Freshman Celebration Fire Wednesday Night

Duc Dance Will Be Held From 7:15 to 9:00 O'clock, Followed by the Snake Dance and Bonfire Celebration; Upperclassmen are Urged to Attend.

Elaborate plans are being made by the freshmen to turn Wednesday night into a period of great rejoicing at the passing of the duc rules for the year. Arrangements have been made to provide the first-year students, both girls and boys, with a real freshman dance from 7:15 to 9:00 o'clock, at which the girls are requested to array themselves in their best gingham dresses, while the boys are expected to attend in clothes which will not suffer from the ill use expected to follow from the bonfire to be staged later.

In addition to the dance in Jefferson Hall, a freshman snake dance has been planned during which the student body will make its way to the football field, where the major part of the program will follow. The field will be the scene of the largest bonfire of the year, before which the freshmen will present a number of capers significant of their release from the rules which have been imposed upon them by the upperclassmen of William and Mary.

The freshman committee in charge of the program is anxious to have both students and faculty witness their celebration, and join them in their festivities.

Indians Will Attempt Comeback On Wed.

Team Returning From Northern Trip Tomorrow Will Undergo Two Days of Strenuous Training in Preparation For Second William and Mary-Richmond Clash.

Still smarting under a 10-9 defeat handed them by Richmond University's diamond outfit at Westhampton on May 2, the William and Mary nine is pointing to the second Indian-Spider baseball clash next Wednesday on Cary Field.

Having lost to the Spiders in a heart-rending 12-inning battle in the first game of the annual baseball series, William and Mary will work desperately in the clash Wednesday to prevent a recurrence of the unhappy as well as unfortunate tale that was told in the recent game at Westhampton.

The Indian nine will return from New England tomorrow or Sunday, where they have been playing this week, and settle down to a strenuous two-day drill in preparation for their game with the Richmonders on Wednesday.

The Richmond games finishes the Indian baseball card for the year with the exception of the commencement series to be played with Randolph-Macon on June 8 and 9.

Freeman Addresses South Am. Diplomats

Noted Virginia Editor Tells Distinguished Guests of College That Spain Forced English Colonists to Seek Jamestown.

"The great fame of your Spanish ancestors made the English colonists seek Jamestown, passing the greatest harbor of the eastern coast—Hampton Roads. We can thank God for the fear of Spain, which was in the hearts of the English, for it brought them here," Dr. Douglas Freeman, editor of the Richmond News-Leader, told the group of distinguished Latin-American diplomats, who gathered in the college chapel Wednesday to join in the exercises in commemoration of the three hundred and eighteenth anniversary of the landing of the English at Jamestown Island.

Dr. Freeman, in the course of his address, spoke of John Smith as being the first and Woodrow Wilson as the greatest Virginians and paid a glowing tribute to the perseverance and determination of the first settlers. He declared that—"If there was ever a colony that deserved to fail because of defects in its organization, it was that of the Jamestown colony." He stated further that there was never a colony to start worse and end more

"GOCK" GREGORY GETS CREDIT FOR BIG WIN

Free Passes By Two Holy Cross Pitchers and Slugging of Parson, Delk, Westbrook, Drewry and Moss Helped Taskerites Beat Jack Barry's Nine.

The nationally famous Holy Cross collegiate champions fell before a Southern onslaught, when the William and Mary Indians beat the far-famed Purple team 11 to 8 at Worcester, Mass., Tuesday afternoon.

The greatest college baseball team of the past three years became shot to pieces in the ninth inning of the William and Mary-Holy Cross game, and Coach Tasker's sinewy Indian nine forced Jack Barry's touted collegians to bite the dust, going down with the small end of a 11 to 8 score.

Experiencing a ninth inning rally which gave William and Mary six runs, the Indians forged ahead in the scoring, and took the three Holy Cross

May Day Celebration Tomorrow Afternoon

Virginia Hardy Will Be Crowned the Queen of May By Virginia Smith, Maid of Honor; Many Pretty Scenes Arranged by Director, Mrs. C. C. Fichtner.

Virginia Hardy, of El Paso, Texas, will be crowned Queen of May tomorrow afternoon at the annual May Day festival, to be presented by the women students of the college in front of the main building at 4:30 p. m. Virginia Smith, maid of honor, will crown the queen at the opening of the pageant, while ladies in waiting, together with the entire court, bow in homage to their new sovereign.

Any number of attractive events will feature the program of the afternoon. A series of dances has been arranged, including Russian, Gypsy, and Grecian numbers, according to Mrs. C. C. Fichtner, director of the festival. In addition to these attractions, the village group, composed of a circus, clowns and Alice in Wonderland, will present a unique act. Fourteen girls in colonial costumes will attend the queen, while four town children will act as train bearers for her majesty. The final scene will be the daisy chain procession, followed by the planting of the senior class tree on the campus.

May Day is one of the most colorful affairs staged at William and Mary, and has grown to be an annual event at the college. Last year's performance was declared by many to be the most attractive presentation of its kind ever given on the campus.

WILLIAM AND MARY TRACK SQUAD MEETS SPIDER HARRIERS TOMORROW AFTERNOON

Two Teams Are So Closely Matched That Victor Is Expected To Win Only By Narrowest of Margins; Indians Have Won Three Straight Engagements.

Another heated Indian-Spider clash will take place tomorrow afternoon, when the William and Mary track varsity meets the Richmond team on Cary Field.

The Indian team, having won three successive victories over Randolph-Macon, Duke and Wake Forest, respectively, will be at the height of their skill and effectiveness against the Richmondites tomorrow.

The Spiders dealt the Indians a 83 to 42 licking on the Westhampton track field last spring, when Richmond possessed one of the best cinder teams in the State. Six Indian-Spider records were shattered in the meet of last year. However, Richmond does not have again this year the same caliber of team as that of last season. Maryland recently dealt the Spiders a decisive defeat in a meet in which all times and distances made were of a very unexceptional variety.

The two rival track teams are generally conceded to be more evenly

matched than any harrier and field outfit ever put forth at either institution. It is more than probable that the winning team tomorrow will be able to claim victory only by a meagre majority.

The Spiders are the last William and Mary track opponents for the year with the exception of the Virginia-North Carolina conference meet at Richmond next week. The meet tomorrow will begin promptly at 2:00 o'clock.

Last Dramatic Club Play A Big Success

Bobbie Meyer, Bob Westcott and Fairfax Berkley Prove Stars in "Mr. Pim Passes By"; Whole Cast Performs Well Before a Crowded House.

"Mr. Pim Passes By," staged by the William and Mary Dramatic Club in Cameron Hall Thursday, May 7, scored another great success for the dramatic talent of the college. While somewhat late in getting under way, the play was nevertheless given a warm reception by the well filled house.

Bobbie Meyer and Bob Westcott, as the young lovers, proved ideal characters in their roles, presenting the audience with a fine display of two youngsters carried away by the charms of one another. Fairfax Berkeley, in the role of Mr. Pim, handled his part well and appeared at ease upon the stage. Baker Wynne, the English country gentleman, and Mildred Vaiden, as his wife, were well cast in their parts, both having played in a number of productions presented by the club before their appearance in "Mr. Pim." The work of Virginia Ayers, as the pretty maid, and Anne Townsend, another veteran of several plays, may be given credit for a large part of the success of the production.

The year's program of the Dramatic Club included "Kempy," the success of last year, which was given in Cameron Hall the latter part of the fall quarter.

Miss Rose Willis, of Norfolk, who directed the recent play, is rated among the best directors of amateur plays in Virginia.

W & M. Grad. Awarded Fellowship At Harvard

A. E. Hopkins, a member of the class of '22 and the first president of the Clayton-Grimes Biology Club while at William and Mary, now a candidate for the Phd. degree in the department of zoology at Harvard University, has been awarded a traveling fellowship by the university and will spend the year 1925-26 in Europe, according to a recent report. Hopkins will spend the summer in Bermuda at the Bermuda Station for Biological Research, sailing later for Munich, where he will spend most of his period of study.

Cc-ed Debaters Split Bill With Westhampton

Mary L. Parker and Minnie Robb Phaup Win Decision at Richmond While Ophelia Harrell and Ruth Yeamans Lose Contest Held Here in College Chapel.

William and Mary's co-ed debaters closed a successful season last Friday night when their two teams met those from Westhampton and succeeded in winning one debate and giving the visitors here a close race for the other decision.

The two representatives who went to Richmond, Miss Mary L. Parker and Miss Minnie Robb Phaup, acquitted themselves very well and won the decision four to one. Both exhibited excellent form and thorough knowledge of the subject for debate

which was: "Resolved, That the Congress Should Be Empowered to Override Decisions of the Supreme Court which Declare Acts of Congress unconstitutional." Miss Parker and Miss Phaup upheld the negative of the question. Miss Ophelia Harrell and Miss Ruth Yeamans debated the affirmative of the same query here. The former, although showing inexperience, is one of the most promising of the freshman speakers seen in action here this year. Miss Yeamans, making her first appearance as a debater, impressed the audience with her dignity and the ease with which she handled her subject. The Richmond debaters had the better of the argument and handled their side in a manner which showed finish and careful preparation, supplemented by excellent speeches on the part of each of the debaters.

Juniors-Freshmen Best Sister Classes

In the first track meet staged by the co-eds this season, the Junior-Freshman team ran up 59 points, while the Senior-Soph team accounted for 37. The class relay, which proved the deciding event of the meet, was won by the juniors with the seniors and freshmen finishing in the order named. Lucille Bell proved high point winner, being credited with two first places, while Thomas and Best split honors

for second place, with 9 points each to their credit.

Summary of events: Standing broad jump, Seward; running high jump, Davis; 50-yard dash, L. Bell; 75-yard dash, Floyd; 60-yard hurdles, Thomas; discus, L. Bell; javelin, Zimmerman; six-pound shot-put, Kneeland; baseball throw, Moody; basketball throw, Best; obstacle race, seniors; relay, juniors. Score: Junior-Freshman team 59; Senior-Soph team 37.

G. Washington Girls Defeat Tennis Team

Co-ed Racquetters Play Fine Brand of Tennis, But Are No Match for Northern Team; Moody Wins Closest Contest of the Afternoon.

Co-ed racquetters fell before the George Washington girls here last week, losing two doubles and one single and annexing two matches in singles.

Walker, of George Washington, defeated Wilkins in the first singles, while the second match of singles proved an endurance test between Moody and Taylor, the former winning the first, 9-7. The second went to Taylor, 6-4, and Moody closed the matches by taking the final set, 11-9. The singles were marked by slow, steady tennis, with a decided lack of drive and accuracy on the part of

both players. Jane Moss, however, uncovered a fine flash of form, taking two out of the three sets in singles.

Wilkins and Funkhouser lost the first doubles, the first set going 6-1. Due to the brilliant playing of Wilkins, the second set terminated in a closer score, with the visitors still holding the long end.

Moody and Jane Moss played consistent tennis in the doubles, but were overpowered by the fast net work of Walker, who proved the stellar performer for the Washington girls.

INDIANS ACHIEVE GREATEST BASEBALL VICTORY

William and Mary gained its most notable victory by defeating Holy Cross, champions of the East for three of the past four years and heralded as one of the greatest college baseball teams of all times, 11 to 8 Tuesday. By triumphing at Worcester, two days after Holy Cross had won its second game from Yale, William and Mary stands untrammelled in Eastern baseball.

* * * *

When William and Mary defeated Holy Cross Tuesday by a 11 to 8 score, the Indians accomplished something that only one other college nine achieved in two years. The Indians were trailing 8 to 0 until the seventh inning. They scored six runs in the ninth frame to win the game and throw an unexpected setback into the ranks of the Purple Champions.

* * * *

Again the North falls before the South in another great diamond contest. The Harvard Crimson received a complete shutout, 14 to 0, at the hands of William and Mary two years ago. And now Holy Cross surpassing Harvard's baseball record, bows to Coach Tasker's nine at Worcester.

* * * *

The Indian victory over the Holy Cross champions, though not as decisive as that over Harvard, brings William and Mary to the climax of a long worthy baseball record. Defeating an Eastern Champion team on its home field in the second defeat experienced by them in two years, and Holy Cross plays the cream of the North, William and Mary's nine stands today second to none.

* * * *

As Holy Cross lays its scalp among those of other noteworthy nines vanquished by William and Mary, there appears, more brighter than ever, a smirch upon the Indians' record—William and Mary's defeat by Richmond on May 2. The Spiders are here Wednesday for a return encounter. May the stain of Richmond's recent victory be washed away through the medium of decisive trouncing of the Spiders Wednesday.

* * * *

Coach Tasker's strategy in using four pitchers against Holy Cross appears to have worked. Though Holy Cross scored on but one Indian pitcher—Saffelle—who held the box for the first three innings, Eley, Lane and Gregory worked themselves to their limit, for periods of one, two and three innings, each proving blindingly effective for a short while; hence an important reason for the defeat of Holy Cross.

* * * *

There appears elsewhere in this issue a list of Indian-Spider dual track records. By glancing at these it may be seen that the William and Mary varsity has lowered the following times and distances in meets already held this year: 100 and 220 yard dashes, mile run, broad jump, shot put, discus, and the 220 low hurdles. In the Indian-Spider meet last year there were six records broken. The meet tomorrow should break as many more when the two strong, evenly matched teams come together on Cary Field.

CAPTAIN HOOF

Allison Hooff, Captain of William and Mary's Track Team, who will lead Indians against ancient rivals on Cary Field tomorrow.

Guilford Defeated By Indian Nine 7-1

Gregory Proves Master of All He Surveys in All Except One Inning, Allowing Carolinians But Six Bingles; Team Plays in Good Form.

With Guilford College fresh from victories over Georgetown and Richmond University, the Indians met and defeated them with little trouble on Cary Field last Wednesday. The final score was 7 to 1.

Gregory held the mound position for William and Mary and, with the exception of the fourth frame, he held the Tarheels to three scattered bingles. A double by Frazier, followed by a single each by Terrell and C. Smith, brought in Guilford's only tally. The Indians came back strong in the same inning to score three runs on a safety by Gregory and Kahn, aided by a bad throw by R. Smith, to first base.

Though getting men on bases in each of the first three innings, three in the second, the Indians did not hit opportunely in the early part of the game, and not until the fourth inning was the Guilford twirler touched for timely hits. The so-called lucky seventh again proved its close connection with fate, when the Indians experienced a batting rally which added three runs to their total.

After having played loose baseball against Richmond and the Virginia Medicos in recent games, Coach Tasker's nine braced perfectly against Guilford, equalling the stride they possessed in the mid-season.

Lacrosse Practice Held For First Time

More than forty candidates reported Monday for the initial lacrosse practice to be held at William and Mary. Dr. W. A. Hamilton, dean of the school of business, who captained the Yale team some years ago, will direct the preliminary practices until the athletic authorities make arrangements for permanent coaching.

At present lacrosse holds the status of a minor sport, along with tennis, and will be the sixth competitive intercollegiate sport at the college. Dr. Hamilton will give his time to an exposition and demonstration of the fundamentals of the game. Beginning with next year permanent coaching will be started and a schedule will be arranged. Approaches have been made to several northern colleges, and from present indications, William and Mary will have little trouble in arranging a series of matches with inter-sectional teams.

Racquetters To Meet Hampden-Sidney Today

Kecoughtan Club, of Newport News, Meets Indians Here Tomorrow; Team Leaves Monday for a Week's Trip Against Strong Virginia Squads.

The William and Mary tennis varsity meets Hampden-Sidney this afternoon on the local courts in the first of six matches scheduled for the Indian netmen during the next few days.

The William and Mary racquetters met the Tigers twice last year and won two decisive victories over them, one at Hampden-Sidney and one at Williamsburg.

Parrott, Pollard, Marshall, Goodwin, Howard and Matsui will compose the Indian team, which is to play the above mentioned opponents.

Officers Megaphone Club Elected Tuesday

The annual election of officers for the Megaphone Club was held on Tuesday night, at which time the following officers were chosen: Robert Bunts, president; H. C. Ackiss, vice-president; Carl Andrews, second vice-president; Cooper Ponton, secretary; C. H. Haymaker, treasurer; W. A. Porter, sergeant-at-arms; Eddie Nicholson, cheer leader, and Ray Pool, as-

stant cheer leader. The officers thus elected will have ample time to become familiar with their duties before the college closes. This will enable the organization to be in good working condition at the beginning of next session. The Megaphone Club is planning to secure and train a large number of members from the new freshman class in order to better support and inspire their teams and other college activities.

The emblem to be worn by the members of the club has been adopted and will appear in the form of a gold megaphone with a green and silver William and Mary monogram upon it.

Philomatheans Elect Officers For 1925-26

The Philomathean Literary Society held its annual election at its weekly meeting Saturday night. Marshall Travers was elected president; Warner F. Young, vice-president; Paul Everett, secretary; Robert Darden, treasurer; William Elliott, sergeant at arms; H. L. Alkire, chaplain, and George Reilly, critic.

W. & M. DEFEATS HOLY CROSS 11 TO 8

(Continued from page 1)

batters out in one, two, three order in their half of the ninth stanza.

Eight bases on balls by two Holy Cross pitchers and effective slugging by Parson, Delk, Westbrook, Drewry, and Moss gave William and Mary one of the greatest baseball victories of all time, surpassing the famous Harvard shutout in color.

William and Mary broke the Holy Cross baseball team record of ten straight wins and more than avenged the 6 to 2 defeat handed them by the champions at Williamsburg April 7.

Having played Holy Cross for the past three years, William and Mary at last turned the Purple tide of baseball renown and trimmed the Catholics on their home diamond in the fourth contest played between the Northern and Southern institutions.

William and Mary used four pitchers. Saffelle started and stayed in the box for three innings; Eley next held the New Englanders for three innings. Gregory took the mound in the seventh frame, and by using his elusive hooks retired Holy Cross for two innings. The little Indian pitcher gets credit for winning a great victory. Lane retired Holy Cross in the ninth without a hit.

Duofold!"

"Naturally. REAL people gave it!"

ONE of the things that make real people real is giving the right thing at the right time in the princely way: at Graduation, on a Birthday, on a Leave-taking, at a Wedding, at a Party.

And classic beauties like the Duofold Pen and Pencil aren't likely to escape their appreciative eyes.

As for this super-smooth 25-year guaranteed pen point, 8 men out of 10 recently picked the Duofold blindfolded from 11 new pens of various makes.

Man-size hands fairly glory in Duofold's full-handed grip—with its Over-size ink capacity, its symmetry and balanced swing!

Yes, a sure way to make someone happy is to give this new Duette—Duofold Pen and Pencil to match.

Freshman Nine Plays C. & O. Boys Tomorrow

Coach Denton Will Take His Squad for a Two-Game Trip Next Week; Victories Over Marshall and Cape Charles Have Strengthened Them.

Coach Denton's freshman nine, after experiencing well earned victories over John Marshall and Cape Charles in recent contests, will meet the Chesapeake and Ohio boys from Richmond tomorrow afternoon on Cary Field.

The game tomorrow places the Indian freshman nine well on the home-ward stretch, their season being expected to close next week.

It is the present intention of the freshman coach to take his team on a two-game trip the first of next week, meeting the nines of Petersburg high school at Petersburg and Benedictine Military College in Richmond. South Norfolk is also slated to play the freshmen here within a few days.

The present record of the freshman nine shows them to have won two games, tied one and lost three.

splendidly than that of the first English settlers in the New World. "We rejoice not only that from Jamestown grew the America of the North, but that it was settled where it was," concluded Dr. Freeman.

Senor Doctor Ricardo J. Alfaro, minister of Panama, followed Dr. Freeman's address with a short talk, in which he stressed the effort on the part of the Latin-American countries in trying to develop their international relations. The speaker praised the United States, its natural resources, natural beauties and people. "But," he declared, "more than for mere achievement, we look for the moral force behind. We are interested in

knowing what you think and feel after the toil of the day. There are many points of contact between the people of Latin-America and Virginia. You are Southerners of your country, while we are Southerners of ours."

The party of Latin-American diplomats arrived in Williamsburg at noon by automobile. The morning was spent in sight-seeing around historic Yorktown.

Following the Jamestown Day celebration in the chapel, the party was the guest of Dr. Chandler at luncheon in the college dining hall, after which points of historic interest in and near Williamsburg were visited.

Williamsburg was the third city of Virginia to receive a visit from the distinguished party. The earlier part of the week was spent in Norfolk and Newport News, as the guests of the chambers of commerce of the two cities. After their return from their sightseeing tour the delegation left for Richmond, where they were received by Governor E. Lee Trinkle.

William and Mary Beats Wake Forest By 75-51

Indians Make Clean Sweep on North Carolina, Taking Last Meet From Baptists by a Good Margin; Deacons Get But Five First Places.

The William and Mary tracksters downed Wake Forest 75 to 51 in a dual meet held at Wake Forest, North Carolina, Monday afternoon.

The Demon Deacons presented a fast stepping bunch and the Indians did not defeat them as decisively as they did Duke University on Saturday.

William and Mary registered eight first places against Wake Forest, while the Baptists garnered five. Taylor cleared the jumping bar at 5 feet 8 inches, breaking the Indian record, while Grove sent the discus 123 feet 6 inches, smashing both William and Mary and State records.

All Indian times and distances made at Wake Forest were fairly good, a few of them bettering the commendable showings made at Duke in nearly every event; though Captain Hooff was not at his best and was forced to take second place in both the 100 and 220-yard dashes.

The Wake Forest victory marked the fifth dual meet of the year for the Indians and their third consecutive win, they having lost only to Carolina and V. M. I.

The Indians will find the going rougher against Richmond University tomorrow than they did against Duke and Wake Forest.

Summary of the events:

100-yard dash—Rackley, W. F.; first; Hooff, W. & M., second; Meades, W. & M., third. Time, 10.2.

120-yard hurdles—Davis, W. & M., first; Lash, W. & M., second; Daniels, W. F., third. Time, 18 seconds.

One-mile run—Winder, W. & M.,

first; Bailey, W. F., second; Mapp, W. & M., third. Time, 4 minutes 44 2-5 seconds.

440-yard dash—Spraker, W. & M., first; Green, W. F., second; Yates, W. & M., third. Time, 55 seconds.

220-yard dash—Rackley, W. F., first; Hooff, W. & M., second; Shield, W. & M., third. Time, 23 seconds.

220-yard low hurdles—Davis, W. & M., first; Charles, W. & M., second; Cross, W. F., third. Time, 27 7-10 seconds.

880-yard run—Green, W. F.; House, W. F., second; Wells, W. & M., third. Time, 2 minutes 9 and 1-5 seconds.

Two-mile race—Rivelle, W. F., first; Bailey, W. F., second; Haynie, W. & M., third.

Pole vault—Wilshin, W. & M., first; Parrish, W. F., second; MacBee, W. F., and Bruhn, W. F., tied for third. Height, 9 feet 9 inches.

High jump—Ridmond and Powell, W. F., tied first; Taylor, W. & M., third. Height, 5 feet 9 inches.

Shot-put—Grove, W. & M., first; Todd, W. & M., second; Smith, W. & M., third. Distance, 37 feet 3 inches.

Discus throw—Groves, W. & M., first; Smith, W. & M., second; Powell, W. F., third. Distance, 123 feet 6 inches.

Javelin throw—Groves, W. & M., first; Taylor, W. & M., second; Powell, W. F., third. Distance, 152 feet.
