Twenty-one Games On '26 Diamond Program

Preliminary Game With Langley Field Here Tomorrow Afternoon; Dartmouth Opens Regular Schedule at Williamsburg on March 29.

Manager Clinton Jones announced at the beginning of the week that he has arranged a most attractive baseball schedule for the 1926 season. The lid of the baseball season will be pried off tomorrow in a practice game with Langley Field. This game will give Coach Tasker a chance to try the mettle of his team. The first twelve games of the regular schedule will be played on Cary Field. Following this series the team will take a six day northern trip playing many teams that were not formerly on William and Mary's schedule. The closing game of the season will be played on Cary Field during the week of Finals.

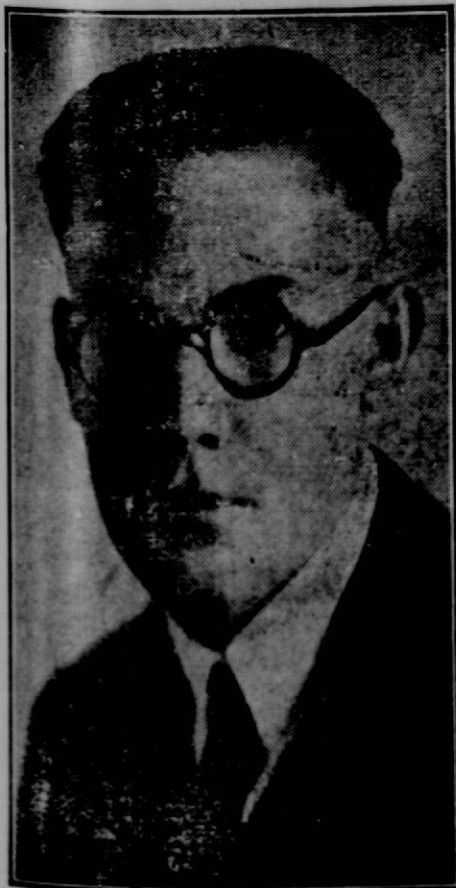

Coach Tasker is well pleased with the prospects of an exceptionally good team and a successful season. Several of the Freshmen have been exhibiting unusual ability, MacGrath, Livingston, and Stickle showing up well in the hurling and Hoch on the receiving end.

The schedule follows:

- March 29—Dartmouth College, Williamsburg.
- April 1—Syracuse University, Williamsburg.
- April 2—Syracuse University, Williamsburg.
- April 5—Princeton University, Williamsburg.
- April 6—University of Pennsylvania, Williamsburg.
- April 10—Holy Cross College, Williamsburg.
- April 13—Medical College of Virginia, Williamsburg.
- April 15—Wofford College, Williamsburg.
- April 17—Wake Forest, Williamsburg.

Debate Team Opposes Arizona Here Tonight

Adam and Stewart Will Represent William and Mary in First Intercollegiate Debate of 1926 Season; Westerners Have Excellent Record.

William and Mary's 1926 debate schedule arranged by the Intercollegiate Debate Council will be opened tonight when F. O. Adam, Jr., and R. E. B. Stewart, Jr., meet the representatives of the University of Arizona in chapel on the subject: "Resolved, that this house condemns the present system of prohibition in the United States." Arizona will take the affirmative and William and Mary the negative.

The Arizona team, which is making the longest and most extensive trip on record, has just finished the first part of its tour and is completing the southern schedule. They met Duke University on Tuesday night at Durham and Wake Forest the following night at Wake Forest. Following the debate here, the team will go to Washington and Lee and from there North to New York, from which place they will sail for Porto Rico to meet the University of Porto Rico on March 30 and 31. William and Mary is one of the two teams in Virginia to meet the well-known Western debaters.

The team of the visitors is made up of Richard Pattee, Carlton Wicart, and Fenimore Cooper, all seniors at Arizona and among the best debaters in the West for the past two years. Pattee, who is manager of the team, has been a member of the western aggregation for two years. He toured the middle West last year, winning every contest with the exception of that with Redlands. Wicart, who is also a man of two years experience, will enter Oxford next fall as the Arizona representative on the Rhodes

Lee Todd Elected Captain 1927 Quint

Eddie Nicholson Named Manager Basketball With Lynn and Beatty as Assistants; Todd Has Envious Record as Athlete at William and Mary.

At a meeting of the varsity letter men Monday night Lee Todd was elected captain of the 1926-27 basketball team. He succeeds John Marshall who so filled this position with credit during the past season.

Todd came to William and Mary from Newport News High School in 1923, after having made a very creditable record as an all-round athlete in that city. He was mentioned as one of the all-state football eleven while there. He has been one of the most outstanding men in three branches of Indian sports since he has been at College, having played end on the football team for the past three years, run the dashes and participated in the weight events in track and played guard on the varsity basketball team for three years. Lee is also very prominent in other phases of student activities. He is a member of the Pi Kappa Alpha fraternity and of Omicron Delta Kappa.

Under the constitution the Varsity players also elected two first assistant managers for next year's squad. Eddie Nicholson, also of Newport News, will fill the position of manager, left vacant by R. G. Todd. Nicholson has been doing unusually good work as assistant manager for the past three years. The first assistant managers who were elected under the constitution governing athletics at the College are Bill Lynn and Kenneth Beatty.

It is being whispered about the campus that the patron god of William and Mary is Jupiter Pluvius! Lord Helpus!

Eight Initiated To O. D. K. On Wednesday

Sam Howie and Stirling King Chosen From Senior Class; Carl Andrews, Fairfax Berkley, Henry Frazier, A. A. Hooff, Art Matsu and Lee Todd from Juniors.

Eight new members were initiated into the Eta Circle of Omicron Delta Kappa at the semi-annual initiation held Wednesday night. The new men are Sam Howie and Stirling King, of the Senior Class and M. Carl Andrews, Fairfax M. Berkley, Henry B. Frazier, Jr., A. A. Hooff, Jr., Art Matsu, and Lee Todd, of the Junior Class.

Samuel E. Howie was elected for scholarship. He entered William and Mary last June, bringing with him an excellent record from Davidson and Washington and Lee. At the College he has scored a straight "A" card. He has also been active in the Y. M. C. A. and is acting pastor of the Presbyterian Church. Howie is a member of Pi Kappa Phi.

W. Stirling King, the other Senior elected, is a present business manager of the Colonial Echo. He is also a member of the Interfraternity Council and has been active in the campus life. He is a member of Sigma Alpha Epsilon.

Carl Andrews was elected for literary attainments. He has been on the Flat Hat Staff since he entered William and Mary in 1923 and is now

Co-Eds Are Supreme At "Manless" Dance

Girls become "Boys" for Brief Period of Revelry; Green Umbrellas and Freshmen Carry Out St. Patrick's Effect at Annual Struggle.

One of the most attractive and colorful social events of the winter was the Manless Dance held last Friday night in Jefferson Hall Gymnasium under the auspices of the Y. W. C. A. The decorations consisting of green streamers representing rain dripping from upturned green umbrellas were unusually well arranged and helped materially to carry out the St. Patrick effect which was emphasized throughout the evening.

The Charleston act, presented during the intermission, was exceptionally good and reflected credit upon those who danced. The group was led by Dot Farrar and the other dancers were Ruth Oliver, Vestal Thomas, Peggy Eacho and Patty Hunter. They were dressed in Irish costumes.

The Manless Dance had been the subject of discussion among the co-eds for the past few weeks and was anticipated with interest by everyone on the campus. A large number of the women students were on the floor while the balcony was crowded with spectators.

The Indian Serenaders supplied music for the Dance.

Summer School Will Have Varied Program

Famous Devereux Will Again Present Plays for Benefit of Students Attending College Summer School; Several Concerts Are Being Planned.

According to Dr. K. J. Hoke, director of the Summer School of the College, the entertainment to be offered the students of the Summer School for the session 1926 will be unprecedented in the wide variety and quality of the amusements that will be given. For in selecting and planning the entertainment program the aim of the college officials has been to provide the best entertainers possible.

In addition to the social hours on the campus which will be conducted on Friday evening at seven o'clock, the primary entertainment program for the summer will begin with the program to be given by the Devereaux players on Monday evening June 28. The play that will be presented at that time will be "Arms and The Man." Following the initial program two additional plays will be given. These being selected from "Tents of the Arabs," "Twelfth Night," and "The Bishops Candlesticks." The Devereaux Dramatic Company, which has given exhibitions through out the United States and Canada with the best possible results, is recognized as being one of the greatest cultural disseminators of its nature.

Following the exhibition of the Devereaux Players, Professor I. H. White, who has for some time been making an intensive study of the drama, will give a series of one act plays on July 16. These plays will be given by the members of the English classes over which Mr. White has supervision.

Preceding the plays to be given by Mr. White, Miss Irma Seydel will give a violin concert on July 9. Miss Seydel, who made her first appearance on the stage at the age of five, has studied abroad, as well as in the United States. In consequence of her superior ability as a musician, she has given concerts in most of the state institutions throughout the country.

On July 21, a musical concert will be given under the direction of Mrs. Hipp, Musical Instructor of the College.

During the summer, excursions have been provided for students who are interested in the places of historic interest which surround Williamsburg. Among the more important excursions to be made will be those to Westover, Old Point, Washington, Jamestown and Yorktown.

Notice

Announcement is hereby made of the formation on the campus of a new local society, to be known as the Phi Delta honorary Physics fraternity. The purpose of this fraternity is to stimulate a greater interest in the advanced study of the science of Physics at the College of William and Mary.

The charter members are as follows: Honorary, Dr. R. C. Young; active, Russell A. Winborne, R. B. Turnbull, W. G. Talmage, E. H. Williams, W. H. Elliott, Jr., C. R. Massey.

"Y" Banquet Will Be Held Here March 24

Chandler and Taliaferro Will Be Principal Speakers at First Banquet to Include All Active Members of Y. M. C. A. and Y. W. C. A.

Doctor J. A. C. Chandler and Doctor W. Taliaferro Thompson, of Union Theological Seminary, will be the principal speakers at the banquet for all active members of the Y. W. and Y. M. C. A.'s which will be held in the Dining Hall at eight o'clock on the evening of March 24.

The "Y" Banquet has been, for the past few years, an annual event, but before this year it has been for the cabinets only and not for all active members as will be this banquet, the first of its kind at William and Mary, and the first attempt ever made here to present the "Y" aim in school activities to the men and women as a group.

Preparations are being made to entertain, at least, four hundred stud-

ents. Those students who have not had the opportunity of becoming active members because of late entrance or for any other legitimate reason, are requested to consult Mr. Cassidy, the "Y" secretary.

INDIAN SPORTS

INDIANETTES END REMARKABLE BASKETBALL SEASON

A WORD ABOUT SPORTS

For many years William and Mary teams have been captained by men who were in all respects capable of leading their respective teams. The action of the varsity in electing Lee Todd as captain of next year's basketball team is quite in keeping with Indian policies. Todd is extremely well fitted to lead the Indian basketeers during the coming season and under his guidance there is every reason to anticipate a season that will compare favorably with those of past years.

Coach Tasker now has a likely looking squad working out on Cary Field. The Indian nine has a wonderful record to uphold, but all indications point to success in their undertaking.

Winter's lengthened visit has made it hard for Spring athletes to get going well. These cold days present difficulties to baseball and track squads that are hard to overcome. If the weather would moderate to give Spring a chance, both baseball and track teams would be in much better condition to meet their opponents when their respective seasons open the last of this month. The Indians need all the training they can get to be able to meet on an even footing the unusually strong aggregations they are to meet the first part of the season.

We are pleased to note that the Rifle team will not be compelled to withdraw from the National Rifle Association on account of lack of funds, as was feared a short while ago. William and Mary has a habit of standing behind the good things on the campus, and we realize that the Rifle team is one of these.

The co-ed basketball season which has just concluded leaves a record that compares quite favorably with any in the South. With only one game lost of ten played, the Indianettes have a record that any college would be proud to acknowledge. We wish to congratulate the girls on their wonderful work.

Coaches Siersma and Chandler report good progress with the material available for track this year but report also that the Indian trackmen are rather weak in the running events especially the hurdles. The loss of Charles and Davis is being felt considerably in this branch of sport.

Co-eds Win Eight Out of Nine Games

Captain Louise Love, Scoring 193 Out 317 Points Made by William and Mary Girls, Proves Sensation of State; Prospects Bright for 1927.

The Indianette sextette this year lacked only one victory of having a season of no defeats to rival the record of 1923 when the team played the entire season without a single setback. The majority of the games proved to be easy victories for William and Mary and the team retained its strength throughout the season. During the year the team scored 317 points as opposed to their opponents 204. Of this number Captain Love accounted for 193.

William and Mary's co-eds took two trips during the season, one to Lynchburg and the other to New York. At Lynchburg they defeated Sweet Briar 25 to 21 and Lynchburg College 37 to 33. In New York they received their only defeat of the year at the hands of the Savage School of Physical Education, the score being 34 to 19. However, they gained two victories in New York by winning from New York University by the score of 38 to 10 and from Adelphi by a score of 37 to 21.

Of the five games played here William and Mary gained as many victories. They opened the season by defeating George Washington 29 to 14. After returning from their Lynchburg trip, they carried on their string of games won by defeating Chowan 48 to 8, Temple University from Philadelphia was the next of the Indianettes' victims, losing to the co-eds by the score of 27 to 16. Coach Barksdale then directed her scalpers on the Fredericksburg State Teachers College who, in their turn, were downed by the score 34 to 26. Next in the line of Indianette victories was Harrisonburg. This was the hardest game of the season, the score, 23 to 21, being the closest to appear in the list of victories.

Dot Brown and Anne Townsend played their last game with the Indianettes this season, ending their four years of constant work for the William and Mary team. It is probable

Ewell-Ewell Annex Defeat Pi K. A. Team

Dormitory Champions Emerge Winners over leaders in Fraternity League by Narrow Margin of 12-10; First Period Proves Fatal to Fratmen.

The Ewell-Ewell Annex basketball team, Dormitory champs, emerged victorious from the game with the champions of the fraternity league when they defeated Pi Kappa Alpha in Blow gymnasium last Thursday by the score of 12-10. The game was exciting from the start, both teams playing well. The Ewell team was clearly the outstanding aggregation and the fraternity men could make little headway although they fought hard during the entire game. At the end of the first period the dormitory team was leading by 6 to 1.

Pi Kappa Alpha began the second half by switching around some of the players. The result was that they rapidly evened the score and actually lead for a short time before the dormitory players could stop the slaughter. For the remainder of the time the two teams played about evenly. The high scorer for the game was Rotgins for the dormitory men with five points to his credit. Eason at guard and Thomas at center were outstanding for Ewell.

Line-up:

Ewell-Ewell Annex	P.	Pi Kappa Alpha
Glennay	F	Brinkley
Rotgins	F	Murphy
Thomas	C	Griffith
Eason	G	Moore
Drewry	G	Richardson

ALUMNI REUNION DAY

The Alumni Secretary announces this week that the Alumni Office is considering the suggestion presented by several members of the Alumni Association that a day be set aside for the Old Grads to return to their Alma Mater so that they may renew their relations with the College. A day set aside for this purpose would certainly add greatly to the college life, particularly as it touches the former students.

Alumni of the College in the past have not kept in contact with the institution. Too many of them have been engrossed in other activity. There has been no agency to bind the Old Grad to the College. This year the Office of Alumni Secretary was created by the Alumni Association, and through the able efforts of the incumbent secretary relations have been more direct between the alumni and the College.

The addition to the present activities list of Home Coming Day for the Old Grad would form another link to bind the alumni to the institution. We call upon the Student Body and the individual members of the alumni to assist the secretary in completing his plans.

OUR COLLEGE SONGS

One noticeable deficiency at athletic contests in which William and Mary is a participant is the College's lack of good songs and yells. There are a few now in use which may be said to be good, but the large part of them are neither original nor in any way attractive.

Organized cheering adds a touch to a college athletic contest that can not be got in any other activity or in any other type of athletic contest. The possession on the part of a Student Body of an assortment of good mediums of expression is an asset. We suggest that some means be adopted to fill this deficiency as soon as possible.

The co-eds have completed a very successful court season, losing but one game in their schedule of ten contests. This record is one of which the Indianettes as well as the College in general may be justly proud. William and Mary's co-ed court teams have been excellent for the past several years.

We urge once more that the students do not let the consideration of the open politics system disappear in the mass of current questions. The adoption now of the suggested plan will solve many of the perplexing questions that are certain to arise when the spring elections are in progress.

50,000 Copies of Creed Are Printed

Information has been received by the Marshall-Wythe School of Government and Citizenship that the State Chamber of Commerce has published 50,000 copies of the William and Mary Citizenship Creed, which

was formulated by the students of the College under the guidance of Dr. Jno. Garland Pollard in 1922. Since its formulation, more than a million copies of The Creed have been published by civic organizations, schools, colleges, newspapers, and magazines, throughout the United States.

THE OLD GRAD

A Column Devoted Exclusively to William and Mary Alumni

J. MALCOLM BRIDGES,
 Alumni Secretary

Following suggestions offered by the various members of the William and Mary Alumni Association, the Alumni Office takes pleasure in sounding the first gun in the campaign to provide a Home Coming Day for former students in the fall of next year. This movement will serve as a distinct factor for good both from the standpoint of the alumni and the students in attendance at the College at present. It will serve to bring back former students to the campus, to renew their associations with William and Mary, and take an active part in the life of the institution. It will provide the opportunity for the student to meet the graduate of the College and benefit from such association. It will, on the other hand, give the men and the women who have joined the ranks of the alumni an opportunity to cheer, back-slap, and live over the student days—for, as some philosopher has observed, "after all, men are only boys grown tall."

We offer as a suggestion for such a Home Coming the occasion of the George Washington-William and Mary football game. This game, the first home engagement of importance in football for several years, promises to be one of the gridiron classics of the state next year. There will be provided at that time ample seating accommodations to care for the crowd expected here to witness the tilt, and all roads will lead to Williamsburg. Incidentally, these roads are of hard surface, connecting William and Mary with Richmond, Newport News, Hampton, and other sections of the State. The entire family can find entertainment in Williamsburg. In the event that little George does not care to witness a football game, then there are places of historic interest in Williamsburg to provide entertainment for the day and to give him something to tell his history teacher about on the Monday following.

Surely such a suggestion should appeal to all concerned and with a little effort could be made the occasion of an annual pilgrimage to Alma Mater.

Two Noted Speakers To Address Y. M. C. A.

W. T. Thompson and Allan K. Foster Have Been Secured as Speakers for March and April; Latter to Conduct Experiments in Classrooms.

Of interest to the college generally is the Y. M. C. A.'s announcement that two speakers of note will address the students in the coming month. The first talk will be delivered by Dr. W. Taliaferro Thompson, who will address the students in the "Y" Room of the Blow Gymnasium on the evening of March 22. Dr. Thompson is a member of the faculty of the Union Theological Seminary in Richmond and is known to the students of the College as well as other students throughout the South for his activity in the Summer Conference at Blue Ridge, North Carolina.

During the Week-end of April 9-11 Dr. Allen K. Foster will conduct a series of lectures resembling and supplementing, to a certain extent, the lectures of Mr. J. Stitt Wilson. As a supplement to his lectures Dr. Foster will conduct experiments in the class rooms of the College. These discussions and experiments have been well received at several of the southern colleges, while the University of Georgia has proclaimed Dr. Foster one of the greatest lecturers who has appeared on their campus.

Miss Clark Will Be Guest At Sunday Tea

Miss Adele Clark, recently appointed social director of women at the College, will be guest of honor at tea in the "Y" Room of the Blow Gymnasium from four to six Sunday afternoon. The wives of the faculty members will be the hostesses.

Those who attend the regular evening Fireside Meeting on Wednesday will be addressed by Dr. W. Taliaferro Thompson, of the Union Theological Seminary. The subject of the address will be "Our Social Life—by What is it Controlled?"

Dr. Taliaferro's address will be preceded by the banquet in the Dining Hall given by the Y. W. C. A. and the Y. M. C. A. to their active members.

Y. W. C. A. Conducting Prize Song Contest

Local "Y. W." To Assist in Securing Annual Song for Blue Ridge Conference This Year; Sweet Briar Won First Place Last Year.

The Y. W. C. A. of the College is offering a prize to the member of that organization who writes the best song for the annual song contest at the Blue Ridge Conference this summer. Every year at the annual Y. W. C. A. conference there is a contest held between the states represented, and this prize is offered as an incentive so that William and Mary may send a good song this summer. Last year Virginia won

first place on a song written by a student of Sweet Briar College.

This song should be of the nature of a hymn, and may be written about Blue Ridge, or may be simply a song of worship. The words and music may both be original, or the words may be set to the tune of some old song. The entries will be judged by their beauty of thought and music. The contest will close May 12. Those desiring to compete should give their contributions to Louise Sale, Julia Zisgen, or Mary L. Parker.

CO-EDS WIN EIGHT OUT OF NINE GAMES

that Sliz Love, captain of the varsity,

will return for next season. She has starred three years with the co-ed basketballers and is undoubtedly the high point scorer of Virginia this year. During her basketball career at the College Captain Love has amassed perhaps more points than any other in the South, if not in the United States. Anna Wilkins and Gene Miles played their second year on the varsity while viola Etheridge, Minge Perkin, Sally Cogle, Mildred Maitland, Mattie Carter, Nancy Carter, Nancy Burke, and Louise Tompkins began their careers with the varsity this year.

Coach Barksdale was responsible in no small measure for the success of the team. Under her careful guidance

the individual players were worked into a well drilled machine, marked by its smoothness and team work. The passing of the whole team, together with the unerring shooting of the forwards, paved the way to the victories won by the team. With the return next year of all of the members except two of this year's aggregation the Indianettes should have as successful a season as that of this year.

managing editor. Beside his service on the Flat Hat Andrews has also been active in literary society work, having served as president of the Phoenix Society. He is now president of the Intercollegiate Debate Council and is a member of the intercollegiate debate team. He has also been on the track squad for two years, on the Y. M. C. A. cabinet and on the Honor Council. Andrews is the author of the college athletic song the "Indian War Cry." He is a member of Pi Epsilon Beta and Sigma Upsilon.

Fairfax M. Berkley was also elected for scholarship. He has been near the head of the Class of 1927 since he entered College. Beside scholarship Berkley has attained leadership in dramatics and is recognized as one of the outstanding literary men of the campus. He is now assistant editor of the Literary Magazine and has been for two years a leading man in college plays. He is a member of Sigma Upsilon and Theta Alpha-Phi.

Henry B. Frazier, Jr., is business manager of the Literary Magazine and one of the social leaders on the campus. He is secretary-treasurer of the Interfraternity Council. Frazier is a member of Pi Kappa Alpha, the F: H: C: Society the 13 Club, the B. B. Club, and the Wythe Law Clubb.

A. A. Hooff, Jr., was elected for athletic leadership. He was captain

of last year's track team and is at present a star on the track squad. He is an officer in the Athletic Association and is a member of Kappa Sigma and the 13 Club.

Art Matsu is another of the athletic representative. He has been for three years the star backfielder on the foot ball team and has also been on the track squad. Next year he will pilot the Indian grid team. He is president of the Monogram Club and has served his class as vice-president. Matsu is a member of Alpha Kappa Psi and the 13 Club.

Lee Todd is the third athletic leader to receive election to the Circle this year. He has been a member of the football, basketball, and track teams for three years and is captain-elect of basketball. He has been president of the Class of 1927 and is at present Chairman of the Freshman Tribunal. He is a member of Pi Kappa Alpha and the B. B. Club.

Dr. J. C. Metcalf, Dean of the Graduate School at the University of Virginia, was the speaker at the initiation ceremonies. Dr. Metcalf delivered a public address in the Chapel Wednesday night. He was introduced by Mr. A. G. Williams, national president of Omicron Delta Kappa. Andre

Goetz, president of the local Circle, presided over all the ceremonies.

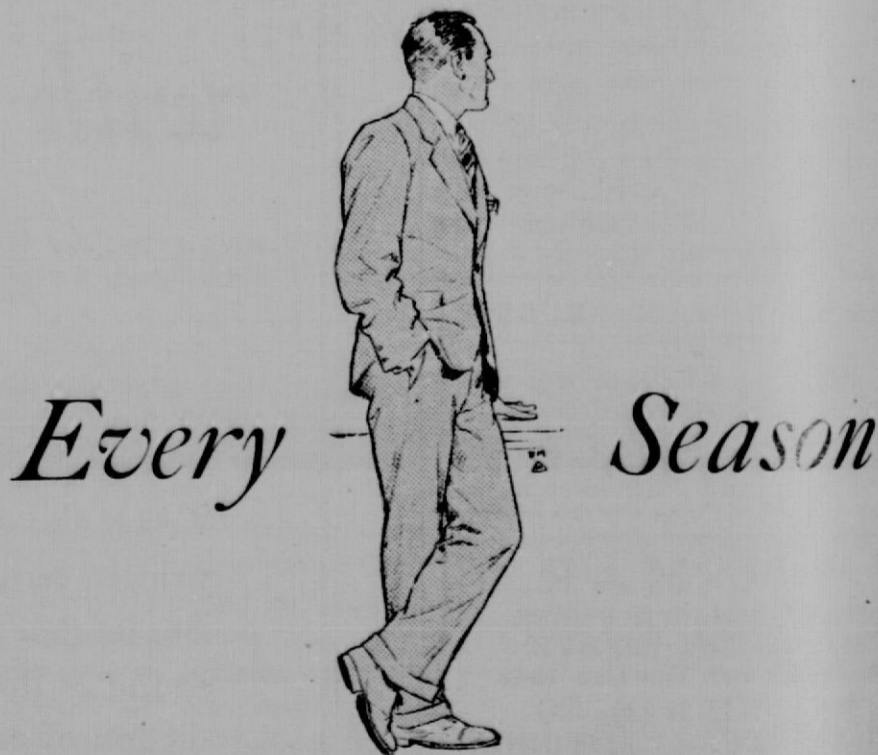

Immediately after the address the members of Omicron Delta Kappa met in th Y. M. C. A. Room in the Blow Gymnasium where the initiation took place. At the conclusion of the initiation the old members held a smoker in honor of Dr. Metcalf and the new members.

Many Pamphlets Are Placed In Library

A number of very interesting pamphlets have been received by the library and placed on the pamphlet table in the front reading room for free distribution to all pre-engineering students. One of these pamphlets is entitled, "Looking Forward by Looking Backward" by Samuel Insull. It is an address made to the students in engineering at Perdue University, last spring pointing out the progress of the engineering profession. The other pamphlet is entitled, "Starting As An Engineer and Engineering Aptitudes" by John Mills, a Fellow of the American Institute of Electrical Engineers. This paper is intended to help engineering school seniors in choosing their first employment by suggesting how to find out about available positions, how to analyze their own interests, and how to compare the offers of employment which they receive. The pamphlet will also prove interesting to prospective engineering students.

Cannonball Found In Yard of Dr. Pollard

A cannon ball, fired from a four inch cannon in either the Revolutionary or Civil War, was recently unearthed in Dr. Pollard's yard by Howard Brooker, a senior at the College. This piece of ammunition must have been fired during the Revolutionary War in the Battle of Green Spring, fought just west of Williamsburg, or during the Civil War in the Battle of Williamsburg. Since this

type of cannon ball which was found was used in both wars it is difficult to determine in which one it was fired. In either case the find is of historical interest because of its recalling the days, when Williamsburg and the campus was a hotly contested battleground.

DEBATE TEAM OPPOSES ARIZONA HERE TONIGHT

(Continued from page 1)

Scholarship. Cooper, a member of the Tucson High School state championship debate team several years ago, and one of the best men in forensic work at Arizona, completes the visiting team. Pattee is a member of Phi Delta Theta, Delta Sigma Rho and Phi Kappa Phi, the latter two being honorary fraternities. Wicart is a member of Kappa Sigma, Phi Kappa Phi and Theta Alpha Phi dramatic fraternity while Cooper is a member of Sigma Alpha Epsilon and Phi Alpha Delta, honorary law fraternity. An innovation in the method of judging debates will be introduced tonight, the result of the contest being

determined by a vote of the audience. The debate council is making extensive plans to take care of a large crowd which is expected to hear the debate. With many outsiders and townspeople interested, seats will be at a premium for the first time at an intercollegiate debate. The program will begin promptly at 8 o'clock.

Duc Track Schedule Includes Five Meets

Coaches Siersma and Chandler have arranged a very attractive schedule for the Freshman Track Team this Spring. Due to the keen class rivalry the most interesting meet will be the Freshman-Sophomore event on April 21.

The tentative schedule follows:

- April 9—Hampton High School, Williamsburg.
- April 17—John Marshall High School, Williamsburg.
- April 21—Freshman-Sophomore, Williamsburg.
- April 29—Newport News High School, Williamsburg.
- May 1—Norfolk Chamber of Commerce, Williamsburg.

J. Harold Lawrence To Give Concert Here

Richmond Artist, Brother of Bill Lawrence, Will Be Presented by the Y. W. C. A.; Details to be Announced.

J. Harold Lawrence, of Richmond, brother of Bill Lawrence, will give a concert here under the auspices of the Y. W. C. A. next Thursday night. He will bring with him a violinist as accompanist.

Mr. Lawrence is well known as a soloist, having given several concerts in Richmond and other Southern cities. He has broadcasted over the air from station WRVA in Richmond both by himself and with his brother who is a student at the College. The announcement did not say whether or not Bill Lawrence would appear on the program.

Complete arrangements could not be learned at the time the Flat Hat went to press. Announcements will be posted giving details of the performance.
