COLLEGE OF WILLIAM AND MARY, WILLIAMSBURG, VIRGINIA, MAY 7, 1926.

No. 27

## Unrecorded Frat Is Believed Discovered

Library Now in Possession of Fraternity Badge Used Here by John H. Fox, a Student at College From 1836 to 1842; Revives Frat. Romance.

Bearing the Greek letters Tau Kappa, a fraternity badge which belonged to John H. Fox, a student at the College of William and Mary from 1836 to 1842, was recently received from Robert Nelson Howard, of Dare, Virginia, by the college librarian.

The discovery of this badge has verified the belief that an unrecorded Greek letter fraternity has at some time existed at William and Mary. College officials are trying to obtain detailed information concerning the existence of this organization.

Of the various fraternities founded at William and Mary after the origin of The Flat Hat Club in 1750, only Phi Beta Kappa, founded in 1776, is still in existence. Phi Beta Kappa has lost its social character and is now purely honorary. The Flat Hat Club, oldest existing student organization, once a social and literary club, is now honorary, although one of the most coveted honors among undergraduates. One other fraternity founded here after The Flat Hat Club was the "P. D. A." Little is known of its character and even the significance of its initials has been obliterated in the passing of centuries.

## Red Cross Guests of College May 12

Honorable John Barton Payne Will Be Principal Speaker; Virginia Districts to Be Represented at Regional Conference Here on May 12.

Elaborate plans are under way here for the annual southeastern Virginia regional conference of the American Red Cross to be held in the George Preston Blow memorial gymnasium on May 12, with the Honorable John Barton Payne, chairman of the central committee, in attendance as the principal speaker.

Invitations have been issued to chapters of the American Red Cross in forty counties and cities of eastern Virginia, and the local chapter, under the direction of Mrs. C. E. Friend, of Williamsburg, chairman of the James City division, stated today that rep-

(Continued on page 6)

## Contract Let For New Science Hall

According to a statement made early this week by Dr. J. A. C. Chandler, the contract for the erection of the new Science Hall was let to the Harwood Construction Company, of Newport News, for \$219,000. It is the plan of the contractor to begin work on the new building about June 1.

## INTEREST RUNNING HIGH FOR ELECTION OF STUDENT GOVERNMENT OFFICERS ON TUESDAY

Frazier and Ganter Are Opponents for Presidency; Secretary and Treasurer, Vice-President, Honor Council, and Athletic Council Officers to be Chosen in General Election.

Herbert L. Ganter and Henry B. Frazier, as candidates for the presidency of the Student Body, will lead the ticket in the annual Student Body elections to be held next Tuesday. Nominations for the general offices were made at a meeting of the men students held last Thursday night in Chapel and the ticket was completed by the nominations of the several classes and those of the Athletic Council.

Both candidates are well qualified for the office. Ganter has served the Junior Class as president this year and has also edited the Magazine. Frazier is one of the recognized social leaders of the campus and has been business manager of the Magazine this session. Both men are members of O. D. K. and the F:H:C Society. Ganter is a member of Kappa Alpha and Sigma Upsilon, while Frazier is a member of Pi Kappa Alpha and the Wythe Law Club.

The candidates for vice-president are Julian Delk and Warner F. Young. Allison Hooff and Carl Andrews will run for secretary-treasurer of the

Student Body. For the Honor Council, Eddie Nicholson, Tiny Grove, Tom Burke and Ed Taylor will run from the Junior Class; Paul Everett, Leland Walker, Alan Cook and Jack Irwin from the Sophomore Class; and Walton Bloxson, E. T. Justice, Jimmy Robertson and Fenton Irwin from the Freshman Class.

The fight for the managership of track will center around Cotton Rawls and D. Payne Terry, and that for the managership of baseball around Ed Zollinger and Sidney Hayman. Julian Delk and Tommy Thompson are the candidates for president of the Athletic Council; Ernest Barnes and W. H. Elliott, Jr., for vice-president, and Ed. Taylor and Bruce Stewart for secretary-treasurer.

The elections will be held next Tuesday, between nine and five o'clock. Every man student is eligible to cast a vote and ballots will be provided at the polls. In accordance with the constitution of the Student Body, Andre Goetz, president; Snuck Elliott, secretary-treasurer, and John Marshall, president of the Honor Council, will be the judges of the election.

## W. & M. Beats Deacons In Last Home Meet

Hudson Runs to Sensational Finish in Two-Mile, While Hooff Stars in Sprints; Tiny Grove Comes Through With Three First Places.

William and Mary's track team easily outpointed the Wake Forest Deacons, 76 1-3 to 49 2-3, on the Cary Field track Monday, when the Indians proved better in both the running and field events, gaining a majority of points in each branch of competition. "Tiny" Grove, of William and Mary, and Captain Daniels, of Wake Forest, tied for high-point honors, with three first places each. The former led in the shot, discus and javelin, and the latter in the high and low hurdles and the broad jump.

Hooff's two wins in the 100 and 220 dashes, and Hudson's finish in the two-mile run proved the sensations of the meet.

A light April shower interrupted the general order of the contest, and was responsible for the poor showing in several of the events.

Summary of events:  
100-Yard Dash—Hooff, W. & M., first; Rackley, W. F., second; Goodwin, W. F., third. Time: 10 seconds.  
1-Mile Run—Henry, W. F., first; Mapp, W. & M., second; Aranow, W. & M., third. Time: 4 minutes 52 seconds.

(Continued on page 5)

## Indians Enter South Atlantic Track Meet

Annual Track and Field Contest at Richmond Between South Atlantic Colleges Lasts Today and Tomorrow; W. & M. Strong in Field.

The Indian warriors will be given an opportunity to run against some of the best men in the South when they take part in the South Atlantic track meet being held at Richmond University this afternoon and tomorrow. At the invitation from Coach Dobson, the Spiders are hosts of track men from William and Mary, University of Virginia, University of Maryland, Hampden-Sidney, Randolph-Macon and Wake Forest, in what is usually one of the biggest events in track annals each season. Practically every college sending representatives has included among them title-holders for some event. It is quite possible also that several of the records now standing will be shattered tomorrow. The events this afternoon will be mostly in the nature of qualifying

(Continued on page 8)

## W. & M. Represented In Va. Pictorial Book

Among the many new steps taken by the State of Virginia in her renaissance is the one in which she is advertising her supremacy among the United States by a new pictorial magazine. This magazine, which has just been published by the Virginia State Chamber of Commerce, in Richmond, is entitled, "Virginia—First in the Heart of the Nation."

In the spring number of the Virginia pictorial magazine appear several pictures of Virginia's famed beautiful women and pictures of the May Day dances given throughout the State last year. William and Mary's May queen, Miss Virginia Hardy, is pictured as among the most beautiful.

There are also pictures in the book of Virginia's mountain empire, lakes, rivers, Cape Henry, Hampton Roads, beautiful cities of Virginia, Virginia's tobacco crops and Virginia's underground fairyland. This magazine may be seen in the College library.

## Keesee Is Orator For W. & M. Tonight

William and Mary is being represented tonight at the Annual State Intercollegiate Oratorical Contest, held at Emory and Henry College, by A. M. Keesee, of Java, Virginia, freshman member of the Phoenix Literary Society, who recently won the preliminary contest. The subject of Keesee's oration is "Citizenship." He is opposed by representatives of nine institutions of the State of Virginia.

## Debaters Engage In Last Contest Tonight

William and Mary and Roanoke College Meet in Home-and-Home Debate for First Time; Adam and Elliott Go to Salem; Marston-Stewart Home.

Four men representing the Men's Intercollegiate Debate Council will engage in the last debates of the season tonight when William and Mary meets Roanoke College in a home-and-home series on the question: "Resolved, That the United States Should Recognize the Soviet Government of Russia." Each college will have an affirmative team at home and a negative team at the rival institution.

Roanoke will be represented here tonight by E. D. Meyers and F. L. Hoback. Meyers, a junior in college and a veteran debater, has not as yet been defeated. Hoback, who is also a junior, is president of the Roanoke chapter of Tau Kappa Alpha, and has lost but one debate during his career. Both men have distinguished themselves in literary work and in student activities. They will be opposed by W. F. Marston, Jr., and R. E. B. Stewart, Jr., who recently represented the College on a two-debate trip to North Carolina. Stewart was also a member of the team which received a favorable decision over Arizona early in the season. Marston, who is a

(Continued on page 7)

## European S. S. Has Few Vacancies Left

One Tour Already Filled; French Senator Wires That Passports for Vacancies Will be Unnecessary.

All vacancies in the travel tour of the William and Mary Summer School in Europe have been filled and registration in this division has been closed. Dr. C. C. Fichtner, Director of the Foreign Summer School, stated early in the week. Students in the group include representatives from Lafayette, Vassar, Washington and Lee, North Carolina, Davidson and many other colleges.

There are still a few vacancies in the trips including a month's study at Bageres-de-Begorre, where the formal summer school is held in co-operation with the University of Toulouse. Students who enroll in this tour will not be required to have an American or a French passport, according to a cable received from Senator Nogries, of Paris, who is sponsoring the William and Mary tours. The trip can therefore, be made very inexpensively. Details can be secured from Dr. C. C. Fichtner, Director of the Summer School in France.

## Gifts For Garrett Memorial Announced

Supplementary contributions to the Van F. Garrett memorial room, to be placed in the William Barton Rogers Science Hall, have been received from the following persons: Honorable S. O. Bland, J. S. Bristow, Alexander Brodell, Harry L. Burrows, Herbert R. Etheridge, F. F. Jenkins, Mrs. Caroline G. Nicholls, Walter E. Vest, John Weymouth, Miss Jane C. Slaughter and T. J. Stubbs, Jr.

Dr. W. A. R. Goodwin, head of the endowment campaign of the College, announces that, if there are others who wish to contribute to this fitting tribute to Dr. Garrett, they may do so by addressing him at the College.

## Craddock High Wins District Debate Here

William and Mary Was Host to Representatives of Tidewater County High Schools for Eliminations in District B of the State Organization.

Sixteen students from the high schools of Tidewater Virginia were entrants here last week-end in the contest to decide literary honors among the State high schools, held each year under the auspices of the Virginia High School Literary and Athletic League. William and Mary has been designated the center of District B, and the contests, held here each spring, are semi-finals, the winners going to the University of Virginia to enter the final contest. Dr. R. L. Morton, assisted by several professors and a number of students who have had forensic experience, conducted the contest.

Six of the contestants were from Nansemond county, while five were from Southampton and the other five from Norfolk county. John T. Claud and Thomas Pope were the debaters from Southampton, Miss Winston Cobb and Emerson Jones were the orators, and Miss Louise Norfleet the reader, from the same county. The debaters from Nansemond were Miss Sara Anna Everett and Miss Addie Johnson. Miss Winifred Howell and Jack Hargrove, Jr., were the orators and Miss Catherine Smith and Edward Simonds were the readers. Norfolk county was represented in the debate by Arthur Stainbach and James Garrett, in oration by Conway Channing, and in reading by Miss Nettie Boynton and Louie Watson.

The debate was won by Craddock High school, represented by Arthur Stainbach and James Garrett, who upheld the affirmative of the question: "Resolved, That the System of Direct Primary Nominations for State and Local Offices is Preferable to That of Nomination by Convention." The negative was championed by the debaters from Drewerville High school

in Southampton county. Emerson Jones, of Franklin High school, won the boys' oratorical contest, and Miss Winifred Howell, of Holland High school, the girls'. Among the readers Louie Watson, of Craddock High school, and Miss Catherine Smith, of Holland, were adjudged the best.

The contestants had been formerly chosen in elimination contests held in the various counties. Each was excellently prepared and showed the effects of good training. The outstanding performance of the program, if one can be selected, was the oration of Emerson Jones, who exhibited finished forensic ability in presenting a well planned speech.

## Science and Religion Topic of Father Ross

Annual Field Mass of Gibbons Club on Sunday Was Well Attended by Many from Nearby Cities;

New York Priest Delivers Main Address.

"There can be no conflict between science and religion, as there can be no conflict between one truth and another," stated Rev. J. Elliott Ross of New York, in an eloquent sermon on "Science and Religion," delivered at the field mass celebrated by the Gibbons Club of the College last Sunday. Father Ross is a well known lecturer, a social worker and an author of reputation, having published several books on ethics and philosophy. He has been associated with Catholic students in non-sectarian schools for the last ten years and is a frequent speaker at colleges and universities. In his talk the speaker emphasized the point that the apparent conflict arises between scientists and theologians rather than between science and religion.

After the field mass, the representatives of the various councils of the Knights of Columbus throughout the State were the guests of the Gibbons Club at a luncheon held in the Colonial hotel. Dr. J. A. C. Chandler, Dr. W. A. Montgomery, Dr. W. A.

Hamilton and Mr. L. Tucker Jones were the guests of the club from the campus. During the dinner the guests made talks, Joe Perkins, president of the club, acting as toastmaster.

Over six hundred Catholics from all parts of the State made a special pilgrimage to Williamsburg to visit the College and attend the service, while many of the students and professors enjoyed Father Ross's sermon, dealing as it did with a subject recently opened here by Mr. J. Stitt Wilson and Dr. Allyn K. Foster.

## Philomatheans Make Corstaphney Leader

Robert Corstaphney, of Newport News, was elected president of the Philomathean Literary Society at its semi-annual election of officers held last Friday evening. Other officers

elected at the same time for the first term of the 1926-27 session are: Robert Anderson, vice-president; William Elliott, secretary; J. E. Hancock, treasurer; Donald K. Van Wormer, critic; D. C. Pierce, sergeant-at-arms and Thad King, chaplain. Cornelius de Witt, who served on the Debate Council this year, was elected president of the Council for next year to succeed Carl Andrews. F. James Barnes was elected as the other representative from the society on the Debate Council.

Robert Corstaphney has been an active member of the society for two years, having served one term as secretary and another as vice-president. He is a member of the Junior Class of Theta Delta Chi and Los Quixotes.

The Philomatheans are giving the first of a series of smokers at the regular meeting held tonight.

# INDIAN SPORTS

## A WORD ABOUT SPORTS

Indian trackmen will certainly be given an opportunity to show their skills to a representative group of colleges and universities this afternoon and tomorrow when they take part in the South Atlantic track meet being held at University of Richmond. Some of the best men in their events are lined up for the races.

\* \* \* \* \*

The South Atlantic, by Coach Dobson's invitation, have representatives from William and Mary, University of Virginia, Wake Forest, University of Maryland, Randolph-Macon and many other institutions. University of Richmond is entered, as a matter of course, and the Spiders boast of some record-holders of long standing. Thorpe is the outstanding star of the spider entrants.

\* \* \* \* \*

Notwithstanding the unsettled weather conditions, which, by the way, have not interfered to any great extent with Indian athletics this spring, some pretty running was the order of the day at the track meet between Wake Forest and William and Mary last Monday.

\* \* \* \* \*

With prospects of nearly a week's rest after their Northern trip, the Indian ball club should be in fine trim to step on the Spiders when they cross bats with them next Wednesday, which also reminds us that after that game, there will be no others until final series in June. At that time Randolph-Macon will be the foe in the annual commencement series.

## Co-ed Racquetters Defeat Kecoughtan

Women's Tennis Team Will Meet George Washington University on Saturday During Season's Lone Trip; Are Playing Fine Game.

Playing their second match against the Kecoughtan Tennis Club, the William and Mary co-ed tennis team defeated the racquetters from Newport News by making a clean sweep of matches held on the courts of the club in Kecoughtan last Saturday afternoon. Of the four single matches only one score was close, and of the two doubles both were apparent easy victories for the local players. A return match will be played with the Kecoughtan Club at the College next Saturday.

In the doubles Laura Whitehead and Elizabeth Tanner defeated Mrs. Melvin and Mrs. Pritchard, 6-2; 7-5; and May Slep and Anna Wilkins won their match from Mrs. Hartman and Miss Lois Robinson by the score of 8-8, 4-6, 6-4.

The scores in the singles were: Ellen Moody vs. Miss Lois Robinson 6-4, 6-4; Anna Wilkins vs. Mrs. Hartman, 6-0, 6-2; "Bromnie" Osbourne vs. Mrs. Melvin, 6-1, 6-2. Marguerite McDaniel vs. Mrs. Pritchard, 6-0, 6-3.

The co-ed team will take their only trip of the season this week and when they meet the George Washington team Saturday. The match is expected to be lively, as the Marys have greatly improved their playing since the engagement last year, won by the Hatchettes. Coach Barksdale, with the team, will leave Friday and return Sunday. The tentative list for the trip is Captain Anna Wilkins, Manager Laura Whitehead, Ellen Moody, Bromnie Osbourne, May Slep and Marguerite McDaniel.

## Freshman Commission Elected by Stud. Gov't

The Freshman Commission, which will have charge of instructing the incoming freshman girls next fall in regard to the regulations under which they will live, was installed at the regular meeting of the Woman Student Government Association on Monday. This commission is composed of fifteen members of the present freshman class, who will meet with this year's commission for the remainder of the year and arrange for their work in September. Miss Ruth James was elected by the council as advisor to the commission, and the president will be elected by the commission itself.

## Hard Hitting Braves Beat Swarthmore 6-4

Whole Indian Nine Swings Bats Freely in First Game of Northern Jaunt; Smith and Thompson Drive Out Homers; Captain Moss Stars.

Coach Tasker's Braves annexed the first game of their Northern trip Monday by handing Swarthmore a 6-4 defeat. Their clean fielding and heavy hitting was the feature of the game and received very favorable comment from sportswriters who witnessed the contest. Every member of the team except the pitchers secured a safety, and one error was the only miscue chalked up against the Warriors. Nine hits were gathered by the locals, including two homers, a triple, two doubles and four singles. Captain Moss, making four put-outs from centerfield, was the fielding star for William and Mary.

The Indian scoring came in the first, third and eighth innings. In the third, Kahn and Smith doubled in succession, and Delk followed with a single. Thompson drove one out of the lot for a homer, scoring Delk before him.

On Smith's homer in the eighth, Alderman was knocked unconscious in an effort to field the ball:

## MOTHER'S DAY

The incessant whirl of a busy world's activity will pause momentarily next Sunday to give deference to the most educating and civilizing element in its motley composition, the one force that stands in it supreme and unchanging, its most humanizing agent—mother. Bitter regret would attend the component individuals of that world, if they correctly evaluated the neglect they have paid this most important agent.

Poets have sung masses of lays to do her honor, and philosophers have descanted at length on all phases of the maternal relation; to add more here would be superfluous and ineffective. We read their works, praise their sentiment and write more, while mother continues more or less neglected, her precepts forgot and her letters unanswered.

College students could well remember next Sunday that mother will appreciate attention paid her. Each could wear his flower to express his appreciation of her care or to honor her memory, while the few minutes that are required to write her a letter of remembrance will be well repaid in the pleasure it will afford her to receive it.

## COLLEGE NIGHT

Unusual success attended the entertainment provided by the faculty for the Student Body last Saturday night in the College Night program arranged by a faculty committee for the entire body of instructors. A larger percentage of the students were attracted to the gymnasium and a larger number of faculty members were present to receive them than has gathered at any social function in the College this year. The associations should develop into closer relations between the students and faculty members, and we suggest that College Night be made a regular part of the official calendar.

The attempts to beautify the campus are now beginning to show tangible results. We hope the spring of future years will witness as satisfying results as that of the present.

William and Mary's debating teams close their season tonight in the dual debate with Roanoke. The Indian debaters have acquitted themselves very creditably this year, and have, under the auspices of the Council, resuscitated forensic work at the College.

## Former Student Dies at University of Pa.

Harry Green, of Newport News, former student at the College, died last Thursday of pneumonia at the University of Pennsylvania, where he was a student in the school of dentistry.

Green came to William and Mary in the summer of 1922 and was enrolled

as a regular student during the 1922-23 year. He was very popular on the campus and was violinist in the College orchestra. From William and Mary he went to the University of Pennsylvania, where he studied until his death.

Harry was 21 years old and is survived by his father, Joseph Green, of Newport News, a brother and a sister. He was buried in that city last Saturday.

## A Glimpse Into the College World

Here and There Among the Exchanges of The Flat Hat

The University of Chicago has contributed more athletes to the Olympic games than any other college.

A new fraternity has recently been organized at Farmville, known as Alpha Delta Rho. This is an honorary leadership organization, and is supposed to mean the same to college girls as Omicron Delta Kappa does to men. Alpha Delta Rho was begun with the idea of national organization and extension will begin soon.

The Humane Society was much aroused over the stew served at fraternity banquets in Cleveland State College. It was said that real cat-stew was served to the goats, but the society claimed that the cats got the worst end of the bargain.

The girls at Goucher College have gone on the customary strike as a means of displaying their dislike for the food.

The oldest fraternity house in existence is said to be at Kenyon College. It is the home of the Alpha Delta Phi, by whom it was built in 1861.

## Gates Are Dedicated As Barrett Memorial

Gates Taken From Old Capitol Building Were Recently Discovered by D. A. R. and Offered as a Memorial to Dr. Kate Waller Barrett.

Marked by impressive ceremonies, the dedication of the historic iron gates that once guarded the entrance to the governor's office at Richmond as a memorial to Dr. Kate Waller Barrett took place last Friday in front of Jefferson Hall, with an unusually large number of the Student Body attending.

Dedication exercises began with the invocation by Dr. W. A. R. Goodwin. Following the presentation of the gates to Dr. J. A. C. Chandler by Mrs. Kate Langley Boshier, the veil of blue and white, which is the official colors of the D. A. R., donors of the gate to the College, was drawn aside, disclosing the following tablet: "These gates were taken from the capitol building in Richmond and erected here by the Commonwealth Chapter of the Daughters of the American Revolution in loving memory of Dr. Kate Waller Barrett, 1859-1925, a trustee of Phi Beta Kappa and State Regent of the D. A. R. 1918-1925." The College choir, led by Mrs. Hipp, sang appropriate selections, after which the dedication exercises ended with the benediction by Dr. Goodwin.

Husband—Telling lies is not one of my failings.

Wife—No, dear; it's one of your few successes.—Exchange.

## Examination Schedule for Second Semester ending June 3, 1926.

Nine o'clock classes, ten o'clock classes, etc., will meet for examination as assigned on the schedule below, except as the following classes are given special place as indicated:

English 101 and 102  
 Chemistry 101 and 102  
 History 101

Mathematics 101, 102, 103  
 Government 101  
 Education 401

All law classes and all classes meeting at two or three o'clock on Tuesday and Thursday are to be arranged by professors between the hours of 9 A. M. Friday, May 28, and Thursday, June 3, 4 P. M.

	First Period 9 to 12 A. M.	Second Period 1 to 4 P. M.	Third Period 7 to 10 P. M.
Friday May 28	English 101, 102*	M. F. F. 10 o'clock classes	
Saturday May 29	Education 401 Chem. 101, 102	T. Th. S. 10 o'clock classes	
Monday May 31	M. W. F. 9 o'clock classes	M. W. F. 11 o'clock classes	History 101
Tuesday June 1	T. Th. S. 11 o'clock classes	M. W. F. 12 o'clock classes	Government 101
Wednesday June 2	T. Th. S. 12 o'clock classes	M. W. F. 2 o'clock classes	Mathematics 101, 102, 103*
Thursday June 3	M. W. F. 3 o'clock classes	T. Th. S. 9 o'clock classes	

In arranging the above schedule the committee has endeavored to avoid any two large groups of the Freshman class succeeding each other. In order that the large groups in the Freshman class who are taking the same subject but in different sections may have their examinations at the same time, it has been necessary to schedule three of these Freshman subjects at night. The committee has endeavored to avoid night examinations, but has found it impossible, if the large groups are to have their examinations at the same time. The committee has also endeavored to arrange the schedule to avoid as many conflicts as possible. If it is found that there will be conflicts, and a more satisfactory arrangement can be made, suggestions will be welcomed by the committee.

No departures from this schedule can be permitted except by special arrangement with the chairman of the committee.

Attention is called to the regulation of the faculty in accordance with which no student, under any circumstances, is to be allowed more than three hours scheduled.

\*Students having conflicts may take examinations at a period later than that scheduled, after consultation with instructor.

K. J. HOKE, Chairman  
 A. G. WILLIAMS,  
 HELEN F. WEEKS,  
 Schedule Committee.

### Ten Junior Women Elected To Alpha

Senior Honor Society Initiates Ten Most Prominent Members of the Junior Class; Mortar Board Being Petitioned by the Local Society.

Ten girls, recognized as leaders in the Junior Class, were elected to Alpha, the senior women's honor society of the College, its members being selected each spring from the Junior Class. These girls are chosen for scholarship and leadership, and for being prominent in the various phases of campus activities. The organization is the oldest women's club on the campus, having been established in 1918, even before the Student Government system was installed. Alpha is petitioning Mortar Board, a national honor society.

The girls who were honored this spring by being elected to this society are: Caroline Ribble, Margaret Holman, Ruth Yeaman, Anna Wilkins, Kitty Myrick, Anna Withers, Minnie Rob Phaup, Maxwell Brockenbrough, Mary Hurt and Virginia Ayres.

Initiation for these girls was held Tuesday evening, April 27. The ceremony was followed by a banquet at the Pocahontas Tea Room, decorated in colors of the society, blue and gold. Informal entertainment was furnished by the initiates. Many alumnae members were present.

blows  
a shoe

BEFORE you even look for the jack or tire-tools, tuck a neat wad of Prince Albert into the muzzle of your jimmy-pipe. Light up . . . and get yourself in the frame of mind where a flat tire is "all in the day's work." Talk about a gloom-chaser!

P. A. simply knocks troubles for a row of planished-steel mudguards. Its cool, soothing smoke percolates into your system, the sun crashes through the clouds, and everything is hotsy-totsy. Yes indeed, Fellows, Prince Albert is great tobacco.

And paste this in the fly-leaf of your thesaurus: P. A. can't bite your tongue or parch your throat, no matter how hard you hit it up. The Prince Albert process flunked Bite and Parch on their first examination. Get a tidy red tin of P. A. now and see.

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.

# PRINCE ALBERT

—no other tobacco is like it!

Alumni Secretary

### Carter Honored.

J. D. Carter, a member of the class of 1923, has recently been awarded a fellowship for a year's study at the University of Toulouse, France, according to a recent letter received from the University.

"J. D.", after completing his work at the College, served for two years as principal of Dungannon High school, Dungannon, Virginia. He was a member of the 1924 and 1925 William and Mary Summer Schools in France and the past year has attended the University of Toulouse as a graduate student, studying history with Dean Calmette, one of the leading authorities on medieval history in Europe. Carter has been working towards his doctorate in history, and he hopes to receive his degree in 1927. It is understood that the fellowship awarded is a desirable one in that it defrays all expenses for one year. Carter is a member of the Alpha Psi fraternity here and served two years with the A. E. F. in France during the World War. He is a brother of Boyd Carter, now a freshman at the College.

### May 15 Celebration.

The sesquicentennial anniversary of the passage of the famous Virginia Resolutions, which will be celebrated here on May 15, with President Coolidge and the governors of the original thirteen States in attendance, has attracted State and nation-wide attention the past few weeks. The significance of the event has been stressed in press reports circulated in an attempt to educate the American public and refresh their knowledge of colonial history.

The Virginia Convention, which passed resolutions instructing the States delegates to the Continental Congress in session in Philadelphia to introduce resolutions declaring the United States colonies free and independent of the English crown, was the fifth State Convention and was called at a crucial time in the history of the colonies.

One year prior to the meeting Patrick Henry had been denounced and the people of the colonies had been called upon to disregard his appeals. This, however, brought him into the

center of public attention and sentiment which would have otherwise remained more or less dormant, was at once brought to his side.

One hundred and fifty years ago, Williamsburg, then the capital of the State, was the scene of turmoil and much rejoicing. The bell in old Bruton tolled, announcing to the city that the Virginia Resolutions had been passed, and that Virginia had initiated the movement which was to serve as the spark needed to ignite the other colonies in their opposition to British oppression. Troops were drawn up near the Colonial Capitol, where President Coolidge will stand on May 15, and the entire city was a busy, excited State capital.

Next week-end, Williamsburg again will be the center of attraction to both State and nation. President Coolidge will make a pilgrimage here to participate in the exercises of the day and thousands of Virginians will be present to celebrate the anniversary.

### RED CROSS GUESTS OF COLLEGE ON MAY 12

(Continued from page 1)

Representatives from each chapter of the district will be in attendance here for the annual meeting.

According to a program issued here Wednesday morning, the meeting is scheduled to open at 10 o'clock with a concert by the United States Army band, of Fort Eustis, followed by invocation by the Reverend W. A. R. Goodwin, professor of Biblical litera-

ture at William and Mary College, and rector of Bruton Parish church of this city. An address of welcome will be delivered by President J. A. C. Chandler, after which chapter reports will be given. Judge Payne's address is scheduled for 12 o'clock. The Red Cross corps of the college will then stage a first-aid and life-saving demonstration in the pool of the Blow gymnasium.

The afternoon session will be taken

up with reports of the Richmond chapter and addresses on Red Cross work and its contributions in the various phases of work which it has undertaken.

**Spirits of William and Mary Visit College**

King and Queen Who Founded College Return to Visit Their Royal Institution on Night of Faculty Celebration for the Student Body.

Sir Arthur Conan Doyle can now be assured that the students of William and Mary have seen and even heard spirits. For last Saturday night, they were assembled in the Blowmannasium for College Night, there appeared no less an apparition than that of King William and Queen Mary. This extraordinary phenomenon was accompanied by unusual behavior of the lighting system, which failed to function for a time. Most of the students were spell-bound, but Dr. Chandler, feeling that the responsibility upon his shoulders, rose to the emergencies of the occasion to ask what the Royal Highnesses might wish. Upon King William, who looked strangely like Mr. Tucker Jones, and Queen Mary, whom one would have sworn to be Miss Clark, asked for the welfare of their majesties. Accordingly, Dr. Chandler informed them of the past, the present, and the future plans of the institution, which to their royal amazement. But the amazing of all, both to their presence and to the Student Body itself, was the way in which the Mater was sung. Many have remarked on it since, and all agreed that a new record of feeling had been reached at William and Mary through the singing of this college song to the royal spirits. College Night was a great success and the students are grateful to the faculty for such an evening's entertainment as was accorded them.

**DEBATERS ENGAGE IN LAST CONTEST**

(Continued from page 1)

The debate here will be held in Chapel tonight beginning promptly at 8 o'clock, and all students are cordially invited to attend. Literary societies will meet at 7 o'clock in order to allow members to hear the program. The chairman and judges have not been announced.

senior, will participate in his last college match. William and Mary will be represented at Salem by F. O. Adam, Jr., and W. H. Elliott, Jr. The former, a senior and the most experienced man on the local team, will bring his college debating career to a close in this contest. The latter has participated in two debates this season and still has several years before him in the forensic field. Roanoke will send against them E. H. Richmond and G. F. Sult, sophomore and junior, in college, respectively. Richmond has had one year's experience, is a member of the staff of the Roanoke publication and a member of Tau Kappa Alpha. Sult is also outstanding in student activities.

### Anna Wilkens Will Head Women's A. A.

At a meeting of the Women's Athletic Association held Monday afternoon, Miss Anna Wilkens, of San Antonio, Texas, was elected president for the ensuing year. Miss Wilkens is captain-elect of the basketball team of '27 and a member of the Junior class. She is prominent in a number of athletic activities as well as in social and scholastic work. The other officers elected at the meeting were: Treasurer, Laura Walthhead; secretary, Nancy Burke.

### INDIANS ENTER SOUTH ATLANTIC TRACK MEET

(Continued from page 1)

heats to determine those who will enter the real races tomorrow afternoon. Those who do not place in the various events today will not be allowed to enter the final events scheduled for Saturday. Quite a number of the field events will be taken care of finally this afternoon, the running events being left over for the main portion of the meet.

Among the institutions represented in the meet, University of Maryland boasts of Pugh, of sprint fame, and Endslow, quarter and half-miler. These two were instrumental in allowing the Indians to win only third place in the invitation meet held last spring. Richmond College boats of Thorpe, star quarter and half-miler; Goode, in the dashes; Martin and Fleming, in the two-mile and mile, respectively, who are rated well up in track circles for their events. Rachley is outstanding among the sprinters for North Carolina, while Darden and Weaver, of Randolph-Macon, are being watched with a good deal of interest for the two-mile, and high jump, half and quarter-mile. "Black Boy" Daniels, for Wake Forest, and also the winner of the mile for the Deacons in their meet with William and Mary,

will probably have their hands full against the Spider distance men.

William and Mary's best bet will most probably lie in her field strength. With Tiny Grove, Smith, Cardwell, Todd, Irwin and Thomas, on the list, the javelin, discus and jumping marks bid fair to be bettered by these men. Captain Sheild and Hooff will probably enter the dashes, while Tommie Yates will take care of the 440-yard run. Hudson or Caplan may run the mile.

The meet promises to be of unusual interest this year, considering the number of institutions taking part. Last season, in a somewhat similar affair, the University of Maryland emerged with first place, while Richmond and William and Mary managed to keep close together for second and third places. There are more men, and better, this season, and all who are in any way interested in track are turning eyes on the South Atlantic in progress at the Spider stronghold.
