MARTHA BARROW HEADS WOMEN'S HONOR COUNCIL

Virginia Hawthorne Elect-
ed Secretary of Execu-
tive Council

OFFICERS ASSUME DUTY SOON

Martha Barrow, Blackstone, was elected president of the Women's Honor Council, Monday, March 24, at the second group of elections held by the Women's Student Government Association. Opposing Miss Barrow were Ellen Ticer of Alexandria and Shirley Wright of Westfield, New Jersey. Miss Barrow will assume her duties in April along with the other officers of the Councils who were chosen at an election held several weeks ago.

Virginia Hawthorne, New York City, was elected Secretary of the Executive Council at the same election. Miss Hawthorne had as her opponents Avery Bibee of Lynchburg and Estelle Foreman of Boston. She succeeds the newly elected president of the Honor Council in this office.

Ruby Adams of Furmosa, was chosen secretary of the Judiciary Council. Opposing Miss Adams were Jess deBordenave, Edith Ford and Blanche Walthal.

Betty Pratt and Virginia Room were chosen sophomore members to the Honor Council. Other students who were voted on for the office were Agnes Downs, Page Johnson and Minnie Mae Shreve.

The last two elections were conducted under a new system in which

RICHMOND ORCHESTRA TO PLAY FOR FIRST DANCES

FRENCH PLAYS WILL
BE PRESENTED HERE

Two French Comedies to be Given in
Phi Beta Kappa Hall on
April Eleventh

Two French comedies, "Rosalie" by Max Maurey and "Les Estemes" by Victo Francois, will be presented in Phi Beta Kappa Hall on Friday, April 11, under the direction of Professor A. G. Ryland assisted by other members of the Modern Language department. The program promises to be an unusual one since it will be presented in French and since the Modern Language department has not undertaken a thing of this nature for several years.

It is believed that the affair will be of interest not only to those students who are studying French but to those who have not studied that language as well.

Tryouts for the plays took place Friday, March 21, at which time a large number of candidates turned out. According to Professor Ryland, the successful contestants will be notified next week.

SENIOR TRYOUTS TO BE HELD

Tryouts for the Senior play will take place Monday afternoon at 5 o'clock and Tuesday at 4 o'clock in Washington 200. Seniors are urged to attend. Tryouts will be in charge of Miss Althea Hunt and Senior members of the class in Play Production.

Many Students, Alumni, and
Friends Expected To
Attend Dances

TWO DANCES FOR TOMORROW

At 9 o'clock this evening William and Mary students, friends, and alumni will attend the first formal dances of the year. The dances will continue through tomorrow evening; there being a dansant tomorrow and the evening dance which will get underway at 8:30 p. m.

Pete Gravely and His Famous Bedouins will furnish music for the dances. This orchestra is widely known throughout the state and hail from Richmond, where they play nightly at various clubs around the city.

Blow Gymnasium, the scene of these dances, will be decorated in a black and white color scheme, being very modernistic in design. According to Clarence Rives, president of the Cotillion Club, it was expected that the gymnasium would be decorated in natural flowers from Florida, but by reason of a bad season in that state, officers of the club have been unable to obtain any.

This will be the first formal dance in the history of the Cotillion club in which cards are not to be used. Cards have been used heretofore at all formal dances, but usually after the first few dances the cards would be thrown away, so to eliminate this officers of the club will use no cards.

Director Of William and Mary Summer School Announces Additions to Faculty

Expects Upwards of 800 Students for
Two Sessions; Sixteen New
Professors Added

The first term of the William and Mary summer school will begin on June 16, Dr. H. J. Hoke, dean of the college, and director of the summer school, announced last night. Upwards of 800 students, the largest enrollment in the history of the summer sessions, are anticipated, he said.

Courses in library science, offered for the first time at the summer school last year, will be expanded this summer with the demand for these courses resulting from the legislation requiring that each accredited high school in the state have a part time librarian. The purpose of the courses is to train teacher-librarians, Dr. Hoke said, with competent instructors secured for both sessions.

The first summer session will close on July 26 and registration for the second term will begin on the same day. At the close of the second term on August 30, graduation exercises will be held in Phi Beta Kappa Hall at which time upwards of 100 students

will receive degrees. Emphasis is placed on pre-medical courses during the summer sessions, (Continued on Page Two)

DEANS CALL ATTENTION!

The students of the college are requested to note carefully that:

(1) Leaves of absence or "excuses" can be granted to students only for absence with teams, etc., and for emergency calls to their homes. Those students who find it necessary to leave hurriedly for their homes should either see their dean before doing so or communicate with his office as soon as possible thereafter.

(2) That the offices of the Dean of Men and of the Dean of Women are open to students daily except Saturday only from 2:00 p. m. to 5:00 p. m.

W. T. Hodges,
Dean of Men.
Grace Warren Landrum,
Dean of Women.

W. & M. Wranglers Return From Extended Southern Debate Trip With Three Wins

PRESIDENT'S NOTICE

(To the Students of the College of
William and Mary:)
Not having been able to thank you in person at any convocation, I am asking the FLAT HAT to publish this statement.

In behalf of the Board of Visitors of the College of William and Mary, I thank the students most sincerely for their very vigorous and untiring efforts in trying to save ROGERS HALL from destruction on the afternoon of March 15. Your efforts have been highly commended by all who saw the fire.

On my return from Fort Eustis, I saw how valiantly so many of the students were endeavoring to prevent further damage and that they were doing so at great personal risk. May I, in my own name, say that I deeply appreciate your endeavors.

Sincerely yours,
J. A. C. CHANDLEY,
President.

Out of Five Starts Debaters Win
Three; Two Contests Lost
By One Point

After winning three out of five debates, the William and Mary debate team consisting of John C. Swanson, captain of the team and president of Tau Kappa Alpha, debating fraternity, Lawrence Morscher, President of the Debate Council, and Albert D. Johnson, vice-president of the Phoenix Literary society, returned to school Sunday, March 23, from their 2,000 mile southern trip.

In their first debate, they were defeated by North Carolina State College, represented by M. B. Amos and E. W. Buchanan, March 13th, on the question Resolved, that all the nations should adopt a plan of complete disarmament except for those forces necessary for police purposes."

From here the team proceeded to Atlanta, Ga., where, on March 15th lost the question, "Resolved, that the principle of merging of stores into a chain system is detrimental to the best interests of the United States," to W.

DIRECTOR OF SUMMER SCHOOL ANNOUNCES ADDITIONS TO FACULTY

(Continued from Page One)
 Dr. Hoke said, with the courses in Biology, Chemistry and Physics so arranged as to meet the requirements of the medical schools.

Preparations have been made to care for advanced students seeking the degree of Master of Arts, the summer school director said. Some 25 or 30 such students are expected to enroll at the college during the summer session.

The summer school catalogs are expected from the press next week. In addition to members of the regular college faculty, 16 instructors from schools throughout the state and several from northern educational institutions will supplement the teaching staff. They include:

Ollinger Crenshaw, associate professor of government at Washington and Lee University.

Dr. (Mrs.) Cecile W. Flemming, directing psychologist at the Horace Mann High school, New York City.

Miss Florence B. Ingram, instructor of education at Richmond Normal School.

Miss Helen M. Lee, of the Norfolk Public schools.

Dr. Ivan E. McDougle, professor of sociology and economics at Goucher. Dr. Beryl Parker, assistant supervisor in the elementary grades of the Norfolk public schools.

Dr. Raymond B. Pinchbeck, professor of business administration at the University of Richmond.

Miss Aileen Shane, professor of social work at the Richmond School of Social Work.

Fred M. Alexander, principal of the Newport News high school.

Miss Mary Elizabeth Eades, librarian at Andover Academy, Mass., who will teach courses in library science.

Dr. J. D. Blocker, professor of psychology, Furman University.

William H. Hoskins, instructor in anatomy and physiology at the Medical College of Virginia.

Dr. T. A. E. Moseley, professor of Romance languages at Virginia Military Institute.

James T. Walker, of the Richmond public schools.

Miss Charlotte Ray, Richmond public schools.

W. & M. WRANGLERS RETURN FROM SOUTHERN DEBATE TOUR

(Continued from Page One)
 L. Woodruff and Frank Duncan, the Emory University team.

They gained their first victory March 17th, when our team consisting of Morscher and Swanson, defeated Sanders Walker and Joseph Oliver representing the University of Georgia, on the disarmament question, with a favorable audience decision.

The University of South Carolina team of Francis Wood and Nigel League, was defeated by Johnson and Swanson representing William and Mary, on the question of the Chain store, March 18th.

In their last meeting of this trip, on March 20th, the disarmament question was again debated by Morscher and Swanson, in which they defeated Davidson College represented by D. S. Knox and J. A. Jones. The decision was unanimous for William and Mary.

The trip of more than 2,000 miles, started on March 12th, with the three men traveling by automobile. According to members of the team, the trip is considered one of the best of the last few years as two debates were lost by only one point, and won three consecutive meets with exceptionally strong opposition in every meet, and were well received with good audiences in all the schools where they visited.

PRESIDENT FETED AT WASHINGTON ALUMNI BANQUET

President Chandler is Honor Guest When Capital Graduates Give Distinguished Dinner

ADDRESSES COMPANY

Dr. J. A. C. Chandler, President of the College, was guest of honor at the recent banquet given by the William and Mary Alumni Club at the University Club in Washington. The meeting of this group differed from that of all the others on the trip in that it was called, not so much to organize the Alumni group as to honor Dr. Chandler. Speaking to a large audience, the William and Mary President gave the history of the Restoration in Williamsburg.

NORTH CAROLINA MAKES PLANS FOR W.-M. ALUMNI GROUP

There will be a meeting of the William and Mary North Carolina Club at the King Cotton Hotel, Greensboro, North Carolina on Saturday evening April 12th at 6:30 p. m. The Chairman of the North Carolina committee on arrangements, Mr. James S. Jenkins of Washington, N. C., is urging a full attendance of the William and Mary group at that time. The North Carolina list will be forwarded you in a few days and it is hoped that you will make note of any corrections and return some either to Mr. Jenkins or to the Alumni Secretary.

THE ALUMNI ASSOCIATION OF THE COLLEGE OF WILLIAM AND MARY Williamsburg, Virginia.

March 22, 1930.
 Presidents of William and Mary Clubs:

Friday night, March 28th, will be a very opportune time for a meeting of your club. They can begin the business meeting at 9 o'clock and at 10 o'clock in on WRVA and hear Dr. Chandler's message to the William and Mary alumni and friends and the College Glee Club under the direction of Prof. George M. Small, music director.

We would greatly appreciate it if you would let us know how the program went over in your section. We are hoping to make this an annual affair and are anxious to get an expression from the alumni. Be sure and get as many of your William and Mary group out as possible to hear Dr. Chandler and the College Glee Club.

Very sincerely,
 GEO. W. GUY,
 Executive Secretary,
 Alumni Association.

PROFESSOR JONES ADDRESSES BOUVE TRAINING SCHOOL

Prof. Tucker Jones, Director of Physical Education of the College of William and Mary has been appointed chairman of the Teaching Training Section of the National Physical Education Association which meets in Boston, March 31st to April 3rd. While in Boston Prof. Jones will give a series of lectures at the Bouve School.

CATHERINE HASSELTINE PRESIDENT OF ART CLUB

At the regular meeting of the Art Club held in Washington Hall on the evening of March 18, business was discussed and officers for the coming months were elected. Catherine Hasseltine was re-elected to the office of president, Marian Cheyne was elected vice-president, and Marian Sargent was chosen secretary and treasurer. At the next meeting, which will be held April 11, the newly chosen officers will assume their duties.

BAILEY-NININGER

On Saturday, March 15, Mr. and Mrs. John H. Nininger, of Norfolk, Va., announced the engagement of their daughter, Mary Eggleston, to Floyd Jay Bailey, son of Mr. and Mrs. S. J. Bailey, of Nicholson, Pa.

The couple is well known on the William and Mary campus. Peggy Nininger was a student here for the past several years, and while here was a member of Mortar Board, Chi Delta Phi literary sorority, and the Chi Omega fraternity. Mr. Bailey is a graduate of Bucknell University in the class of 1926, where he received his B. S. and M. S. degrees. He is a member of the Lambda Chi Alpha fraternity and assistant professor of mathematics and industrial arts at the College of William and Mary.

The wedding will take place in June.

WHAT CAN THE ALUMNI CLUB DO?

We often hear people ask these questions. The Club, like the class, conserves and strengthens the college spirit, but the best expression of that spirit is lacking until the organization as such has found how to add to the purely social interest of the association the attitude of service to the college.

How to proceed? Organize thoroughly with neatly ordered constitution and by-laws.

Study the problems and needs of their college, take an active and personal interest in your fellow alumni, keep the members informed of college activities. The Alumni are a source of counsel, moral support and inspiration to a college.

If the local alumni clubs, by keeping the college loyalty bright and vigorous and directing it into channels of usefulness, will continue to strengthen the mutual regard that has always existed between Alma Mater and her sons and daughters, their future of service will know no limitations. The clubs foster the natural bonds of friendship and companionship which in itself is accomplishing a purpose worth while. Above all, we want to ever keep alive that William and Mary spirit that has meant so much in building up the state and nation.

Write Alumni Secretary for the copy of Constitution and By-Laws and Plan of Procedure.

William and Mary Alumni Organization Establishes Posts Throughout Three Great Districts

INTEREST IS HIGH

Dr. J. A. C. Chandler, President of the College of William and Mary and Geo. W. Guy, Executive Secretary of the Alumni Association, have just returned from the northern itinerary after organizing William and Mary clubs in New York City, Philadelphia and Baltimore, and Washington. In addition to meeting the alumni and parents of the students in these places Dr. Chandler delivered principal addresses to unite William and Mary graduates throughout the region. There are approximately five hundred alumni in these districts, who were generously represented in the club meetings.

Dr. Chandler outlined the history of the college and set forth the various accomplishments of its alumni past and present in the history of the state and nation. He referred to the phenomenal growth of the college which has now reached 1,500 and with the summer school and extension work serves approximately 4,000 every year. Dr. Chandler told of the restoration of the three main buildings of the college by Mr. John D. Rockefeller as well as the restoration of Williamsburg. His talks were interspersed with reminiscences of his college days, which added greatly to the interest of the occasion. In each of the cities he received an ovation.

At the dinners an opportunity was given each alumnus to give his name, the year he was at college, and the business in which he is now engaged. All of these clubs will listen in on the radio program, Friday night, March 28th, 10-11 p. m. to hear Dr. Chandler's message to the alumni and the William and Mary Glee Club, and a large delegation will attend the William and Mary finals, June 7th.

Dr. John M. Presson issued the call to the William and Mary group in Philadelphia and it met with a very hearty response. Rev. Richard H. Gurley, of St. Martin's Rectory, Radnor, Pa., was the toastmaster and had each of the group rise, give his year at college, and the business in which he was now engaged. This method gave everyone an opportunity of getting acquainted and prepared the way for a real friendly meeting in the "City of Brotherly Love." Dr. J. A. C. Chandler in his address drew a very interesting parallel between Philadelphia and Virginia in helping to make the early history of this country.

After Dr. Chandler's address the Executive Secretary went into the organization of the Philadelphia club and the following officers were selected:

President—Dr. John M. Presson, Girard College, Philadelphia, Pa.
 Vice-President—Rev. Chas. H. Long, 4644 York Road, Philadelphia, Pa.
 Secretary—W. H. Morrow, 105 S. 36th street, Philadelphia, Pa.
 Treasurer—Mrs. Gertrude Adkins Mann—1661 Harrison street, Frankford, Philadelphia, Pa.

The William and Mary Club of Washington, D. C., of which Major Francis S. Key-Smoth is president gave a dinner and reception to Dr. J. A. C. Chandler, President of the College of William and Mary at the University Club in Washington. A (Continued on Page Eight)

A New Control Board

The Flat Hat wishes to make known its stand regarding the action taken by W. S. G. A. at its last meeting. As we understand it, the Board of Control as proposed by the members of the committee is an excellent idea. It has proved itself worthy of adoption in many of our outstanding colleges and universities throughout the country. Many benefits are to be derived from it. At present the students of the College of William and Mary have no actual check on the financial condition of the student publications, except the report of the auditing committee of the college. If the students of the college feel that this is insufficient, the control board is by all means necessary, and we advocate the same. However, we feel that an experienced auditor is more likely to understand the intricate system of financial management than a board composed in part of women majoring in Fine Arts.

The editorial in the Flat Hat last week dealt not with the inadvisability of such a board but with the thought of 600 women, filled with the desire to return to their dormitories and sorority houses and to dispense with the "whereas's" and "whereby's" which seemed to predominate at the above mentioned meeting, voting on a matter which was not altogether clear in their minds. The shortcoming lies not in the subject matter but in the method of presentation and adoption.

Cigarette Slogans Popular at William and Mary

In a recent unexpected quiz given by one of the instructors at the College of William and Mary, he asked his class of thirty-three students to write the names of as many advertising slogans in ten minutes as possible. The purpose of the instructor in giving such an unexpected quiz of this nature is not known, but it is supposed that he was anxious to know who and how many students observed the things outside of the classroom as well as the hidden truths found in the textbooks. On the other hand, the instructor could have had in mind the effect of different means of advertising from a commercial viewpoint. Be that as it may, the quiz was given and the results tabulated.

From the thirty-three papers handed in, 125 different slogans were named. Out of this number, eight slogans were remembered by half of the members of the class. The various types of advertisements showed that 50% of the slogans were taken from cigarette advertisements; 25% from automobile advertisements; 12.5% from other advertisements of lesser importance. In the 125 slogans, there were 97 with five words or less and 23 with six words or less.

From the above data, the tendency of the William and Mary students seem to be to retain the slogans used by the various tobacco companies much better than the slogans used by companies manufacturing other products. Now the question may be asked why are the slogans used by cigarette companies more retentive in the minds of William and Mary students than the slogans used by companies manufacturing other products? It seems to be logical, basing an opinion on the data obtained from the thirty-three representative students, to say that the cigarette companies have conducted extensive campaigns encouraging the use of their brand and making effective their slogan. Then the cigarette advertisements are artistic and clever, which seem to appeal to students. With these facts in mind, the old saying that "It pays to advertise" must be true.

SEVEN VIOLATE DRINKING RULE

The dance control committee, acting on charges made at the last informal, found two students, two alumni, and three visitors guilty of breaking the rule in regard to drinking at Washington and Lee dances, it was stated yesterday.

The ruling which has been in effect since the first of the year provides that dances here "shall be free from liquor and the effects thereof."

DISCUSSION OF SIN IS CHAPEL SPEECH

"It is difficult to convict the world in respect to sin," declared Dr. Ralph Sockman in chapel, Sunday. "Problems violating the will of God are often hard to fit into courtroom vocabulary. In this connection, Hawthorne's The Scarlet Letter may be compared to Ellen Glasgow's modern novel, They Stooped to Folly.

DESPERATE CHARACTERS DWELL AMONG STUDENTS

There are desperate characters among the Guilford student body—men (we trust that they are men) who have no fear and who will dare all dangers in an effort to perpetrate their iniquitous deeds.

All year, the authorities of the institution have felt that the peace and security of the school was assured as week after week rolled by with no outstanding manifestation of disorderliness. It turned out to be but the proverbial lull before the storm.

In brief, there is apparently a secret and dangerous group existent on the local campus who has as its emblem a fiery "33" the evidence of which was plastered on the side of the silo (a most elite environment) during a recent nocturnal burst of pride.

"LORD BOTETOURT SAYS..."

By BILL'S LITTLE NEPHEW

Now that all the excitement has passed and our fair Rogers Hall is on the road to completion, we can ramble on to our heart's content. His Lordship, however wishes to express most his profound sympathy to the unfortunate insurance company which was big hearted enough to insure the fireproof structure at a nominal fee.

We feel that providence played a great part in the sad event. Only a few days before the new class cutting rule had gone into effect. So it seemed that the gods of the elements or at least those of Fire and Water disagreed with the penal measure. Consequently they devised a very crude but a practical means of freeing the impressed students from its effects.

We have heard over and over again that old proverbial saying, "It is an ill wind that blows no good." So it was with Rogers. We learn that some prominent tobacco men came to the fire by fast automobile for the purpose of getting some ideas for a new five-cent cigar. Was that smoke terrible? But so is the five-cent cigar.

At last after great and diligent research, we have found the World's meanest man. We might as well expose him right here with due apologies to Bud and Lefty for trespassing in their territory. But really, the meanest man in the world is the football coach who believes that hair was put on a man's leg to hold on adhesive tape.

His Lordship has a little poem here—a quotation from THE OWL published at William and Mary way back in 1854. It was found in an intercepted love epistle from a Professor of Mathematics to his beloved.

The CONE of my affections, love,
Hath found its BASE in thee;
The SQUARE of joy if thoud'st COMPLETE
Add but thy smiles to me
If I were skilled in FIGURES, love,
Or could use SYMBOLS well,
I'd raise a PYRAMID of praise
Where all thy charms should dwell.
The total SUM of happiness
Is EQUAL Dear to three;
But I'm MINUS thy sweet smiles
The would is NOUGHT to me.
Let not the LINE of all my life
Run PARALLEL to thine,
But in that blissful ANGLE meet
Where Hymen is the SINE.
Let ENDLESS CIRCLES REPRESENT
My constancy to you,
And SERIES INFINITE of years
Shall PROVE my love is true.
The CUBE of happiness whose ROOT
I see in thee alone
EQUALS the HIGHEST POWER of love,
DIVIDED among One.
Oh, I am that DIVISOR, love,
The QUOTIENT if for thee;
And we'll together MULTIPLIED
Love to INFINITY.
Would that I of BOUNDLESS love
The LOGARITHM knew.
For NATURAL NUMBERS can't express
The HALF I feel for you.
If thoul't APPROXIMATE to me
I'll leap not to despair,
DESCRIBING a PARABOLA
Through BOUNDLESS FIELDS of air;
But trouble shall in TANGENTS fly
Beyond the farthest POLE;
Oh thou PERIMETER of HOPE,
And SEGMENT of my soul!

"Broadminded" Does Not Think that Religion Should Interfere with Friendships

Editor of the Flat Hat.

Dear Sir:

Certain people nowadays seem to pride themselves on being broadminded, but the only phase of broadmindedness that they consider is the radical side. Everything that needs some excuse for being, as certain vices of all kinds, etc., is considered broadminded. Yet these people are really the biggest snobs of all when it comes to something with which they don't happen to agree.

Tolerance should be applied to all fields, and one of the most important is tolerance in racial or religious questions. Are we to choose our friends merely for religious reasons—when we are usually more or less atheists anyhow?

This college is rather small for religious prejudices. When you are too prone to condemn a person because he worships a different God or

because he has a slightly different creed, stop and think whether or not you would like to be this person if he happened to be a Baptist or something else equally as mundane. Friends should be chosen for themselves and not for what they were or are in a superficial sense. They may not be F. F. V.'s or belong to the best fraternity, but if they are interesting these things should make no difference.

One Writes in Regard to a Few Short Taps

Editor of the Flat Hat.

Dear Sir:

What is a few drinks between friends? Now that the eighteenth Amendment is just a good subject for the humorist to make jokes on, why make a big fuss when some one you know gets gloriously and pug-naciously high? If they don't do it too often it is good for them, relieves the strain of monotony, etc. And if it does hurt them, it should be just their hard luck and not the purists' worry.

If more of the vile liquor we get nowadays were completely poisoned instead of killing one by slow de-

Advice to the Lovelorn, Woebegone, and Forlorn
Conducted Weekly by Lily White

Dear Lily White: Law is my major; in-laws my minor. I am at present taking Dr. Peebles' course in Speedwriting. Since I do not desire to spend the remainder of my life at disarmament conferences perhaps you can suggest a muscle balm.—C. J. T.

Dear C. J. T.: Aha, thou infidel, so thou art a Mussulman. Italy, too, is taking a course in Speedwriting, only it is called Dictation under Eel Ducky. For muscle balm concoct a poultice of fly leaves, adhere with court (St. James) plaster and garnish freely with Squibbs' pale pink tooth paste.—Lily White.

Dear Lily White: Sunday is the day of rest question mark Yes exclamation point. Now listen to my pitiful tale and issue forth proclamation against the heretic action adopted by one specimen of this destitution.

I, who have been practising for years to sleep till Sunday eve, have been rudely disturbed by one reprobate. Forsooth, he seeketh my presence at such an unearthly hour as two P. M. on Sunday. I, who have considered Sunday sleep as a priority, beseech thee to propose stringent measures to remove this insidious intruder.—M. G. R.

Dear M. G. R.: Yes double decker exclamation mark. One can do no better than to refer you to the Bible, a publication which once held forth only in ecclesiastical institutions, but which has, owing to improved means and methods of transportation, migrated even to the Great American Hotel. The early translations say: "The Sabbath is the day of rest". The more modern translations add "and not the day of arrest".—Lily White.

Dear Lily White: In two months I shall be in possession of a certificate of four years membership at this institution, with a major in Home Economics and a first lieutenant in Greek. I don't want to teach because I realize that the sides of a rut are exceedingly steep. I have lived all my life in Sweet Potato Junction and I want to go to New York and become a hostess in a tea room. What do you think about it.—A. I. E.

Dear A. I. E.: Becoming a hostess in a tea room in New York is, like pole vaulting, more easily said than done. The field is overcrowded and underpaid. Salaries are low, and if you are going to try to support yourself in New York without any outside aid, this occupation is almost prohibitive. The work is tiring. Fallen arches precede sinking hopes. Of course there is some social stratification existing even in New York, but if you haven't a healthy pride you can make more as a waitress, on account of tips, than you can as a hostess. If you are willing to take a chance, have sufficient capital and perseverance plus a good cook, your best bet is to start a young tea room of your own.—Lily White.

TEMPORARY ROOFING STARTED ON ROGERS SCIENCE BUILDING

Approximately 72,000 Dollars Insurance Will Be Collected to Defray Cost of Rebuilding

CLASS ROOMS OPEN SOON

Temporary roofing is being put on the west end of Rogers Hall to replace the one destroyed by the fire on March 15 in order that classes may be resumed there, free from interruptions by the weather. Construction on the permanent roof has also been begun on the east side, but the west side roofing will not be started until after the end of the semester in June. The permanent roof will be made of the same material as that one destroyed by the fire.

It cannot be estimated what damage has been done the brick walls, or how much will have to be torn down until after these walls have been tested. However, some of the triangles must be destroyed and others put in their place.

Mr. Harwood, the same contractor who built Rogers Hall, will repair it. At a conference of the Administration with the contractor and insurance agents the insurance was decided upon. Seventy thousand five hundred dollars will be given for the damage done the roof, and \$1,428 insurance will be given for the equipment lost and destroyed by the fire.

The heating has been turned on in some of the first and second floor rooms, but a complete heating line has not yet been completed.

Biology Club Members Read Research Papers

The Biology Club held its regular meeting Monday night, March 24, in Washington Hall. Papers were read by Marjorie Moon, Natalie Hubbard and Lawrence Slapion.

Miss Moon had as her subject, "Minute Animal Parasites in Man." Her paper was a very technical one.

Miss Hubbard's subject was "The Eels Found in the Atlantic." In her paper she discussed the life history of the eel, telling where it is found and the length of time it takes for one to cross the Atlantic, as well as many other facts of interest.

The last paper, which was read by Mr. Slapion, concerned insulin as a cure for diabetes.

About thirty-five new members were initiated by the club at its last meeting.

Art Club Will Hold An Exhibit on March 27

The Art Club will have an art exhibit from 4 until 6 and from 7 until 9 on Thursday, March 27th, in Washington Hall. A group of English posters will be shown through the courtesy of the Art Center of New York.

These posters have been issued by the London Underground which has been outstanding in the use of this means of promoting and stimulating travel in its tubes, evidently realizing that good posters must possess other merit than mere advertising in order to arrest and hold attention. The exhibition includes some of the interchangeable posters, used according to seasons, and which are equally as attractive as the posters on which they are placed.

THE INQUIRING REPORTER

He asks ten people every week some question on college life. If you have any problems you would like to see discussed in this column, send them to "The Inquiring Reporter," care of The Flat Hat.

THIS WEEK'S QUESTION

Do you think that the 18th Amendment should be retained, amended, or repealed?

Yel Kent, '30: "The law should be repealed and abolished."

Eleanor Williamson, '30: "It isn't adequate, but it should not be abolished. A modification is best."

Rosie Ryan, '30: "Moderation is an uncommon virtue so I favor governmental modification."

Jumbo Davies, '30: "I think it should be repealed. I want everything but the return of the saloon."

Virginia Turman, '30: "I don't think there should be any law which cannot be enforced."

Lucy Pilcher, '30: "I think that the 18th Amendment should be retained. Perhaps it could be amended, but I do not think that it should be repealed."

De Ette Jones, '30: "It should be enforced as it is. The whole government should enforce the law."

John Swanson, '30: "I think it should be retained unless a better substitute can be found."

Sam Wilcox, '30: "I think it should be amended."

Harriet Smith, '30: "America needs to learn the meaning of temperance in more than the 18th Amendment. However, as far as that is concerned our past is a proof of our failure at the extreme of unrestraint; our present is a proof of failure at the extreme of prohibition; why not give our future a chance to try the mid-ground of modification?"

Dorothy Machen and Arnold Whitehurst of Norfolk were guests of Katherine Lam at Jefferson hall.

Dr. and Mrs. Greer Baughman of Richmond visited their daughter, Margaret at the Kappa Kappa Gamma house.

TURNING the PAGES

Hansine Solstad by Peter Egge. Translated from the Norwegian by Jesse H. Jackson. Doubleday, Doran. 311 pages. \$2.50.

Peter Egge has written some other stories, but **Hansine Solstad**, which is subtitled **The Story of An Honest Woman**, is the first of them to be translated into English. His first novel **Just Folks** was published in 1891 and was not at all successful. In 1907, however, **The Heart** won him national fame as a novelist.

Hansine Solstad was translated from its original tongue by Jesse H. Jackson, associate professor of English here at William and Mary. Dr. Jackson is now working on another translation for Doubleday, Doran.

The heroine of the novel under review is a member of an old and honorable family of farmers in the Trondjem district of Norway. She is of the self-possessed human stuff that outlives the wars that men engage in.

Henry Leach in his introduction says that "all of her family with the exception of her father act as though they had been weaned on pickles."

This description fits several of the other characters in the book as well.

In the years of her childhood Hansine became the victim of a rumor which had absolutely no foundation at all, and her life is devoted to the combating of this slander and keeping the record of her clan clean. She has many chances to leave her home, but as her one aim in life is to be accomplished in her own country, she stays there, not yielding to all of the temptations to escape that are offered her.

Although her horizon is rather narrow, it offers many a chance to Hansine to show her people that she is really heroic. She finally reaches her goal, but even after she has done so there are still some murmurs about the scandal, and as is the case with all such things, never entirely die out.

Doctor Jackson has done an excellent job with his translation, and it has been said that he made only one change in it and that was the putting in of a preposition that was not to be found in the Norwegian version.

Hansine Solstad is excellent reading and all of those who have read any of Sigrid Undset's novels should read this one if for no other purposes than of comparison. It is the belief of the reviewer that Egge will be found more entertaining than is Miss Undset. Let us hope that some day **The Heart**, which many claim to be Egge's best novel, will be published here.

INDIAN SWIMMERS TAKE SECOND HONORS IN S. ATLANTIC

PHILLIPS BREAKS RECORD IN HEAT. FAILS TO REPEAT

Casey Second In Dive; Brodney Places As Baltimore Y. M. C. A. Wins

Captain Les Phillips, Bill Casey and Fred Brodney led William and Mary's swimming team to score seven points and annex second place in the South Atlantic swimming championships at Baltimore last Saturday. The Baltimore Y. M. C. A. with 39 points was easily the victor.

Captain Phillips, after breaking the South Atlantic record in the 50-yard free style in his heat, was nosed out for first place in the finals in a slower time. It is reported he was confused in his second swim by the lack of lines in the pool.

Phillip's time for his trial was 26.1 seconds, one-tenth of a second better than the South Atlantic record of 26.2 seconds. The final was covered in 26.3. The William and Mary swimmer could not be given credit for the record however, because it was made in a heat.

Bill Casey, the Indian's phenomenal diver, was judged second to Frank Lane of the Baltimore Y. This is Casey's first defeat since competing for William and Mary. Brodney, other Indian representative, was fourth in the 100-yard breast stroke.

Summary:

50-yard free-style—Won by W. Campbell, Y. M. C. A.; second L. M. Phillips, William and Mary College; third, Ed. Kallinsky, Y. M. C. A. Time, :26 3-5.

100-yard back stroke—Won by Cyril Caulk, Y. M. C. A.; second; Charles Pridgeon, Y. M. C. A.; third, Frank F. Brooks, unattached. Time, 1:15 4-5.

100-yard breast stroke—Won by George Schmitt, Y. M. C. A.; second, George Dreyer, Y. M. C. A.; third, Leroy Baum, Bay Shore. Time, 1:14 1-5.

100-yard free style—Won by Fred Nordenholz, Y. M. C. A.; second, Ed. Kallinsky, Y. M. C. A.; third, L. M. Phillips, William and Mary College. Time, 1:01.

200-yard free style—Won by Roland Bieren, Y. M. C. A.; second, Charles Pridgeon, Y. M. C. A.; third, Edward T. Ellis, Friends School. Time, 2:41 1-5.

Diving—Won by Frank Lane, unattached; second, William J. Casey, William and Mary College; third, William Reid, Y. M. C. A.

WILLIAM AND MARY CAPTAINS | 9

JOHN LEWIS
Captain of Tennis

One of the most important reasons why William and Mary has had some great tennis teams in the last couple of years is due to the fact John Lewis, this year's captain, was a member of the outfit. He has played consistent tennis and has always been up in the running with the best Princeton, Virginia and the rest of them had to offer.

"Dead man" as he is affectionately called by his buddies, was born in Bethesda, Md., Sept. 24, 1906. He attended the Western High School of Washington and there began his tennis career, taking up track as a sideline.

Duc football was his first sport upon entering W. and M. and soon after football he went out for tennis. He has been a member of the tennis team for three years and can be considered one of the best ever developed here.

On the campus he has claimed many honors. He is a member of the Cottillion Club, the 13 Club, has been a member of the Inter-Fraternity Council for three years and last year was the Chancellor of the Wythe Law Club. As a freshman, he went Kappa Alpha.

On paper, Lewis and his mates seem destined to have another successful season and if they do, no small amount of the credit for victory will be due this young man.

SCORING SPREE IN SIXTH WINS FOR FROSH SATURDAY

Papooses Break Knot With Eight Runs to Beat Woodlaw By 8-3 Tally

MEET HOPEWELL, APRIL 1

In the sixth inning, with the score knotted at one all and men resting on second and third, Micky O'Neill stepped to the platter and proceeded to win his own game by slapping a neat bingle to right scoring both men. This hit broke the ice and enabled the freshmen to win a ball game from Woodlaw Academy of New Jersey, Saturday, by a score of 8-3. During the course of this wild inning, the Little Indians scored all of their eight runs which, as evidenced, was more than enough for victory.

Despite the comfortable margin by which the frosh won, they played in a more or less sloppy manner, making no less than five errors. It took them quite a while to start hitting, which may be attributed to the fact that it was the first time they had faced hooks this year. However, after five innings of light hitting, they got on to the deliveries of Roscoe, Woodlaw hurler, and were soon off to the races.

The visitors did all of their scoring in the first and last innings, scoring a run in the first through the medium of a base knock and a couple of errors. A couple of free tickets and two more errors in the seventh gave them their remaining tallies.

The Indian sixth inning was a combination of six hits, a base on balls, a hit by pitcher and four stolen bases. With two gone, McPherson was nicked, Hargrave singled and Sorrell brought McPherson home with a two-ply clout to left. O'Neill then did his Frank Merriwell and two more markers were in the ledger. Uldrich, Le Croix, Christenson all hit safely. Green walked and Harkins finished up the day's scoring with a final hit.

On the whole, the Papooses put up a fair enough exhibition. The pitching was okay, Woodlaw hitting only three times. Coach Kellison has stressed batting during the past week and after a few practice games with the varsity ought to offer real opposition for Hopewell High, whom they meet April 1.

FIFTY ARCHERS COMPETE

Under the direction of Miss Marguerite Wynne-Roberts, the archery squad is being organized today. Sue Cornick has been elected manager and Corinne Troupe as her assistant.

Archery has not been included in William and Mary sports for almost four years. Although no points toward a monogram are being given this year, it is probable that they will be given next year if the present interest continues.

CAVALIERS SEEK TO AVENGE LAST YEAR'S DRUBB

Tour Brings Lafayette College Cary Field to Scrap Indians Thursday

YOUNG RELIES ON VETERAN

In their first game for the state championship of Virginia and as defending champions of last year, William and Mary's ball-tossers travel Charlottesville next Wednesday cross bats with the University of Virginia nine.

The Indians completely massacred the Cavaliers last year in one of the smashing victories for the championship, 19-3. A more closely contested game is expected to result from Wednesday's meeting of the two oldest schools in Virginia.

Coach Young will more than likely start the ace of his pitching staff Captain Jimmie Wallace, on the mound. The Indian mentor is anxious to win this first state engagement in order to get off to a good start in his last season's coaching at William and Mary.

Lafayette College of Pennsylvania invades Cary Field the following day when the Indians return from the University. The Pennsylvania school is making a tour through the state and the showing that the Indians make against them will furnish comparative "dope" for their Old Dominion rivals.

William and Mary's veteran infield of Sauerbrun, Ryan, Silverman and Scammon, with McBride as a possible choice at first, and its outfield of Bauserman, Moore, Forest and Scott or Wallace, are counted on for good performances in these games.

ting the bull's eye number approximately fifty. Scores are being kept regularly. A tournament will be held in the near future. The round will consist of thirty arrows at a distance of thirty yards.

By BUD TIME OUT and LEFTY

Over in the other corner you will notice the achievements of "Scrap's" undefeated freshman track team of last year. The 1929 season produces the first permanent record of frosh track scores.

It is hoped that this season will furnish results sufficient to intersperse the 1929's with a few 1930's.

However, it is a fair bet that such marks as 4:27.8 in the mile 1:54.8 in the half mile, 180 feet 10 inches in the javelin throw and 128 feet, two and a half inches in the discus throw will not be lowered.

The varsity base ball team goes into defense of its 1929 laurels in the clash with University of Virginia, Wednesday.

Nine veterans with Captain Wallace, stellar twister, at their head ought to make a strong bid for the retention of the state championship gained last season.

Lester Phillips, captain of swimming, and Bill Scott, football, baseball and track star, should know how to offer each other sympathy.

Last Saturday Phillips broke the South Atlantic record in a preliminary of the 50-yard free style swim at Baltimore. In the final dash he placed second while another won the event in a slower time.

Scott was said to have broken or tied a record in a heat of the 45-yard dash handicap at the Meadowbrook games at Philadelphia in February. He did not place in the final dash.

The trio of swimmers entered in the South Atlantic meet made a creditable showing with all three men placing.

Casey, brilliant freshman diver, suffered defeat for the first time this season when he took second place in his event.

Captain Phillips copped a second in the 50-yard dash and a third in the 100-yard free style.

Brodney, also a freshman, took a fourth in the 100-yard breast stroke. All three men are expected to return to bolster the ranks of the natators next season.

AMASS TWELVE HITS HOLD DREXEL TO 3 IN 10-1 RUN-FEST

Scott, Engleburt, Wallace, Sauerbrun Lead In Batting, Kean Raps Home Run

HAVE TWO BIG INNINGS

The William and Mary ball club started off its season with a real, smashing victory, knocking Drexel Institute all over the lot to the tune of 10-1. Despite the overwhelming count, the game was full of all kinds of baseball and from a spectator's standpoint, was a complete success.

Captain Jimmy Wallace and Bill Scott held the highly-touted Dragons to three hits and one run, the latter being a homer in the eighth by Kean, Drexel pitcher. The Indians presented a smooth combination in all departments while the visitors exhibited a ragged brand of ball in spots piling up a total of no less than seven errors.

In the first inning, with one away, Engleburt rapped out a drive to the right corner which was good enough for four bases. Scott followed with a hit and was later brought in with a Wallace hit and a Drexel error. In the second stanza, the home team continued to blast the apple, shoving across four more runs. Silverman, Sauerbrun and Engleburt all hit safely and were brought in on Bill Scott's mighty triple, which cleared the wires of the lights on the football field. Bill completed the scoring for the inning by coming home on a sacrifice.

The silver, green and gold did not score again until the sixth when they duplicated their second inning performance of scoring four tallies. This torrid chapter was a collection of three hits, two Drexel errors and a sacrifice. Sauerbrun slapped out a base-knock, Engleburt got on through an error, Scott again came through with a hit which scored Sauerbrun. Ryan sacrificed and Wallace hit safely for two more runs and later scored on another Drexel error, which ended the Indian scoring for the day.

For the opening game the William and Mary aggregation gave its supporters much to talk about and offered a club which is going to prove plenty trouble to any team that they may meet this year. The Wallace and Scott pitching performances were of a mid-season type and much can be expected from these two as the season progresses.

FROSH IN SOD AND CINDER MEET WITH J. MARSHALL FRIDAY

Field Events Look Stronger Than Runs; Green Material To Fill Gaps

SIX MEETS ON CARD

By Rudolph Zabel

The freshman lightclads will pry the lid off the season in a meeting with John Marshall High of Richmond next Friday, according to Coach "Scrap" Chandler who announces the spring schedule today.

After grooming the men in both indoor and outdoor practice to find their best positions, the team is rapidly rounding into shape with plenty of material for every event. This year's team though strong in the field events, seem to be considerably weaker in the runs than last spring's frosh who ran away from everyone on the cinder paths.

The optimistic outlook for the team can best be expressed by the showing that they made in the University of Virginia's indoor meet last February. The team managed to win second to University of Virginia Frosh while competing against such strong freshman outfits as Maryland, Washington and Lee, and Duke.

The outstanding men in the freshmen aggregation piled up three firsts, one second and one tie for second. McKeown won the 50-yard dash, Uldrich breasted the tape first in a close finish to cop the 440-yard run, the relay team of McKeown, Roberts, Mann, and Uldrich managed to put in another win.

In the field events Berkowitz took a second in the shot put and George Williams tied for a second in the high jump. The hopes of the season centers around these men for sure point winners, but many more men will probably be found among the numerous undeveloped candidates, especially in the field events.

Those seeming to be the most promising in the dashes are McKeown, Walker, B. Roberts, Bishop, H. Williams and Legum. In the 440 there are Uldrich, Mann, Beech and Coleman. For the distance events, the candidates showing the most promise are Humphrey, Maluf, Ware, Sullivan, Yeaman and Koons.

There is a quantity of good material for the hurdles, which have

not as yet been put through very strenuous workouts because of the coldness of the weather, but have been acquiring form under the tutelage of Tucker Jones.

Webb, Lynn, Alexander, and G. Williams are competing for the pole vault positions. In the jumps there is unusual talent with Green McKeown, and Webb trying for the broad jump and with G. Williams, Reid, and Halligan taking care of the high jump. In the weight events, Meade, Berkowitz, Boniwell, Flickinger, and Harrell are expected to gather a good sum of points in coming meets.

The schedule will consist of six contests, for the most part the same ones that were conquered by last year's undefeated yearlings. There will be a triangular meet with

TIME OUT

(Continued from Page Six)

Speaking of swimming records, Miss Helene Madison, 16-year old girl of Seattle, set six new 20-yard course American swimming records, in a one-day meet at Jacksonville, Fla.

She broke the free style records in the 200, 220, 300, 400, 440, and 500-yard events on March 18.

Five days before she set four new world's records in the national indoor A. A. U. contest at Miami Beach.

Observers compared her with Gertrude Ederle who smashed six world's records in a 500-yard race against time in 1922.

Grover Cleveland Alexander, 43 years old, is beginning his twentieth season of baseball, signed with the Phillies. His main service will be to coach young pitchers, but he declared that he expected to win at least 10 games this year.

The English people will never wake up when it comes to prizefighting. They are actually going to pay money to see Horizontal Phil Scot in a battle with Young Stribling, a battle which is due to take place next month. The only reason that Phil got to the so-called fore in boxing is due to the fact that he has a very shrewd manager, who realized that a great many fights can be won on a foul. At one time or another in a fight, a boxer is almost sure to foul his opponent in one way or another.

Jimmy Johnston wasn't proving himself anybody's fool when he raised all that fuss in Miami last month about fouls. He just wanted to get Lew Magnolia to think about these fouls.

Hudlin and Ferrell pitched Cleveland to a no-hit victory over the New Orleans club the other day.

We note in the Times-Dispatch an item concerning a baseball game which was played as a part of the Central Olympic Games. Salvador was forced to forfeit the game to Mexico owing to the fact that they were unable to find a substitute for their catcher who had been injured. Mexico was leading at the time, 23-1.

The Washington Club is planning a boat trip to Jamestown Alumni Day, June 7th and indications are that a great many of Washington, Baltimore, Philadelphia and New York alumni will participate in this proposed William and Mary excursion.

The other officers of the Washington Association are:

First-Vice President—Rear Admiral Cary T. Grayson, 3825 Wisconsin Avenue.

Second Vice-President—Dr. Edson L. Whitney, 3411 Oakwood Terrace, N. W.

Third Vice-President—Charles P. Pollard, 1915 K Street, N. W., Apartment 310.

Treasurer—Campbell D. Shreve, Fendall Building.

Dr. Amos R. Koontz called the Baltimore-Maryland William and Mary group together at a dinner conference at the University club, Madison and Charles streets last week. Dr. Koontz called on the various alumni for expressions regarding the organization of the local chapter. The unanimous opinion was that a Baltimore-Maryland chapter be formed.

After Dr. Chandler's address the organization part of the program was turned over to Geo. W. Guy, Executive Secretary of the Alumni Association and the following officers were elected:

President—Dr. A. R. Koontz, 1014 St. Paul street, Baltimore.

Vice-President—Dr. H. C. Smith, Johns Hopkins Hospital, Baltimore.

Secretary-Treasurer—Miss Mildred Vaiden, 3919 Clover Road.

Mr. Earl B. Thomas, of the N. W. Ayer Advertising Agency, New York City, called the meeting of the William and Mary alumni and parents of the New York students at the Hotel Gramercy Park.

After addresses by several speakers, Mr. Thomas turned the meeting over to Geo. W. Guy, Executive Secretary of the William and Mary Alumni Association who proceeded with the organization of the New York chapter. The following were the officers selected:

President—Earl B. Thomas, Pelham Manor, New York City.

Vice-President—L. B. Warren, Leverick Towers Hotel, Brooklyn, N. Y.

Secretary-Treasurer—W. C. Ferguson, World Book Company, Yonkers, N. Y.

Mr. Andre Goetz, Jr. felt that a meeting of the New York club should be held within the next thirty days for the purpose of appointing committees and outlining a definite action of procedure for the future.

Mr. Thomas presented Hon. J. W. H. Crim, who had been ill, to the group. Judge Crim acknowledged the ovation very graciously.

grees we would get rid of our drunkards, but the world would be a pretty sad and righteous place. Drinking has inspired many of our wisest men to some of their best work. Witness our own Virginian genius, Edgar Allen Poe. This life is a pretty boring thing any way you take it, and if a few highballs or Tom Collins mitigate the dullness for some poor benighted souls, for goodness' sake, let him enjoy himself and don't try to dash cold water into his face. It's his hangover, let him have it.

The Pipe even helps you say nothing at all...

YOU'VE noticed how expressive the pipe can be, what meaning it can put into the simplest gesture. The pipe even helps you say nothing at all—and that, O mortal, takes a man among men! Men to their pipes and women to their lipsticks—but suppose you had no pipe and faced repression? Suppose you had no tobacco to put in your pipe! Empty pipes make empty gestures that have no meaning. Filled with good tobacco, your pipe becomes eloquent. Filled with Edgeworth, it is Olympian! What, no Edgeworth? Lose not a moment—haste to the mails with the coupon. Let the machinery of government rush to you a free packet of good old Edgeworth, delicious and friendly Edgeworth, full-flavored, slow-burning, cool.

Edgeworth is a careful blend of good tobaccos—selected especially for pipe-smoking. Its quality and flavor never change. Buy Edgeworth anywhere in two forms—"Ready Rubbed" and "Plug Slice"—15¢ pocket package to pound humidior tin.

EIGHT STUDENTS MADE MEMBERS MORTAR BOARD

(Continued from Page One)

Lam, Norfolk Lois Roberts, Bristol, Virginia; Miss Matier, Norfolk, Shirey Wright, Westfield, N. J., Agnes Winn, Victoria.

Miss Arthur is Alumni Editor of the Flat Hat, a member of the Debate Team, member of the Y. W. C. A., on the Staff of The Colonial Echo, and a member of Kappa Delta Pi.

Miss Hasseltine is Treasurer of the Dramatic Club, member of Theta Alpha Pi, President of the Art Club, sub-chairman of the Publicity Committee of the Y. W. C. A., member of the J. Leslie Hall Literary Society, and a member of Los Quixotes.

Miss Hugo is Personnel Chairman of Y. W. Cabinet, Y. W. Representative to Blue Ridge, member of the Varsity Glee Club, Girl's Life Saving Corps, Vice-House President of Sorority Court and a participant in dramatics.

Miss Lam is Vice-President of the Y. W. C. A., was chairman of the Girl Reserve Committee of the Y. W. C. A., Best All Round Freshman, Representative to Blue Ridge, Freshman Representative to the Judicial Council, Hockey squad, and is President-Elect of the Woman's Student Government association.

Miss Roberts was a member of the basketball and hockey squads, a member of the varsity hockey team, Cap-

tain-Elect of Hockey, a member of the varsity basketball team, member of the Glee Club, and a member of the Clayton-Grimes Biological club. She is also a member of the German club.

Miss Matier is a member of the J. Leslie Hall Literary Society, a member of the Y. W. C. A., Devotional Chairman of the Y. W. C. A., Theta Alpha Pi, Dramatic Club, Vice-House President of Tyler Hall.

Miss Wright is Sub-chairman of the Y. W. C. A. Cabinet, Representative-at-large to the Executive Council, a member of Eta Sigma Phi, a member of the German Club, a member of K. O. B. and a member of the J. Leslie Hall Literary Society.

Miss Winn has been a member of the varsity basketball team since her freshman year, was captain of the team last year and is captain-elect now. She is a member of the German Club, a member of the Monogram club, Treasurer of the H2E Club, member of the Hockey squad, a member of the track, and held the high jump record in '28.

Miss Adele Clark of Richmond and President of the Virginia League of Women Voters, delivered the tap service address. Briefly, she traced the struggle of women to obtain an education and civic rights; the develop-

ment of leaders in this state as, Lady Nancy Astor, Mrs. Kate W. Barrett, and Miss Elizabeth L. Lucas; the forward step in the opening of William and Mary in 1918 as a co-educational institution and the part played by women students here since that time.

In speaking of the three objectives of Mortar Board, she pointed out that scholarship is first; leadership second; and the combination of the two means service. Instead of the idea, "art for

art's sake" or, "education for education's sake," she believes one should work for the sake of God and for the sake of humanity. "With the idea of service in view, I believe your organization can be most helpful. He who would find his life must give his life for the service of others."

of the College is shown by organization of the college under the direction of Dr. Small, director of Music. The members include Frances Hull saxophone, Annis Wilkinson John Perry at the violin, Margaret at the clarinet, Margaret erford at the piano, Sid Mar the trumpet, and Elizabeth and Ethel Blank at the mand
