## GOODWIN ACCEPTS CALL TO RETURN AS RECTOR OF THE OLD BRUTON PARISH CHURCH

### Will Continue His Service On Faculty

Professor of Religious Education and Director of Endowment Campaign of College Will Retain Positions While Returning to Old Charge.

The Vestry of Bruton Parish Church has announced that Dr. Wm. A. R. Goodwin, of the faculty of the College of William and Mary, has accepted the unanimous call extended to him to become again the rector of Bruton Parish Church, Williamsburg, Virginia. The rectorship was recently left vacant upon the resignation of the Rev. E. Ruffin Jones, who left Bruton to become rector of St. Andrews Church, Norfolk.

Dr. Goodwin will continue his connection with the College of William and Mary, doing a limited amount of teaching work in the Department of Religious Education. He will also continue to serve as the director of the Endowment Campaign of the College.

Arrangements have been made by which an assistant will be secured to share with Dr. Goodwin the work at Bruton Parish and the outlying points to which Bruton ministers. The clergy of Bruton will minister to Grace Church, Yorktown, Hickory Neck Church, Toano, and take the Sunday afternoon services at Jamestown.

Dr. Goodwin was rector of Bruton

### Co-ed Minstrel Is Monday and Tuesday

Auditorium of Williamsburg High School Selected for Presentation of Annual Show; Many Features Under Mrs. Hipp and Snuck Elliott.

The Co-ed Minstrels will be presented for the first time this year in the High school auditorium on next Monday night, and repeated Tuesday, with a personnel and directing staff which easily surpass anything in previous years. The production is for the benefit of the Kate Custis Circle of King's Daughters. Mrs. K. J. Hoke is general chairman, and Miss Kate Cannon, vice-chairman of the managing committee. The directors are Mrs. Hipp and Snuck Elliott, Mrs. Hipp having charge of the music. Advance rumors give reason for believing that the music will be especially attractive, consisting not only of solos, but also of quartettes, folk songs, with dance numbers, beside a splendid chorus. Judging from the quality of directing and the amount of time spent in training and preparation, the girls' minstrel this year should be well worth witnessing. The performance

### Gettysburg Debaters Meet W. & M. Tonight

Second Northern Team to Appear This Week Will Debate Local Trio in Chapel Tonight at 8 O'clock; Have Had Wide Forensic Experience.

William and Mary will debate against the second Northern opponent of the week here tonight, when the local team, consisting of W. H. Elliott, L. L. Born and M. Carl Andrews, meets a team representing Gettysburg College, of Gettysburg, Pa. The question for debate will be: "Resolved, That the Government Should Control and Operate the Coal Mines," William and Mary upholding the affirmative and Gettysburg the negative.

Gettysburg will be represented by L. S. Straley, C. Robert Kase, and Ralph A. Nixdorf. The first two are seniors and have participated in intercollegiate debating for four years, while the latter, a junior, is debating for his third season. The team will be accompanied by Dr. Thomas L. Cline, head of the Department of English, and faculty coach of debating, and Stewart H. Smith, who is manager of debating at the college, as well as a member of the team. All are members of the Tau Kappa Alpha National Debating Fraternity.

Gettysburg has established an enviable reputation in debating during the past few years. Last year they sent a team through the Middle West and this year the team is making a tour of Virginia, meeting Washington and Lee, Richmond, Hampden-Sidney and William and Mary. Already this year they have debated against Oxford University of England, Swarthmore College, Juniata College, Capital University of Columbus, Ohio; Franklin and Marshall College and Bucknell University, meeting in all these engagements but one defeat.

### Wake Forest Here For Game Tomorrow

William and Mary Meets Deacons Tomorrow and Lynchburg Hornets Monday in Last Games Before Richmond Struggle On April 13.

Only two games are to be played between now and the twenty-third, when the Green, Gold and Silver crosses clubs with the Red and Blue ball-tossers from Richmond in the first game of their two-game series. These intervening contests will be played tomorrow and Monday on Cary Field, with Wake Forest and Lynchburg aggregations. During the last week, Coach Tasker has been developing a new infield combination which may be put into play during the game. It is possible that McGrath, Livingston or Taylor will take the mound for the Indians.

Both Lynchburg and Wake Forest are reputed to have good teams this year, but the Taskerites should have little trouble in annexing both games.

### Senior Class Day Is Planned For April 30

Reception and Prom to Be Undertaken by Present Senior Class for First Time; Dance Will Be Feature of Day, According to the Committee.

Friday, April 30, will be the Senior Class Day, if the plans worked out by a committee consisting of Andre Goetz, Joe Perkins and Chesty Cain are carried to completion. The Seniors will hold on that day a reception and, in the evening, the first Senior prom. The present Senior class is a pioneer in both undertakings.

In the afternoon, from four to six, the Seniors will hold a social in the "Y" room at the Blow gymnasium. No one but Seniors will be admitted. Entertainment will be offered by members of the class and refreshments will be served to those present. Louise Sale, vice-president of the class; Wilhelmina Swann and Virginia Smith will serve as the hostesses of the afternoon.

Beginning at 9:30 in the evening the Senior prom will be held on the court of the Blow gymnasium. This dance will be formal and will be attended by only Seniors and their guests, each Senior being allowed to invite one student from the lower classes. Attractive decorations have already been planned and the Indian Serenaders have been engaged to supply the music for the occasion. Further arrangements are in the hands of the original committee.

### Journalists Visit Williamsburg Today

Members of Pan-American Conference of Journalists Are Touring the Peninsula and Other Historic Parts of State; Guests of College Today.

Coming under the auspices of the Virginia Chamber of Commerce, the Pan-American Conference of journalists, representing 100 foreign newspapers, as well as the leading newspapers in the United States, which has been in session in Washington from April 7 to 13, will arrive in Williamsburg this morning on route

### Petition Granted To Iota Mu Pi Frat.

A telegraph message received Tuesday by the members of the Iota Mu Pi sorority stated that their petition to the Phi Mu national had been acted upon favorably, and that the local group had been granted a charter.

Details concerning the action of Phi Mu and the date of installation could not be learned at the time that The Flat Hat went to press. An early completion of details and subsequent installation is expected.

### Indian and Jacket Harriers Meet Today

Track Meet This Afternoon Will Give William and Mary Runners a Chance to Get in Shape for Triangular Affair Here Next Saturday.

Coach Welch's Yellow Jacket track team will be the opponents of the William and Mary cinder team this afternoon on Cary Field. Last Saturday, while V. P. I. was defeating local teams, Richmond was taking Randolph-Macon's measure by a worse score, so the outcome this afternoon could greatly favor the Green, Gold and Silver runners.

Weaver, versatile dash man, and Arden, cross-country star, are expected to give the greatest trouble among the visitors, while the local runners should find easy going in all the other events.

The meet will be in a way a preliminary to the Washington and Lee-Howard-William and Mary encounter next Saturday. The Crimson team is expected this week-end as guest of the college for a week's workout on the Cary Field track, and the triangular meet will furnish the climax to their visit here. Many collegiate stars will be here with the team, and a view of these men in operation will be a great treat to the track fans of this section.

### Delta Pi Sigma Is Granted Its Charter

Local Chemistry Fraternity Installed As Chapter in Theta Chi Delta National Tuesday Night; Ed Van Lear Elected as the National Treasurer.

Delta Pi Sigma, local chemistry fraternity, has succeeded in obtaining a charter from the Theta Chi Delta national and the chapter was installed

GETTYSBURG COLLEGE DEBATING TEAM

The debating team of Gettysburg College, of Gettysburg, Pennsylvania, which meets William and Mary in Chapel tonight. First row (left to right): C. Robert Kase, Dr. Thomas L. Straley and S. H. Smith. Straley, Kase and Nixdorf will compose the team in tonight's debate.

**New York Glee Club Well Received Here**

Over Six Hundred Attend Excellent Concert Given in Blow Gymnasium; Soloist and Quartet Prove to Be the Most Popular.

The New York University Glee Club gave its initial performance in Williamsburg at the Blow gymnasium on the evening of April 10 before a crowd of approximately six hundred persons. This concert ended the club's first tour of the South. The club, under the direction of Mr. Albert Greenfield sang many of the popular concert pieces and their efforts were enthusiastically received by the audience.

The tenor solos by Mr. Randolph Weyant and the numbers by the quartet were the most popular parts of the program, the quartet being recalled several times. "Swansea Town" and "Lamp in the West," two numbers which were chosen as prize songs in the Intercollegiate Contest, the latter being the bone of contention which caused Harvard to withdraw from the contest, were rendered by the club as a special feature. The club closed the program with the official university song, "The Palisades."

The tour of the songsters was a decided success, and it is expected that the Southern tour will become an annual part of their schedule.

The program was as follows:

1. The Violet.....Genns '00

**Road Debate Team In North Carolina**

Marston and Stewart Met Wake Forest There Last Night on Recognition of Soviet Russia; Debate N. C. State in Winston-Salem High School Tonight.

William and Mary's road debating team, consisting of W. F. Marston, Jr., and R. E. B. Stewart, Jr., met Wake Forest on the latter's home floor last night in the first of a series of two debates to be held with North Carolina colleges on the subject, "Resolved: That the United States Should Recognize the Soviet Government of Russia." The locals upheld the affirmative side of the question.

Tonight the team meets North Carolina State College in Winston-Salem on the same subject, defending this time the negative. The debate will be held in the excellent new auditorium of the Richard J. Reynolds High School, which, it is understood,

will accommodate an audience of two or three thousand people.

The Winston-Salem debate with N. C. State is in the form of a return engagement for the debate which was held here on March 29 in which William and Mary received a two to one decision over the visitors. The contest is being sponsored by the Twin City Sentinel, the Winston-Salem daily newspaper. Mr. H. F. Dwire, editor of the paper and chairman of the city school board, is presenting a silver loving cup to the winning team. The Carolina team is composed of J. E. Tiddy and J. D. Conrad, both juniors.

Marston and Stewart are expected to return to college sometime tomorrow.

**Castenada To Speak In Chapel April 21**

Second Lecture of Series Will Be Delivered on Bolshevism in Mexico; Members of Spanish Club Furnishing an Entertainment Program.

The second lecture in the series presented each Wednesday night for the next few weeks will be given in the college chapel April 21. At that time Senor Castenada, professor of Spanish, will discuss Bolshevism in Mexico. The speaker is well qualified to present this phase of the question, being a native Mexican, a student of history and a frequent visitor to his native country. He will illustrate his talk with pictures procured last summer while in Mexico.

Musical numbers will be offered by Wince Irwin and Ed Wilshin. Martha Claiborne and Dick Angel will dance the original Argentine tango as an added attraction. The lecture is given under the auspices of Los Quixotescos, the honorary club of the Spanish department, and the proceeds will go to the library.

**Do You Want To Work Next Summer?**

Here Is Your Chance; Only a Few Places Left.

The National Map Company, of Indianapolis, Indiana, is offering \$460 for a summer's work, a sum amounting to over six dollars a day, according to the ability of the worker. They have not, as yet, filled their quota of men from William and Mary. The company offers unusual opportunity to men who are willing to work.

Details regarding the work can be obtained from R. R. Jones, 319 Monroe Hall, William and Mary representative, who has worked with the company for the past two summers.

# INDIAN SPORTS

## A WORD ABOUT SPORTS

With Wake Forest and Lynchburg meeting the Indians on Saturday and Monday, William and Mary will have a few more days of grace remaining to them before they tackle the University of Richmond in their annual diamond clash. The event is being awaited with a great deal of interest by both teams, but mostly by the Indians.

The Freshman-Sophomore track meet scheduled for the twenty-first promises to bring the two lower classes once more to grips. Both classes are well represented on the varsity squad, and a meet that will be interesting to the whole Student Body is expected next Wednesday.

It seems a bit unfair that freshmen trackmen were allowed to compete against V. P. I. and then not allowed the points made by them to count for the Indians. There were several first and second places made for the Indians which were ruled out because the winners were freshmen.

Although the Indians lost to Holy Cross last Saturday by a decisive score, the figures do not show just how the game was played. Mike Smith, while as yet only a freshman, ran his average over .900; and there are still a large number of games to be played before the Indians' season closes. It is superfluous to say that everyone is watching his playing with a great deal of interest.

At the same time that the Indian baseball team meets University of Richmond here, the men's tennis team will be in Richmond battling the Spider racqueteers. Indians and Spiders just can't be kept apart.

We are wondering if the co-eds are going to put on a track meet among themselves this season as they did last year. It is quite evident that tennis is not attracting all the girl athletes.

## Frosh Victorious In Initial Meet

Hampton High School Loses to Freshmen; Visitors Prove Efficient in Field Events; Holtzclaw High Scorer.

The William and Mary freshmen opened their track season here last Friday by defeating Hampton High school 63-45. The visitors defeated the freshmen in the field events, Holtzclaw being the high-point scorer and the outstanding man in the meet.

The visitors scored 14 points in the running events, while the Little Indians piled up 40 points in this department. In the field events the Hampton lads bettered the frosh, holding the long end of a 31-23 score. Holtzclaw, Gardner and Holt, all Hampton boys, took places in the order named with the discus, the former hurling it 95 feet, 10 inches, for the first place.

## W. & M. Harriers Lose To V. P. I. by 84-42

Ineligibility of Freshmen Taken on Trip Hits Indians Hard; Grove and Thomas Take Only First Places for William and Mary, Proving High Scorers.

The track team suffered their first defeat of the season last Saturday at V. P. I., when the Gobblers succeeded in running up a 84-42 score on them, the Indians gaining only three first places out of a possible fourteen. Thomas' work in the high jump and high hurdles accounted for two of these and, with a second place in the low hurdles, he acquired thirteen points to become high-point man of the day. Grove was second, with a first in the javelin and second in the shot-put and discus throw, losing in the latter by a scant four inches to Lund, holder of the South Atlantic record.

Smith, freshman low-hurdler, easily defeated his opponents in that event, but was declared ineligible immediately after the race by the officials. Hooff took second in the 100 and 220-yard dashes, and Yates lost the decision to Hutchinson by a freak breaking of the tape, the latter using his hand to accomplish the feat.

The Indians were greatly handicapped by the slow track and the coaches

are anticipating a return match with a different outcome on the local path next year.

## Holy Cross Defeats Indian Nine 13 to 4

Crusaders Land on Two William and Mary Pitchers in Hardest Hitting Game of Season; Mike Smith Polls Two Homers, Batting Perfect.

The William and Mary Indians were forced to bow in defeat before the fast aggregation from Holy Cross College last Saturday by the score of 13-4. Although the Indians drew first blood when they made two runs in the first inning, they were unable successfully to follow up their good start; and the Crusaders easily knocked Gregory out of the box. He was followed by Stickle, who pitched the remainder of the game, allowing the visitors twelve hits.

Mike Smith continued his brilliant record when he batted 1.000 during the game. He accounted for two home runs, and a single out of three trips to the plate. The five errors made by the Indians proved costly to them, and aided the victors somewhat in running up the score.

## Second Co-ed Dance Next Friday Night

Co-ed promenaders will have their second chance to choose their partners when the German Club holds the second co-ed dance of the session in the Jefferson gymnasium on the evening of April 23. Peck-Mills orchestra, of Cumberland, Maryland, will play, while the usual good decorations, favors and specialties will be supplied the guests. Full particulars will appear in the next Flat Hat.

## Phoenix Will Give Smoker Tomorrow Eve.

The Phoenix Literary Society announces that a smoker will be given in the Phoenix Hall at seven o'clock Saturday night. All members of the society are invited to be present. The short program which is to precede the smoker will consist of several dialectic selections prepared by the committee. Bill Lawrence, with his witty songs and his guitar, will be on hand to liven the meeting.

## THE ARTS AT WILLIAM AND MARY

Admirers of good music at the College were accorded the pleasure of hearing America's second best college glee club last Saturday night, when the Glee Club of New York University sang in Blow Gymnasium. Many students, faculty members and townspeople were present to hear the recital and their unanimous opinion was that the performance was one of unusual merit.

In speaking of the arts, we are glad to call attention to two other exhibitions, both organized on our own campus. We have called attention before to the effect produced on the Chapel exercises by the choir, under the direction of Mrs. Hipp, and we are pleased to see that the choir not only continues to sing, but shows improvement, as it becomes more experienced. Recently, another artistic presentation went apparently unnoticed. We speak of the play presented in the Chapel under the direction of Mr. Taft and Miss Carey. Both articles prepared for The Flat Hat on the play were left out of paper, and we think it only fair to say that the performance was the most artistically arranged and the best acted given on the campus since the founding of dramatics at William and Mary in 1921.

We express appreciation to those who have made possible the enjoyment of these performances, and we suggest that steps to provide William and Mary with an organization such as that which presented the program last Saturday night, would be a worthy undertaking for the campus to take.

## THE SENIORS LEAD

For the first time in the history of the College, a Senior Class will, on its own initiative, hold a series of social events to mark the approach of its dissolution as a body of students when the class of 1926 holds its reception and dance on the thirtieth of April. The ball to be held that night will be William and Mary's first Senior prom. Class officials state that permanent class organization also may be effected this year, so that this class will be the first to institute an alumni class organization.

The Senior Class should be congratulated on its activities to foster class spirit and loyalty. Future classes may follow with profit the example bequeathed by the group who leaves this June.

Spirit at the last game showed a marked improvement as regards athletic etiquette. One spectator remarked that the students showed great regard for their guests. We agree with him.

One final word on a point made before: This is the time to institute open politics.

## A Glimpse Into the College World

Here and There Among the Exchanges of The Flat Hat

The sophomore class of Holy Cross last week presented "Macbeth" in modern dress, while the freshman class gave "Hecuba" in the original Greek language.

The skating craze has besieged the co-eds of Lynchburg College so strongly that it is said many considered seriously skating home for the holidays.

Three V. P. I. cadets have been picked by George Herin for the All-South Atlantic wrestling team.

Davidson is having quite a controversy over their idea of a perfect girl. It is hinted that they will choose an agent, whose chief duty will be to visit different colleges in the country in search of the desired young lady.

Here's another one on our "fair sex." A full-blooded Mohican Indian in a college address says that white women use more paint than the Indians ever did,—and he should know.—Virginia Tech.

Only two students comprised the graduating class at Cornell College, Iowa. Being only two in number, they did the natural thing and married each other on their commencement day, and in so doing formed a permanent alumni association. — Virginia Tech.

## Davis Will Speak On Science and Religion

"Science and Religion" will be the subject of a talk by Dr. D. W. Davis, who will speak in the "Y" room at 4 p. m., next Sunday afternoon. Dr. Davis will make his discussion from the standpoint of the scientist and attempt to answer some of the questions concerning the conflict or agreement of science and religion which were brought up by Mr. J. Stitt Wilson in his series of lectures here last March.

## Sargent Will Speak On Labor In England

Mr. Noel Sargent, manager of the Industrial Relations Department of the National Association of Manufacturers, will speak in the College Chapel on Thursday evening, April 22, at 8 o'clock, on the labor situation in Great Britain.

Mr. Sargent has spent considerable time in investigating labor relations in Great Britain and in the United States and is considered one of the leading authorities on the subject. The position of labor in Great Britain is exceedingly interesting at this time from a political as well as from an economic standpoint.

The meeting is held under the auspices of the Alpha Kappa Psi fraternity of the School of Economics and Business Administration. Members of the business school, students of government and history and other interested students and members of the faculty are invited.

**Memorial Gates to be Dedicated April 30**

**Ancient Gates From Capitol Building in Richmond Have Been Erected in Front of Jefferson Hall As Memorial to Kate Waller Barrett.**

To perpetuate the name of Dr. Kate Waller Barrett, who was for several years a member of the Board of Visitors to the College, as well as a faithful and loyal friend to the women students, a pair of memorial gates salvaged from the attic of the Capitol building at Richmond, which are now being erected at the entrance of Jefferson Hall facing the Jamestown road, will be dedicated to her honor on April 30.

The gates, which are being placed as a memorial to Dr. Barrett, were given by the chapter of the Daughters of the American Revolution of Richmond. The exact date of the removal of the gates from the position they occupied on the third story of the Capitol building, guarding the entrance to the governor's office, goes back to the period when Governor O'Ferrall was chief executive of Virginia. Reports concerning the placing of the gates at the entrance of the governor's office vary as to the correct date of placement. Some historians record that they were hung during the administration of Governor Monroe; others have disagreed. The fact on which most historians have compromised has been that the gates are at least one hundred years old.

**Science Hall Bids to be Opened Soon**

Dr. J. A. C. Chandler has announced that advertisement for bids to construct the William Barton Rogers Science Hall will be mailed on April 14. All contractors who are considering the proposition of undertaking the erection of the building will be required to submit their bids by May 1. If the plans now under consideration should mature, work on the new science hall is expected to begin by May 15.

**Kappa Alpha House Damaged by Flames**

The Kappa Alpha house on Richmond road was damaged by fire early Sunday morning, when lightning struck the light wires and followed them into the back room on the first floor. Before the flames were discovered they had gained considerable headway, but a bare-footed bucket brigade and several fire extinguishers soon had the fire under control. The floor and walls were badly burned and the paper on the walls was blackened by smoke. Several articles of furniture were destroyed by the fire and water. The damage has been estimated to be about \$400.

from Richmond to Newport News. They will take lunch in the dining hall as the guests of Dr. Chandler. After lunch they will be taken to Jamestown and other places of historic interest around Williamsburg. While visiting the college last year they were unable to visit Jamestown as a result of the impassible roads. Among the more important places the journalists will include in their tour will be the University of Virginia, Randolph-Macon Woman's College, and Sweet Briar College,

*When comes that day of days—and suddenly you know you're a Senior, at the top of the world —have a Camel!*

WHEN comes the day that can come but once. And as a Senior you've reached your place at the top of the world—*have a Camel!*

For Camel shares of its own enchantment with life's memorable events. Camels are of such choice tobaccos that they never tire the taste or leave a cigaretty after-taste. Regardless of the money you pay, there is no mellower, friendlier or better cigarette made than Camel.

So this day as you've safely passed all the hazards to life's sublimest moment—know the taste, the contentment that is the due of the world's experienced smokers.

*Have a Camel!*

No other cigarette in the world is like Camels. Camels contain the choicest Turkish and Domestic tobaccos. The Camel blend is the triumph of expert blenders. Even the Camel cigarette paper is the finest — made especially in France. Into this one brand of cigarettes is concentrated the experience and skill of the largest tobacco organization in the world.

Our highest wish, if you do not yet know Camel quality, is that you try them. We invite you to compare Camels with any cigarette made at any price. R. J. Reynolds Tobacco Company Winston-Salem, N. C.

## Keesee Is Winner of Oratorical Contest

Freshman Member of Phoenix Literary Society Will Represent William and Mary at State Oratorical Contest at Emory and Henry on May 7

A. M. Keesee, of Java, Virginia, was declared winner of the preliminary contest to determine the William and Mary representative to the State oratorical contest at a joint meeting of the Phoenix and Philomathean Literary Societies held in Chapel last Friday night.

Keesee, a freshman member of the Phoenix, won over a field of four men, all of whom were members of the same society. The subject of his oration was "Citizenship," a topic which he presented in an interesting and educational manner. He will be sent to Emory and Henry College on May 7 for the annual contest of the Virginia State Oratorical Association as representative of the Men's Intercollegiate Debate Council. As a token of his success he will be awarded the standard medal of the Debate Council, which is given each year to the members of the debate teams, and the winner of the local oratorical contest.

## Oak Tree Planted In Honor Chandler

Residents of Chandler Court Honor President of College by Planting of White Oak Tree; Only One Such Tree Still on the College Campus.

As a lasting memorial to the honor of Dr. J. A. C. Chandler, who has been directly responsible for the exhumation of the College of William and Mary after a lethargic and uncertain existence following the closing of the institution with the outbreak of the War Between the States, a white oak tree, given by Mr. and Mrs. Mathew Armstrong, of Hampton, was planted in Chandler Court on March 25.

The ceremony attending the planting of the tree was featured by a speech given by Dr. John Garland Pollard, and the reading of a poem by Miss Anne Townsend, of Petersburg, entitled "Trees," by Joyce Kilmer. The hole in which the tree was planted was excavated with a spade bearing the college colors. In accordance with the request of the residents of Chandler Court, Dr. Chandler, himself, had the honor of plant-

ing the tree. The special guests who were invited to witness the occasion were: Miss Adelaide Clark, acting social director of the college; J. T. Ecker, Misses Helen Weeks, Gertrude Cary, Elizabeth Hayes, Mabel Train, Mary Goodwin, Mary and Lucretia Irvin, Mrs. Robert Corstaphney, Sr., Robert Corstaphney, Jr., Mrs. A. L. Thomas, of Richmond; Mr. and Mrs. Mathew Armstrong, and Mrs. Frank Darling, of Hampton, and Miss Whitson, of Tennessee. The occasion was supervised by Mrs. John Garland Pollard.

It may be interesting to note that there are but two oak trees in the immediate vicinity of Williamsburg, one of which guards the entrance to the College campus. This gnarled old oak was mentioned in the College annuals of a hundred and fifty years ago. In consideration of the long life of this species of hardwood, as well as its great scarcity in this part of the State, the white oak was selected as the memorial to be dedicated to Dr. Chandler.

## Pamphlet Tells How To Build A Library

"How to Start a Public Library" is the title of a pamphlet prepared in Chicago by the American Library Association. Several copies of this pamphlet have been placed in the college library at the disposal of all students and members of the alumni who are interested in starting a library in some school or town or are studying library methods. In this booklet can be found every idea needed in the founding of a library of almost any size, from the most minute to the most important detail. This pamphlet should be of especial interest to the students in Mr. Swem's library courses.

## DELTA PI SIGMA IS GRANTED ITS CHARTER

(Continued from page 1)

here Tuesday night, according to an announcement given out by the officers of the organization early in the week.

The local organization was organized at William and Mary in 1921 to promote interest in the study of chemistry at the college. Since its organization the fraternity has had steady growth and has accomplished much

to help chemistry, particularly in presenting exhibits to those of the student body who do not take chemistry. Many competent speakers have been procured through the organization for the campus.

The charter members of the chapter at William and Mary are: H. L. Alkire, J. B. Baker, D. L. Goodwyn, H. R. Mapp, T. L. Parrott, G. H. Reid, R. E. Reid, L. N. Roberts, M. A. Thorpe, R. G. Todd, L. B. Todd, A. S. King, Garland Talmage, A. K. Turner, Russell Swift, W. E. Spicer, Lieutenant T. P. Walsh, R. Lomax Wells, Edward Van Lear, Dr. R. G. Robb, Dr. W. G. Guy, Dr. W. A. Hamilton and Mr. W. F. Young.

Ed Van Lear was elected national treasurer of the organization at the national convention held at Louisville, Kentucky.

## "THE PLEASURE IS OURS"

Frankly, we'd rather sell a suit of Society Brand Clothes than any other kind. We've proved over and over again that the man who chooses a Society Brand suit will stay pleased with it. No other clothes have such an air of smartness, of genuine distinction. The man who is wearing Society Brand has absolute assurance that his clothes are right. And he's glad we sold them to him! You can see what that means for us, and why it's a real pleasure to sell them.

# THE OLD GRAD

A Column Devoted Exclusively to William and Mary Alumni

J. MALCOLM BRIDGES, Alumni Secretary

One of Richmond's outstanding social events last week was the wedding of Dr. George Preston Green to Miss Gertrude Ebel. The ceremony was performed in Saint James' Episcopal Church on Wednesday, April 7. Both bride and groom attended William and Mary, the former being a member of the local chapter of Kappa Alpha and the latter of Chi Omega.

At the request of the alumni secretary, Professor Peter Paul Peebles, '24, now an assistant professor in the law department of William and Mary, has prepared the following list of alumni, who were enrolled in the law school here and have been successful candidates for the State bar examinations:

W. A. Dickerson, '21, practicing in Cape Charles, Va.; Ted Dalton, '23, practicing in East Radford, Va.; J. Swanson Smith, '25, practicing in Hillsville, Va.; O. S. Lowe, '22, practicing in Cape Charles, Va.; J. Turner Henley, '21, practicing in Richmond, Va.; A. E. S. Stephens, '22, practicing in Smithfield, Va.; W. T. Christian, '21, practicing in Richmond, Va.; Geo. A. Downing, '23, in business in Florida; P. W. Ackiss, Jr., '22, practicing at Virginia Beach, Va.; F. R. Elliott, '26, now a senior at William and Mary; F. F. Chandler, '22, practicing in Monroeville, Va.; Lee Ford, '21, practicing in West Virginia; L. W. Sherritt, '25, practicing in Norfolk, Va.; R. L. Ashby, '22, practicing in Mount Airy, N. C.; J. H. Chalkley, '25, practicing in Norfolk, Va.; A. H. Cook, '25, practicing in Hampton, Va.; V. L. Sexton, '25, practicing in Richmond, Va.; and C. E. Holladay, '24, practicing in Rescue, Va.

The law school, re-established here five years ago, has enjoyed unusual success in this time, as may be seen from the list of successful candidates. Each year additional courses have been offered in this department, until now the school is able to offer courses that lead to the degree of Bachelor of Laws.

Russell A. Stuart, '25, now connected with the firm of Gillett & Company, bankers, of Baltimore, Md., was a recent visitor to the campus.

Miss Edna Gibbons, of Roanoke, and Miss Frances Gibbons, of Norfolk, spent the week-end on the campus.

## DR. GOODWIN ACCEPTS CALL TO BRUTON PARISH

(Continued from page 1)

Parish Church from 1902 to 1908. During his rectorship Bruton Parish Church was restored to its colonial form and appearance. Dr. Goodwin resigned Bruton Parish Church to become the rector of St. Pauls Church, Rochester, New York, where he served for thirteen years. In 1923 Dr. Goodwin accepted the call to become the head of the Department of Religious Education in the College of William and Mary in Virginia. Since his connection with the College, he has also been director of the Endowment Campaign of the Institution.

Dr. Goodwin is a graduate of Roanoke College in Virginia, from which he also received his Doctor of Divinity degree. He took post-graduate work at the University of Richmond, and his theological education at the Theological Seminary in Virginia, from which institution he received the degree of Bachelor of Divinity. Dr. Goodwin is also a member of the Alpha Chapter of the Phi Beta Kappa Society.

Dr. Goodwin is the author of two

histories of Bruton Parish Church; "The Church Enchained," published in 1916; a two-volume history of the Theological Seminary in Virginia, published in 1923; and a book on the life and organization of the Church entitled, "The Parish," the second edition of which was published in 1925.

J. Wilfred Lambert, a member of the sophomore class, was elected president of Los Quixotescoes at the meeting held last week. Mr. Lambert will succeed Miss Sarah Cross Joyner, who has served very ably as the head of the Spanish Club this year.

Other officers elected were Lois Evans, vice-president; Nicholas Mejia, secretary; Bob Brewer, treasurer; Bob Anderson, sergeant-at-arms, and Miriam Silzberger, reporter.

## Castaneda Publishes Article In Hispania

Professor Castaneda, head of the Spanish department of the college, has recently had another article accepted by the "Hispania" magazine. The article is entitled "English Courses at the University of Mexico," and is a short summary of the Summer School of the University of Mexico from 1920 to the present time, discussing the value of the English courses offered there, and emphasizing the summer school's international character. Professor Castaneda headed the William and Mary Summer School which went there last summer.

The "Hispania" is the official organ of the American Association of Teachers of Spanish, and is published at Leland Stanford University, in California.
