wilkins, Messenger, Worrell.

Diving
(Consist of Front, Back, Jackknife, and Back Jackknife, 2 optional.)
1st—Kent, S. P. E.; 2nd—Justis, A. T. E.; 3rd—Van Wormer, S. N.

An individual meet, open to anyone who wishes to enter, has been arranged for this afternoon. Events will start promptly at 4 o'clock in the Blow Gymnasium.

DARTMOUTH TRACK SQUAD SCHEDULED HERE THIS SPRING

William and Mary's track team will meet Dartmouth next spring according to a partial draft of the Hanover School's schedule. This meet, the first between the two colleges will be held in Williamsburg, April 5.

Dartmouth will match strides with William and Mary on the first southern trip that the Green track team has ever scheduled. Other Virginia institutions which the squad will meet while south are Virginia at Charlottesville, April 2, and V. P. I. at Blacksburg, April 9.

Foundations of Honor

One of the leading and most interesting topics on the program of the recent Congress of the National Student Federation held at Ann Arbor was the discussion of the Honor System. It developed that the majority of colleges and universities represented had some form of an honor system although methods of administering such systems were much varied and widely different. Reasons for the "so-called" failures in many institutions were discussed and, of course, there were, as there always are, many conflicting opinions. One point was touched upon, however, which does seem to us to be outstanding. The delegates agreed that the *Honor System should be educative as well as regulative.*

In that last statement there lies, in our opinion, the reason for the many so-called failures of the system and also the cure for its defects. There has been a tendency to over-emphasize the regulative side of the system here at William and Mary and not enough attention paid to the educational part. That has been the cause not only at our own institution but at other colleges and universities, and because the educational side of the question was shoved into the background, the honor system has often fallen into discard.

At William and Mary it is the business of the Honor Council to see that the student body is properly educated in the workings of the system and made thoroughly acquainted with its ideals and traditions. It is not enough to tell men they must not do this and that because it is dishonorable and they will be "shipped" if they violate the code. The instruction must go farther than that—it must reach the deepest seat of the conscience. In a word it must become a part of the student and not something afar off to which he must conform to remain in college. Honor systems are not designed to make honorable men and women for the brief span of college days. It should be the purpose of the honor systems to build character and instill in the students those qualities of honor which remain throughout life. If an honor system makes a person honorable only through a four year period, leaving him to the same questionable ways when he graduates as he had when he entered college, then the system is a failure. Honor is not temporary—it is lasting and therefore if we expect to have successful honor systems we must educate primarily and lay secondary emphasis on the regulative side of the question.

This discussion brings forward the question—"Why is it now so necessary to educate the incoming student in the honor system?" This enables us to point out where the defect of the whole matter lies and where the real solution of the problem will have to take place. There will have to be a thorough education of the boys and girls in the grammar and high schools in honor. The fault of the modern educational system is that it trains the mind and body and leaves the most fundamental side untouched—the moral consciousness. The young boys and girls are not taught what is right and wrong, but rather in many, too many cases are lead to believe that what they can "get away with" is perfectly all right. Thus it is that the manhood and womanhood of the country is taught in a haphazard manner during the most formative period of life, a period when, if ever, the principles and ideals which go into the make-up of sound moral character, are inculcated. We can not expect to have the highest type of character in college if it is neglected in the most important time of its growth and training.

And finally, the fault may be carried directly to the beginning point, the home. There is where all training in manly and womanly qualities must begin and there, too, is where these things are sadly lacking. The tendency of the parent to "shove off" on the schools the duty of the home in training the boy and girl is becoming greater instead of smaller. And the schools in their turn are either dodging the duty or failing to meet it. All of which brings us to the point that education in the proper channels is the only hope of the honor system. If the home and the lower schools can ever be made to see the light, the question will be settled in the college and university with little trouble. The issue should be nailed over the hearth of every home and on the desk of every teacher in the schools of America.

A GLIMPSE INTO the COLLEGE WORLD

Here and There among the Exchanges of the Flat Hat

What! No gentlemen at Georgia Tech either? So it seems. Sigma Chi entertained at a tea dance to which only brunettes were invited. An Ethiopian orchestra carried out the color scheme to perfection.

Among other items of interest at Georgia Tech, the choosing of the best dressed man on the campus and in the football squad occupies a prominent place. Twelve girls selected from the various girls' schools in and near Atlanta will be the judges.

The following rules were posted by the faculty of a small college in Kansas recently for the regulation of student morals:

"No dresses shall be worn to college which are shorter than six inches below the knee.

"Use or possession of lipstick or rouge on school campus is prohibited. "No slang or immodest language shall be employed.

"Wearing of belts by boys is prohibited, their use to be supplanted by suspenders."

An Italian House is in progress of construction at Columbia University, a French House has long been in operation and now plans are being considered for a Spanish-American House. Professor Frank Calcott of the department of Romance Languages announces that the movement is under the direction of the Instituto de las Espanas of Columbia which hopes to establish a common headquarters for its affiliated clubs of which there are more than two hundred in twenty-eight states.

When two South Dakota Colleges refused to train debaters to oppose prohibition the McNary Haugen relief bill was brought forth as a substitute by the state forensic association. Dakota Wesleyan University and Northern State Teachers' College refused to debate Prohibition, the latter declaring the subject "verges on repudiation of the Constitution."

Two colleges—Yankton and Huron are not in sympathy with this change. The Huron Alphomega "looks with disfavor" on the refusal to argue the Eighteenth Amendment.

Students at the University of Southern California have established the custom of raising the flag, a gold Trojan head on a cardinal background, to celebrate their football victories. To show their good sportmanship, they have agreed to lower their emblem in case of defeat.

Women at the University of Missouri chose swimming as the most popular sport this fall when 186 of them enrolled for it. Hockey and tennis came next with enrollments of 111 and 104 respectively.

The University of Kansas is still struggling with the stag problem. Last year stags were charged higher admission prices than couples but this failed to solve the problem.

Freshman at McGill University must adhere to very stringent regulations. They must enter all buildings on the campus backwards, they must not speak to upperclassmen unless spoken to, and they cannot come to school in an automobile or walk on the sidewalks.

Freshmen women at Cincinnati were compelled to wash and polish the machines of the President and Council of Six as a penalty for failure to obey the frosh regulation.

A novel use has been found for the yellow slickers so popular on Queen's College campus, Toronto, Can. Each Saturday the students wearing the (Continued on page five)

"LORD BOTETOURT SAYS——"

By "Bill"

The college is now discussing the purchase of a boat to be used to convey the students to their classes, as the campus is absolutely unsafe for pedestrians. The poor little girl who was mired in the mud and could not be saved because she had her social privileges taken from her is but one of the heart-rending stories of misfortune directly attributed to the terrible condition of the campus. It is whispered even that men who were never known to swear burst forth into the most astounding profanity so that the hymn about throwing out the life-line has a double significance and is not at all out of place.

Inter-fraternity basketball is an excellent opportunity for getting the boys in fraternities acquainted with each other but it has its drawbacks, for the girls have adopted this as a means of wiping out old prejudices and the slaughter is something horrible. As yet no one has been seriously hurt but it has gotten to a point where two doctors and three nurses are stationed on the side-lines at all of the games.—it is really serious!

On all sides one hears the sounds of Christmas in the air. Already Bob Wallace, the only man who gets the most out of books, is arranging the college shop for his Christmas trade.—But speaking of the college shop, it is a pleasant place to go if you know how to take Miles. He isn't half as bad as people think. His surliness of temper is due mostly to his attempting to be collegiate in his manner as well as in his dress.

Every one wonders why Brafferton Porch has ceased to be the trysting-place of Sunday night dates.

A GLIMPSE INTO THE COLLEGE WORLD

(Continued from page four) sickers are seated in the bleachers so that they form a gold Q. It has been tried with much success and presents a fine sight from the grandstand.

Men at Oregon University can take a course in camp cooking in preparation for summer work as cooks for logging crews and receive as much as \$100 a month.

Despite the recent Florida storm, the new University of Miami will be opened in the near future. One building is already completed and will be used by the 700 students now registered. The University is endowed for \$15,000,000.

A candidate for the Northwestern western University football team lost his memory and became lost in Milwaukee recently. Police identified him from the signals which he kept repeating over and over.

Smith College is granting tuition scholarships amounting to one hundred thousand dollars annually, beginning this fall. Under this plan, one-ninth of each incoming class will receive scholarship aid.

Following the lead of Johns Hopkins, Leland Stanford University has decided to do away with the freshman and sophomore years in college work. The Stanford plan differs from that at Hopkins in that Stanford is not seeking to establish a great university graduate school, but merely plans to have two years of college instead of four. The great number of junior colleges offering only the first two years' work, in California will greatly aid Stanford in its plan. A graduate from any one of these junior colleges will be eligible to enter Leland Stanford immediately.

STITT WILSON TO SPEAK HERE

Noted Lecturer Who Spoke Here Last Year Will Be First Speaker on Y. M. C. A. Program for Next Semester; Others to Speak

The Department of Religious Education of the Y. M. C. A. has arranged a program for next semester which includes a group of speakers and lecturers of national fame.

From February 3-5, Dr. J. Stitt Wilson who received unprecedented response last year will be here and will deliver a new series of lectures on "The Rediscovery of Jesus." On February 25-27, the Association will entertain the Student Volunteer Conference of 150 delegates which represent most of the schools of the State. Among the speakers of note at this conference will bring to William and Mary will be Dr. W. Taliaferro Thompson, of Richmond, and probably Dr. Milton T. Stuffer, of New York.

On March 18th, Dr. Sherwood Eddy, of New York City will present his message of "Personal Religion." Dr. Eddy is a lecturer of international renown who has spoken to students in every part of the globe. On April 11 the student body will have the opportunity of hearing Dr. Wilfred T. Grenfall, who is a medical missionary from the Northland with a personal story which is fascinatingly absorbing. At a later date Rabbi Calisch, of Richmond will speak to the students on "Jesus of the Jews." Rabbi Calisch was enthusiastically received here a few weeks ago.

Nine Business Students to Sell in Richmond Store

Nine students in the School of Business Administration have been excused from classes by the dean in order to obtain practical experience in salesmanship in the store of Miller and Rhoads in Richmond. Their work began December 1 when they were given a preliminary lecture on salesmanship at the store, and will end Christmas eve. They will continue their work in economics by attending the extension class in Richmond. Following is a list of those selected: Jack W. Irwin, M. F. Hastings, A. S. Thompson, J. L. Lewis, Meredith Capper, Charles D. Warren, William C. West, Jr., Benjamin T. M. Smith, Norman J. Johnson, Jr.

Y. M. C. A. TEAM VISITS TOANO

Deputation Team of Young Men's Christian Association Conducts Service at Toano Methodist Church; Self-Supporting

A deputation team of the Y. M. C. A. made its second trip to Toano last Sunday night, where they led the service in the Methodist Church under the chairmanship of Thad King. Other members of the team were W. S. Graham, Garland Johnson, William Jordan, and George E. Hunt.

Discussion for the evening centered round the topic, "How may we find our life work?" and was so well received that the pastor, Rev. R. L. Busby, extended them an invitation to return as soon as possible after the Christmas Holidays.

The Gospel Team, which is one of the vital functions of the Y. M. C. A., prepared to make similar trips to several other churches on the Peninsula and to give a variety of services for young people on the problems confronting the youth of the church. This past service closed the visits for the 1926 season. The team finds itself on a self-supporting basis through means of the voluntary contributions made by members of the churches visited. These have always been enough to cover the expenses of the trips.

Y. M. C. A. NOTES

This afternoon and tonight the Imperial Theater is showing "The Four Horsemen of the Apocalypse" for the benefit of the Christian Association.

At the first "Open House" in January plans have been made to present rather informally a Dramatic Scene.

On Sunday afternoon the Christian Association will sponsor another tea in the Y room. All are invited to attend.

What do you know? There is just a little over two months left before the "Information Contest."

On next Sunday afternoon the Deputation Team headed by Thomas Christie will make a trip to the convict camp on the Jamestown Road.

In the future the Y. M. C. A. will have a table where may be found papers from many colleges and universities.

At the first "Fireside" after Christmas, which will be on January 5th, those William and Mary delegates who attended the Milwaukee National Student Conference will make a report.

For reading this week we suggest "Lies" by G. A. Studdert-Kennedy. This book may be found on the little table in the Y room.

Literary Society Gives Interesting Program

A very interesting program was given by the J. Leslie Hall Literary Society in the chapel last Friday night. Clara Louise Miller had charge of the devotional service and gave a most impressive reading entitled, "The Ceremonial of Christmas Eve." After taking up the business of the Society, the president turned the meeting over to the program chairman.

The first number was a very humorous reading by Sarah Everett. A theme "My Impressions of College," was read by Dorothy Lankford, after which the program ended with a dance by Anne Garrett accompanied by her personal orchestra who were gaudily dressed and played hilariously and incessantly throughout the dance.

The Society meets every other Friday night and the programs are well prepared and beneficial to those who attend.

KAPPA PHI KAPPA ANNOUNCES SEVEN STUDENT PLEDGES

Pi Chapter of Kappa Phi Kappa announces the pledging of F. James Barnes, Parksley, Va.; William H. Morrow, Newport, Pa.; A. Scott Noblin, Yuma, Va.; Edward B. Stephens, Richmond, Va.; Harry J. Tardy, Lexington, Va.; J. Logan Hudson, Norfolk, Va.; and G. Marion Nolley, Kenbridge, Va.

Kappa Phi Kappa is a national Education fraternity whose purpose is to bring together students in the Education Department of the college to develop leadership in that field. Only juniors and seniors who are taking a major or minor in Education are eligible for this honor. The qualities of leadership and scholarship are especially stressed.

Active members of the fraternity here are; Dr. W. A. Hamilton, Dr. J. A. C. Chandler, Dr. W. T. Hodges, Mr. H. C. Krebs, Mr. C. M. Faithful, Mr. Peter Paul Peebles, John Todd, Russell Winborne, H. C. Somers, A. S. Thompson, Roy Powell, Frank Birdsell, A. R. Simmons and W. J. Hogan.

Frosh Government Class Has Extravagant Ideas

If judgement can be made by the budgets produced in Dr. Pollard's Virginia Government classes, a large number of men and women in those classes are going to spend their days in single blessedness.

The main question was, "What should be the minimum income necessary for marriage." Some of the girls most emphatically declared they would have no man unless he was making at least \$3000 a year. A few said they might if he was making \$2500 a year. None thought they could live on less than that. An average of all the amounts deemed necessary by the girls was \$2650, and a significant fact was that they all united in declaring that they were not going to do any of the housework.

The men, too, showed expensive ideas. One young man said he wouldn't consider marrying any girl before he was making at least \$4000 yearly. The average for all the men was \$2475.

This information elicited by the budgets is startling to say the least. It isn't so easy for a young man to make \$2500 of \$3000 yearly—and it appears that Cupid has been dealt a heavy blow—provided they really wait for those amounts, which, of course, they won't. In a few years probably most of them will be married and living happily on half or perhaps a third of the amount they now think absolutely necessary.

PLEDGES

Fraternities
Virginia Delta Chapter of Sigma Phi Epsilon announces the pledging of Johnson Stokeley, of Accomac, Va.
Alpha Psi announces the pledging of James G. Van Ausdale, of Williamsburg, Va.

Sororities
Kappa Alpha Theta announces the pledging of Mary Ribble, of Richmond, Va.

Alpha Beta Chi announces the pledging of Leila Jackson and De Ette Jones, of Atlanta, Georgia, and Martha Gresham, of Newport News, Va.

SECOND FORUM HELD TONIGHT

Phoenix and Philomathean Societies Meet This Evening for Open Discussion of War Debt Cancellation

Tonight in Phoenix Hall the Philomathean and Phoenix Societies will hold the second of the joint sessions sponsored by the Phi Delta Gamma Forensic Fraternity.

The first of these meetings was held Friday December 3, with Douglas Mitchell, President of the Phoenix, presiding. The program consisted of a debate on the subject, "Resolved, that women should propose rather than men," there being two speakers from each society. Carl Andrews and Jimmie Barnes upheld the affirmative, while Frank Hopkins and D. K. Van Wazer spoke for the negative. After the speakers had formerly presented the question, the floor was thrown open to general discussion. Most of the remarks which followed were in favor of the affirmative, but when it came to vote it was found that the society was unanimously in favor of the negative, including the affirmative speakers. The purpose of selecting a light subject for the first meeting was to stimulate the members present to speak more readily without preparation.

The subject tonight will be "Resolved, that the United States should cancel her Allied War Debts." All students are urged to be present at this meeting, and to participate in the discussion which will follow the regular speeches.

Williamsburg Churches Plan Christmas Programs

A play "White Gifts for the King" consisting of a manger scene with a king, robed in white, to receive all the gifts that the little children may give will be a part of the program given at the Baptist Church on the Tuesday before Christmas. The gifts from this offering will be sent to the Baptist Orphanage at Salem. The Christmas sermon and a cantata will be given on the Sunday after Christmas.

Due to the delay of the pews for the newly renovated church, the formal opening has been postponed to December 19.

There will be a special service in Bruton Parish Church at 11 o'clock on Christmas morning. A Christmas entertainment will be given for the Sunday School during the holidays.

The Methodists will have special music on Sunday night, December 19, consisting of the singing of old Christmas songs.

On Sunday, the 26th, their White Service will be held and at this time, there will be a Christmas tree and also a play given. This program will be given in the basement of the church here.

On Thursday, the 23rd, the Presbyterians will receive their White gifts offerings after a candle-light service. This program will be featured by a large choir which will sing some of the old Christmas carols.

Reverend L. W. Irwin, pastor of the Presbyterian Church, will give an illustrated talk on "The Boyhood of Jesus" in the church here, on Dec. 26.

Special Musical Program at Bruton Parish Sunday

Mr. Joseph F. Whittemore, Mrs. Mabel Stradling, and Mrs. Grace Booth Peachy, will give a musical program at Bruton Parish Church next Sunday at 4 P. M. Mr. Whittemore, a well known tenor of Richmond, is a soloist at St. Paul's Episcopal Church and at the Beth Ahabah Synagogue. Mrs. Stradling is organist at the Broad Street Methodist Church. A number of her recent recitals have been broadcasted from Radio Station WRVA.

Phi Mu Again Wins Scholarship Award

The scholarship cup presented every year by the Pan-Hellenic Council to the sorority having the highest average was won this year by Gamma Alpha Chapter of Phi Mu, having an average of 89.59 for the 1925-1926 session.

If any sorority wins this cup three years in succession they are presented with it by the Pan-Hellenic Council to be kept indefinitely. The cup awarded this year is now the permanent property of the Phi Mu sorority as they have won it three years in succession.

H2 Club Initiates and Outlines Program

Margaret Holman and Lowndes Scott were the hostesses to members of the H2 E Club recently at the old Debtor's Prison. The regular monthly meeting of the club was followed by initiation of several new members including Helen Osmond, Elizabeth Turner, Minge Perkins, May Laudenslager and Mary Quick.

The H2 Club is a professional women's physical education club of the campus. Under the direction of its president, Miss B. V. Harwood it is making extensive plans for the future, featuring the annual athletic exhibition in the spring conducted in conjunction with the department of physical education. The organization also is planning to furnish the gymnasium office in Jefferson Hall with curtains, and to give a donation to the girls' activities lodge at Lake Matoaka.

Geiger and Faithful Lecture in Richmond

Dr. J. R. Geiger, of the Psychology and Philosophy Department, returned last Wednesday from Richmond, where he spoke before the William Fox Parent-Teachers Association of that city on the subject, "New Appreciation of Childhood." He also accepted an invitation to deliver a series of three lectures last week on "The Relationship of Psychology to Nursing" in training institution conducted by the Virginia Graduate Nurse Association for teachers and Supervisors in training schools of nursing; however, because of his recent trip to Ann Arbor where he addressed the National Student Federation, he was unable to give the last two lectures. These were put in charge of Associate Professor Faithful, who finished the course.

Wythe Law Club Will Initiate Men Tonight

This evening at the S. A. E. house two men will tremble woefully and wonder what is coming next. After an "impressive" initiation there will be two more members of the Wythe Law Club. The ones to undergo this dread ceremony are Mr. H. L. Childs, Associate Professor of Government, and Carlton S. Bell.

Dr. W. A. Hamilton and Professor P. P. Peebles will make short talks to impress the solemnity of the occasion upon the "goats." Of course there will be refreshments to soothe the injured feelings (or will it be parts!) of the initiates; there should be no fear however, that the candidates will not be able to go about their accustomed duties tomorrow.

WHITE GIFT SERVICE

A White Gift Service, the annual custom of the Young Women's Christian Association, will take place immediately after the presentation of the Christmas Pageant of "The Holy Grail" on Sunday night. This service consists of an offering of supplies and money for the poor of the city and community.

The Gifts will be wrapped in white paper, arranged in Christmas baskets and distributed by the King's Daughters of the city.

WILLIAMSBURG, VA.

Everything's going to be all right

THAT'S the way P. A. talks to you in the bowl of a pipe. This great national gloom-chaser stabs the darkest clouds with a ray of sunshine. Buy a tidy red tin of Prince Albert today and see. Tamp a load of this friendly tobacco into your jimmy-pipe and light up.

Cool as a sub-cellar. Sweet as the breath of fresh-cut violets. Fragrant in the tin and fragrant as you smoke it. Never a tongue-bite or a throat-parch. So mild you can hit it up from sun-up to sun-down, yet with a body that satisfies completely.

There's more philosophy in a pipe-load of P. A. than in the average Doctor's thesis. No matter what brand you are smoking now, you don't know how much your jimmy-pipe can mean to you until you pack it with good old Prince Albert. Get started now.

PRINCE ALBERT

—no other tobacco is like it!

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.

**THE HOLY GRAIL
TO BE PRESENTED**

**Y. W. C. A. Plans Elaborate Pageant
For Sunday, December 19 in Phi
Beta Kappa Hall; Fills
Christmas Program**

The biggest event of the year in the program of the Y. W. C. A. will be the Christmas pageant entitled "The Holy Grail" which is to be given on Sunday night, December 19, at 7 o'clock, in the new Phi Beta Kappa auditorium. Elaborate stage decorations and costumes for the cast will be furnished by Miller and Rhodes, Richmond.

The pageant was written by Dr. Russel Bowie to be given originally by the girls and boys of St. Paul's Sunday School in Richmond but is now published by the extension department of the University of Virginia. It is in the form of a pantomime which will be read by Miss Minnie Rob Phaup. It deals with the familiar legend of King Arthur and the search for the Holy Grail by the Knights of the Round Table.

The complete cast of the play in order of their appearance on the stage is as follows: King Arthur, Ruth Yeamens; Two Angels, Edith Dodd and Elizabeth Lewis; Mary, Phyllis Logan; Joseph, Elizabeth Lam; Two Shepherds, Fage Vaughan and Lois Lacy; Magi, Lois Sykes, Marguerite Young and Eugenia Portlock; Page, Billy Shelton; Knights, Sir Launcelet, Clara Louise Miller; Sir Bedivere, Frances Gordon; Sir Gareth, Elizabeth Duke; Sir Tristram, Ann Matthews; Sir Percival, Grace Miller; Sir Modred, Laura Whitehead; Galahad, May Laudenslager; Damsels, Elizabeth Vaiden; Mary Ribble and Virginia Turner, Maiden, Fax Griffith.

**THREE CHOSEN FOR
NATIONAL CONGRESS**

(Continued from page one)

A. Studdert-Kennedy, Charles W. Gilkey, Kirby Page, Bruce Curry, Mordesai Johnson, Harrison Elliott, and Henry Sloane Coffin.

With three such representatives William and Mary should obtain pleasing results from this conference which has been limited to three thousand delegates representing colleges and universities all over the United States and Canada.

At the first Fireside Meeting after Xmas the delegates will make a report.

**"GOOSE HANGS HIGH"
GIVEN TOMORROW**

(Continued from page one)

forms a story that richly abounds in situations of humor, pathos, and dramatic intensity. An evening of entertainment and a performance of absorbing interest are promised to all who come.

Since the Dramatic Club is unable to produce more than just a few plays during the year, and since this performance represents the culmination of several weeks of hard labor, it is hoped that everyone will come to help support a successful production. The money will be used to outfit the stage for dramatic use. A large number of patrons and patronesses from the college and town have given the production their enthusiastic support.

**PHOENIX WINS IN
FROSH CONTEST**

(Continued from page one)

nix were Frank Hopkins, L. L. Born, and D. S. Mitchell, from the Philomathean Robert Corstaphney, O. E. Cordle and W. H. Elliott.
