DUC RULES TO BE STRICTLY CARRIED OUT

Tribunal Appointed From Senior Class by President of Student Body

RULES EFFECTIVE 'TIL MAY

Mulowney Urges All Upper Classmen To Assist In Having Freshmen Obey Rules

The Senior Tribunal, announced by Richard D. Mulowney, president of the men's student body, at a meeting of the three upper classes, September 16, consists of Bill Scott, Roy Charles, Mitchell Mozeleski, Roger Keay, Paul Baldacci, Marshall Baggett, Monk Abbitt and Lester Phillips. Mr. Mulowney urged that all upper classmen assist these men in having the freshmen obey all the duc rules. There is no change in the rules from last year and as usual will be enforced until the early part of next May. The complete code of rules follows:

1. Freshmen shall wear a regulation cap of green, gold and silver on all days except Sundays and holidays. This cap shall also be worn inside at all indoor sports, and all dances except private and formal.

2. Freshmen shall wear a standard green four-in-hand tie on every day except Sundays and holidays.

"Who's Who" Lists Six Faculty Members

Five Town People, Friends Of The College, Are Also Mentioned

Eleven people of Williamsburg, six of whom are on the faculty of the college, are listed in the 1930-31 edition of "Who's Who in America," a biographical dictionary of notable men and women now living. Among these only one woman gained a place, Mrs. W. C. James, whose husband is also listed.

Those now in the college are: Dr. J. A. C. Chandler, educator and author, now president of William and Mary; Dr. Donald W. Davis, at present professor of biology here; Dr. Joseph Geiger, head of the department of philosophy; Dr. William T. Hodges, dean of men; Dr. Kremer J. Hoke, dean of the college; Dr. Earl Swem, librarian; Dr. D. J. Blocker, one time pastor of the Baptist

ORGANIZATIONS, NOTICE

It is important that all campus organizations send their meeting schedules to Agnes Winn at the Kappa Delta House before Saturday night in order that Mortar Board may arrange Collegiana for next week's Flat Hat.

REGISTRATION OF STUDENTS LARGER THAN PREVIOUSLY

More Incoming Women Than Men Due To Completion Of Brown Hall

FEW YET TO ENROLL

An announcement has come from H. L. Bridges, registrar, that a total of 1,415 men and women have enrolled in the college for the fall term 1930-31. Of this number, there are 747 men and 668 women. These women compare with the 764 men and 623 women enrolled last year.

Last year at this time there were a total of 1,387 men and women registered in the college. At present there are twenty-eight students more than last year. The fact that there are less men in college and more women is because of the completion of Brown Hall, women's dormitory, which accommodates about seventy-five women students.

The decrease in the number of men is said to be due greatly to the drought that Virginia and nearby States suffered. It is believed that this was the cause of at least fifty men not returning to school.

It is understood that there are some who have not completed their registration. After these become enrolled, the number of those registered will be increased somewhat.

The same process of registering students was used this year as last. It was found that enrolling done in Washington Hall facilitates the registration, since freshmen and transfers would have a much easier time registering.

A report has come to the registrar's office that approximately 150 students have enrolled in the William and Mary Junior College, in Norfolk.

ENROLLMENT RISES IN BUSINESS SCHOOL

Dr. Charles F. Marsh Added To Faculty of Business School

Five hundred and fifty-six students have enrolled for the school of economics and business administration, making an increase of nineteen over last year's record. Three doctors of philosophy, two masters of science and one certified public accountant make up the present faculty.

Dr. Charles F. Marsh, a new member on the staff, comes from American University, Washington, D. C., where he has been teaching for the last two years. Dr. Marsh holds an A. B. from Lawrence College at Ripon, Wis., and an M. A. and Ph. D. from the University of Illinois, where he held a public utilities scholarship for three years. For the past two summers, Dr. Marsh has been employed by the Civil Service Department at Washington.

MULLOWNEY ASKS STUDENTS TO STOP CUTTING CAMPUS

Dr. Chandler has expressed the hope that the students refrain from cutting campus. The paths have been dug up and reseeded, and the co-operation of the entire student body will be needed in helping to grow new grass. Special attention is called to the grass plots surrounding Phi Beta Kappa hall, and the one between Phi Beta Kappa hall and the library. Last year the students co-operated in this matter, and as a result the campus looked better than it ever did before. The administration appreciated this co-operation and it is hoped that with the help of every student, we may be able to rid the campus of these unsightly paths.

Richard D. Mulowney,
President Student Body.

HANDBOOK EDITOR LAUDED

Rountree As Editor and Leary As Women's Editor Successful

DECLARED BEST IN YEARS

The 1930 edition of the Indian Handbook, edited by William F. Rountree and Virginia Leary, has been generally declared the best and most convenient ever put out. The book, which is quite a bit larger than those of previous years, has a soft paper cover with a three-colored printing of the new college on it. The increase in size is thought to be better because it leaves more space for information, is easier reading, and is still small enough to fit into a pocket.

There are eight distinct sections, each devoted to a division of campus activity. Many fine cuts and interesting details which have not previously been included, make the book pleasant reading.

SORORITIES BEGIN RUSHING SEASON TOMORROW AT 4

Pan-Hellenic Council Makes Changes In Women's Rushing Rules

WILL LAST TEN DAYS

Pan-Hellenic Council has seen fit to revise the rushing rules drawn up last spring and to inaugurate again the former system of non-preferential bidding. Rushing begins Saturday, September 27, and continues for a period of ten days, ending at 10:00 P. M. Tuesday, October 6.

Rushing shall be divided into two periods, the first beginning tomorrow, through Thursday, October 2, and the second beginning October 3, through October 6. It is recommended that each sorority give an opening tea from 4 P. M. to 6 P. M. tomorrow, the invitations of which are to be left at the college postoffice not later than 9 A. M., the morning of the 27th. During the rest of the first period, each sorority will be given a definite area at a specific time and dates must be made only as designated on the slips given each sorority.

During the second period open rushing will be carried on, and dates may be made from 8:30 A. M. to 10 P. M. On Tuesday, October 6, each sorority shall hold a formal reception from 8 P. M. to 10 P. M. Bids must be in the hands of the Pan-Hellenic Council secretary, in a sealed envelope, by 6 P. M., October 7, this day being a day of silence. Bids are to be delivered by two women members of the faculty by 9 A. M., October 8, and returned to their respective houses by 4:30 P. M. of the same day.

The following rules have been set forth by the council:

1. Dates are to be made for that day only.

EXTENSIVE PLANS MADE BY DEBATERS

University of Scotland Will Send Team To W. & M. Campus

An extensive debate program is being planned by the Debate Council this year. Efforts are being put forth to arrange contests with some of the outstanding colleges and universities of the country. For the first time since debating has been organized on the campus a foreign university will be entertained here. The University of Scotland will send a team here to oppose the William and Mary debaters.

Try-outs for membership in the Wrangler's Club will be held Wednesday, October 1, at 8 o'clock, in Washington 200. All freshmen and upper classmen interested in debate work are urged to prepare a debate on the question, "Resolved: That the United States Should Adopt a Uniform Marriage and Divorce Law." Either side

LEADING ROLES NAMED

Five Episodes From Sixth Book Of Aeneid Arranged By Professor Wagener

Miss Althea Hunt, director of the open air pageant to be given October 15, 1930, at the College of William and Mary, Williamsburg, in celebration of the bi-millennium of the birth of the Roman poet, Vergil, today announced the cast of characters who will participate in the pageant.

The leading roles of the Sibyl and Aeneas will be taken by Jean Upsall, of Watseka, Illinois, and Maurice Berkwitz, of Brookline, Mass., respectively. Anchises, father of Aeneas, will be played by Edgar Wiegand of Elmhurst, New York. Wayne Shoemaker, of Muncy, Pa., will enact Palinurus; Marshall Baggett, of Alexandria, Musaeus. Over 150 students of the college will take part in the pageant and will impersonate Cerberus, the Gorgons, the Furies, the Judges of the Dead and other mythological inhabitants of Hades.

Croxtton Chosen In Y. W. C. A. Election

Marchant Named Vice-President; Several Other Vacancies Filled

Anne Croxtton, of West Point, was elected president of the Y. W. C. A. at a meeting of that body Monday, September 15, in Phi Beta Kappa Hall. Other officers elected were: vice-president, Jean Marchant; treasurer, Emily Dunleavy, secretary, Page Johnson.

The Y. W. C. A. holds its election of officers each spring. Accordingly it chose as president last year, Edwina Carver; secretary, Jean Lilly; treasurer, Burn Hoen, and Dorothy Harper, girl reserve advisor. These girls failed to return to college this fall, thus necessitating another election. Shirley Wright, world fellowship chairman, and Betty Hugo, devotional chairman, have recently resigned, leaving two vacancies to be filled at the next meeting.

"ENTER ROMEO"

By Jurow

This column will be employed only for dramatics, except on those occasions when we desire to make a few commentaries on life in general. However, feel assured that nothing important will be said; therefore, if you should have plenty of time to spare, peruse the column, if not, pass right along to something more interesting and be sure that you have our entire forgiveness.

We are very happy to see so many of our gallant thespians back again this year. With the help of Miss Althea Hunt and such luminaries, as "Lady Fingers" Clark, "Chris Berkowitz," "Mountebank" Baggett, "Henrietta" Horsey, "Petruchio" Diggs, and "Olivia" Lucas, we can look forward to nothing but a successful season. May we also enjoin those who are newcomers to our ranks to come out and participate when the time comes for thespiating (our own word).

There was a very successful meeting of the Dramatic Club Tuesday evening, September 16, at the home of Miss Hunt. When we say successful, we mean by that that refreshments were served. The major part of the meeting was taken up with plans for the pageant. The officers for the coming year are: president, Marshall Baggett; vice-president, "Pat" Clark; secretary, Mrs. Mary Pyle, and treasurer, Miss Catherine Haseltine.

Did our friends know that Harriet Smith, star of "Royal Family," presented last year, is play production teacher at Newport News High School? A pilgrimage will be made soon to the fair city quoted above to sit in on Miss Smith's class.

MAIN READING ROOM OF LIBRARY IS REFURNISHED

Second Floor Being Used For Reading Room and Reserve Books

The main floor reading room of the library has been refurnished and a new reading room opened on the second floor, increasing the convenience and seating capacity. The class of 1930 memorial clock stands on the first landing of the grand staircase, and 150 paintings of great value adorn the walls.

The lower room furnishings, dedicated "to the youth of Virginia perpetuating a great name," have been given by William Lawrence Saunders and Miss Jennie Morton Saunders as a memorial to Robert Saunders, graduate, professor of mathematics and later president of the college. The room is furnished with maple tables of the style of William and Mary, with chairs of the Windsor type. New and enlarged files, reading chairs and sloped top tables for dictionaries are some of the features of the room.

The entire second floor of the new addition has been turned over for the use of reserved books and current magazines, with accommodations for study for 180 students.

MORTAR BOARD TO INSTALL CHAPTER AT WESTHAMPTON

University of Michigan Hostess At Mortar Board National Convention.

Mortar Board, women's national honorary fraternity, will establish a new chapter at Westhampton College in Richmond, Va., as a result of the decision of the national convention of the fraternity at the University of Michigan during the last week in June. Mortar Board is the only women's senior honorary society in the United States, and its purpose is to encourage good scholarship and college spirit.

The local chapter was formerly Alpha Club and was established on the William and Mary campus in 1918 when women students were first admitted to the college. It is the oldest co-ed organization of the college and was installed as a part of the national organization of Mortar Board in December, 1929. The members are elected to membership at the close of their junior year on the basis of leadership, scholarship and personality. At the last convention in Ann Arbor, Michigan, Shirley Wright, as president of the chapter, was delegated to

represent William and Mary. Considerable note and active church worker; Dr. John G. Pollard, at one time dean of the Marshall-Wythe School of Government and Citizenship, now governor of Virginia.

Alumni Office Reports Successful Season for Year Just Concluded

Secretary Guy Reviews Outstanding Dates in Activities Program of Association

17 CLUBS FUNCTIONING

The alumni office makes the following report of the association's work for the past year:

There are now seventeen active William and Mary Clubs located as follows: Richmond (2), Norfolk, Portsmouth, Hampton, Newport News, Williamsburg, Roanoke, Accomac, Northampton, Southwestern Virginia, Southside Virginia, North Carolina, Washington, Baltimore, Philadelphia and New York. The following are some of the outstanding dates:

November 2—Home Coming Day with approximately 1,000 of the alumni and their friends returning to the college.

November 27—Annual Alumni Dinner at Murphy's Hotel in honor of the Governor of Virginia. 150 present.

December 17—Inter-Alumni Dinner, Richmond Hotel when 550 alumni of the University of Virginia, William and Mary, Medical College of Virginia, V. P. I. and V. M. I. attended. William and Mary, 140 alumni present.

March 17-22—Dr. J. A. C. Chandler and the executive secretary went on the William and Mary northern itinerary. Dr. Chandler addressed the alumni of Washington, Baltimore, Philadelphia and New York City. Active alumni associations were formed in the last three named cities. Washington already had an active association.

March 28—Dr. J. A. C. Chandler addressed the William and Mary alumni over WRVA. The college glee club furnished the music for this program. The alumni office is in receipt of a number of letters congratulating Dr. Chandler and the glee club on this program.

April 12—Organization of North Carolina William and Mary club at the King Cotton Hotel, Greensboro, North Carolina.

May 5 and 6—Get-together meeting of the William and Mary alumni at Cape Charles and Accomac at which time local chapters were organized in Northampton and Accomac counties.

June 7—Alumni Day at the College of William and Mary. 1,000 of the alumni and their friends returned. A group picture of the returning alumni is on the walls of the alumni office. The class of 1920 presented the college with \$5,000 for a Tyler-Chandler scholarship.

June 9—Thirty-four members of the class of 1930 took out life membership and twelve annual memberships in the William and Mary Alumni Association. The life memberships certificate was presented with the diploma at graduation.

The organization of these clubs has been the means of stimulating further interest in the college and keeping alive the spirit of old William and Mary. A number of the William and Mary clubs have sent us the names of deserving students whom they wish to see at William and Mary next session. Two organizations have already discussed plans to establish local scholarships.

The alumni office is also the information and publicity bureau of the college. The newspapers and magazines have been very generous in giv-

CAMPUS SECRETARY ADDRESSES LETTER TO W. & M. ALUMNI

Notes Rapid Growth of Organization During Past Months; Urges Increased Membership

PLAN CLUBS ALL OVER STATE

To William and Mary Alumni:
 Another milestone in the history of the college has been reached. So far the enrollment has exceeded any previous record, and with the new library, new dormitories and hospital the expansion program of the college is in full swing.

We felt very much encouraged with the organization of William and Mary clubs last session. It is Dr. Chandler's plan to organize a club in every county and city of the State and in every State of the Union where William and Mary alumni are found.

If you have not already communicated with the executive secretary of the alumni association for the plan of organization and the aims and purposes of the movement he will assist you in every possible way in your local work. These scattering William and Mary units possess potentialities if they can be brought together in some unified plan for the furtherance of the best interest of the college.

Let us plan, work and pull together for Alma Mater this year and make this the outstanding session in the history of the institution.

Yours in the service,
GEORGE W. GUY,
 Executive Secretary
 Alumni Association.

James Ray Spencer, Jr., a student at the college last session, is engaged in road survey work with the State Highway Commission in Isle of Wight County. Mr. Spencer spent Sunday at the college with friends.

MANY STUDENTS APPEAR ON LIST OF LIFE MEMBERSHIP

Increased Interest Also Reported In Membership For Coming Year

OFFICE LAUNCHES DRIVE

One of the objectives of the alumni association for the year is to secure as large a number of life members as possible. It has been found that when an alumnus invests in a life membership his interest in the college correspondingly increases. At present life memberships are only \$25, which carry with them a subscription to the Flat Hat and publications of the alumni office.

The following is a list of the life memberships for this year:

Wilbur Davis Bailey, Margaret Bilisoly, Ethel Briggs, Anna Eggleston, Emmett Frizzell, Frances Griffin, Dorothy Ruth Hale, G. Ryland Hamner, Merilla V. Hicks, Charles Garland Johnson, Margaret Johnson, Richard Jeter Jones, Fay LeCompte, Helen Monteiro, Margaret Morris, Lawrence N. Morscher, Jr., Helen Throck Morton, Mabel E. Throck Morton, Robert Coleman Moses, J. Arthur Nolde, Robert Price, Alice Proudman, Mary K. Quick, Charles Scammon, Mary Stephenson, William J. Sturgis, Jr., Helen Thompson, Edna Walters, John H. Waters, Jr., Roselyn Webb, Virginia Weiland, Eleanor Williamson, Linda Mae Wilson, John V. Bauserman, Vinnie May Davis, J. Henri Amiel, Pauline Smith, Mrs. Ruth A. Pointer, Eunice La Clair Hall, Estelle Ironmonger, Lesbia Lola Brown, Percy H. Warren, Anne B. Cacioppo, Louise Phillips.

Etta H. Clements, George M. Nolley, Robert M. Newton, James Hurst, P. P. Peebles, Lillian H. Cassell, Eva L. Hewitt.

Every graduate and former student of the College of William and Mary is entitled to become a member of the William and Mary Alumni Association. The annual dues are \$3, which carry with them a subscription to the Flat Hat, while the life memberships are at present \$25. May we add your name to the above list?

Prominent Lawyer Until Recently Member Alumni Board of Managers

ACTIVE IN WASHINGTON CLUB

William and Mary is very proud of the accomplishments of the distinguished alumni. There are a number of the younger men who are budding into prominence and Alma Mater is always beckoning them on to higher and better things. Each week the Flat Hat carries the story of one who has distinguished himself. This week Jimmy Sommerville, who was until recently on the board of managers of William and Mary Alumni Association, is written up. "Who's who in the East in 1930" gives the following account of Mr. Sommerville:

"Sommerville, James William—Lawyer. Born at Newport News, Virginia, June 12, 1904. Son of James A. and Julia (Chapin) Sommerville. Genealogy: Descended from the English family of Somerville. Represented in House of Lords from the beginnings of Parliament until 1857, when the eleventh Lord Somerville died without a successor. Educated William and Mary College; George Washington University (LL. B. 1926); National University (LL. M. 1927); member Virginia State Bar; District of Columbia Bar; Sigma Alpha Epsilon; Virginia State Society of the District of Columbia; Board of Trustees, Alumni Association, William and Mary College; Alumni Association, George Washington University; clubs: University and Washington Golf and Country, Washington, D. C.; Tidewater, Newport News, Va. Politics, Democrat; church: Presbyterian. Engaged in law practice. Office, Investment Bldg., Washington, D. C. Home: 235 Livingston Avenue, Cherrydale, Virginia.

Mr. Sommerville is an active member of the William and Mary Club of Washington.

Rev. G. McLaren Brydon, D. D., executive secretary of the diocese of Virginia, has announced that old Farnham Church in Richmond County has been selected by Rev. F. D. Goodwin, D. D., as the place for his investiture as bishop-coadjutor of the Protestant Episcopal diocese of Virginia. The ceremonies will take place early in October at a date to be announced later, due to the fact that Rt. Rev. James DeWolfe Perry, D. D., of Rhode Island, presiding bishop of the church, is still in England. October 16th has been suggested as the date but this will depend upon the arrival of the presiding bishop.

Dr. Goodwin was elected bishop-coadjutor of the diocese of Virginia last May in the session of the council at Warrenton, Va.

It is understood that the bishop elect will be assigned by the Rt. Rev. H. St. George Tucker, D. D., bishop of the diocese of Virginia, to special supervision of the church schools and phases of rural church work.

Dr. Goodwin, a native of Fairfax County, was a member of the class of 1912, College of William and Mary.

W. V. Bradshaw, Jr., of Victoria, Va., who was a pre-medical student of the college during 1927-28 and 29, is now at the Medical College of Virginia.

SEPTEMBER 26, 1930

Welcome, Class of 1934!

The College of William and Mary welcomes you. We welcome you because you have chosen to make a foundation for your lives over our highways and we wish you much success as you set out on this particular highway leading to higher education and learning. It is our pleasure to direct and assist you over all the hard roads until you have become better acquainted with the ways and traditions of the college.

We are happy because you have chosen William and Mary as your college. We are indeed proud of this fact, since the country is crowded with institutions of higher learning. And now that you are here, it is your duty to take advantage of the opportunities afforded you, for William and Mary offers countless opportunities from which many benefits can be derived, provided you show sufficient amount of interest. William and Mary offers many fields of extra-curricular activities as well as educational activities. Unless you make use of these various opportunities you are unworthy and ungrateful of the confidence that the faculty and student body have invested in you.

William and Mary has seen two hundred and thirty-seven years pass, and now she has begun her two hundred and thirty-eighth year. Many of the traditions and customs have been explained to you at various meetings and it is necessary to impress upon you the importance of living up to these traditions. You will not find the upperclassmen as eager to detect your disobeying rules and regulations as you will find them eager to assist you in becoming a vital part of the college.

With the opening of every session William and Mary is becoming greater in the minds of men and women who have gone out from the institution, and after all they are the ones who have aided in bringing the college to the front as one of the larger institutions of higher learning in America. Since you have chosen William and Mary as your school, you are obligated to do your share and support every phase of college work.

Again, class of 1934, we are happy to welcome you to the College of William and Mary in Virginia.

Important to Freshmen!

As you all know, there are rules for you freshmen to obey, and if you do not obey them, you know what will happen to you. All of you have perhaps learned the new style in ties to be worn by the William and Mary freshmen. They are a fold-in-hand tie made of some kind of green material. And all the freshmen are wearing them every day except Sundays. The style of cap to be worn by the class of 1934 is made of green, gold, and silver material with the number 34 on the front. And although we are not trying to induce any of you to smoke, it will be to your advantage to carry a box of matches wherever you go.

It is important that each and every one of you freshmen obey the "Duc" rules laid down for you. Of course, there are always a few who, more or less, forget the good, sound advice given them, but always they are given a sad reward sometime or other. So, freshmen, just take a bit of advice and conform to all rules and regulations, for you know that there must have been some reason why a senior tribunal was appointed, and just remember that **supreme court is coming!**

New York—Jack Sharkey is scheduled to meet Victorio Campolo, the giant Argentine heavyweight, at the Yankee Stadium next Thursday night. This is the last of the metropolitan district outdoor battles of the season. Despite his many disappointing showings, Sharkey has been established a two-to-one favorite over Campolo, who has shown little in the way of first-class boxing skill or punching power since he has been in this country.

Paris, France—Equinoctial gales, reaching at some points a velocity of eighty to 100 miles an hour, swept the French Atlantic seaboard and Channel coast. The winds continued to rage for several days. They drove before them to refuge in ports nearly forty ships, and took the lives of at least ten sailors. Many of these craft had their rigging or their bridges swept away by the wind and heavy seas.

Washington—A more extended investigation of short selling of wheat by Russian interests in the Chicago pit was said by Secretary Hyde to have become necessary through information from the president of the textile syndicate, which placed the orders, that operations had continued for several months. The sales in the pit by Soviet Russia were at times responsible for depressions in wheat prices. The investigations showed that on four days short sales by the government amounted to over 7,500,000 bushels of wheat.

London—In the possession of a London bookseller there is a manuscript giving a secret account of the execution of Mary, Queen of Scots. It was for Queen Elizabeth's private perusal. The subsequent lines are an extract telling of the last moments of the ill-fated Queen.

"Then groping for the block, she laid down her head, putting her chain over the block with both her hands, which holding there still had been cut off, had they not been espied. Then she laid herself upon the block most quietly, and stretching out her arms and legs, cried out: 'In manus tuas, Domine,' three or four times. And as the last one of the executioners held her straightly with one of his hands, the other gave two strokes with an axe before he cut off her head. . . . There the executioner did cut off her head, lighted it up and bade God save the Queen."

New York—The American people have set out to show Sir Thomas Lipton what they think of a good loser, and today they had indicated that they intend to send him back to England this time with a cup worth a whole lot more in momentary value at least, than the trophy he has tried five times in vain to win. The idea was suggested by Will Rogers. Mayor Jimmie Walker accepted the job as custodian of the funds.

THIS DEPARTMENT

Well, well, well, if we aren't all back in school again and ready for hard work. Oh, yeah! Of course we are. And do we miss all those bums that didn't think enough of us to come back. I bet in a short while they will all be wishing they had. Anyway, we are glad that everybody that did come back, did come back, for what would we have done without you, if you hadn't come back.

I suppose I might as well explain "why this column?" A good many years ago there was a mighty fine fellow here who wrote a column under the name of "This Department." Well, he's not back any more, and I imagine he feels mighty bad that someone didn't carry on his good work, so as kindhearted and sympathetic as I am, I feel as if I must give Dan a break and begin his work all over again. Now you all know why I am writing this column, and you won't have to ask anybody.

And I have something to tell you. The other day some one of our friends with the green, gold and silver headgears came in and asked me if he could speak to me confidentially. After thinking it over for quite some time I gave him permission, and he told me that he never did like to wear caps. I straightway told him that it was not a cap but a hood and so he went out rejoicing that he was wearing a hood and not a cap. By the way, another came in and asked me how Lindbergh felt when he landed in Paris. I didn't know. I was enlightened somewhat by his telling me that he felt just the way that all these rookies felt when they landed in Williamsburg. Maybe they thought that all these co-eds were from New York and Paris or something like that.

And isn't this a good idea about alternating the different sexes in the dining hall? I never did like unions anyway. And I'm just crazy about ice cream.

If some of you freshmen want a good, easy job and one to induce laziness to work your way through college, you can apply at the miniature golf course for a job as a caddy. I understand there are quite a few vacancies. Just helping you out, that's all.

Wouldn't it be nice if we could have a lot of those little Austin cars down here. They would just fit on the sidewalks around and they would be a lot handier than bicycles. Something will have to be done anyway this winter about everybody riding bicycles to and from classes. I think my great-grandfather told me that whenever there is a hot summer, that is, of course, an extremely hot summer, there would be an extremely cold winter. They already have two terrible snow storms scheduled for the southern part of Florida, and they are going to smoke the orange blossoms—they may have to put them in some kind of an incubator, I don't know. Anyway, as I was saying, if there's going to be so much snow and hail and sleet and, of course, mud, we are not going to be able to ride our bikes. So maybe somebody will import a couple of Austins for rainy weather, that will help this situation. This won't help those real tall guys though. They will probably have to use stilts.

Saw a little "Ducess" yesterday and she was crying as loud as she could. Tears were flying here and there, and all the time she was saying to a professor, who was trying to make her take Greek 101, that she didn't know Greek O—W! I think she knew English.

Boys and girls, men and women, ladies and gentlemen, I have just been figuring and there are only eighty-four and a half days till Christmas. Think of that! If I had time, I would find out how many hours, minutes, and seconds, and so forth, but really I never could do multiplication, even in high school. Since the holidays are so near at hand, I should suggest that you begin packing your duds. Fold them nice so they won't wrinkle.

OPEN FORUM LETTERS

"A Couple of Greeks"

Look at Rushing Rules

To the Editor of the Flat Hat,—Sir: I am writing you about something which I believe every fraternity man on the campus is interested. It is that plan of deferred rushing which was put into effect last semester. When the plan was inaugurated that freshmen could not be pledged to a fraternity until after he had passed ten hours' work the first semester, it was thought to be a good idea, at least all the frats were willing to try it as an experiment. And so for four months last year fraternities supposedly lay idle. When February came most men on the campus were busy with examinations. Upper classmen had not the time to devote to freshmen nor freshmen to upper classmen. After exams many men left college for a short vacation, which was another hindrance. Somehow I believe the fraternities lost interest in rushing after waiting so long.

Fraternities in many other colleges pledge during the latter part of October, and I can see no reason why it would not be satisfactory here.

There are numerous other reasons for changing the present method, but it is useless for one man to give them

all. I hope that others will write to the "Open Forum" column and express their opinions on the matter, regardless of whether they be for a change or against it. Apparently this is a subject of concern to a great many men and their ideas should be known.

Student Makes Complaint

About College Laundry

To the Editor of the Flat Hat,—Sir: The laundry situation has become extremely serious it seems. My roommate turned in his laundry last Monday morning and he hasn't gotten it back yet. If this is the way the laundry is going to be run for the rest of the year, it will become necessary for the men to wear celluloid collars and have wash boards in every dormitory. Since the college has assumed the responsibility for the laundry, it should make arrangements to see that the laundry is returned more promptly.

Sincerely,

"WASH."

"New Laundress" Kicks About Enforced College Laundry Privileges

To the Editor of the Flat Hat,—Sir: I am writing to complain about the newest injustice imposed upon the students. I should like to know why everyone should have their clothes washed at the college laundry, and not only that, but to pay for the privilege? Many students have been in the habit of having their clothes sent home and have gone to all the

THE INQUIRING REPORTER

He asks ten people every week some question on college life. If you have any problems you would like to see discussed in this column, send them to "The Inquiring Reporter," care of The Flat Hat.

THIS WEEK'S QUESTION

What in your opinion is the main reason why Freshmen should become affiliated with activities during their first month at William and Mary?

Dick Mullowney, '31: "It broadens one and gives one a chance for expression before a group of persons."

Corinne Hancock, '31: "As we live mostly by habit, freshmen should form desirable habits right at the beginning. Entering activities is one of the best habits to form because activities make for a more well rounded student."

Katherine Lam, '31: "I think freshmen should become affiliated with activities during the first month of school, as activities tend to broaden their interests and enable them to participate in a pleasant and profitable occupation. Also, the freshmen will become better acquainted with their fellow students, both of their own class and others."

Clarence Rives, '31: "Freshmen should become affiliated with activities during their first month at William and Mary in order to maintain interest in the college. It helps to arouse the college spirit."

Marion Cheyne, '31: "I think affiliating with an activity in which one is interested helps bind one to his new environment."

Earl Swem, '31: "Being affiliated with an activity keeps freshmen interested in affairs of the campus and offers a profitable diversion from studies."

Ellen Ticer, '31: "Freshmen should become affiliated with activities their first month in college because in this way they are thrown into contact with people who will probably become their friends all of their college days. After all, friendships made, and especially those in co-operative work, make up to a great extent a happy and profitable four years."

Martha Barrow, '31: "In my opinion, the main reason why freshmen should become affiliated with activities during their first month is that it enables them to become adjusted to college life. First impressions are frequently lasting ones, and entering into activities gives to the campus an impression of willingness on the student's part to co-operate, an important phase of a student's life. To the student himself, participation in activities brings a sense of satisfaction and confidence."

OMICRON DELTA KAPPA TO MEET NEXT WEDNESDAY

Omicron Delta Kappa fraternity will hold its first meeting of the year on Wednesday night at 7:30 o'clock in Washington Hall. Membership in this fraternity is composed of the outstanding juniors, seniors and members of the faculty.

Richard D. Mullowney is the new president, succeeding Sam Wilcox. Omicron Delta Kappa is an honorary fraternity which recognizes eminence in the forms of scholarship, activities on campus and character. New members are tapped each fall and spring. To belong to this fraternity is to receive one of the highest honors which the campus can give.

CHURCHES OF CITY GREET STUDENTS

The churches of Williamsburg welcomed the new students of the college on Thursday evening, September 18, with receptions and parties. Dr. Goodwin of Bruton Parish invited all Episcopalians and members of other churches not represented in Williamsburg to a reception at the Wythe House. The freshmen were given an opportunity to become acquainted, refreshments were served, and there was dancing until 10 o'clock.

The new members of the Baptist Church were met by upper classmen, who acted as hosts. The pastor and his wife received the guests. The entertainment consisted of games and the singing of college songs, after which refreshments were served. The room was appropriately decorated in the school colors. The flowers were golden cannas and ferns, and golden candle shades completed the color scheme.

Presbyterian students met in the social room of the church at 7 o'clock Thursday evening. Dr. Morton and Dr. Guy headed two rival circuses composed of the guests. "Tight-rope walking" and various amusing games and stunts provided amusement. At the end of the evening, refreshments were served.

The Methodist students were entertained in their social hall, which was decorated with yellow flowers and pine to represent the school colors. The Epworth League co-operated in making plans for this meeting, and the receiving line consisted of a representative of every department of the church and league. After the students had met one another, a grand march was held as a means of choosing partners for the evening. After refreshments were served people scattered into groups to talk. Harriet Bozarth sang several songs, accompanied by her sister, Annie Bozarth. Greta Christianson and Minnie Hogge gave a duet, and some of the fresher offered impromptu numbers.

Mrs. William Hodges, of Williamsburg, gave a tea Friday, September 19, in honor of the Alpha Chi Omega fraternity at her home on the Jamestown Road. Two representatives from each of the other girls' fraternities were invited. Receiving were Jean Upsall, Miss Althea Hunt, Mrs. Melville Jones, Miss Kathleen Alsop, Kitty Carter, Laura Colvin, Dorothy Brown and Mary Quick.

Mrs. Earl Swem and Mrs. H. C. Krebs, of Williamsburg, gave a tea Wednesday, September 17, in honor of Mrs. Henry Carter, chaperone at the Alpha Chi Omega House. Those invited, besides the Beta Delta chapter of Alpha Chi Omega, included Misses Mary Quick, Katherine Carter, Laura Colvin, Mrs. Melville Jones, Mrs. H. H. Hunt, Mrs. Margaret Alsop, Mrs. William Hodges, Miss Althea Hunt, Miss Kathleen Alsop and little Miss Mary Carter, granddaughter of Mrs. Carter. Those serving were Dorothy Brown, Georgia Bell Bennett, Frances Beckerle and Anne Shown.

Initiation services were held by Alpha Mu chapter of Delta Delta Delta Friday and Saturday of last week.

Those initiated were Eleanor Henebry, Roanoke, Ethel Lawrence, Bristol, Tenn., Edith Ford, Dearborn, Mich., Lucie Grossmann, Petersburg, and Minnie May Shreve, Falls Church, Va.

Chaperone of sorority houses this year include: Mrs. Clarence M. Trinkle, Wytheville, Chi Omega House; Mrs. W. H. Lybrook, Blacksburg, Delta Delta Delta; Grace D. Epes, Farmville, Kappa Alpha Theta; Mrs. S. P. Johnson, Richmond, Phi Mu; Mrs. James A. Davidson, Farmville, Kappa Delta; Mrs. G. Ottis Mead, Alta Vista, Pi Beta Phi; Mrs. C. F. Carter, Richmond, Alpha Chi Omega, and Mrs.

Henry E. Parker, Newport News, Kappa Kappa Gamma.

The Women's Student Government Association entertained the freshmen women with a reception Saturday night, September 13, in the Apollo room in Phi Beta Kappa Hall. Katherine Lam, Ellen Ticer, Martha Barrow and Jean Newbirk received the guests. During the evening Hazel Stoarch sang several numbers, accompanied on the piano by Clarence Rives. Members of the three councils which compose the association served refreshments.

Gamma Kappa Chapter of Kappa Kappa Gamma held initiation services Thursday, September 25. Those initiated included Ella Repass of Williamsburg; Elizabeth Hope, of Norfolk; Evelyn Cocke, of Mannassas, and

Randolph Hardy of Blackstone.

NOTICE
We herewith announce that we are making up an improved W. & M. class ring which we will put on display around Oct. 15th. We are improving on the three designs which students have heretofore been able to secure, and at the same time we are making up a fourth design of ring so that when buying you will have a wider range of designs from which to select. We are also making arrangements to furnish these improved rings with Tourmaline, Lazuli, Zircon, and Opal sets in addition to the thirteen stone sets furnished in the past. We, therefore, urge you to postpone getting your ring until around Oct. 15th when we shall be in a position to supply you with the improved ring.

Indian Gridmen Open Season Under Lights Tomorrow

HERE AND THERE

From time to time news comes trickling in our own big Williamsburg world of the name and fame our predecessors at William and Mary have been carving for themselves. Endowed with a sense of patriotism for the accomplishments of our ex-students, I should like to broadcast a bit of information to those who are bound up in the doings of our isolated community. The news leaked out a short time ago that Charles Ingram Humber had been elected to captain the Army football team this season. While Humber is not known by most of the present student body, several post grads remember him for his stay at the college during the 1926-1927 sessions, before his appointment to West Point. We congratulate him on his honor and predict he will display on the army team the same spirit that gave our own gridgers the title of "fighting Virginians."

Speaking of spirit, it comes in small packages as well as large. We are not speaking of the liquid variety, but of the smallest specimen of football stardom, "Red" Martin, who handles the quarter position for the Oklahoma A. and M. It must be quite a treat to see Martin, who tips the scales at just 138 pounds, holding out some 200-pound end on an off tackle play.

To go to the other extreme, Colgate seems to tend towards the giants. Their two tackles, Crane and Shiebel, are probably the largest pair on collegiate gridirons this year. The former is 6 feet 4 inches tall and weighs 235, while his team-mate is not so big, being only 6 feet 2 inches, and weighs only 230.

It appears as if some safety men will have nightmares this fall if Scott, Maxey, or Baldacci break loose to do a little broken field running. They all ought to offer the fans some real thrills in our gridiron contests this year. They all have something different to feel the enemy tacklers: Scott, speed and a marvelous change of pace; Maxey, shifty and powerful; and Baldacci, somewhat a mixture of the other two, hard to catch and hard to hold when caught.

Well, to get to the bottom of it—you'll find Butch there. Meaning, of course, the pile up Constantino makes when backing up the line.

With "Mitch" Mozeleski giving the orders, the "Indians" ought to have as good a backfield as can be found in the State.

Tarheels will melt. Just make it hot for them tomorrow night.

Let's follow the team to Navy.

Bill Ingram, coach of the Navy football team, will be down to see the Guilford game, and will probably be induced to give a short talk at the rally Friday night. Let's give him a rousing welcome, and give him a taste of the true William and Mary spirit that will be demonstrated to the "Middies" on Farragut Field next Saturday.

Navy is troubled with her ends, but it is not for lack of them, for there are eighteen candidates to choose from besides Johnny Byng, a regular from last year's eleven.

FIGHTING VIRGINIANS TO MEET MIDDIE ELEVEN

Many Students Expected To Accompany Indian Team To Annapolis

William and Mary's "Fighting Virginians" travel to Annapolis next Saturday, October 4, to meet the U. S. Naval Academy's Middie eleven in one of the three big games of the Indian's schedule.

This is the Bocockmen's second invasion of Farragut Field within the past two years. Last year a fighting William and Mary team played the Tars to a standstill for the first half; and though finally overpowered by the Middie's superior reserve strength, succeeded in holding the highly touted Navy eleven to a 15-0 score.

Next Saturday's game will open the season for the Navy team, while it will be the Indian's second start. Navy coaches are not considering the game to be a set-up, although William and Mary is one of the few small schools on the Middie's schedule, which includes games with Notre Dame, Southern Methodist, Pennsylvania, Princeton and Dartmouth.

It is expected that a large number of William and Mary students will accompany the team to Annapolis as they did last year, when Indian rooters were almost as numerous as midshipmen in the stands. Special rates may be given students by the Chesapeake and Ohio Steamboat Company if a sufficient number signify their intention of going by boat.

PAPOOSES PREPARE FOR HARD SEASON

Coach "Meb" Davis Has 65 Candidates Out For Positions.

Approximately 65 Freshmen have reported to Coach Meb Davis for football practice in quest of jobs on the team that will wear the tri-colors in the frosh battles this year. Most of the candidates are experienced, having played on prep or high school elevens, and will aid Coach Davis in his attempt to put together a championship team.

The Papooses have shown up well in their scrimmages, holding the varsity to a 21-to-6 score on September 28. Bill Hawks showed remarkable dexterity as a field general, while Chalco and Kritzman displayed promise at the halfback stations. Chalco is a triple threat, his specialty being in punting. Palese did some fine work at full on his line dives.

The linemen gave an equally good exhibition, with Spack and Quirk at tackles and La Seur at center grabbing the spotlight. There have been no ends or guards that as yet have brought praise from Coach Davis. Emil Johnson plays the flank well, but needs experience.

Irregardless of the eleven that Davis puts out, they will be faced with a difficult season from two standpoints. The first is that they will have to uphold the records made by the teams of the past two years who lost only one tilt in the two seasons. The second difficulty are the teams faced. The three toughest melees are the frays with the V. M. I. frosh, the V. P. I. plebes, and the opener with Washington and Lee.

The schedule is as follows:
October 3—Washington and Lee frosh, away.
October 17—Apprentice School, away.
October 24—V. P. I., here.
November 1—St. Johns frosh, here.
November 7—V. M. I. frosh, away.
November 14—Emerson Institute, here.

GUILFORD INVADES CARY FIELD FOR INITIAL MEETING WITH TRIBE

RALLY TONIGHT

There will be an important rally tonight, Friday, September 26th, in Phi Beta Kappa Hall in preparation for the Guilford game tomorrow night. In addition to cheering, speeches will be made by the coaching staff, Captain "Mike" Murphy, and other members of the football squad. All upper classmen are expected to be there and freshmen are required to be there.

LANGLEY AVIATORS TAKEN BY INDIANS

Well-Coached Soldier Team Is Downed By 19-7 Count

In the opening fray of the season the Bocockmen stepped out to lick the Langley Field outfit by a 19-to-7 score, in the annual practice game between these two elevens. The Airmen brought a much heavier and all-round better team to Williamsburg this year to give the Indians a stiff battle.

The game, taken as a whole, was not a brilliant affair; but it was spiced now and then with real outbursts of classic football. The Bill Scott-Red Maxey combination furnished most of the fireworks for the Indian attack, with Mitch Mozeleski, Paul Baldacci and Butch Constantino backing them up ably.

The line was expected to give loads of trouble, but succeeded in holding their own against the heavy wall that Langley offered. Nearly every man on the squad was given opportunity to share in the fray, with Coaches Bocock and Kellison sending in many substitutes in an effort to get their strongest combination.

Scott Runs 45 Yards

The first quarter opened with a long exchange of punts, with the well-filled stands being treated to very little else until Bill Scott uncorked a thrilling 45-yard run in returning one of these kicks. This run placed the ball deep in Langley's territory so that in the first part of the next period Maxey plunged through tackle for five yards, which, followed by an end run by Scott, scored the first touchdown. The second marker came in somewhat the same way, with Baldacci replacing Scott and staging a nice piece of broken field running to enable Maxey to score a few seconds later.

In the third quarter William and Mary opened up its overhead attack to complete several passes. Mozeleski took the ball over for a third score. Langley scored their lone touchdown in this same period after a surprising attack and grand march down the field. This was the only time during the game that the soldiers showed any signs of attack and drive.

Bocockmen Have Veteran Backfield, But Forward Wall Is Inexperienced.

STARTING OUTFIT STRANGE

The Indian varsity eleven will start down its 1930 warpath under the brilliant floodlights of Cary Field against Guilford College tomorrow night.

Little is known of the visitors for it is the initial meeting of the two teams, but some stiff opposition is expected from the Tarheels, who copped the North Carolina championship last year. The William and Mary gridmen have not begun to function smoothly as yet and will have a bit of trouble in trouncing the Quakers.

Starting the first week in September, Coaches Bocock and Kellison have been putting their men through some difficult practice sessions, and believe the squad will be well in shape by the time they take the field. Several scrimmages have brought out flaws to be corrected both in the line and backfield and have given new candidates a chance to show their wares.

The two end positions looked as if they would be troublesome this season, but "Happy" Halligan and Bauserman seem to have solved the wing problem and Broderick and Lindsey will be able reserve candidates. Halligan has also been used to advantage in a pinch to punt the ball out of danger.

Captain Jimmie Murphy, serving his fourth campaign and recognized as one of the best tackles in the State, and Douglas, a husky junior, will (Continued on Page 7.)

INDIANETTES BEGIN HOCKEY PRACTICE

Seventy-five Players Out.

Hockey season opened with a good start on Monday, September 15th when Captain Lois Roberts led seventy-five Indianettes onto the field. There an exhibition game was played in which were found back at their old bertha: Roberts and Kolb, fullbacks; Scollenberger, Young and Shumaker, insides; Dunleavy, center forward; Chewning, halfback, and Dreyer, goal-keeper.

Players missing from the 1929 team are Charlotte King, last year's star captain, Helen Maffett, probably one of the best goalies in captivity, Sue Cornick, Nancy Johnston, Margaret Irving, who did much to make last season a successful one. Mary Quick, ex-varsity player, is back with the team, but she is now playing role of instructor and coach rather than wing. The game on Monday, although retarded by poor condition of the field, gave promise of a very successful season.

During the last week in October, the College of William and Mary will see a great hockey tournament when the members of the Virginia-North Carolina Field Hockey Association arrive as guests of William and Mary. All colleges represented in this organization, which was formed last year, have been invited, and it is expected that each college will be represented by its team or by representatives of it. Coaches Barksdale and Roberts state that it is hoped that a team will be sent here for an exhibition game by the United States Field Hockey Association.

MEN'S AND WOMEN'S INFIRMARY IS OPEN

Dr. King With Three Nurses Compose Staff; Many New Features

The new infirmary, capable of housing sixty-four person and costing approximately \$75,000, is now completed. The building, which is three stories high, is red brick, with white wooden columns and window trimmings. It is furnished with modern steel furniture, and the floors are covered with golden-brown battleship linoleum cemented to the floor.

The new infirmary, which is located on Boundary Street between Tyler and the dining hall, is built in two separate sections with a uniting center. Girls are sectioned on the south side and boys on the north. The kitchen, offices and reception rooms on the west side, separate the two. There are single and double rooms on both the first and second floors. The third floor, Dr. D. J. King, physician, plans to use to isolate patients who have contagious diseases. The infirmary has six sun parlors, two on each floor at the extreme northern and southern ends of the building.

The building itself, according to the contract let last March 14 to J. W. Davis & Co., of Newport News, cost \$70,301.13; but the furnishing and screening of it will bring the total cost to around \$75,000, according to I. E. Harris, treasurer of the college. The money was appropriated by the State.

In addition to Dr. King the infirmary staff includes two new nurses, Miss Julia Luck of Roanoke, and Miss Thelma Moore of Richmond, who succeed Misses Eunice and Alice Ross. Another nurse, Miss King, is expected soon.

FRESHMAN WOMEN ISSUED NEW CAPS BY SOPH COUNCIL

(Continued from Page 1.) read the rules which are to be strictly enforced throughout the year. The rules are as follows:

1. All freshman women must wear their caps from 9 A. M. to 4 P. M. on every week day except Saturday, when they must be worn until 1 P. M.

2. All freshman women must tip their caps to all members of the sophomore tribunal.

3. Freshman women must not "cut" campus.

This cap service marks the second of its kind to be held at William and Mary.

After the announcement of the rules which are to be observed, several members of the freshman class whose actions had been previously noted by members of the tribunal as not befitting that of a humble "duccess" were called to the stage to amuse the audience.

The members of last year's tribunal were on hand acting as door-keepers, ushers and finally to serve refreshments to those present.

"New Laundress" Kicks About Enforced College Laundry Privileges

(Continued from Page 4.) trouble of mailing them just to have them come back suitable. Now it seems that most all of the girls must either turn to the serious business of being laundresses or go around in the remnants we receive after the laundry thinks it has been cruel enough. Perhaps I am being unjust and not giving them a fair chance as I understand there is an entirely new system, but it seems to me that such personal matters should be left to the discretion of the individual students.

New Professors Added To Faculty

A number of new names has been added to the faculty list this year. The rapid growth of the various departments has made it necessary to employ new professors, and many members who have been on leave of absence returned this year.

Associate Professor P. A. Clements, a graduate of Johns Hopkins University, and Instructor Robert C. McClelland, a graduate of the University of West Virginia, have recently been added to the ancient language department, which has shown rapid growth in the past few years.

John R. Fisher, a graduate of Vanderbilt and Columbia universities, is taking Dr. A. G. Williams' place as head of the modern language department. For a number of years, Professor Fisher has been teaching at Randolph Macon College in Ashland. Mr. Andrew E. Harvey, also of the modern language department, is a graduate of the University of Marburg in Germany. During the World War he was an officer in A. E. F. and at the end of the war he remained in France. Recently he returned to the States to accept the position that he now holds at this college, professor of French and German. The other new member of this department is Mr. B. C. McCary, a graduate of the University of Toulouse. For the past two or three years he has been professor of French at the University of Richmond. Mr. J. D. Carter, who was on leave last year, has returned to the college to resume his work as professor of modern languages. Last year he was professor of English at Aix-En-Provence, exchanging places with Mr. J. J. Tourret, who taught French here for a year. Miss Isabel Brugada, who spent last year at her home in Barcelona, Spain, has also returned and is professor of Spanish.

The new member of the department of mathematics is Albert S. Corbin, a graduate of Worcester Polytechnic Institute. He is taking Professor Bailey's place and is teaching one class in mathematics and several classes in industrial arts.

The other new members of the faculty are Inga O. Helseth, professor of education, Charles F. Marsh, professor of economics, and Ann Loughlin, instructor of music. Dr. Kathleen Bruce, who has been on leave and who has just received her Ph. D. in history, has recently returned to resume her professorship in history at this college.

FRESHMEN CLASS HOLDS MEETING

The men of the freshman class held their second meeting of the year Tuesday night, September 22, in Room 200, Washington Hall. This meeting also was the first of a series to be conducted by Dean Hodges in the course of which he plans to talk to the class of '34 on different phases of college life.

There were four speakers on the program Tuesday night, the first of whom, Richard D. Mallowney, spoke briefly on the coming freshman elections and the elections for the senior vacancy on the honor council. In his short talk President Mallowney gave the "ducs" some fine advice and impressed upon the importance of making a careful selection in their choice for their leader for the year.

Following Mr. Mallowney's talk the cheer leader-elect, Herman Hofmann announced that the annual "Duc Parade" would be held Saturday afternoon and urged all the "ducs" to start getting their costumes together.

After this Dean Hodges, in a speech filled with humor through which flowed a serious vein, gave the class some fine advice on advisability of developing good manners. Dr. Hodges also spoke briefly on "Fraternities" and concluded his talk with a few words about the "honor system."

The last speaker of the evening was Professor Gregory, who spoke principally to the men in Monroe Hall, stressing the regulations governing them.

After a short general discussion, Dean Hodges adjourned the meeting, after announcing that the next in the series would be held in the same room one week hence.

Guilford Invades Cary Field

(Continued from page 6.) strengthen the line by plugging up the tackle positions.

The guards offer little difficulty for both Paxson, a veteran of four campaigns, and Syer, a regular of last year's team, are back filling their old places. The center of the line, however, offers a greater problem, that being to fill the shoes of last year's captain, Bill Fields. The coaches have a choice of three men to fill the pivot position, "Tommy" Ayers, "Bill" Ferrell, and "Wally" Smith.

There is as good a supply of backfield men as could be desired, and the ball-toters will be virtually the same as last year's.

The brilliant work of Scott, Maxey, Baldacci, Mozeleski, and Constantino is well known to the upper classmen, and after tomorrow will be as equally well known by the freshmen. These men, however, will have to put off the bid of several reserves and men from last year's freshmen by outstanding playing to keep their positions.

Student Body Name New Cheer Leader

(Continued from page 6.)

Hoffman was the sole nominee at the student body meeting held last week and consequently will run unopposed on the ballot. At the same meeting the motion was made to appoint Hoffman leader of the cheering temporarily until the election is held.

Several rallies have been held lately, not only to work up spirit for the coming football season, but also to enable the many new freshmen to become well acquainted with the Indian songs and cheers. The upper classmen have been there in large numbers in order to brush up on their cheering in preparation for the big rally tomorrow night.

CONCERTS PLANNED BY GLEE CLUBS

Six Hundred Tickets To Be Sold By Members of Various Clubs

A series of concerts under the auspices of the Mid-Western Concert Directors are to be held at the College of William and Mary this winter season. The project is to be advanced by the joint efforts of the women's glee club and the men's glee club.

There is a three-fold purpose in this unusual enterprise: to present excellent musical programs throughout the country, to advertise the Baldwin piano, and to help organizations such as our glee clubs, to earn money.

Miss Anne E. McQuestin Currier, who is experienced in such work as this, is general promoter and manager.

Miss Jessie Peters is expected to be the big drawing card this winter. During her appearances at William and Mary this past summer Miss Peters won much recognition as a pianist by all those who had the opportunity to hear her play. With her will be Mr. Ralph Zurkle, equally well known.

The concerts are planned to be held at the Phi Beta Kappa Hall on evenings to be announced later.

Mrs. Ann Loughlin, the faculty advisor of the women's glee club, and Mr. Small, head of the men's glee club, are working to create the proper interest among the students. Each member is expected to do a portion of individual campaigning for the cause.

It is expected that 600 tickets in all will be sold to the people of Williamsburg, students of the college and their friends. The clubs are to share equally in the work and the proceeds. Tickets may be obtained from any

NEW SCHOLARSHIP OFFERED STUDENTS BY TWO VIRGINIANS

Dr. Chandler Announces John Stewart Bryan Scholarship To School

President Chandler announced that a new scholarship had been established for a period of five years, to be known as the John Stewart Bryan Scholarship. The next catalog will carry, therefore, the following statement:

"John Stewart Bryan Scholarship—In grateful appreciation of the services of John Stewart Bryan, of Richmond, Va., for the cause of education, his friend, Charles H. Taylor, of Boston, Mass., has provided an annual scholarship of \$200 per year for a period of five years. Preference will be given to students of Virginia, but scholarship standing and financial needs will be considered."

Mr. John Stewart Bryan is the proprietor of the News-Leader, the well-known afternoon paper of Richmond, Va., and is one of Virginia's most distinguished citizens. The College of William and Mary is very fortunate in having him as vice-rector of the board of visitors. He frequently visits the college and is deeply interested in its progress and in the student body.

The generous donor of the John Stewart Bryan Scholarship is Mr. Charles H. Taylor, treasurer and manager of one of the best known papers of New England, the Boston Globe. Mr. Taylor is also a great student of history, being president of the Business Historical Society and moreover, chairman of the board of the Massachusetts State Library. His interest in Virginia is well known. He is a Phi Beta Kappa of the College of William and Mary, has visited the college often, and is deeply interested in the institution. He and Mr. Bryan are very close personal friends.

The friends of William and Mary will recall that early in 1927 announcement was made that Mrs. Matthew G. Armstrong, of Hampton, Va., had made a contribution of \$6,000 to endow a memorial parlor in the Kate Waller Barrett Hall of the College of William and Mary to the memory of her mother, Georgiana Davis Taylor. Mrs. Armstrong is a sister of Mr. Taylor.

This scholarship is awarded to David Young Paschall, of Kenbridge, Va., for the session 1930-1931. He is a member of the junior class.

HIPPS ANNOUNCES CHAPEL PROGRAMS

M. Teague Hipps, director of religious activities on the campus, has announced a very interesting program for chapel during the month of October. Dr. W. T. Hodges, dean of men, and Dr. Grace W. Landrum, dean of women, will deliver the addresses on each Thursday and Friday beginning October 9.

A special musical program featuring Miss Margaret James, piano instructor, and Mrs. Anne Loughin, vocal instructor, will be given on October 2.

The student leaders for the month will be Elliott D. Healy, president of the Y. M. C. A.; Ann Croxton, president of the Y. W. C. A.; Annis Wilkerson, and A. D. Johnson.

Besides these added attractions there will be special music given by the students. Greta Christenson and Hazel Storch, sopranos, will give selections at various times. Ethel Banks, Celene Harris and Helen Bell will all take part on the programs during the month. A quartette composed of Jimmy Littlepage, bass; Tom McCaskey, baritone; Rip Collins, second tenor, and George Stewart, first tenor, will sing every Tuesday morning.

The attendance at chapel has been much larger this year than formerly. It is believed that with these new attractions it will increase still more.

Biology Club Meets

A special meeting of the Clayton-Grimes Biology Club took place Monday evening, September 22, at Washington Hall 100. The new president of the club, Wallace Hicks, presided.

Mr. Paschal was selected as treasurer to replace Miss Hugo, who resigned. A motion was made and carried authorizing the president to appoint a chairman of the refreshment committee.

There was open discussion of plans for furthering the work of the various committees, and the following decisions were eventually reached: that more careful methods in the selection of new members would be employed; that suggestions from the members for the betterment of programs would be solicited and welcomed by the new chairman of that committee; and that an effort would be made to enable the chairman of the refreshment committee to provide better food.

Dr. Warren then showed a series of lantern slide pictures of interest to members of the club, including photographs taken on the last swamp trip, on Taxonomy and Ecology hikes, and at the Peaks of Otter.

The main object of the club this year is to put the club on a new working basis which will bring it back to its previous standing.

OLD W.-M. STUDENT WRITES MUSIC FOR WINNING SCENARIO

G. Edward Travis Writes Music Of "Oh, Hector;" Prize Of \$1,500 Given

G. Edward Travis, one time student at William and Mary, won first prize of \$1,500 in a competition offered by Universal Pictures in connection with College Humor. "Oh, Hector," the varsity show of the Columbia University Players, produced in New York March 4-9, 1929, at the Waldorf Astoria Hotel, was a composition of three men; the book was written by William P. Smith, lyrics by Milton H. Pascal, both of New York City, and music by G. Edward Travis of Newport News.

The second prize of \$1,000 was awarded to the Northwestern University show, "Whoa There!" a musical comedy.

The competition, which was conducted by Universal in co-operation with College Humor, was open to all college shows written and produced before May 1, 1930, when the contest closed and the judges were the editorial staff of College Humor and the scenario staff of Universal. A large number of manuscripts was received from colleges and universities all over the country, and College Humor, besides giving wide publicity to the competition during the six months it was open, established a special department for handling it. All the colleges in America which produce plays were circularized.

Although definite production plans for "Oh, Hector" and "Whoa There," have not yet been announced, nor can the release dates yet be given, it is known that Carl Laemmle, Jr., is giving consideration to starring John Boles, the screen's greatest singing star, in "Oh, Hector." If this plan materializes, it will mean an interesting combination of college talent. Boles is himself a graduate of the University of Texas, and would thus be appearing in the screen version of a varsity show written by Columbia men, and originally produced with all-Columbia student talent.

Oldest Living Alumnus

Captain W. H. Graves, the oldest living alumnus of the College of William and Mary, celebrated his ninety-seventh birthday on September 7. All of the alumni of William and Mary and the authorities of the college extend their heartiest congratulations to Captain Graves.

He has had a very eventful career. He received his A. B. LL.B. degrees from the College of William and Mary; is a member of the Theta Delta Chi fraternity; has had a successful career as a lawyer, and until quite recently was president of the Merchants Trust and Savings Bank, Birmingham, Ala. He served for three and a half years in the Confederate Army and was cited for bravery at the battle of Chickamauga. He is a Phi Beta Kappa, College of William and Mary.

The alumni office wishes him many more years of happiness and success.

BROWN HALL NOW NEAR COMPLETION

Brown Hall, the new Methodist dormitory, is rapidly nearing completion. It was named from Mrs. Brown of Lynchburg, who made a legacy of \$2,500, the remainder of the money coming from the dormitory fund of the Woman's Missionary Council of M. E. Church, South.

Brown Hall was established in 1924 and was sold this year to William and Mary College and moved to a new site on Prince George Street. The building was originally the home of Dudley Digges, but now that of William S. Gooch.

The original outlay involved approximately \$15,000. The ground was broken on May 17, 1930, J. W. Davis of Newport News, being the successful bidder on the contract. Including the furnishings, the new dormitory will reach a cost of about \$75,000.

The old building accommodated twelve girls, but the new structure has sample room for seventy-four girls, forty-eight of whom have private baths.

J. L. HALL LITERARY SOCIETY TO MEET

Weinie Roast To Be Held This Evening At The College Lake For New And Old Members.

The first meeting of the J. Leslie Hall Literary Society will be held at the College Lake this evening at 5:30. There will be a weinie roast, to which all the members of the society and new girls at the college are invited.

The J. Leslie Hall Literary Society was named for Dr. John Leslie Hall, a great educator, who was a professor at William and Mary and also head of the English department for many years. He was a strong believer in the encouragement of interest in literature. It is from this belief that the society has taken its purpose which is to carry on the work of this man in furthering the interest of literature.

Meetings of the society are held every two weeks on Friday evening, from 7 to 8 o'clock. Programs of a literary nature are put on by various members. This year these programs will also contain musical selections. A prize will be given to the person writing the best song for the society. The music need not be original.

The J. Leslie Hall Literary Society supports the Women's Debating Team by contributing to it \$100 each semester. Each year also \$200 is given into the custody of Miss Emily Hall, daughter of Dr. Hall, for new books for the library. This gift is usually made on Dr. Hall's birthday at the same time when Mrs. Hall is presented with a bouquet of roses.

This year all freshman women are expected to join the society. There will probably be a meeting next week and a special installation meeting in the near future. An activity credit is given by the college to each member for regular attendance throughout the year.

PAGEANT TO BE GIVEN BY PHI BETA KAPPA

(Continued from Page 1.)

Simultaneously with the announcement of the cast, director Hunt also announced the appointment of assistant directors who will each have charge of one of the five episodes of the pageant. Mrs. Mary T. Pyle, of Richmond, will be the assistant director of scene one; Miss Mildred Matier of Norfolk, scene two; Miss Marguerite Wynne Roberts, professor of physical education in the College of William and Mary, of scene four; and Professor George E. Gregory, of the English department of the college, scene five.

A special outdoor stage, eighty by thirty feet, has been constructed upon the college campus between Washington and Rogers halls and will be utilized for the rehearsals which begin this week. Unusual sets, designed and executed by the art department of the college under the direction of Professor Eleanor R. Craighill, are being built and special lighting apparatus to suggest the fires of hell will be installed. Professor Lillian A. Cummings, of the home economics in the College of William and Mary, has worked out an elaborate scheme of costuming that will faithfully reproduce the ancient Roman dress.

The text of the pageant, written by Dr. A. P. Wagener, professor of ancient languages at William and Mary, is based upon Dryden's translations of book six of Vergil's masterpiece, the Aeneid, and presents the journey of Aeneas through hell. In five spectacular episodes the hero, guided by the Cumaean Sibyl, visits the different sections of the underworld and witnesses both the torture of the damned and the joys of the blessed. The pageant closes with a vision of the future greatness of Rome and a parade of her long line of yet unborn heroes.

Mrs. Mary Sinton Leitch, of Norfolk, has written a poetic prologue and

epilogue for the pageant. An unusual feature of the presentation will be the singing of two odes; the "Carmen Saeculare" of Horace in the original Latin, and an original ode in English composed by Dr. E. M. Gwathmey of the department of English of the College of William and Mary. Theme music, especially written by Mr. George M. Small, professor of music in the college, will be played throughout the presentation of the pageant by the college orchestra and band.

The chapter has also succeeded in having as its guest and speaker for the day, Dr. Charles Knapp of Columbia University. Dr. Knapp is reputed to be the foremost Vergil scholar in the United States.

The pageant, open to the public without charge, will be given under the joint auspices of the Alpha chapter of Phi Beta Kappa and the College of William and Mary, and will be one of the many similar celebrations to be held throughout the civilized world in honor of the two thousandth anniversary of the birth of Vergil.

EIGHTY STUDENTS TRY OUT FOR STAFF

Many Students Aspire To Journalistic Positions On Flat Hat Staff

About eighty students attended a meeting for try-outs for the Flat Hat staff held September 17 in Washington Hall. The editor gave a short talk on the types of work offered, stressing the necessity of constant work, and pointed out the advantages both for advancement on the staff and college credit. Each applicant turned in his name, address, previous experience, and work desired.

Each student was given an assignment from which the best will be selected. The use of typewriter, although not imperative, is of a great advantage. Although the exact number of positions open is not known, there are quite a few vacancies, which will be filled after a few weeks by the students showing the most talent and interest. Those who are selected will be used first as reporters and later promoted as they deserve.

EDITOR OF 1930 HANDBOOK GIVEN PRAISE

(Continued from Page 1.)

The handbook is published by the combined Y. M. and Y. W. C. A. and is given to all incoming men and women to help them know the school and its customs better. This year's publication is dedicated to Dr. William T. Hodges, "Because of his leadership as Dean of Men and always acting as a true friend to the students of the College of William and Mary—"

The success of the book belongs to the entire staff of students who, under the leadership of Mr. Roundtree and Miss Leary, co-operated so excellently.

9. Talk to new girls only one-half hour a day during the first two weeks.
10. Alumni, patronesses and fraternity women living in town are under the same ruling as actives.
