LAMBDA CHI ALPHA BEGINS INSTALLATION CEREMONIES

National Council Here

Initiation of A. T. E.
Men to Order

LOCAL GROUP IS A LEADING FRAT

Alpha Tau Epsilon Was Founded in
1922 and Has Over Fifty Members;
Installation Begins Formally To-
morrow; Dance Tonight

Headed by the National Council and noted dignitaries, the Lambda Chi Alpha National Social Order today beginning the installation ceremonies for Alpha Tau Epsilon, local fraternal organization which received favorable action upon its petition to the national some two months ago. The National Council here today is lead by Bruce H. McIntosh, National secretary.

Although informal ceremonies of the installation are taking place throughout the day, the leading functions will not begin until tonight when the installation dance is held at the Colonial Hotel. Music for the dance is being furnished by the well-known Bedowins Orchestra, of Richmond. The hall is to be decorated in the fraternity colors, of purple, green and silver.

Formal initiation will take place tomorrow afternoon and night while the last function, the installation banquet, will be held tomorrow night at the Colonial Hotel. The installation team which is initiating the new chapter as Epsilon-Alpha of Lambda Chi Alpha is composed entirely of members of Alpha Chi chapter, of Richmond University. Representatives are present from chapters at Washington and Lee, University of Richmond, Duke, North Carolina and North Carolina State and several others.

Lambda Chi Alpha was founded at Boston University in 1909 but is one of the most rapidly expanding fraternities now in existence, having at present seventy-two chapters with a total membership of approximately 9,000.

Alpha Tau Epsilon was founded here in September 1922 and has enjoyed a favorable and steady growth, numbering among its graduate chapter some of the most popular students, athletes, literary men and campus leaders of recent years. Its total

Williams Prove Superior to Marys in General Information Contest; Seniors Best

Having taken the country by storm the "ask me another" fever gave evidence of itself at William and Mary in the General Information Contest held in Phi Beta Kappa Hall on Wednesday night, April 20th.

A large amount of interest was shown in the contest but sensitiveness due to ignorance kept a number from turning their paper to the committee in charge. The total number turned in was 101; 60 from the men and 41 from the women students.

The averages of 51.1 and 56.3 for the women and men respectively clearly indicated that the Williams in scholastic work at least are superior to the Marys.

Winners for the co-eds were Marian Laning '29 and Doris Rathien '28 with averages of 65 and 64 respectively. William Morow '27 and Donald Van Wormer '28 with grades of 78 and 77.5 lead the men.

STUDENT BODY TO ELECT OFFICIALS ON NEXT TUESDAY

Bolton, Cook and Somers Nominated
by Political Parties as Candidates
For Presidency; Christie, Burke
and Eason Up For Vice-President

INTEREST HIGH ON CAMPUS

Men Out For Honor Council Positions,
Managers of Baseball and Track,
Athletic Council and Head Cheer-
Leader Also to be Chosen

William Bolton as the candidate representing the Wilson Party, Allan Cook as the candidate representing the Marshall Party, and H. Chris Somers as the candidate representing the Wythe Party lead the ticket in the student body elections which are to be held Tuesday, May 10. These men have been nominated in one of the hardest fought political campaigns staged at William and Mary in several years.

Other men nominated for student body officers are Thomas Christie, representing the Wilson party, James M. Eason representing the Marshall party and Thomas Burke representing the Wythe party who are all candidates for the vice-presidency and W. B. Atkinson, George T. Morecock and Donald K. Van Wormer for secretary-treasurer each of the latter three being the candidates of the Wilson, Marshall and Wythe parties in the order named.

In addition to the student body officers, others to be filled on Tuesday are the senior, junior and sophomore representatives to the Honor Council, the manager of track, the manager of baseball, the three officers of the Athletic Council and the head cheerleader.

MEN ADOPT NEW CONSTITUTION

Amendments Passed Allowing Definition
of Quorum to be Changed;
Scholarship Requirement on Man-
agers Withdrawn; Others
Still Bound

After much argument as to the legality of action by a group consisting of less than half of the total number of men students enrolled, the men present at a called meeting of the Student Body on Tuesday night in Phi Beta Kappa Hall adopted the revised Constitution for the Student Body and added two amendments thereto. The meeting was conducted by President Henry B. Frazier and there was considerable and heated argument at times of the proposed reforms.

An amendment offered by Carl Andrews, member of the committee which drew up the constitution, will make legal any action taken by the men present at a meeting of the Student Body which has been called with 48 hours notice on the Main Building bulletin board and announcement in the dining hall, even though a majority of the students are not present. The amendment was carried and is generally considered necessary if the

MISTRESS MARY WILL BE GIVEN BY GIRLS CLUB

Operetta of Unusual Beauty Will Be
Presented by Girl's Glee Club
in Phi Beta Kappa Hall on
May 11 and 12

MRS. HIPP DIRECTOR

Theme of Show is Periods in Growth
of the College. Told in Song and
Story; Special Dances Will Feature

Pirates, duelists, tumblers, overall-girls, rose petal group, American beauty chorus, and the Miss Mary Chorus—all of this and much more will be seen in the Phi Beta Kappa Hall on the nights of May 11 and 12, in the operetta, "Mistress Mary," given by the Girl's Glee Club.

The operetta is written around the different periods of growth of William and Mary. The first will represent the court of William and Mary, the second will be the Thomas Jefferson Period, and the third will be the present period of co-education. There will be unique, colorful costuming, and many novelty groups of dancing and songs.

Elizabeth E. Duke will take the part of Queen Mary, and King William will be represented by Dorothy Doggett. James Blair will also be seen in the cast impersonated by Margaret Bilisoly. Jessie Smith will take the part of the Archbishop, Polly Venable will be the page and Peg Bowen the attendant. Soloists will be Noma Fuqua, Merrill Miller, Jane Cochran, Nina Brunk, Mary Alice Currence, Dot Farrar, Ruth James, and Maggie Price.

There will be also a novelty dance by Anna Wilkins, and special feature dances and songs by the Glee Club of twenty from the William and Mary Extension School of Richmond.

The outstanding feature of the operetta will be a festival of roses which will take place in the last scene. A color scheme of pink will be carried out and the thousand roses, made by members of the glee club will greatly enhance the scenery. Upton Thomas, ably assisted, is taking charge of the stage setting and lighting and has worked out a number of unique effects.

Great credit is also due to Mary

Coach Chandler's Team Ex-
pects to Win From
Old Rivals

CLOSE MEET IS NOW PREDICTED

Captain Tiny Grove, Todd, Yates,
Smith, Taylor and Andrews Enter
Last College Meet; Grove
Has Set New Records

With Richmond College as their opponents, the William and Mary track team will stage their last meet of the season tomorrow afternoon. The affair will come off on Cary Field.

This fray tomorrow afternoon will mark the last for several William and Mary veterans who have been with the team for a number of seasons. Captain Tiny Grove, weight man who twice while at William and Mary broke the record for the shot put will toss his beloved sixteen pound ball and discus tomorrow for the last time in a Green, Gold and Silver uniform in an intercollegiate contest. Fans will also see Tommie Yates, quartermiler, Spike Smith, weightman, "Sparky" Andrews, two miler, Ed Wilshin, pole vaulter, Lee Todd, weightman and Ed Taylor, javelin tosser perform in their final meet.

The William and Mary track team this year can easily be termed successful. They have lost but two meets, Dartmouth and Washington and Lee. Dartmouth had an easy time with them, but the Generals, going against a team that was crippled on account of the freshman rule managed to nose out but by a few points.

Richmond has also had a successful season this year, their most significant win being over Washington and Lee. The Spiders are placing their hopes in the hands and legs of Thorpe, miler, half miler and quarter miler, Hamilton, dashman, Martin in the two mile and mile and Cooper in the weights. Cooper is reported to have broken the college record this season in the shot, tossing the pill a little over 39 feet. Tiny Grove, Indian captain, however threw it almost 43 feet against Washington and Lee.

Tomorrow will see all of the Green, Gold and Silver squad in action. What few injuries they have suffered this season, are about healed, and unless something unforeseen occurs, they will be in the best of condition.

Indian Runners Romp on Wake Forrest; Nine First Places Help Double Score

Coach Chandler's dashing Indian track team added new laurels to their crowns last Saturday when they defeated the runners of Wake Forest 81½ to 44½ on the track of the Carolina institution. Though greatly handicapped by the newness and bad condition of the track, the locals came through in fine form and almost succeeded in doubling the score on the fighting Deacons.

Daniel, Wake Forest stellar four-letter athlete, carried off high point

honors when he captured first places in the high and low hurdles and the broad jump and a third in the shot put. His terrific leap of 22 feet in the broad jump was one of the features of the meet.

The locals out-classed the downhomers in all of the running events and allowed them only one first in that phase of the meet. Kent carried off honors in the pole-vault and soared over the standard at the height of

LOCAL DEPT. IS TO CONTRIBUTE

Drs. Morton and Bruce Asked to Contribute Chapters to "Dictionary of American Biography," Have Been Prominent in Historical Research

Two members of this History Department at William and Mary, Dr. Richard Lee Morton and Dr. Kathleen Bruce have been asked to write several chapters apiece for the "Dictionary of American Biography." This historical work which is being sponsored by the Council of Learned Societies is being edited by Dr. Allen Johnson, professor of History at Yale University. When completed, which will take almost a decade, this set will be the "latest word" in historical references.

In connection with this Dr. Bruce is writing a history of John Berkley, the first iron manufacturer in America, whose blast furnace was destroyed in the massacre of 1622. Besides this she expects to contribute several other chapters.

This summer Dr. Bruce will go to Cambridge where she will have access to the Harvard Library in writing a chapter on "Massachusetts Women in the Revolution" for a five volume historical set, "The Commonwealth History of Massachusetts." In the preparation of this history, which is being edited by Dr. Albert Bushnell Hart, Professor Emeritus of Harvard, are seventy men and six women recognized as authorities in their field.

In addition to this Dr. Bruce reviewed "Jefferson and Hamilton" by Claud G. Bowers on March 22nd before a woman's club in Richmond. Articles by Dr. Bruce on the Economic Factors in the Manufacture of Confederate Ordnance and on the Manufacture of Ordnance in Virginia. During the American Revolution have appeared in the "Army Ordnance" published at Washington.

Recently she has been asked to serve as one of the advisers at the Southern Institute of Politics to meet at the University of Georgia in June. For the last three years this institute has been held at Greenville, S. C., as the Furman Institute of Politics.

Dr. Morton has already written accounts of four men for "The Dictionary of American Biography." Those he treats are:

Thomas H. Bayly of Accomac.

John S. Barbour, Sr., of Culpeper who was a student at the College of William and Mary in 1806, a member of the state constitutional convention from 1829-30, and later a congressman from Virginia.

John S. Barbour, Jr., a senator from Virginia and under whose influence the democratic party in the state was re-organized in 1883.

Carter Braxton, who was educated here and later became a member of the Board of Visitors of the College.

Recently Dr. Morton has been honored by being appointed by Governor Byrd to the Advisory Committee of Historical Markers of the Bureau of Archaeology and History at the recommendation of the State Commission on Conservation and Development. Others placed on this committee are:

Dr. Douglas S. Freeman, of Richmond; Dr. H. R. McIlwaine, of Richmond; Dr. Lyon G. Tyler, of Richmond; Dr. W. G. Stanard, of Richmond; Dr. J. A. C. Chandler, of Williamsburg; Dr. P. A. Bruce, of University; Dr. D. R. Anderson, of Lynchburg; Dr. J. P. McConnell, of Radford; Dr. J. W. Wayland, of Harrisonburg; Dr. S. C. Mitchell, of Richmond.

The duty of this commission will be to render their opinion on the accuracy, historical facts, and texts of the markers from the material prepared by Dr. H. J. Eckenrode, director and his field assistant J. R. Horsley.

ALPHA CLUB TAP FALLS ON FIVE

Marjorie Lacy, Elizabeth Lam, Ruth James, Billie Shelton and Page Drinker Receive Highest Honor Bestowed by Women of College

At the meeting of the Woman's Student Body in Phi Beta Kappa Hall on Tuesday, the Alpha Club announced the members elected for next year. The active members who are Virginia Ayers, Kitty Myrick, Anna Wilkins, Caroline Ribble, Margaret Holman, Lady Byrd Hurt, Minnie Rob Phaup, Ruth Yeamans, Anna Withers and Lucy Jessup, led by the president Miss Maxwell Brockenbough, took seats on the stage. Miss Brockenbough explained that choice of members is on the basis of scholarship and activity leadership. The members must have an average of at least 85 per cent on all their work and must be an active worker in school activities. Members must be chosen from the Junior class.

The following five girls were chosen as most representative of what Alpha stands for: Marjorie Lacy, Elizabeth Lam, Ruth James, Billie Shelton and Page Drinker.

Alpha was the first organization founded for women at William and Mary when the school became co-educational. At first it was more or less social in nature. Now it stands primarily for scholarship and leadership in activities and is not social. Although at present it is local, plans are being made to petition the National Honorary Organization for Women, the Mortarboard. One of the requirements for making this is that the college must be a member of American Association of University of Women. Since the college of William and Mary has been recently admitted to A. A. U. W. the Alpha hopes to make national within the next year.

Each year the Alpha contributes something to the general welfare of the college. This year they are helping finance the "Lodge" which is to be built at the lake for the girl students.

Members of the faculty who are members of Alpha are: Misses Emily Hall, Martha Barksdale and Elizabeth Mercer.

KELSEY ORATOR FOR WM. & MARY

D. Arthur Kelsey, Jr. Represents College at State Oratorical Contest Tonight in Ashland; Has An Excellent Record

Friday night at a joint meeting of the Philomathean and Phoenix Literary Societies the tryouts for William and Mary's representative to the Virginia State Oratorical Contest was held. There were several contestants from each society, and the subjects covered were varied. The tryout was won by D. Arthur Kelsey, Jr., whose subjects was "The Unfinished Task."

Kelsey is a Freshman, having only entered William and Mary in February. He is not new to forensic work, however. As a student of Maury High School of Norfolk, he has been active in all types of literary and forensic work during his four years. He was a member of the Maury Debating Team which won the championship of Tidewater Virginia in 1926, and he represented Maury at the State High School Debating and Oratorical Contest held at the University of Virginia last Spring. Kelsey is a pledge of the Kappa Alpha Order.

The State Oratorical Contest will be held tonight at Randolph-Macon College in Ashland. Representatives will be there from the nine colleges and universities of Virginia who belong to the Virginia State Intercollegiate Oratorical Association.

YOU'RE an experienced smoker. You know good tobaccos. You know taste and fragrance.

And you insist on the best—that's Camels. Only the primest tobaccos grown are good enough for you—the experienced smoker. Whatever you do you are going to do right, if you know it.

If Camels weren't the best, they would not be far and away the first. If Camels weren't quality supreme, they would not be the overwhelming preference of smokers who have tried every brand.

Your taste tells you the tobacco difference in cigarettes and you're going to smoke the best. Your advice to others is—"Have a Camel!"

SPIDERS WIN FIRST GAME OF ANNUAL SERIES

CO-EDS TO HAVE TELEGRAPH TRACK MEET HERE

Just A Word About Sports

By "DAUBA"

Along with the balmy April breezes and May flowers comes a gentle reminder, in the form of defeat, that the Richmond "Jinx" still exists in the wilderness between here and Spider land.

With the grace of the gods and a fast track team, the score will be wiped out tomorrow on the Cary Field path.

A win in football and a tie in basketball with baseball and track still in doubt, is the present time standing of the Richmond and William and Mary relationship.

The meet tomorrow will be one of the best in the state for the year and deserves the whole-hearted support of the entire student body, both men and women.

The Wake Forest track, while it may have great prospects for development, was not in the least on to be used in record breaking performances.

Thompson's spectacular catch in the Richmond game last Saturday has received no little comment.

Jimmy Wallace deserves congratulations for his work against the Spiders. His control was perfect and his efforts should have been rewarded with a victory rather than defeat.

May Day will give the students a chance to size up the athletes among the co-ed half of our little group.

SPIDERS DOWN BRAVES 4 TO 1 IN FIRST GAME

Indians Wallop Ball All Over Stadium Without Producing Hits off McCary's Delivery; Proves Fatal to Hopes

GAME WELL PLAYED

With But One Bad Inning, Wallace Hurls Good Ball Against Ancient Rivals, Losing His First Game of the Season

Bunching their hits in the first inning to score three runs, the University of Richmond baseball team triumphed over William and Mary Saturday afternoon in Westhampton 4 to 1.

The game was another case of both teams being out for blood in their ancient pastime, that of trying to wipe up each other in athletics, between the two institutions.

Most of the scoring came in the first frame. Bloxson led off by working McCary for a free trip to first, stole second, went to third on a sacrifice by Thompson and scored on a hit and run play in which Eason went out at first.

After this, the fray settled down to one of the prettiest pitcher's duels staged on Stadium field this season.

Thompson, Indian captain and third sacker was the fielding high light of the game.

Robins was the hitting star of the game with a single and a fourbagger out of four trips.

WOMEN TO STAGE 1ST TRACK MEET

William and Mary to Meet Sweetbriar in Novel Athletic Affair; to Mark First Track Meet Between the Two and to be Telegraphed

A novel and interesting feature of the women's athletic program for this year will be held in the track meet with Sweetbriar.

The following are the rules governing the meet between Sweetbriar and William and Mary:

- 1. The contest shall be based upon the average performance of a group of 30 students. Each contestant shall be recorded in the three events. The highest individual score shall be reported for interest but shall have no bearing upon the scoring of the meet.

INDIANS MEET R.-M. TOMORROW

Only Seven More Games Left on Schedule, With Northern Trip Beginning Next Week; Last Game With Princeton

With but seven more games left on the schedule, the William and Mary baseball season is rapidly nearing an end.

The Taskerites journey over to Ashland tomorrow to cross bats with Randolph-Macon.

The first trip north will start next Tuesday, with the Indians opening play the following day in Bethlehem, Pa., where they will meet Lehigh University.

FRESHMEN DOWN RICHMOND BOYS IN TIGHT GAME

In one of the hardest fought games played on the local diamond this year, the William and Mary Freshmen turned back the strong Boy's Club nine from Richmond Monday afternoon in a decisive game by a score of 7-4.

Spencer and Lawson held the position on the opposite end of the battery while Ringland played his usual fast game at the hot corner.

The Boys' Club team has the earmarks of a well trained ball club, being made up of some of the best amateur baseball talent in the city of Richmond.

The name of the queen and her attendants is still a mystery, but some of the others who are taking part in the festival are Mrs. J. Baskerville Zehmer, who was formerly Miss Virginia Smith of this college, Marion Harrison and Elizabeth Tanner, Herolds; Mattie Rountree, Crown Bearer; and Charlotte Miley, Sceptre Bearer.

The planning and training for the whole May Day has been done entirely by Miss Marguerite Wynne-Roberts and the success of the performance will be due to her untiring efforts.

Queen of May Will Not be Announced Until She is Crowned; Physical Education Classes to Furnish Program

A bugle call will herald the beginning of William and Mary's annual May Day next Tuesday, May 10th, at 4:30 P. M.

The classical idea will be carried out in costumes and dancing. Greek maidens in pastel shades, warriors and athletes will be seen and some of the Greek sports and games will be depicted.

The Universal Holiday

Many times each year the nations of the world celebrate some memorable day in their history. Great statesmen and generals are so honored and national heroes receive the plaudits of the people. Men who have devoted their supreme efforts to the field of man's greatest folly—war—are put upon a pedestal, while too often the greatest hero of all ages, of all time, is forgotten. The greatest hero never took a life, never plunged a nation into hideous carnage, never bereaved the homes of millions but rather has given life a million times without number, has inspired more noble deeds than history will ever record, has been the steadying influence upon the souls of men since the dawn of creation, and continues a guiding star to every man who treads the highway of life.

"Mother" is the first word in every language under the sun. It is the first word upon the infant's lips. It is the refuge of the growing youth, the last call of the dying upon a thousand blood-soaked fields. What magic memories it recalls! Mother is the greatest idealist, the greatest dreamer of all time. While her child is but a babe in arms she dreams for him the glowing successes, pitfalls and triumphs of the future. She gives him life, steers him through the happy days of youth and then with fondest hopes, launches her heart with him upon the voyage of life.

Every mother who sends her sons and daughters to college, entrusts to them the making of a life ideal. She sacrifices that they may have the best, that they may be better fitted for the task. She prides herself in their success and sympathizes in their lack of success but she never ceases to match. If every college student were conscious of his mother's dream for his success and worthy of her confidence many of the grains that filter through the glass of time would be far worthier spent, more letters would find their way home, more tears would be smiles, and more fond dreams would never be shattered.

The same God who gave the earth its mothers has given it the next most beautiful thing to wear in her memory. A rose as such is only a rose but a rose for mother is something far different. For the one who bears the cross of humanity even a rose seems something small and swift fading. Let it be worn, but with it dedicate again a life to the dreams of mother and it will leave behind it new purpose and renewed ideals long after its petals have wasted into dust. Sunday is Mother's Day.

Questions Again

We print in open forum this week a letter from "Interrogator" who speaks his mind upon several matters. With some of them we have nothing to do but to two or three we will reply. Concerning the pitching situation and the lack of spirit, we believe there is nothing in common. The student body as a whole and individually, too, for that matter can answer the question. If half the energy spent in "gripping" were given over to cheering, the whole college would have a bad case of earache.

Concerning announcement of coming events, THE FLAT HAT is only too glad to publish reports if it is "let in on the dope" by those in charge of that particular activity. As a matter of fact several agencies on the campus are very hard to get news from as the reporters of the paper will testify.

It is with pleasure that we announce that the McGrath Memorial has not been forgotten. The fund was raised and is in safekeeping. A suitable tablet has been designed and is being cast. It will in all probability be dedicated during the final exercises.

Speaking of laundries—the Mississippi flood seems to have washed the Chinese War off the front pages of the newspapers!

OPEN FORUM

Editor Flat Hat.

Dear sir:

In this column a lot has been said about many things, if I may, I would like to say a little about a few things.

1. The author of the editorial about this column in last week's Flat Hat deserves congratulations. When radicalism or false opinions are to be omitted from places devoted to the free expression of the mind—too often the ideas of the censor interfere with that "free expression of the mind." Hence, it is best, as you well said in your editorial, to print everything and let the readers, or whoever cares to, criticize "thus we may find the truth."

2. Most of the students of the college eat in the Dining Halls. No doubt, they too, have found that the tableware is not always as clean as it might be. By merely running all of the silverware across something white the purpose of this comment will become evident. Perhaps a little more care or "Gold Dust Twins" would improve matters.

3. Some weeks ago a Longnosed Senior wrote a letter. It seems to me that he has set the goal too far off and not shown the immediate steps necessary. If the students were educated and informed of current and important matters they would take an active interest in the politics the Senior mentions. Let us have a good lecture on Birth Control in convocation so that the students will realize what it means. Then they can actively champion it and help educate the folks at home, and in time get something done. If not Birth Control some other vital subject. But why not that?

4. I have not heard that song lately "With blank as our **** we fear no harm" perhaps keeping a good pitcher on the bench a whole season and letting another wear himself out has something to do with it. Has it?

5. Many scheduled events have taken place on the campus recently without the merest announcement. How can the student body support or take interest in anything it is not informed of?

6. Last fall a great stir was made to honor McGrath. At the Richmond game he was remembered and spectators said "Now, if McGrath were here it would have been—." But THE McGRATH MEMORIAL HAS BEEN FORGOTTEN! Where is it?

7. Will the administration support the employment bureau financially? Other colleges do.

8. Twice in the writer's memory the gates of the front campus were put up—in cardboard—perhaps finding cardboard impermanent it has been decided not to have any. But what of the little old lady who contributed for them, and sent to England for the figures for it?

Respectfully yours,
Interrogator.

JAMES T. DISNEY, Manager

STUDENT BODY TO ELECT OFFICIALS ON NEXT TUESDAY

(Continued from page one)

Nominations were held in the present junior, sophomore and freshman classes last week, but on account of the ineligibility of a majority of men first selected further nominations had to be held. The final nominations of the three classes as presented to student body secretary, M. C. Andrews are:

For senior representatives: William Thompson, Logan Hudson, Henry Criglier and M. C. Davis.

For junior representatives: "Doc" Hurt, Arthur P. Henderson, John Hozier and Ed Justis.

For sophomore representatives: Marshall Bassett, James D. Brown, Percy Warren and Robbie Yeatts.

Nominations managers are made by the teams at the end of the candidate's second year of assistant managership. Those nominated for baseball manager are William Thompson and W. C. West, those for track, W. J. Blackwell and L. W. P'Anson.

The Athletic Council is self-perpetuating as far as nominations go, although two men are nominated for each office. Those whose hats have been placed in the ring are:

For president—F. O. Clarke and A. Z. Williams.

For vice-president—Logan Hudson and Carlton Macon.

For secretary-treasurer — Bobbie Barrett and R. G. Todd.

There has been only one man nominated for head cheerleader, he is Lloyd H. Williams who has been out as assistant since the first of his freshman year and is the only logical man for the position.

Politics on the campus of William and Mary this year have reached proportions that have not been reached for several years if ever before here. This is the first year that parties have come out in the open to nominate men for offices. Previous to this year nominations were made in open meetings of the entire student body but due to a change in the constitution of the student body this year, this method was changed to the present as far as the president, vice-president and secretary-treasurer go.

Co-ed Athletic Association Elects Officers for 27-28

Elections of the Women's Athletic Association were held last Monday for the President, Vice-President, and Secretary-Treasurer for 1927-28.

Miss Elizabeth E. Duke, a member of the Junior class, who has played two years on the basket-ball squad, besides being prominent in other activities is President.

Miss Nancy Burke, a sophomore, is Vice-President. She played on the team last year, takes part in other athletics.

Miss Lucy Pilcher, a Freshman, was elected Secretary-Treasurer, and promises to be good material in the Athletic Department.

CLUB HIKE 14 MILES

Five members of the hiking club went on a fourteen mile hike to the York river Saturday. There Mrs. Thomas welcomed them with big glasses of grape juice, and they enjoyed a sunbath on the beach in front of her house. Their average was fifteen minutes per mile.

MEN ADOPT NEW CONSTITUTION

(Continued from page one)

student body is to ever be in a position to conduct business.

Jack Irwin offered an amendment, exempting all candidates for varsity manager from the scholarship requirement concerning the number of hours work to be passed during the months of the term in which the election is held. The amendment which was adopted, takes effect at once and allows one man to run who otherwise would have been disqualified. It does not, however, effect the other men disqualified shortly after the recent nominations for Honor Council and Student Body offices.

A motion to pass an amendment providing for the election of all managers by the varsity students was withdrawn after much discussion and the whole matter referred to the committee which drew up the constitution, who are expected to report within the next two weeks, it is understood. The committee consists of F. James Branes, chairman, A. Z. Williams, A. B. Britton and M. Carl Andrews.

eleven feet. An attempt to tie the college record of 11 feet 3 inches by "Buck" Young was missed by inches.

Grove, as usual, was good for two first places and Green and Davis placed in both of the sprinting events. Gresham in the mile was disqualified after taking third place for stepping out of the doubtful bounds of the track. His run however was a great one and he finished far in advance of any opposing runners.

The summary:
100 yard dash — Rackley, W. F.; Green, W. & M.; Davis, W. & M. Time 10.1.

220 yard dash — Davis, W. & M.; Green, W. & M.; Kinsey, W. F. Time 24.

Local Carlo Bellini Circle Given Nat'l Recognition

The Carlo Bellini Circle of the College of William and Mary has been given recognition by the Italian Intercollegiate Association according to an announcement made by Jeremiah Foglia, president of the local circle. This recognition came shortly after application was made to the national organization and is a high honor. The Carlo Bellini Circle although having been in existence but a short time is making remarkable strides in carrying on its program in the interest of Italian culture and scholarship at William and Mary and should accomplish considerable by the opening of the fall session.

Eighteen members of the University of California baseball team, the national champion manager are to make a twelve-game trip to Japan and to the Hawaiian Islands this coming summer.

INDIANS MEET R.-M. TOMORROW

(Continued from page three)
to be gems however, so they are traveling at an excellent pace now.

The rest of the games will be return matches for those played on Cary Field earlier in the season. On the 12th, the Indians meet Yale in New Haven, Harvard the following day in Boston, and Holy Cross on the 14th in Worcester.

What the Taskerites will do in these games in a matter of mystery. When Yale was south, the locals nosed out over them 3 to 2. Holy Cross who was here a few days later returned home with a 6-1 victory under their shirts but with only three hits to their credit, errors and walks being responsible for the loss. Harvard and William and Mary engaged in a weird game here Easter Monday with the Crimson finally taking the contest 11 to 9. The game, however did not show what each team could do as it was played in a mass of bickering, bad breaks for both sides and the like.

Following this trip the Indians will cross bats with Guilford here May 18 and will go to Princeton three days later where they will meet the Tigers in the final affair of the season.

Electricity can do for
about 2 cents an hour

More than 60 per cent of the mechanical power used by American industry is applied through electric motors. But the electrification of the tasks performed by man power has hardly begun. Electric power not only saves dollars; it conserves human energy for better purposes and raises standards of living. College men and women may well consider how electricity can lessen the burdens of industry and of farm and home life.

You will find this monogram on all kinds of electric equipment. It is a symbol of quality and a mark of service.

 Since its purchase the house has been renovated and restored. The work has been done in consultation with authorities of the American Wing of the Metropolitan Museum of Art in New York City. The restored building is to be used as the Bruton Parish parish house with special reference to ministering to the spiritual, social and cultural life of the students of William and Mary.

 This operetta is the first thing of its kind ever given at William and Mary. Those who are expecting to see a peppy musical comedy will be disappointed. It is not. It is a quaint operetta composed of dainty girls in lovely costumes, whose charm alone insures success.

Rain Prevents W. and M.-Geo. Washington Matches

Because of the steady downpour of rain which greeted the team upon their arrival in Washington, the W. & M. tennis matches with George Washington were prevented.
 Those who went on the trip were: Captain Marguerite MacDaniel, Manager Helen Osmond, Elizabeth Tanner, Laura Whitehead, and Julia Leach.
 George Washington's team will make a return trip to play the Southern belles here later in the season.

The questions provoked some interesting and even pathetic answers. One of the facts especially noticeable was that a large per cent of those participating did not know the name of the author of "Alma Mater." Quite a number made "Art" Matsu and some "Meb" Davis captain of the Indianettes for the past year. Some declared Dr. Chandler to be the Mayor of Williamsburg while others contended that he was author of "Alma Mater." The northern students declare molasses to be the candy of the South.
