Dave Harman and His Greater Orchestra to Come Direct From Hotel Gibson in Cincinnati

TICKETS LESS EXPENSIVE

Plans have been completed for the annual Cotillion final dances and a record crowd is expected in Blow Gym on June 5, 6, and 8, according to Harry D. Nelson and Nash Lindsay, officers of the Club.

Dave Harman and His Greater Orchestra, direct from Hotel Gibson in Cincinnati, will furnish the music for the three dances. This orchestra is the possessor of a nationally known reputation, comes to William and Mary with the highest recommendations.

Dave Harman has played at a great number of schools throughout the United States, and has completed a number of successful engagements at the larger hotels of the country. He will be remembered here by his radio broadcasting through WLW in Cincinnati.

The set will be composed of three dances: Friday night, dancing from 9 P. M. until 2 A. M.; Saturday, dancing from 9 P. M. until midnight; and Monday night from 11 P. M. until dawn.

Booths will be furnished by both the Cotillion Club and "13" Club. Members of the two clubs and their dates will be served refreshments throughout the three dances.

At the final ball on Monday night, favors will be presented to the dates of members of the Cotillion Club (Continued on Page Ten)

Virginia Hawthorne Heads Women's Honor Society

Virginia Hawthorne of New York City was elected president of Mortarboard at a meeting of that fraternity which took place Wednesday night, May 14, in the Y room of Barrett Hall. Miss Hawthorne succeeds Shirley Wright of Montclair, N. Y. Vivian Dreyer of Port Jefferson, N. Y., was chosen vice-president. Other elections which were accomplished this time were Elizabeth Lawder, secretary, Eleanor Field, treasurer, Ruby Adams, vocational chairman, Margaret Baughman, alumni chairman and Frances Bragg, editor. Preceding the election of officers Anne Croxton was initiated. Miss Croxton was unable to be present when the other members of the fraternity were initiated.

Mortarboard is well known on campus as the only national women's senior honorary society which recognizes outstanding scholarship, leadership and service.

SIGMA PI TO INSTALL ALPHA ETA CHAPTER AT WILLIAM & MARY

Alpha Psi to Become First Chapter of Sigma Pi, National Social Fraternity, in Virginia

OFFICIAL RECOGNITION IN JUNE

Alpha Psi, local social fraternity, will be installed into Sigma Pi, national social fraternity, early in June, according to announcements from Sigma Pi's national headquarters. Alpha Psi will become Alpha Eta of Sigma Pi, and will be the twenty-ninth chapter.

Alpha Psi fraternity was founded by three students here in the early part of the 1921-22 session. The group secured a house in the extreme end of Duke of Gloucester Street and very successfully pledged new men that year. In 1923-24 the group pledged several other men and became more firmly established on the campus. Today Alpha Psi is in a very established position and in every way maintains its standing and dignity among other fraternities, although only a local.

Scholastically, it maintains a high standard among its members. Alpha Psi men have been elected to various honorary fraternities and four of these men are members of Phi Beta Kappa.

Alpha Psi has one member of the college faculty in its active membership, Dr. R. L. Morton, head of the department of history. Two of its alumni are also on the faculty, George E. Gregory, 26, instructor in English, and James D. Carter, '23, assistant professor of French. John

SIMONDS NAMED EDITOR OF HAT FOR NEXT YEAR

Brooks George Re-elected Business Manager; Talton Elected Circulation Head.

KEYS AWARDED TO FOUR

Bragg and McCurdy Appointed First Assistants; Others to be Named in Fall.

Hamilton P. Simonds, of Rhineland, Wisconsin, was elected editor-in-chief of the Flat Hat at a meeting of the staff Tuesday evening, May 12. At the same time W. Brooks George was unanimously re-elected Business Manager.

Mr. Simonds defeated Frances Bragg, of Savannah, Georgia. Miss Bragg was the first co-ed ever known to run for the editorship. Mr. Simonds has been a member of the staff for two years and has been managing editor since February. He is a member of Kappa Sigma, national social fraternity, Phoenix Literary Society, Phi Delta Gamma, Cotillion Club, Fencing Team, and was recently elected to the Dramatic Club. He succeeds James B. Lucy, of Guinea, who has been editor since last May.

William G. Talton, of Opopka, Florida, was elected circulation manager at a meeting of the circulation staff which took place the same night. Mr. Talton succeeds Dwight C. Brown, of Washington, D. C.

According to information received from Mr. Simonds most of the appointments to the Flat Hat staff will not be made until the beginning of next semester. Miss Bragg, however, has been appointed assistant editor. Mr. George has announced that Charles P. McCurdy, Jr., of (Continued on Page Nine)

JACK TUTHILL TAKES OFFICE FROM BRUNER

Sundin, Swentzel, Christenson, White, Upshur and Carr Elected to Honor Council.

LARGE VOTE POLLED

Charles H. Dunker of Brookline, Mass., was chosen president of the Men's Student body at the elections which took place Tuesday, May 12, in Monroe Hall. The polls were open from 9 until 5 o'clock and the vote totaled 642. Mr. Dunker won over Grover Clay, of Portsmouth, by a vote of 326 to 316.

Mr. Dunker entered William and Mary in 1928. Since that time he has received many honors on the campus. This year he is Editor-in-Chief of The Colonial Echo, having served as associate editor last year. Besides journalistic work he has also been interested in athletics. During his first year he was a member of the Freshman football team and Assistant Manager of track. This year he is a member of the Flat Hat Club Society, O. D. K. fraternity, of which he was elected president for next year, and is manager of track. He was recently initiated into Sigma Upsilon, national honorary literary fraternity, and is a member of Sigma Phi Epsilon, social fraternity.

Ernest DeBordenave, of Franklin, was elected vice-president, over Thomas Barklay of Winston-Salem, N. C., by a vote of 348 to 292. Mr. DeBordenave is a junior, a member of Sigma Alpha Epsilon fraternity, and is the newly elected president of the Y. M. C. A.

Dunker Elected President of Omicron Delta Kappa

Charles H. Dunker, of Brookline, Massachusetts, was elected president of Omicron Delta Kappa, national honorary activities fraternity, for the coming year at the annual elections Friday, May 8. Other officers elected at the same time were: Grover C. Clay, vice-president; Brooks George, secretary and Red Lindsey, treasurer.

Mr. Dunker was recently elected president of the Men's Student Body for next year and this year served as editor of the Colonial Echo. Grover Clay has been especially active in debate work for three years. Brooks George served as Business Manager of the Flat Hat for the last semester of this year and was re-elected for next year. Red Lindsey was secretary of the Cotillion Club this year and a letter man in football.

Seniors Present Single Performance Of "Enter Madame" Friday

Eight Other Seniors Make Parting Bow Upon Campus Stage

RESERVE SEAT SALE BEGINS

Professor Togli Directs Four Players in Acquiring Italian Accent.

The curtain will rise promptly at eight fifteen o'clock upon the presentation of "Enter Madame" as the fourth annual Senior play, by particular arrangement with Longmans, Green and Company, for the single performance of the play in Phi Beta Kappa Auditorium Friday evening, May 22. Contrary to a recent campus rumor, this play will not be repeated during the week of finals, a custom discontinued this year.

With complete and effective scenery and a troupe of talented amateur actors, this play bids fair to surpass the success popularly accorded "The Royal Family" last year. "Enter Madame" has had unusual success wherever played either by professionals or amateurs; it is unique in its portrayal of part of the life of an Italian prima donna, whose character was fashioned after the life of Elena Varesi, the prima donna mother of Gilda Varesi, co-author with Dolly Byrne.

Patruchia Clarke again heads the cast of a major dramatic production in the leading role of Madame Lisa Della Robbia, the spoiled, petted, whimsical, stormy Italian prima. Miss Clarke has evidenced a thorough understanding of the part, and has shown exceptional ability in her characterization. In the complementary role of Gerald Fitzgerald, Madame's actor husband, Marshall Baggett, a popular and experienced figure upon the campus stage, will make his final appearance.

Carie Lucas, as Mrs. Flora Preston, will interpret this part of the handsome blond woman, who carries her frank middle-age like a decoration." Catherine Hasseltine will play Aline Chalmers, John's fiancee; Elizabeth Whitehead, Bice, Madame's maid; and, Mary Douglas Sibold, Miss Smith, her secretary. The other men of the Senior class participating are: Thomas McCaskey as Archimede, Madame's chef; Frank Beard as John Fitzgerald; C. Waldo Johnson as Madame's personal Italian physician; and Lawrence Slapion as Tokio, Fitzgerald's servant.

Signor Vito G. Togli, Associate Professor of Italian and Spanish, has been training four members of the

Y. M. C. A. AND Y. W. C. A. END ANNUAL WORKS

Next Year's Plans Formulated For the Purpose Of Expanding Work Among Students

The Y. M. C. A. conducted its final meeting in the form of a smoker Thursday night at 10 o'clock in the "Y" room in Blow Gym. The feature of the meeting was an address by Dr. A. G. Taylor, the topic of his talk being "Ten Rooms in The House of Life" in which he related interesting phases in life. Mr. Teague, "Y" director presided over the meeting.

According to Mr. Hipps the Y. M. C. A. and Y. W. C. A. activities have been very successful. Students and members of the faculty have extended constructive co-operation throughout the year. Hand books were mailed out during the past summer to prospective freshmen. The first activity of the year was a banquet at which yearly plans were formulated and as a result the two freshmen cabinets were organized.

The Chapel under the direction of the "Y" cabinets concludes its services at the close of examinations having had a successful year. The attendance compared with other colleges of the state. The programs were furnished by members of the faculty and out of town speakers, the most notable of the latter being, Rev. McNeil Poteat of Raleigh, North Carolina. Rev. Roland P. Wagner of Norfolk; Mr. Kirby Page, editor of the magazine "The World Tomorrow", Dr. W. A. Smart of Emory University, Rev. Ronald Tamblin of Greensboro, North Carolina and Mr. Charles D. Hurrey, secretary of the committee on Friendly Relations with Foreign Students in the Y. M. C. A. Next year the Chapel will be conducted in the Main Building. Plans are being made for a vestry choir. The source of speakers will be faculty members and out of town notables.

The important conferences of the Y. M. C. A. and Y. W. C. A. were the Faculty Student Conference and the Christian World Educational Conference.

The William and Mary Choir consisting of eleven women and six men and directed by Professor George M. Small rendered selections at the Main Street Methodist Church in Suffolk and the First Baptist Church of Franklin, Sunday, May 17. Mr. M. Teague Hipps accompanied the group as manager and representative from the Y. M. C. A. and Y. W. C. A., the sponsors of the Choir. This trip ends the successful year of this organization. Other programs were rendered during the year in Richmond, Norfolk, and Charlottesville, each of these concerts being before capacity audiences.

COCKE ELECTED NEW EDITOR OF COLONIAL ECHO

New Editor Succeeds Charles Dunker Newly Elected President of Student Body.

TUTHILL IS BUSINESS MANAGER

Plans Being Drawn up for '31-32 Year Book; Many New Features to be Added.

Duncan Cocke, of Williamsburg, was chosen editor of the Colonial Echo for 1931-32 by the retiring staff at recent elections to succeed Charles Dunker, of Brookline, Massachusetts; John Tuthill, of Montclair, New Jersey, is the successor to Earl Swem, of Williamsburg, as business manager.

Mr. Cocke has been active in working on the annual for the past two years; he served as assistant managing editor for the past year. Before entering college, he co-edited the paper of the Williamsburg High School. He is an active affiliate of Sigma Phi Epsilon, national social fraternity, and belongs to the Cotillion Club. His scholastic average has been consistently high since studying here.

Mr. Tuthill, recently elected secretary-treasurer of the Men's Student Body, has also been honored with the presidency of the Flat Hat Club Society. He holds varsity letters in football and track. He possesses membership in Theta Delta Chi, Alpha Kappa Psi, national business

Activity Fee Accepted by New Student Association

At a meeting of the newly formed Combined Men's and Women's Student Association, Monday, May 11, the report of the committee on student activity fees was accepted. The recommendations provided that the fee be \$5.25, of which \$1.25 will be apportioned to the Flat Hat, \$1.25 to the Literary Magazine, \$2.25 to the Colonial Echo, and \$.50, collected from the women, to the Women's Debate Council, and \$.50, collected from the men, to the Men's Debate Team. No provision was made for Y. M. C. A. and Y. W. C. A. work.

As was decided at a previous meeting the collection and distribution of this fee will be in the hands of a Board of Control composed of one representative from each activity affected, and a member from the men's student body and one from the women's student body.

EVERSOLE WILL BE NEW EDITOR OF LIT MAGAZINE

Has Served as Associate Editor for Two Years; Also a Member of the Flat Hat Staff.

LAWSON SUCCEEDS PANNILL

Changes to be Made in Next Year's Issues; Staff to be Announced in Early Fall.

John Henley Eversole, of Newman, Illinois, was elected editor of the William and Mary Literary Magazine at a meeting of the staff May 7. Henry Lawson of Long Island, N. Y., was elected as business manager.

Mr. Eversole served on the Magazine staff this year and made numerous contributions. He was a member of the football squad for two years; a member of the Flat Hat staff and a member of Sigma Upsilon, national honorary fraternity. He belongs to Theta Delta Chi, national social fraternity. The retiring editor, Elliott Healy, is hailed by critics as being one of the most competent in years and as being responsible for one of the most successful Magazines compiled at William and Mary. The retiring editor is a member of Omicron Delta Kappa, national honorary fraternity; Sigma Upsilon, national honorary literary fraternity; Phi Beta Kappa, national honorary scholastic fraternity; president of the Y. M. C. A. and a member of Theta Delta Chi national social fraternity. His staff was composed of John Eversole, Elizabeth Hope, Elizabeth Lauder, Charles Hohien, Willoughby Patton, and Thomas McCaskey. Robert Pannill served as business manager.

According to the new editor changes effecting the magazine will consist of a new cover design whereby the school colors may be carried out.

It will be the policy of next year's staff to organize the material in a way that it will be of greater interest to the student body as a whole. In the past the readers of the Literary Magazine have been limited to a certain group who followed the editions mainly because of their high literary value and not because of the interest of the contents. The editor hopes through the editorial column and the medium of contributed articles to bring to the readers in contact with work of high literary value dealing with topics of keen interest to the student. Poetry will be reduced to a minimum in order to present only the best available material. In the place of small filler poems decorative cuts will be used.

DR. PAUL A. WARREN RESIGNS TO ACCEPT OFFER FROM TUFTS

Professor of Biology Here for Last Nine Years Assumes New Duties in Fall.

SUCCESSOR TO BE NAMED SOON

Official announcement has been received of the resignation of Dr. Paul A. Warren, Professor of Botany here, who has accepted a position on the faculty of Tufts College at Medford, Massachusetts. Dr. Warren has been a member of the faculty at William and Mary for the past nine years during which time he has become one of the most popular professors on the campus. Not only has he been closely associated with faculty members, but he has identified himself with many activities outside of the teaching profession.

Dr. Warren was graduated from the University of Maine in 1922 and received his Doctor of Philosophy degree, from the University of Michigan in 1922. He saw active service in France during the World War previous to which time he was research assistant at the Carnegie station for experimental evolution.

Dr. E. C. S. Taliaferro, of Norfolk, is a Distinguished Alumnus of This College.

AUTHORITY ON RADIUM

Edward Carrington Stanard Taliaferro, youngest son of Sally N. Lyons of Richmond, and General William B. Taliaferro, who for many years was President of the Board of Visitors of William and Mary College, was born in Gloucester County, December 17th, 1874. He was educated in the public schools of Gloucester; entered William and Mary College, and was a student there for three years; graduated in Medicine at Medical College of Virginia in 1898; and served as an Intern at St. Vincent's Hospital, Norfolk, 1899. He attended the University of Vienna and did twelve months post-graduate work in the General Hospital in Vienna, and later attended Clinics in Berlin and London. He located in Norfolk, August, 1903, and is a Member of Staff as Surgeon and Gynecologist of St. Vincent's Hospital, Norfolk Protestant Hospital, and Memorial Hospital, Norfolk.

Dr. Taliaferro is a member and ex-President of Norfolk County Medical Society; ex-President and honorary member of the Virginia Medical Societies; member and ex-President of the Seaboard Medical Society; a Fellow of the American Medical Association; a Fellow of the American College of Surgeons; and a member of the Kappa Sigma Fraternity; Phi Beta Kappa; Phi Gamma Mu; and Phi Kappa Phi and Pi Mu; a Shriner and 32nd Degree Mason. While at William and Mary he was a member of the football team and tennis club, not to mention having been voted the ugliest man in college for three years. However, he has improved since then. He now takes an active part in golf. His practice is confined to diseases of women and surgery. He is considered an authority on radium.

Dr. Taliaferro married Miss Alice Serpell, of Norfolk in 1908, and has three children, Georgianna, William Booth and Alice Serpell. William Booth Taliaferro is a student at William and Mary College.

Alumni Office Receives News of Oldest Graduate

The Alumni Secretary has just had word that Capt. W. H. Graves, our oldest living alumnus is enjoying fine health and is now with his fine daughter, Mrs. H. F. Matthews, Birmingham, Alabama. He divides his time among his three daughters. The other two are Mrs. E. D. Smith, of Atlanta, Georgia, and Mrs. Frederick Gunster, of New York City.

Capt. Graves received his A. B. and B. L. degrees from the College of William and Mary and left here in 1856. He lived in the third story of the Sir. Christopher Wren Building and returned to his Alma Mater last June. During the War between the States he joined the ranks of the Confederacy where he remained throughout the entire period of the War. Capt. Graves is a prominent Theta Delta Chi and presided over the National Convention which met in Williamsburg seventy-five years ago.

ALUMNI BANQUET TAKES PLACE AT BIG STONE GAP

Dr. J. A. C. Chandler, in a Speech Commends Students From This Section.

ELECTION OF OFFICERS

Rev. H. H. Young, President of the Southwestern Virginia William and Mary Club was toastmaster at their annual meeting and banquet held at the Kiwanis Hall, Big Stone Gap, May 1st. A message from the Southwest was given by Dr. J. N. Hillman, President of Emory and Henry College and first vice-president of the local club. The committee provided a fine musical program for the dinner. The wall was beautifully decorated with a large William and Mary banner and the hall and tables were decorated with gold, silver and green, the colors of William and Mary. The local high school girls dressed as "Indianettes" entertained the group by singing the college songs and giving the William and Mary yells.

President Young, in a neat speech, introduced Dr. J. A. C. Chandler, President of the College of William and Mary, who was at his best. He said he was very proud of the fine group of students that had been sent to William and Mary by the Great Southwest and the very fine spirit of loyalty that had always been evinced by the alumni of that section.

The Executive Secretary spoke of the Alumni Day program and the activities of the various clubs.

The Southwestern Virginia Club voted a tuition scholarship to be given some deserving boy or girl from that section. The honor guests were Senator John W. Chalkley, Supt. J. J. Kelley, of Big Stone Gap, and Rev. Charles W. Johnson, of Wise.

The others present were, Dr. J. A. C. Chandler, President of the College of William and Mary; Dr. J. N. Hillman, President of Emory and Henry College; Rev. and Mrs. J. J. CONGRATULATION TO ALPHA PSI

This FLAT HAT brings the news that the local fraternity Alpha Psi will be initiated into the national fraternity, Sigma Pi in June. The FLAT HAT wishes to congratulate this group of men upon their choice and wish them the best of luck. The campus as a whole is glad that so prominent a fraternity as Sigma Pi should be represented here and especially honored that this chapter will be the only Virginia chapter of the fraternity.

With this action, the last local fraternity at William and Mary has passed. We feel sure that the old, Alpha Psi, now Alpha Eta of Sigma Pi will do as good work as it has and keep on growing.

CARRY ON

The end of anything is always a little sad, and presents, even for newspapers, a glorious temptation for wordiness and sentimentality. THE FLAT HAT, however, realizing that an institution is always renewed by the passing of its old constituents and the coming of its new, hopes to refrain from the temptation. To summarize a year's work is even difficult: to express regrets at a year gone by even useless. Change is inherent to the very process of civilization and we of the outgoing staff have no wish to preserve the past at the expense of creating a future.

Our work is done. It has had its fault, among them, grave ones. It has had its show of virtues, and among them, it seems to us, the greatest has been a spirit of co-operation, which has characterized the work of campus and newspaper throughout the past session. We believe earnestly that there is no greater contribution than this sense of mutual interest which the FLAT HAT could pass on to later papers and the campus as a whole.

Every end which men may seek is more easily attained when those whom it concerns unite to reach it. This year has shown in some small measure, that such a spirit of unison is possible here at William and Mary. We have every reason to expect that the coming year will give evidence of an even greater mutuality of purpose. Student activities, more than ever before, will be thrown on their own in September. To see them prosper, the spirit of co-operation now budding in men and women's student bodies will have to grow in strength and scope. There is no reason why it should not. Rather, there are multitudes of reasons why it should grow.

Chief among these considerations is that loyalty to the good in established institutions is the best guarantee of continued progress. Through institutions, rights and liberties are preserved. Through individual loyalties, institutions are preserved.

There is, moreover, another consideration of weight, which consists of the fact that the greater part of each individual's personal experience is made up of his contacts with others in the many relations of life. Nowhere is a better opportunity given for valuable contacts than in the co-operative relationships of students on a college campus.

THE FLAT HAT, then, is thanking you for your patronage and your united interest during this year, would have you order your future experience in the light of the past and remember, with Kipling, that:

"This is the Law of the Jungle—as old and as true as the sky—
And the wolf that shall keep it shall prosper,
but the wolf that shall break it must die;
As the creeper that girdles the tree-trunk, the Law runneth forward and back—
For the strength of the Pack is the wolf, and the strength of the wolf is the Pack."

THE INQUIRING REPORTER

He asks ten people every week some question on college life. If you have any problems you would like to see discussed in this column, send them to "The Inquiring Reporter," in care of THE FLAT HAT.

THIS WEEK'S QUESTION

Have you any suggestions for changes in next year's Flat Hat?

Margaret Reddie, '32: "I think a joke column would add a good deal to the paper."

Charles Dunker, '32: "It seems to me that they could enlarge the paper with the money they make from it and I think the front page could be changed to look more like a real newspaper."

Ellen Gray, '32: "If possible have the students operate the printing plant of the Flat Hat, and much time and money would be saved."

Grover Clay, '32: "The Flat Hat needs a more personal atmosphere. Too much like town newspaper, and news is all stale by the time it is published. More life and personality would add much to the paper."

Margaret Baughman, '32: "Too many 'Outstanding Students'—they have ceased to mean anything. They could give more space to the girls athletics and conserve space on the dramatics."

"Swede" Swentzel, '32: "Omit This Department and have a regular joke column—have more pictures in the Flat Hat."

Marjorie Lanston, '32: "Instead of two or three, have one good editorial which covers a topic of interest, either local or current, to the whole college."

"Brownie" Bauserman, '31: "Do away with so many of the little nonsensical columns which are run by individuals."

Mary Solliday, '31: "A joke column would improve the Flat Hat."

Tom Garrett, '32: "More humorous editorials would be an improvement and have alumni news about the more recent and prominent graduates that we, attending the college now, know."

DR. YOUNG HONORED BY SIGMA PI SIGMA

Dr. R. C. Young, head of the Physics Department, was elected National President of Sigma Pi Sigma, at an Executive Council meeting at the Wardman-Park Hotel in Washington, April 29. Dr. Young was vice-president and has been a member of the society for many years.

The society, which has chapters in nineteen different colleges and universities, is an honorary physics fraternity and is the only national one of its kind in the country. Only excellent students in advanced physics are eligible for membership. The society plans a convention at either the University of Kentucky or the College of William and Mary, sometime next year.

The local chapter, Sigma Zeta, gave a banquet at the White Heron Tea Room, May 7, at which Dr. Guy, Dr. Stetson, Dr. Merrimon, and Dr. Young spoke. There were fourteen members, including alumni, present. This chapter was established at William and Mary in 1927.

Dr. W. H. Merrimon and Dr. Young attended a meeting of the American Physical Society, April 30 in the Bureau of Standards, and May 1 in the National Academy of Science at Washington.

THIS DEPARTMENT

Since this is the last issue of the Flat Hat, we, at least I think that we should have a prophecy of what some of the seniors will be going ten years hence. So here we go. I think Miss Irma Adams heads the list, at least she has ever since I've been here. Well, Irma claims she's going to teach school for two years—after that I can see her keeping house or rather washing dishes. Zabel, not Ruby, as appeared in one of the recent Flat Hat's, but Rudy, will probably be somewhere doing something. By the way you have seen his sister's picture in the Echo; well, she looks exactly like Rudy except her hair is longer.

And then there's Hargrove—she'll be posing for some artist or for some advertisement more than likely. And Dickie Thomson will not be married, I just know. Virginia Clopton will most likely be entertaining somewhere and a big social dog in general. Clarence Rives will be along with her no doubt. He'll be some big butter and egg man. Swem will be an assistant in some public library—maybe Toano. Mulowney will simply continue making money; don't imagine he'll ever stop. Pat Clarke is taking a business course, but she'll end up in some road show of some kind—Bert Melville's or Barnum and Bailey's. Elliott Healy will be a soda fountain clerk, don't you think, and Phil Hamilton will be one of the managers for Woolworth's five and ten.

Ellen Ticer will probably be taking in washing and Liz Trout will be displaying somebody's famous hair wavers. Bill Rountree will still be with Bob Wallace and making money too, I'll bet. Virginia Arthur will be under Frank Beard in Rexall's selling toilet goods. Catherine Hasseltine will be going to high school in another city, Paris maybe. Bob Pannill will be running a bootblack shop in Martinsville or maybe a haberdashery shop. Bill Scott—well he can't play football all his life, but he'll be a big shot somewhere as coach. Also Big Moze, at present he is teaching physical ed, at the local high school, but I don't imagine he'll be doing that very long. Paul Baldacci comes along with these too and Harry Paxson and Jimmy Murphy.

Herbie T. now—well, he's most likely to get a movie contract or something similar. Probably will be something similar. Wouldn't Greta Garbo get a thrill though? There's not much predicting for Betty Ambler when she's told us already what she's going to be doing. Hazel Storch seems to be undecided, but use your guesser. Bill Ferrell graduates this year too. Agnes Winn starts out teaching physical ed too, but then you never can tell how long that will last. Mary Lewis Mayhew will most likely be on some speaking tour. (Please don't hit.) Liz Griffin will be giving lessons on the proper way to dance the Virginia Reel, while Dottie Reese, her old college chum and sorority sister, will be settled down very quietly in a nice flat with somebody ("?) singing lullabys. And this makes us think of Wally Smith who will probably be politicing for Charley Eason for Deputy Sheriff of Williamsburg.

And lo! in Williamsburg we'll find Jerome Carr as president of this ancient college—the Shop will still be standing and hanging around as usual will be Katherine Lam, Martha Williams, Peggy Parker, and Margaret Corey. Roy Charles will be head professor of Biblical Literature. The "Marian" girls—Cheyne, Handy, and Sargent will be cigarette girls at the Wil-Mar Grill which will be managed by Billie Parker. Rip Collins and Roger Keay will still be politicing to amend those parts of the Men's Student Body Constitution which says that the Athletic Council shall nominate its successors.

Viola Barrett is to be elected President of the D. A. R., Martha Barrow, President of the Eastern Star of Blackstone, and Carrie Lucas, head of the Red Cross division in Herndon.

Phillips-Rittenburg, Rittenburg-Phillips, Inc., will be agents of the Cord Motor Company and will sell cars to those William and Mary students who have secured permission from the college to have cars—Good luck to you boys!

Marshall Baggett has already been nominated as the successor to Bishop Cannon, who will direct the Board of Christian morals and temperance.

John Sauerbrun will continue his college work and will be head waiter in the New Waldorf.

And I will be editor of "Whiz Bang". Think we did pretty good to think of all those people, don't you? And wouldn't it be funny if they were all doing exactly those things ten years from now. Here's to you! JIM.

the able president of the College of William and Mary, who comes for the purpose of addressing the local alumni of the institution at their annual banquet at the Country Club this evening. That Dr. Chandler has revolutionized the historic old college at Williamsburg, which has taken on new life and vigor under his regime, is a matter of general knowledge. He is easily one of the outstanding college executives of the State and William and Mary men owe him a debt of deep gratitude for what he has accomplished.

The following officers were elected for the ensuing year: President, E. E. West, Jr., Roanoke; First Vice-President, M. Elizabeth Brown, Roanoke; Second Vice-President, D. E. Denton, Salem; Secretary-Treasurer, Edna M. Gibbons, Roanoke; Historian, M. Carl Andrews, Roanoke.

Roanoke has a very active club, having been organized just a little over a year ago. There are seventy-eight alumni in the Roanoke section with twenty-five students now attending William and Mary.

William and Mary Players Present One-Act Comedy

The William and Mary Players presented the first act of Rostand's three-act comedy, "The Romancers" as the feature of the weekly broadcast of the College of William and Mary from Station WGH in Newport News.

Patruchia Clarke, Marshall Baggett, George C. Diggs, Maurice Berkwitz, and William A. J. Bowen, all veteran players from the campus stage, participated in this broadcast. Miss Althea Hunt, under whose direction the program was given, Miss Ione Burden, and Miss Joan Miller, of the administration and faculty, accompanied the troupe.

SIGMA UPSILON INITIATES FIVE

Five new members were formally initiated into Gordon Hope chapter of Sigma Upsilon, national honorary literary fraternity, at a meeting held at the college lake Sunday night, May 10. The initiation ceremonies were conducted by Thomas McCaskey, president of the chapter, and John Eversole, secretary, and at their conclusion the initiates were taken to the Theta Delta Chi house where refreshments were served and plans for the coming year discussed. The initiates include: Henry Weaver, Inslee Greene, William Smith, John Weaver and Robert Ehrman.

In every college town there is one outstanding smoking tobacco

At Illinois it's

ALONG Green Street, where campus leaders stroll . . . in the great slate-roofed fraternity houses of Champaign . . . there is one pipe tobacco which always rolls up the biggest vote. At Illinois it's Edgeworth, every time.

A pipe—Edgeworth. That is the smoking combination which has won the college man. Harvard, Cornell, Michigan, Stanford, Dartmouth—all agree with Illinois. Natural merit has made Edgeworth the favorite tobacco in America's leading colleges and universities.

College men everywhere respond to the appeal of pipes—packed with cool, slow-burning Edgeworth. Be guided by their verdict: try Edgeworth yourself. Find it at your nearest tobacco shop—15¢ the tin. Or, for generous free sample, address: Larus & Bro. Co., 105 S. 22d St., Richmond, Va.

Edgeworth is a blend of fine old burleys, with its natural savor enhanced by Edgeworth's distinctive "eleventh process." Buy Edgeworth anywhere in two forms—"Ready-Rubbed" and "Plug Slice." All sizes, 15¢ pocket package to pound humidior tin.

"Bill" Scott, as Captain, has wound up his baseball career at William and Mary, and it can be said that he made a good job of his services. His consistent home-run hitting helped the Braves win more than one game.

Tomorrow's game ends the schedule. It is hoped that the boys will repeat their previous victory over the University of Richmond, and thus end the season in good fashion with another win over the Spiders.

ARE YOU READY FOR AN OPPORTUNITY?

Would you like to bank enough money this summer to meet the college bills next session? Do you want work that is good for body, mind and spirit? Are you willing to make a few hours' earnest preparation and then to devote seventy-five or at least sixty days to a work that will prove pleasant and profitable to you and of real service to those with whom you labor?

If to the above questions your answer is "Yes," see our representative, Mr. G. A. Jordan, at Mr. Hipps' office, Citizenship Building, Wednesday, Thursday, or Friday this week from 1:15 to 3:15 P. M. If you miss him there Phone No. 182-M, or call at the College Inn, Boundary Street.

We can help at least ten young men and as many young women to work that is worthwhile.

NIGHT AND A FAST TRACK!

A TRACK man will tell you that records are broken when the track is fast. Think of this setting—a cool evening, the stands overflowing, the whole spectacle brilliantly lighted with G-E floodlights, and a fast track—a record simply couldn't stand the "gaff."

Nighttime, when people naturally turn to diversion, is the logical time for a track meet. Lack of support will be a thing of the past. And just watch the athletic fund grow.

G-E floodlighting projectors, largely the development of college-trained men, are easily adapted to any occasion whether football, track, tennis, commencement, receptions, or plays. Efficient G-E illumination promotes athletics and builds school spirit.

Indian Track Men Obtain Overwhelming Victory In Conference

BALLTOSSERS ENGAGE WITH RICHMOND CLUB HERE IN FINAL FRAY

Game Tomorrow Result of Postponed
Tilt; Indians Have Had an
Excellent Year.

With the exception of a game with The University of Richmond scheduled for tomorrow, the Green Sox have completed a very successful baseball season. As this paper goes to press, the result of yesterday's game with Hampden-Sydney is unknown, but excluding that tilt, the Indians have won 13 games and lost four, compiling an average of .823.

The boys started their season by defeating the Sawbones, 20-1, in what proved to be a good practice game. In the next five tilts, no team proved capable of scoring more than one run against the Indians. Drexel lost 10-1; Princeton yielded in a twin bill by the decisive scores of 11-1, and 5-1; Harvard was defeated, 5-1; and Bridgewater, putting up a good battle, finally gave in with a 2-1 score. The Braves broke their winning streak here by surrendering a heart-breaker to Washington and Lee, 6-5, in a tenning battle.

The boys next took V. M. I. team into camp in another extra-inning game, but, coming back to Cary Field received a 7-0 licking from Bridgewater College on what must have been an off day.

The Green Sox then started another winning streak, shutting out Randolph-Macon, 13-0, and decisively defeating the University of Richmond, 12-3. They kept this up, taking victories from Hampden-Sydney, 6-1, V. M. I., 11-3, Randolph-Macon, 14-8, and traveling up to Philadelphia, gave Drexel their second defeat of the year, 5-1.

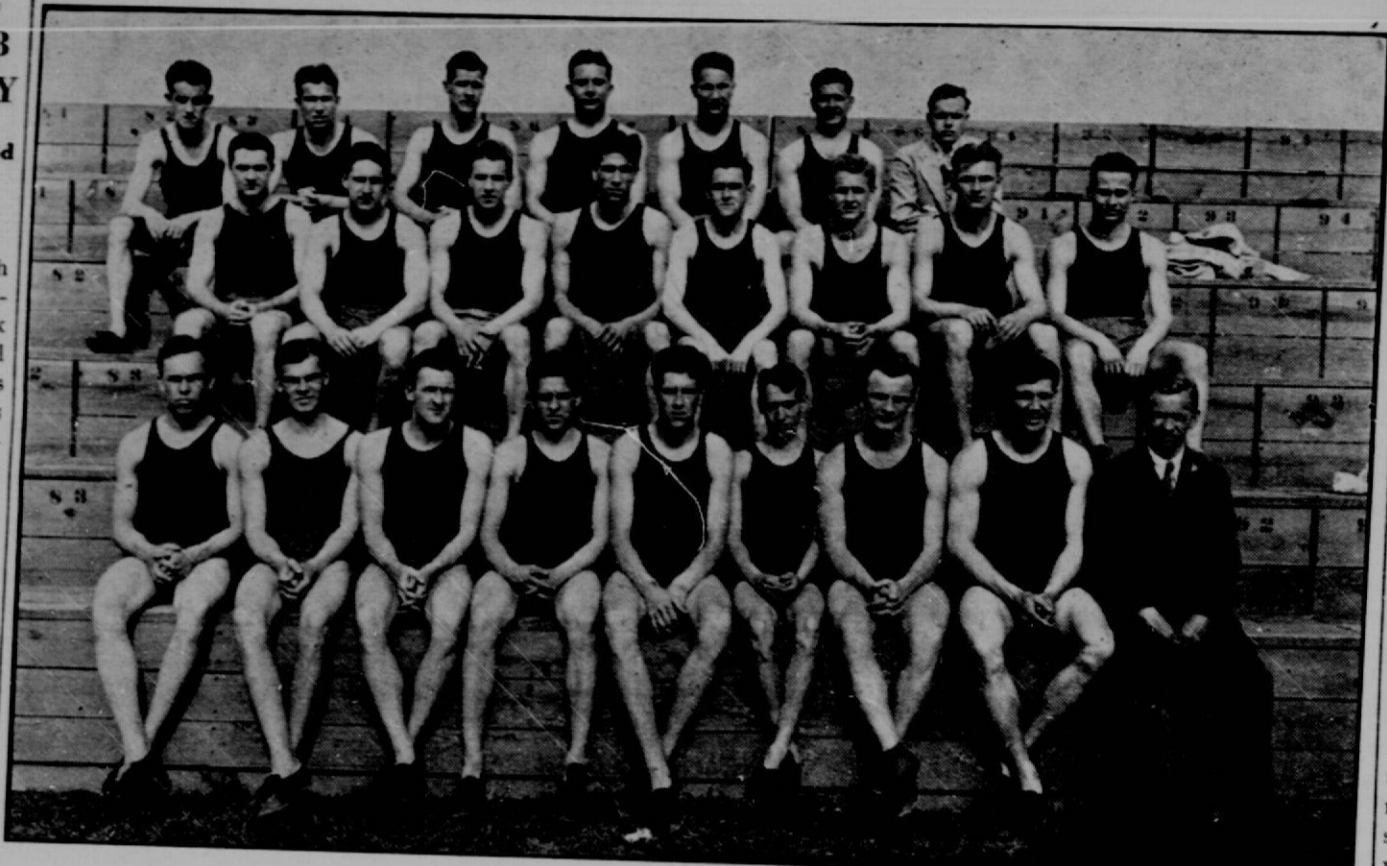

The adverse weather conditions in Boston prevented the game scheduled with the College of that city, but the Indians, taking a trip to Cambridge, gave in to Harvard, 7-0, for their second shut-out of the season. The boys, then stopping at Annapolis on their way home, lost a hard-fought battle to the strong Navy nine, 6-4.

VIRGINIA CONFERENCE CHAMPIONS

SUNDIN PITCHES GOOD GAME AS GREEN SOX WIN OVER DREXEL, 5-1

Indians Put Game on Ice in Opening
Inning by Counting Three Times
on Solid Smashes.

The Indians took Drexel into camp last Saturday, 5-1, in what proved to be a fast and easy victory. The Green Sox started off with a bang when Maxey, starting the batting order, doubled, Engleburt duplicated, and Bill Scott banged out a triple. Scott scored a minute later when Demarest flied to left field. Sundin, at no time bothered by the opposition, allowed but six hits and two walks.

"Buck" La Croix brought in the other two tallies, getting on base in the sixth as a result of an error, and being sent home on a double by Ferrell. In the ninth, "Buck" got another single, and "Pat" Harkins, who was running for him stole second and scored on a single by "Andy" Coppola.

Drexel scored in the seventh, when a double by Sundell and a single by Hammar gave them their only tally of the game.

SPORTS STAFF GOES BROKE AS M. TRINKLE WINS FINAL CONTEST

Flat Hat Sweepstakes of \$2.50 Goes
to Winner of Contest Conducted
Last Month.

Murray H. Trinkle, freshman, won the final contest conducted by the sports staff of the Flat Hat Sweepstakes, by a convincing margin and is thereby the recipient of \$2.50. The contest, started last month, consisted of picking the standings of the two major leagues as the contestant figured they would stand on May 10th.

Trinkle had a pretty good angle on the major league clubs. In the National League, he picked four clubs correctly and the other teams were placed on a notch or two out of their right standings. His American League selections were not so good as the National but he came pretty close on a good many of them.

The contests run this year attracted a good many contestants and if the present staff is still in operation by the time school rolls around next September, it is hoped that a few more may be run.

Trinkle, if by any chance interested in collecting his two and a half slugs, may do so by getting in touch with the sports editor at the Sigma Phi Epsilon House. In case any of the other defeated candidates in this affair have any doubts as to whether or not Trinkle had the best selections, a battle royal may easily be arranged by calling at the office any time between 3 and 5 a. m. on Monday, Wednesday and Friday of next week. Bring your own forfeit money.

INDIAN BALL CLUB IS HELD TO FOUR HITS, NAVY WINNING BY 6-4

Scott Gets Longest Home Run Ever
Hit on Navy Grounds; Sundin Lets
Navy Down With 7 Blows.

The William and Mary Green Sox fell before Davenport, Navy's star twirler, despite the fact that he did not receive much support from his infield. The game was played at Annapolis, and the final score stood: Navy, 6; William and Mary, 4.

During the first two innings the Braves exhibited superior playing. In the third they ended their show of snappy fielding. Navy was the first to show signs of breaking up, when five errors enabled Scott and McBride to bring home the first two William and Mary counters in the third frame. However, in their half of the same inning, the Tars, aided by a wild pitch, two errors, and hits by Hurley and Ashworth, tallied thrice.

In the sixth stanza, Navy broke ice again as Byng walked, stole second and came home on Bounce's timely single. In the first half of seventh, the Indians retaliated as Sundin walked, took third on a wild pitch and crossed the plate as Maxey doubled.

TRICOLOR GETS 94 1-12 POINTS AS HORNETS TAKE SECOND HONORS

Indians Equal or Break Four Confer-
ence Records as They Take
Twelve First Places.

Scrap Chandler and his trackmen completed a most successful year last Friday and Saturday by overwhelming three opponents in the annual Virginia Conference Championships, held in Williamsburg. The final score read William and Mary 94 1-12; Lynchburg, 26 5-6; Richmond, 21 1-12; Hampden-Sydney 12.

Four Conference records were equaled or broken in the title meet. Bill Scott started the fireworks by equaling the 100 yard dash record by negotiating the distance in 9.9 seconds. Wink Johnson broke the mile record of 4.31:6, set by Zabel in 1929, by almost three seconds, the time being 4.28:8. Zabel also relinquished another record, Eckstein of Lynchburg, coming through with a 10.26:6 two miles, it being one of the two firsts taken by the opposition in the meet. Marshall Baggett, handicapped by a bad leg, completed the record-breaking for the day by stepping over the high hurdles in 16 seconds flat.

Meade and Johnson were the high scorers in the meet, each crashing through with a pair of firsts, the former winning the shot and discus and Wink taking top honors in the mile and 880.

The summary:

100-yard dash—Won by Scott, W. & M.; second, Quesenberry, W. & M.; third, Blankenship, L.; fourth, Hopkins, R. Time 9:9 seconds.

220-yard dash—Won by Quesenberry, W. & M.; second, Scott, W. & M.; third, Blankenship, L.; fourth, Tann, R. Time 22 seconds.

880-yard run—Won by Johnson, W. & M.; second, Roberts, W. & M.; third, Zabel, W. & M.; fourth, Squire, R. Time 2:03.4.

One mile run—Won by Johnson, W. & M.; second, Zabel, W. & M.; third, Thomas, L.; fourth, Onesty, R. Time 4:28.8.

Two mile run—Won by Eskstine, L.; second, Doane, W. & M.; third, Renn, W. & M.; fourth, Talbott, H. S. Time 10:26.6.

220-yard low hurdles—Won by Tuthill, W. & M.; second, Jones, R.; third, Bloxom, R.; fourth, Blankenship, L. Time 26:8 seconds.

120-yard high hurdles—Won by Baggett, W. & M.; second, Ballou, L.; third, Smith, R.; fourth, Campbell, R. Time 16 seconds.

High jump—Arehart, H. S., and Lawson, H. S., tied for first; Reed, W. & M., Halligan, W. & M., and Yeaman, W. & M., tied for third. Height 5 feet 9 3-4 inches.

Broad jump—Won by Baldacci, W. & M.; second, Arehart, H. S.; third, Oakes, L.; fourth, Haggard, L. Distance 21 feet 3 inches.

Pole vault—Won by Alexander, W.

W&M Golfers Won Seven And Tied Two, Out Of Eleven Matches

CONCLUDE SEASON BY TYING UNDEFEATED U. OF N. C. AGGREGATION

Mort Jaffee Elected to Lead Year's Outfit; Has Been High Man on Team all Year.

The William and Mary golfers ended their season in a blaze of glory by tying the undefeated University of North Carolina outfit at Yorktown Saturday. The Tar Heel golfers have one of the most powerful clubs in the East but the superb golf played by the Indians matched them stroke for stroke. Jaffee, Mullowney and Waters won their singles matches while North Carolina took the odd singles and both four-somes to tie the match. Captain Mullowney barely missed a birdie on the 19th to win but on the 20th hole he placed his brassie within two feet of the pin for the birdie that won the match. Mort Jaffee continued his sensational playing by defeating Captain Mason of N. C. 1 up. Sumner Waters played perhaps the best golf of the day in defeating Brooks of N. C. 3 and 2. Waters played close to par golf all day.

The team played through its most difficult campaign in years and captured seven of its eleven matches. Included in its victories were wins over Swarthmore, Haverford, George Washington, Washington and Lee, and Duke. The only defeats registered against them were by Lafayette and Pennsylvania while ties were played with Boston College and North Carolina. Although the loss of Captain Mullowney will be felt, followers look for another good season next spring with the return of Waters, Wiedenmayer, and Jaffee.

Mort Jaffee has been elected captain for the next campaign to succeed Dick Mullowney who graduates. Jaffee has been the outstanding player on the squad the past season and recently equaled the course record held by last year's captain, Sam Wilcox. Jaffee negotiated the difficult Yorktown course in 70. Charles McCurdy was elected manager of the team.

The summary:

- Jaffee W. M. defeated Mason N. C. 1 up.
- Mullowney W. M. defeated Goodes N. C. 1 up 20 holes.
- Waters W. M. defeated Brooks N. C. 3 and 2.
- Adams N. C. defeated Wiedenmayer W. M. 4 and 3.
- Mason and Adams defeated Mullowney and Jaffee 3 and 2.
- Goodes and Brooks defeated Wiedenmayer and Waters 3 and 2.

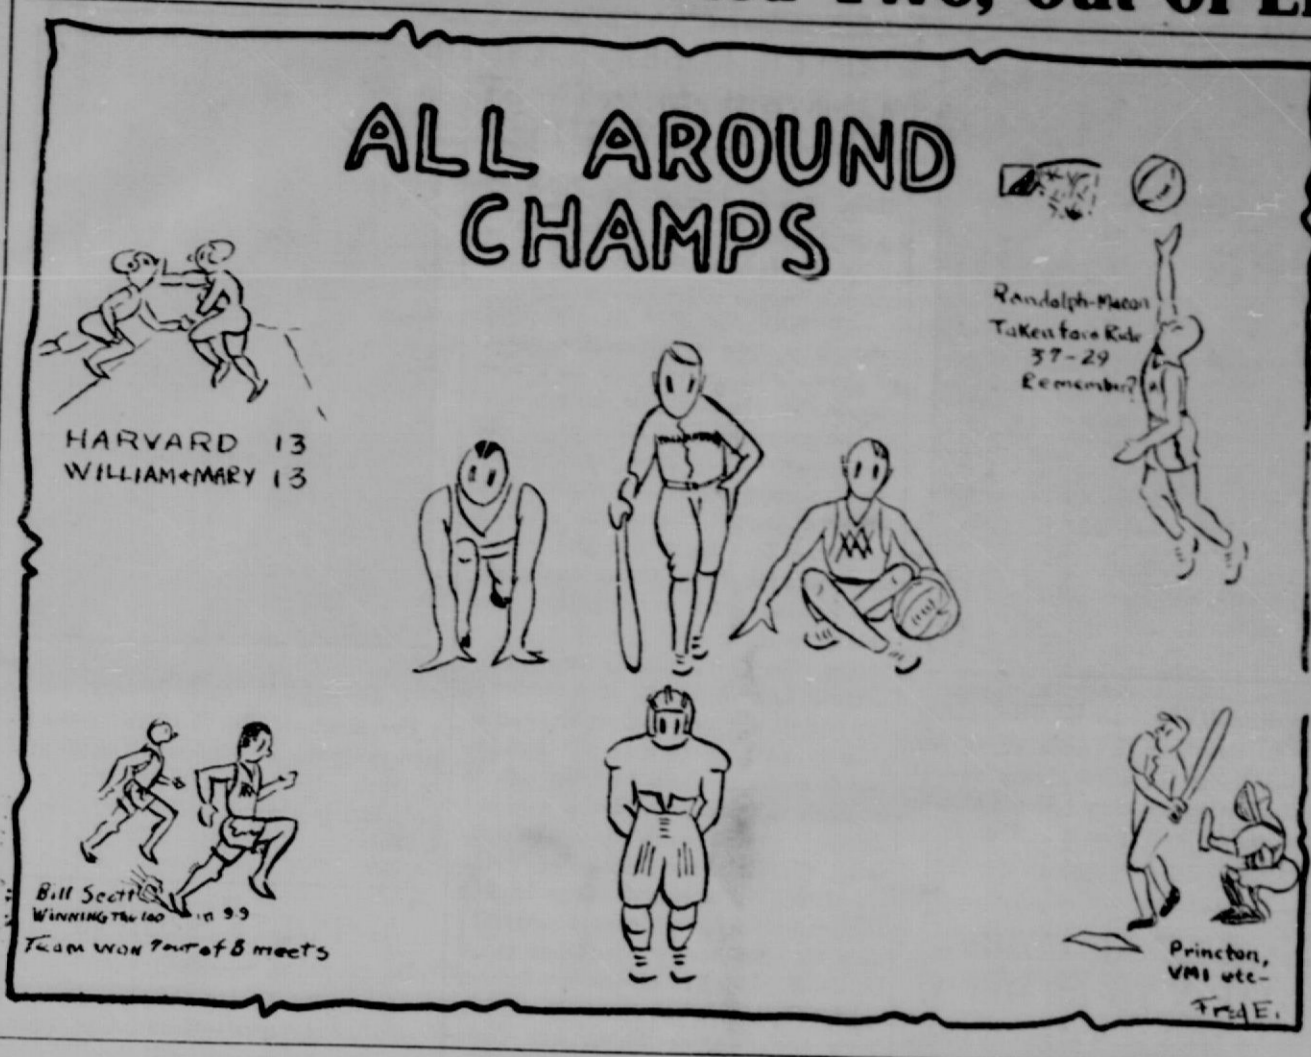

TENNIS PLAYERS LOSE FINAL MATCH OF YEAR

Hampden-Sydney Defeats Locals by a 7-2 Score to Close Season.

The tennis team concluded its season by bowing to a strong Hampden-Sydney team 7-2. Carr captured the only singles match for William and Mary while LeBow and Wiggins added the other point by winning over Talbert and Sloane 6-4; 6-4. Five of the six singles encounters went to three sets. Carr, LeBow and Wiggins played well for the Indian netsters while the three Thomas brothers formed a star combination for Hampden-Sydney.

The summary:

- Singles**
- D. Thomas H. S. defeated LeBow W. M. 7-5; 1-6; 6-4.
- Talbert H. S. defeated Wiggins W. M. 6-8; 6-0; 6-2.
- Sloane H. S. defeated Schaffer W. M. 6-2; 5-7; 6-0.
- Poulette H. S. defeated Greene W. M. 6-2; 2-6; 6-2.
- Carr W. M. defeated R. Thomas H. S. 4-6; 9-11; 6-0.

COLUMN BY BUD

Well, the Kentucky Derby has come and went, the backers of Twenty Grand are feeling swell and this writer is enriched by the mighty sum of one slug, the result of rash betting the son of St. Germain-Bonus would crash through. And what a race it was. Twenty Grand broke the Derby record of 2:03 4-5 by two full seconds for the ten furlongs. In contrast with the times of the past two years, the Whitney-owned thoroughbred brought the time down by nine seconds. Gallant Fox won last year in 2:10 4-5 while two years ago Reigh Count did the distance in 2:10 2-5.

There are a lot of outstanding races every year, but none can touch the Churchill Downs classic in any aspect.

See where Smith of Virginia Military Institute, who conquered Wink Johnson a month ago in a 4:23 mile, was defeated in the mile run in the Southern Conference meet last Saturday in a 4:26 mile. Smith has had a busy year of it and it is no wonder that the crack Cadet captain failed to annex top honors in the meet.

It is admitted that Golfers are pretty freakish in a good many aspects, but here is one fellow who takes a good deal of the cake.

Tod Morgan, former junior light-weight champion, hits them off the tee right-handed. He continues to play his shots right-handed when using the woods and long irons, but when he gets within approaching distance, he suffers a complete reversal of form and turns around and approaches left-handed. When on the greens, he is also a southpaw.

Tod explains that "I hit them harder right-handed but I am more accurate left-handed."

Some of the scores in this Eastern League are enough to make one wonder whether the teams are playing baseball or shooting pool. For example, Albany recently defeat Norfolk in a tight game of 17-11. A smart league but it could be a lot worse.

The Chicago White Sox finally got rid of Willie Kamm, \$100,000 beauty of a few years ago. The Pale Hose traded their star third-sacker, considered by many as the best defensive third baseman in the league, to Cleveland for Lew Fonseca, hard-hitting infielder. It will be interesting to see how much better or worse Kamm will make out under new colors. He had a good year his first trip to the majors but since that time his work with the stick has fallen off considerably. And Chick Hafey, ex-holdout, got a pair of bingles in his first game with the St. Louis Cardinals last week. He's going to help a lot.

Teddy Berkman tells us that they go in big for track out on the Coast where Teddy and Skeets Dunbar have been "working" for a couple of months. And they have a right to be interested.

The fifteen year old record of 47.4 made by Ted Meredith was tied last Saturday by Ben Eastman of Stanford. That was one record this writer thought was due to stand a few more years. And in order to fill a little more space, we might add that that was running 9 1-5 yards per second, which is traveling. And Frank Wykoff ran a 100 in 9.5. Nuff said.

And Red Worthington of the Braves is still clicking them as are the Boston Braves. Don't mind me, I'm from Chicago. But the Braves have got the best outfield in the National League. As for the Red Sox

DUC BASEBALL OUTFIT LOST ONLY ONE GAME DURING PAST SEASON

Meb Davis' Old Team, Fork Union Sole Aggregation to Take Measure of Papoose Club.

With their schedule completed, the yearlings' Baseball Club closed the season successfully. After getting off to a bad start by losing to Fork Union Academy, 9-6, in the initial fray of the season, the Frosh swept through the remaining opposition without much trouble, though getting some strong competition from John Marshall and McGuire's Academy.

The Paposes trounced Hopewell High School in their second game of the season by a score of 7-2, on Cary Field. John Marshall traveled to Williamsburg to be whipped, 6-2, and the University of Virginia Freshmen, following next in line, were subdued by the Little Indians, 8-7.

The William and Mary Norfolk Extension were disposed of by a 7-6 score, giving the Frosh as close a game as the Cavalier Yearlings. The McGuire's game, which proved to be one of the most spectacular games to be played on the Field, was won by the Frosh, 1-0, on a wild-pitched ball. South Norfolk High was trounced, 11-4, and the Highland Springs Club was beaten with equal facility, 14-3. The Todd and Brown Company of Williamsburg, the next to face the Little Indians, were taken into camp, 7-1.

This has been a highly successful season for the Yearling bat wielders, eight games having been won and one lost, for an average of .875.

Joe Stankus, a most promising frosh, has struck out no less than 56 men in the three games that he has pitched this season, and should make good varsity material for next year. "Gil" Gallinant, the other southpaw of the team, has shown his ability as a good pitcher and a dangerous hitter, a combination hard to find. Jerry Quirk was unexcelled behind the bat, but was forced to retire as the result of an unfortunate accident. Marks, however, proved a good substitute and played excellent ball throughout the season.

H. Thomas H. S. defeated Talton W. M. 6-0; 6-1.

Doubles
LeBow and Wiggins defeated Talbert and Sloane 6-4; 6-4.

H. Thomas and R. Thomas defeated Carr and Talton 6-2; 6-4.

OLD LINERS DEFEATED BY INDIANS. 92-33. IN ONE-SIDED TRACK MEET

Win But Two First Places Against Crack Tricolor Aggregation at College Park.

The William and Mary track squad won their final dual meet of the year from a weak Maryland outfit, taking the Old Limer aggregation into camp by the one-side score of 92-33. The Maryland group was able to garner but two first places in the meet, taking the shot and the pole vault.

Quesenberry, Tuthill, and Johnson were high scorers in the meet, each taking a pair of firsts. Reid of W. & M. jumped to a new record by soaring 6 feet 2 and 5-8 inches.

The summary:

TRICOLOR DEFEATED IN SECOND GAME AGAINST CRIMSON BY 7-0 SCORE

Indian Balltossers Shut Out by Machale in Frigid Ball Game; Maxey and Le Croix Get Two Hits.

The Harvard baseball team avenged the early season defeat it suffered at the hands of the William and Mary nine by blanking the Green Sox, 7-0, at Cambridge Tuesday afternoon. The game should have been a close match between "Red" Machale of the Crimson club, and "Lefty" White, but successive errors spoiled White's mound work, and made the game a runaway for Harvard.

Machale hurled excellent ball, allowing only five hits and issuing no free passes. Settling down after the first inning, White also pitched good ball. He was nicked for eight hits but struck out nine Crimson batters. Three walks and two errors in his supporting infield, however, started Harvard on the road to victory with a three-run lead in the opening.

McGrath, with a home run, a double and a single, and Wood with a triple and a two-bagger, starred at bat for the Crimson nine.

Indianettes Have Had Successful Year, Winning 75 per cent Of Their Contests

OUTSTANDING VICTORY OF YEAR WAS HOCKEY WIN OVER SWEET BRIAR

Virginia Hockey Tournament Held by William and Mary Here Last Fall; Successful Basketball Season

The Indianettes have had a most successful sports season for the year 1930-31. They have succeeded in winning seventy-five per cent of the intercollegiate contest which have been held.

The Virginia Hockey Tournament to which schools from all over the state sent representatives was held here during early days of fall. The South-Eastern team gave an exhibition game at this tournament playing against mixed teams from William and Mary, Sweetbriar, Farmville and Harrisonburg. Next year this tournament will be held at Hollins College.

Under the excellent leadership of Lois Roberts, one of the Squaws best hockey captains, the Indianettes succeeded in defeating their old rival, Sweet Briar by a score of 3-1 for the first time since these two teams have been in competition. Although games with Harrisonburg and N. Y. U. were lost by the scores 3-2 and 3-0 still the hockeyites played very creditably. The Frosh team was overwhelmed in a game with St. Catherine ending in a score 6-1. Next year's hockey season should also be a successful one under the captainship of Vivian Dreyer.

The basketball club led by Agnes Winn succeeded in walking away with eight of the ten games played, losing only to Savage and Farmville. The successes defeated both St. Catharines and Hopewell High School and the second team snowed under the Richmond and Norfolk extension schools. Mary Dabney is to head the basketeers in next year's tussles.

The Squaws seem intent on making William and Mary safe place for swimming for nine Indianettes passed the examiners Red Cross Life Saving tests and twelve the Senior Life Saving. Those who took the examiners test were: Margaret Baughman Kitty Cubberly, Mary Dabney, Betty Fleck, Louise Slough, Elizabeth Eerie, Marianna Thomas, Mary Barnes and Marguerite Wynne-Roberts. The Senior Life Savers are: Christine Decker, Margaret Sherrott, Janet Simes, Honore Wickam, Marian Zuydhock, Helen Studz, Jean Walker, Allwin Moore, Emily Stablnaker, Alice Brown, Lillian Alderson, and Jean Simes.

Besides the Life Saving there have been several swimming meets and the Water Pageant which was put on last week by the H2E club.

In baseball the Juniors succeeded in gaining first place with the freshman but a little way behind them. Before the class teams were organized the players were divided into five teams which held big league games. The successes succeeded in defeating Mathew Whaley High School by the close score of 18-17. Twenty of the ball players were awarded 100 points for honorary varsity.

Six of the Squaws succeeded in hiking the 275 miles in six weeks for 100 points. Among these are: Annie Felts, Marie Fries, Ethel Hartman, Elsie Hudak, Helen Kirk, and Dot Mitchell. Margery Harper hiked 215 miles for 75 points and Edna Garrett, Virginia Johnson Dot Lafitte, Jane Oewel, Elizabeth Rurnell, and Mickey Ross covered 150 miles.

As this paper goes to press, track records are being made and the tennis tournaments between sister classes are being played.

Matches for individual supremacy will take place this week.

CLASS TENNIS COMPETITION TO BE HELD HERE THIS WEEK

Simes Has Been Elected Captain of Senior-Soph Club and Dreyer Leader of Junior-Frosh.

The Co-ed tennis program has been completely rearranged for intramural competition with a plan for matches between the Junior-Frosh teams and the Senior-Sophs. Janet Simes has been elected captain of the Senior-Soph aggregation, and Vivian Dreyer of the Junior-Frosh.

The best two out of three matches will decide class championship and the best eight players will then play off matches for college championship. Teams have arranged for three singles and three doubles combinations.

The Senior-Soph team is composed of Beale, Dunleavy, Cubberly, Simes-Roberts, Weaver-Bennett. The third doubles combination has not been definitely decided upon.

The Junior-Frosh team includes: Hudak, Chewing, Sargeant, Mitchell-Dreyer, Holladay-Harper. The third doubles team will be Sollenberger-Troupe for the first match, and probably Barnes-Lang for the second.

Monograms and 100 points will be awarded to a few Indianettes whose ability and practice time shows that they have earned them. Approximately eight other girls will be given 75 points according to position on the tennis ladder. All others having played the required 36 hours will earn 50 points.

EDITH BAER CLUB AWARDS GIFT

The Edith Baer Club gave its annual banquet at the Craighill Tea Room, Monday night, May 11. Each year the society gives a gift of \$25 to the member who is most outstanding in the organization, the presentation being based on leadership and scholarship. Evelyn Neale, of West Point, was given the award this year, Miss Neale is a member of the Senior Class, and the retiring president of the club. The recently installed officers of the club are: Lucille Stonnell, president; Mary Oewel, vice-president, and Elizabeth Ridout, secretary.

DREYER, ROBERTS AND WINN ARE CHOSEN BY ATHLETIC COMMITTEE

Three Receive Honor of Being Leading Co-ed Athletes During the Past Year of 1930-31.

Now with the end of the sport year, it is time to release the names of those Indianettes who have been chosen by the Athletic Committees as the three leading athletes of the past year. The three leading athletes in order of selection are: Lois Roberts, Agnes Winn, and Vivian Dreyer. The basis for the choice was primarily founded on leadership, and secondly on participation plus ability.

The first of these three Indianettes, Lois Roberts, is noted for her quick thinking and cool headedness in each sport that she has entered and she has participated in several. This year, Lois led her Hockey team through a splendid season. She has the honor of being the first William and Mary hockey captain to lead a team to victory over Sweet Briar. "Alec" has never been the flashy circus performer type of athlete, but instead, she has been the one on whom her team could rely at all times. Lois has twice won her basketball letter as varsity guard. This year she also has a splendid chance of a tennis monogram to her collection. For several times Lois has been chosen to the honorary baseball varsity. Another sport in which she excels is swimming. This year Lois is the only Senior earning a blazer, which stands for 1150 points for three years work. In fact Lois Roberts is an all-round athlete whose splendid leadership truly entitles her to the name of leading athlete of 1930-1931.

"Agie" Winn also has that certain something called "leadership." "Agie" and basketball are synonymous terms. For the past two years Agnes has led the Squaw Sextette through several tight places. Agnes has been called by some of the greatest coaches in the U. S., "the best guard I have ever seen." Appreciation of her ability was shown in her election as President of Athletic Association. Agnes' record in track is almost as outstanding as in basketball. She started as a Frosh to break intercollegiate records, and she is still going strong. Her specialties are high jump, dashes, and the discus throw. Last year she broke the discus throw by 18 feet. "Agie" has twice possessed berths on the honorary baseball varsity. Agnes Winn and Lois Roberts have always been splendid teammates and fellow workers. Graduation in June will take from William and Mary two

LOIS ROBERTS

One of the three honored as leading co-ed athletes this year. She was captain of hockey and has been outstanding in basketball, swimming, baseball, tennis. Miss Roberts is a senior.

AGNES WINN

President of the Athletic Association, captain of basketball and star in track. Holds a couple of track records and is a swell balltossler. She is a senior.

SPORTS SHORTS

By Vivian Dreyer

S'all over now—Graduation soon, and then everyone will be leaving ye olde college. Sure do hate to see some of the best athletes W. & M. ever had go out to high schools to teach some little brats—"Tention, Forward March." It is even worse to think that some of them will be giving the same orders to their husbands. S'tough world.

Sports have gone over fine this year. The CO-eds have won 71.428 per cent of all intercollegiate games played. Not bad for little Mary. She is keeping up her side of the Bill and Mary combination rather well.

There will not be any intercollegiate tennis matches this season, but there will be some in the fall. The Junior-Frosh are now playing against the Senior-Sophs for class supremacy. It is all in good clean fun.

Thursday night the H2E Club gave a fine water pageant in the form of a wedding ceremony. Neptune presided when the bride H2 was married to the groom 0.

of the best athletes and leaders in its history.

It is a high honor for a member of the junior class to be chosen as one of the three outstanding women athletes for any year. Vivian Dreyer was named in this capacity because of her participation in nearly all of the sports offered to women students here. Dreyer has been a trusty member of the hockey team since her freshman year at William and Mary. She has also been on the basketball squad for the past three years. Last year she was captain of the track team. She has recently been chosen captain of the junior-freshman tennis team. She was also captain of the freshman baseball team which won the class championship and perhaps we should mention that next year will see her leading the Squaws to victory in hockey.

On the baseball diamond she is in her glory. To hear her chatter an onlooker might think that she had been a member of one of the Big League teams for several seasons. We don't know whether she chatters to rattle her opponents or to show her prowess in the sport, but she managed to reach both goals which ever her object is. Dreyer may well be called an all-round good sport and it is fortunate indeed that William and Mary has her for at least one more year.

WATER PAGEANT HELD BY H2E CLUB IN SWIMMING POOL LAST THURSDAY

Feature of Program, Outside of Cream Cones, Was Wedding of H2 to 0

The H2E club presented a pageant in the Jefferson gymnasium swimming pool, Thursday, May 13. In the pageant was included exhibitions for form in diving and water strokes as well as several relays.

Lois Roberts as Neptune with court of mermaids presided over ceremony of the wedding of H2 to 0. First the altar bearers stationed themselves at the end of the pool with candles. Then the ushers brought the family of the bride to their places with the cross-carriers. Next the bridesmaids and Matron and Maid of Honor followed by the flower girls, and ring bearer.

The preacher, Allwin Moore proached his umbrella pulpit which his book was placed and wed for the bride, Avery Bibee, to proach him with her father, M. Barnes who was to give H2 to 0. The groom Mary Dabney came swimming gallantly down the pool with the best man, Anna Sollenberger Hazel Storch and Annis Wilkins sang, "Oh promise me."

After the ceremony Neptune pronounced that the audience were invited to stay to the wedding reception. Ice cream cones were served to the guests and exhibition diving and swimming composed the entertainment. The program included:

BLAZERS & MONOGRAMS ARE GIVEN TO CO-EDS

Roberts, Chewing, Sollenberger, Young and Dreyer Receive First Blazers.

With the entire athletic season drawing to a close it is found that five co-eds are earning blazers and six are receiving point monograms. The glazers this year correspond to a star for point monogram or 1150 points in three years work, and the point monograms are given for a sum of 750 points for culmination of two years service.

Among the five Indianettes honored by getting the first blazers awarded by the College are: Lois Roberts, Lee Chewing, Anna Sollenberger, Pearl Young, and Vivian Dreyer. This represents three years participation in six sports each year with a sum total of 1150 points during that time. It has been decided that starting next year these blazers will be given for all sports instead of sweater awards.

Six squaws will be awarded their point monograms this year for 750 points earned in two years work. This 750 points must have included at least one varsity. Those girls making monograms are: Agnes Winn, Emily Dunleavy, Maude Weaver, Catherine Cubberly, Marie Fries, and Ella Repass.

Indianettes Have Had Successful Year, Winning 75 per cent Of Their Contests

OUTSTANDING VICTORY OF YEAR WAS HOCKEY WIN OVER SWEET BRIAR

Virginia Hockey Tournament Held by William and Mary Here Last Fall; Successful Basketball Season

The Indianettes have had a most successful sports season for the year 1930-31. They have succeeded in winning seventy-five per cent of the intercollegiate contest which have been held.

The Virginia Hockey Tournament to which schools from all over the state sent representatives was held here during early days of fall. The South-Eastern team gave an exhibition game at this tournament playing against mixed teams from William and Mary, Sweetbriar, Farmville and Harrisonburg. Next year this tournament will be held at Hollins College.

Under the excellent leadership of Lois Roberts, one of the Squaws best hockey captains, the Indianettes succeeded in defeating their old rival, Sweet Briar by a score of 3-1 for the first time since these two teams have been in competition. Although games with Harrisonburg and N. Y. U. were lost by the scores 3-2 and 3-0 still the hockeyites played very creditably. The Frosh team was overwhelmed in a game with St. Catherine ending in a score 6-1. Next year's hockey season should also be a successful one under the captainship of Vivian Dreyer.

The basketball club led by Agnes Winn succeeded in walking away with eight of the ten games played, losing only to Savage and Farmville. The ducesses defeated both St. Catharines and Hopewell High School and the second team snowed under the Richmond and Norfolk extension schools. Mary Dabney is to head the basketballers in next year's tussles.

The Squaws seem intent on making William and Mary safe place for swimming for nine Indianettes passed the examiners Red Cross Life Saving tests and twelve the Senior Life Saving. Those who took the examiners test were: Margaret Baughman, Kitty Cubberly, Mary Dabney, Betty Fleck, Louise Slough, Elizabeth Eerie, Marianna Thomas, Mary Barnes and Marguerite Wynne-Roberts. The Senior Life Savers are: Christine Decker, Margaret Sherrott, Janet Simes, Honore Wickam, Marian Zuydhock, Helen Studz, Jean Walker, Allwin Moore, Emily Stahlaker, Alice Brown, Lillian Alderson, and Jean Simes.

Besides the Life Saving there have been several swimming meets and the Water Pageant which was put on last week by the H2E club.

In baseball the Juniors succeeded in gaining first place with the freshman but a little way behind them. Before the class teams were organized the players were divided into five teams which held big league games. The ducesses succeeded in defeating Mathew Whaley High School by the close score of 18.17. Twenty of the ball players were awarded 100 points for honorary varsity.

Six of the Squaws succeeded in hiking the 275 miles in six weeks for 100 points. Among these are: Annie Felts, Marie Fries, Ethel Hartman, Elsie Hudak, Helen Kirk, and Dot Mitchell. Margery Harper hiked 215 miles for 75 points and Edna Garrett, Virginia Johnson Dot Lafitte, Jane Oewel, Elizabeth Rurnell, and Mickey Ross covered 150 miles.

As this paper goes to press, track records are being made and the tennis tournaments between sister classes are being played.

Matches for individual supremacy will take place this week.

CLASS TENNIS COMPETITION TO BE HELD HERE THIS WEEK

Simes Has Been Elected Captain of Senior-Soph Club and Dreyer Leader of Junior-Frosh.

The Co-ed tennis program has been completely rearranged for intramural competition with a plan for matches between the Junior-Frosh teams and the Senior-Sophs. Janet Simes has been elected captain of the Senior-Soph aggregation, and Vivian Dreyer of the Junior-Frosh.

The best two out of three matches will decide class championship and the best eight players will then play off matches for college championship. Teams have arranged for three singles and three doubles combinations.

The Senior-Soph team is composed of Beale, Dunleavy, Cubberly, Simes-Roberts, Weaver-Bennett. The third doubles combination has not been definitely decided upon.

The Junior-Frosh team includes: Hudak, Chewning, Sargeant, Mitchell-Dreyer, Holladay-Harper. The third doubles team will be Sollenberger-Troupe for the first match, and probably Barnes-Lang for the second.

Monograms and 100 points will be awarded to a few Indianettes whose ability and practice time shows that they have earned them. Approximately eight other girls will be given 75 points according to position on the tennis ladder. All others having played the required 36 hours will earn 50 points.

EDITH BAER CLUB AWARDS GIFT

The Edith Baer Club gave its annual banquet at the Craighill Tea Room, Monday night, May 11. Each year the society gives a gift of \$25 to the member who is most outstanding in the organization, the presentation being based on leadership and scholarship. Evelyn Neale, of West Point, was given the award this year, Miss Neale is a member of the Senior Class, and the retiring president of the club. The recently installed officers of the club are: Lucille Stonnell, president; Mary Oewel, vice-president, and Elizabeth Ridout, secretary.

DREYER, ROBERTS AND WINN ARE CHOSEN BY ATHLETIC COMMITTEE

Three Receive Honor of Being Leading Co-ed Athletes During the Past Year of 1930-31.

Now with the end of the sport year, it is time to release the names of those Indianettes who have been chosen by the Athletic Committees as the three leading athletes of the past year. The three leading athletes in order of selection are: Lois Roberts, Agnes Winn, and Vivian Dreyer. The basis for the choice was primarily founded on leadership, and secondly on participation plus ability.

The first of these three Indianettes, Lois Roberts, is noted for her quick thinking and cool headedness in each sport that she has entered and she has participated in several. This year, Lois led her Hockey team through a splendid season. She has the honor of being the first William and Mary hockey captain to lead a team to victory over Sweet Briar. "Alec" has never been the flashy circus performer type of athlete, but instead, she has been the one on whom her team could rely at all times. Lois has twice won her basketball letter as varsity guard. This year she also has a splendid chance of a tennis monogram to her collection. For several times Lois has been chosen to the honorary baseball varsity. Another sport in which she excels is swimming. This year Lois is the only Senior earning a blazer, which stands for 1150 points for three years work. In fact Lois Roberts is an all-round athlete whose splendid leadership truly entitles her to the name of leading athlete of 1930-1931.

"Agie" Winn also has that certain something called "leadership." "Agie" and basketball are synonymous terms. For the past two years Agnes has led the Squaw Sextette through several tight places. Agnes has been called by some of the greatest coaches in the U. S., "the best guard I have ever seen." Appreciation of her ability was shown in her election as President of Athletic Association. Agnes' record in track is almost as outstanding as in basketball. She started as a Frosh to break intercollegiate records, and she is still going strong. Her specialties are high jump, dashes, and the discus throw. Last year she broke the discus throw by 18 feet. "Agie" has twice possessed berths on the honorary baseball varsity. Agnes Winn and Lois Roberts have always been splendid teammates and fellow workers. Graduation in June will take from William and Mary two

LOIS ROBERTS

One of the three honored as leading co-ed athletes this year. She was captain of hockey and has been outstanding in basketball, swimming, baseball, tennis. Miss Roberts is a senior.

AGNES WINN

President of the Athletic Association, captain of basketball and star in track. Holds a couple of track records and is a swell balltossler. She is a senior.

SPORTS SHORTS

By Vivian Dreyer

S'all over now—Graduation soon, and then everyone will be leaving ye olde college. Sure do hate to see some of the best athletes W. & M. ever had go out to high schools to teach some little brats—"Tention, Forward March." It is even worse to think that some of them will be giving the same orders to their hubbies. S'tough world.

Sports have gone over fine this year. The CO-eds have won 71.428 per cent of all intercollegiate games played. Not bad for little Mary. She is keeping up her side of the Bill and Mary combination rather well.

There will not be any intercollegiate tennis matches this season, but there will be some in the fall. The Junior-Frosh are now playing against the Senior-Sophs for class supremacy. It is all in good clean fun.

Thursday night the H2E Club gave a fine water pageant in the form of a wedding ceremony. Neptune presided when the bride H2 was married to the groom O.

of the best athletes and leaders in its history.

It is a high honor for a member of the junior class to be chosen as one of the three outstanding women athletes for any year. Vivian Dreyer was named in this capacity because of her participation in nearly all of the sports offered to women students here. Dreyer has been a trusty member of the hockey team since her freshman year at William and Mary. She has also been on the basketball squad for the past three years. Last year she was captain of the track team. She has recently been chosen captain of the junior-freshman tennis team. She was also captain of the freshman baseball team which won the class championship and perhaps we should mention that next year will see her leading the Squaws to victory in hockey.

On the baseball diamond she is in her glory. To hear her chatter an onlooker might think that she had been a member of one of the Big League teams for several seasons. We don't know whether she chatters to rattle her opponents or to show her prowess in the sport, but she managed to reach both goals whichever her object is. Dreyer may well be called an all-round good sport and it is fortunate indeed that William and Mary has her for at least one more year.

WATER PAGEANT HELD BY H2E CLUB IN JEF. POOL LAST THURSDAY

Feature of Program, Outside of Ice Cream Cones, Was Wedding of H2 to O—

The H2E club presented a water pageant in the Jefferson gymnasium swimming pool, Thursday, May 14. In the pageant was included exhibitions for form in diving and various strokes as well as several relays.

Lois Roberts as Neptune with his court of mermaids presided over the ceremony of the wedding of H2 to O. First the altar bearers stationed themselves at the end of the pool with candles. Then the ushers brought the family of the bride to their places with the cross-chest carry. Next the bridesmaids and the Matron and Maid of Honor came, followed by the flower girls, and the ring bearer.

The preacher, Allwin Moore approached his umbrella pulpit upon which his book was placed and waited for the bride, Avery Bibee, to approach him with her father, Mary Barnes who was to give H2 to O. As the groom Mary Dabney came swimming gallantly down the pool with the best man, Anna Sollenberger, Hazel Storch and Annis Wilkinson sang, "Oh promise me."

After the ceremony Neptune announced that the audience were invited to stay to the wedding reception. Ice cream cones were served to the guests and exhibition diving and swimming composed the entertainment. The program included:

BLAZERS & MONOGRAMS ARE GIVEN TO CO-EDS

Roberts, Chewning, Sollenberger, Young and Dreyer Receive First Blazers.

With the entire athletic season drawing to a close it is found that five co-eds are earning blazers and six are receiving point monograms. The glazers this year correspond to a star for point monogram or 1150 points in three years work, and the point monograms are given for a sum of 750 points for culmination of two years service.

Among the five Indianettes honored by getting the first blazers awarded by the College are: Lois Roberts, Lee Chewning, Anna Sollenberger, Pearl Young, and Vivian Dreyer. This represents three years participation in six sports each year with a sum total of 1150 points during that time. It has been decided that starting next year these blazers will be given for all sports instead of sweater awards.

Six squaws will be awarded their point monograms this year for 750 points earned in two years work. This 750 points must have included at least one varsity. Those girls making monograms are: Agnes Winn, Emily Dunleavy, Maude Weaver, Catherine Cubberly, Marie Fries, and Ella Repass.

Washington, D. C., will continue as advertising manager and that further appointments to the business staff will be made next semester.

Flat Hat keys were awarded to: Virginia Arthur, assistant editor; James B. Lucy, editor; Richard D. Mallowney and W. Brooks George, business managers. Miss Arthur is the first representative from the women's student body to be appointed assistant editor. She received the second Flat Hat key awarded to a co-ed; Miss Lucy Nottingham, of Norfolk, received the first, last year as assistant managing editor. Miss Arthur has been in continuous service to the Flat Hat during her four years here and has co-operated to her utmost with the retiring editor.

This issue is the twenty-ninth and last issue of the paper this year. According to the editors co-operation has been more effectively secured during the past two semesters through a smaller staff, the number of which has been greatly minimized in comparison to previous staffs. Among the accomplishments during the year was placing second in the collegiate newspaper division in the annual contest of the Virginia Intercollegiate Press Association, to which the Flat Hat along with the Colonial Echo and the Literary Magazine were host at the annual convention last fall which was held in Williamsburg. At that time Frances Bragg, assistant editor for the coming year, was elected second vice-president of the organization.

Kellison, head football coach, is also a member of Alpha Psi. The alumni of Alpha Psi number forty. Of these men twenty-six hold one or more degrees from William and Mary and other institutions of higher learning. Sigma Pi was founded at Vincennes University, Vincennes, Indiana, on the twenty-sixth day of February, 1897, under the name of Tau Phi Delta, which was changed to Sigma Pi ten years later. Next to the Miami Triad, it is the oldest national fraternity originating west of the Ohio. The purpose of its organization was "to organize the most worthy activities, social, athletic and scholarly, and to set a high standard of manliness and college loyalty."

Alpha Eta will become the first chapter of Sigma Pi in Virginia. The fraternity has been very conservative since its founding in 1897, and it is thought on the campus that Alpha Psi has done very well in becoming a member of such an old and established fraternity. Further announcements regarding the installation of Alpha Psi to Alpha Eta of Sigma Pi will be made before the close of this session.

and the "13" Club. Harry D. Nelson and Margaret King will lead the Cotillion Club figure. The leader of the "13" Club figure has not yet been announced.

William Wellons, chairman of the committee on decorations has the scheme of decorating planned, and announces that the scheme is thoroughly original, but that it will not be disclosed until the night of the dances.

Prices for the set of three dances will be \$9.00 for members of the Cotillion Club, and \$12.00 for non-Cotillion. The dances will be cheaper though for non-Cotillion men if they buy their tickets for the set of three dances instead of one at a time, according to the treasurer of the Cotillion Club.

Publicity for the dances has been given out through the Alumni Office and through newspapers of the state. A great number of students, alumni, and friends of the college are expected to attend.

The decorating committee headed by Mr. Wellons is composed of the following men: Y. O. Kent, Binford Wykes, Wally Lynn, Jack Tuthill, Lawrence Sheaffer, Roy Charles, Dallas Ensminger, John L. Lewis.

Monday, June 8

11:00 A. M.—Graduating exercises—commencement address by Dr. James Southall Wilson, '04, Phi Beta Kappa Auditorium.

11:00 P. M. — Final ball, Blow Gymnasium.

Dr. James Southall Wilson, the author of William and Mary's "Alma Mater," was graduated from this college in 1904 with Bachelor of Arts degree; in the following year he received his Master of Arts from the University of Virginia; in 1906 he was awarded the degree of Doctor of Philosophy at Princeton University. He served as assistant professor of English at this college from 1906 to 1908, and as professor of history and English from 1908 to 1919, acting as director of the summer sessions from 1915 to 1918. Since his departure from this campus in 1919, he has been the Edgar Allan Poe professor of English at

the University of Virginia, editing the University Alumni Bulletin there from 1920 to 1925, and the Virginia Quarterly Review after 1925. As a state education official he was appointed a member of the Board of Education in 1915, remaining in that capacity until 1919.

Dr. Wilson is a member of Kappa Sigma and Phi Beta Kappa, national Greek letter fraternities. He collaborated in the editing of "An Appreciation of Edgar Allan Poe," 1923, "Letters of Edgar Allan Poe," 1924, and "Facts About Poe," 1926; he edited "Tales of Edgar Allan Poe" in 1927.

Judge Vernon C. Spratley, a graduate in 1901 and a member of Phi Beta Kappa, will be the principal speaker Alumni Day, June 6. He has progressed rapidly in his profession since his graduation in law from the University of Virginia in 1903, and today occupies a significant position among Southern as well as Virginia jurists. He presides over the Eleventh Judicial Circuit in the system of Virginia courts.

Dr. Sparks Melton, located for twenty-two years in his present position as pastor of the Freemason Street Baptist Church in Norfolk, will deliver the baccalaureate sermon for the second time in his career during finals. Dr. Melton, reputed to be Norfolk's most popular minister, received his education at the University of Richmond in his native city and his theological training at the Crozer Seminary in Upland, Pennsylvania, where he acted as pastor of a local church while attending school.

SENIORS PRESENT SINGLE PERFORMANCE OF "ENTER MADAM" FRIDAY

cast in the use of Italian diction and accent since the beginning of rehearsals several weeks ago. Elizabeth Whitehead, Thomas McCaskey, and C. Waldo Johnson speak very frequently in Italian and possess a decided accent in their spoken English. Patricha Clarke, as the Madame, who spontaneously discourses in Latin, is also acquiring an Italian accent under the tutelage of Professor Toggia.

This final dramatic presentation of the current year will appear colorful from the point of the setting, which is complimentary to the personalities of a prima donna and an actor. During the course of the action the set is changed to represent the set of a real play; then everything is completely dislodged to again resemble the original scene in Fitzgerald's bachelor apartment. Three meals, which materially figure in the action, are served on the stage.

Concerning the play and its first performance, the following quotations have been extracted from the Player's book:

"On a sweltering night in mid-August, 1920,—this comedy called "Enter Madame" slipped quietly into New York by way of the then idle Garrick theatre under the production of Brock Pemberton, and immediately established itself as one of those happy plays which causes a stampede at the box-office."

—, it was noted by the sensitive ticket agents that one play was recurring persistently in all those aspiring lists. That play was "Enter Madame."

"This Madame Della Robbia is just such another first lady of Italian opera as was Elena Varesi, the mother of Gilda Varesi, co-author, whose sweet voice and unforgettable charm made her welcome every season in all the citadels of opera from Ber-

lin to London."

The entire producing staff is composed of Seniors. Mary Gray is assisting Miss Althea Hunt, who again directs, Marshall Baggett heads the general committee, with Harry D. Nelson as business manager. The other managers and committees are: James Habel, stage manager; Catherine Hasseltine, settings; Cary Wynne, Mary Nelson Quarles, and Elizabeth Ambler, costumes; Dorothy Reese and Vera Trabold, properties; and Elizabeth Allen, make-up.

Reserve seat tickets were put on sale today by officials of the business staff. The general seat ticket sale will begin several days before the performance. Students and the Williamsburg theater-going public are urged to secure tickets as soon as possible.

ber of Sigma Psi, national scientific fraternity, national vice-president of Phi Sigma, honorary biological fraternity, member of Alpha Zeta, national agricultural fraternity, member of Phi Delta Chi, national pharmaceutical fraternity in addition to participating in many activities chiefly concerned with his position and residence in this vicinity. He has been faculty advisor to the Clayton-Grimes Biological Club at various times, is a member of the Little Theatre League, member of the American Association of University professors, Commander of the Peninsula Post of the American Legion, and a member of the Virginia Academy of Science. He has served extensively as a member of various important committees of the latter organizations having been chairman of the Biological Section of the Academy, and an important member of the Committee on Flora, Nominating Committee, Place and Meeting Committee, and Chairman of the Local

Committee when the Academy met here in 1928.

Dr. Warren will complete his work here at the end of the first semester of summer school. He will be a member of the faculty at the Virginia Biological Station at Mountain Lake during the latter part of the summer.

Dr. Warren will be missed not only by the faculty of the college but by the many students in whom he has always shown a great deal of interest.

No announcement has been made as to the professor who will fill Dr. Warren's position, but it is understood that the administration is considering several men at this time.

fraternity, and is a recent initiate of the "13" Club.

Work has already begun upon the collection of material for the year book. Contracts for the publishing and photography work have been awarded to Morrison-Brown Company, of Lynchburg, and White's Studio, of New York; bids are still open for the engraving matter. Temporary plans include the enlargement of the page size, as well as additional features. It is not known whether the art work will be done by campus artists or not.

The Colonial Echo for 1931 was being distributed yesterday and today. The distribution will probably continue through several days. This improved yearbook is the work of Charles Dunker, with the following editorial staff: William F. Rountree, managing editor; Duncan Cocke, assistant managing editor; James B. Lucy, and Dorothy Reese, associate editors; Howard Roche, photography; Marshall Baggett and Barrett Roberts, men's athletics; Frances Bragg and Emily Evans, women's athletics; Esther Lermann, Margaret Lane, Judson Wheeler, RoyLiebman, or-

ganizations; Wallace Lynn, fraternities; Elizabeth Griffin and Marjorie Lanston, women's fraternities; William A. J. Bowen, dramatics; Fred Eilers, art; John Eversole, features; Clarence Rives, faculty; Robert Weir, alumni editor; George Baer, snapshots; and Mary Raleigh and Katherine Everhart, typists. The business staff was composed of: Earl Swem; Jack Tuthill, advertising manager; Theodore Thomas, Otis Johnson, and Virginia Clopton, assistant advertising managers.

DR. HOKE RELEASES PLANS FOR SUMMER

Prominent Educators, Including Dr. Flippin, Well-Known Historian, to Teach This Summer

The 1931 session of the William and Mary Summer School will offer an unusually excellent group of instructors. In addition to a large number of professors included among the faculty of the college, there will be over a dozen prominent educators from other colleges, universities and secondary schools.

Coming here from Coker College in Hartsville, South Carolina, is Dr. Percy Scott Flippin, specialist in American Colonial History and author of "Royal Government in Virginia," which was published in 1919. Dr. Flippin was a member of a group of fifty university professors selected by the Carnegie Endowment for International Peace and taken to Europe in the summer of 1926 for the purpose of studying various international organizations at Paris, The Hague, and Geneva. In addition to teaching a course in American Colonial History, he will give popular lectures on the information acquired on his European trip. Dr. Flippin was graduated from the University of Richmond with an A. B. degree, received his Ph.D. from John Hopkins, is a Phi Beta Kappa and a member of the American Historical Association.

Dr. H. Delbert Gilpartic will teach European History during the first term of the summer session. He comes to us from Furman University, expects to receive his Ph.D. from Columbia University in June, and, like Dr. Flippin, is a member of the American Historical Association.

Mr. Eli C. Foster, principal of the Tulsa, Oklahoma High School, will instruct during both terms, specializing in courses concerning secondary education and public school administration. Mr. Foster received his M. A. from Columbia University, where he has been instructor in education during the summer sessions.

Helen M. Joiner, M. A., from the Lincoln School, New York City, will teach Fine Arts here during the second term. The Lincoln School is an experimental institution and is connected with Columbia University.

For the first term Col. Robert L. Bates, of V. M. L., will teach Psychology and Philosophy, and Dr. Ashton W. McWhorter, formerly of Hampden-Sidney and now of the University of Tennessee, will instruct in ancient languages for the two terms.

According to Dr. Hoke, Director of the Summer School, graduation exercises for the summer session will be held Saturday, August 29, and in all probability there will be between eighty and ninety applicants for degrees. The speaker will be announced later.

FRESHMEN RULES HAVE SMALL NUMBER CHANGES THIS YEAR

"Duc" Rules Will Be Enforced By Senior Tribunal NO SUPREME COURT

Only three changes from the "duc" rules of last year are evident in the rules announced at a recent Freshmen meeting by Charles Dunker, president of the student body.

This change includes the rule requiring the "ducs" to use the path by the statue of Lord Botetourt when entering the front of the campus; the extension of the time during which the rules will be observed; and the abolishing of the grand old institution known as "Supreme Court." The complete code is as follows:

1. Freshmen shall wear a regulation cap of green, gold and silver on all days except Sundays and holidays. This cap shall also be worn at all indoor sports and at all dances except private and formal.
2. Freshmen shall wear a standard green four-in-hand tie on every day except Sundays and holidays.
3. Freshmen shall carry matches at time except on holidays.
4. Freshmen shall not converse with co-eds before 4 o'clock except on Sundays and holidays. They shall not attend any athletic contests accompanied by a co-ed.
5. Freshmen shall attend all home walks at all times while they are on the campus. Old men have no power to take Freshmen across the campus with them.
6. Freshmen shall attend all home games in a body and shall stay in the grandstand, bleachers or other places designated for them during the entire game unless called upon to participate.
7. Freshmen shall look at all notices posted at the College Shop as to when the Senior Tribunal shall meet (Continued on Page Two)

CHANDLER SPEAKS AT CONVOCATION

Sesqui-Centennial Plans Are Discussed; Student Officers Are Introduced

On Tuesday, September 15, at 11 o'clock, Dr. Chandler called the first convocation of the 1931-32 college session. The President welcomed the student body, and announced that the convocation was to be primarily a business meeting for the purpose of discussing college affairs.

Dr. Chandler requested as many students as possible to participate in the Yorktown Sesqui-centennial festivities, and gave a brief outline of each day's program. Mr. Tucker Jones and Miss Althea Hunt are college directors for the presents.

The President then turned to a discussion of the freshmen and their rules. He stressed the fact that there is to be no "hazing" of Freshmen this year, and stated that upper classmen found disobeying this rule would be punished accordingly.

A brief discussion of Honor System was followed, and Livingston Swentzel and Margaret Baughman, presidents of the Men's and Women's Honor Councils respectively, were introduced to the assembly.

The various class officers and the presidents of the Men's and Women's Student Government Associations were also introduced to the student body. Dr. Hodges reminded the men of the penalty for having cars at the college.

NOTICE TO SENIORS

All students who expect to obtain their degrees either in June or in summer school are eligible for membership in the senior class according to Dr. K. J. Hoke, Dean of the college. It is the desire of the faculty that the senior class organize and that all students eligible participate in the activities of the class. The Registrar requests that the members of the senior class respond to the request for degree applications which will be published early in October.

INSTRUCTION IN AVIATION GIVEN IN COURSES HERE

Work in the department of aviation, recently added to the curriculum of the College of William and Mary, is now well underway with thirty-three students enrolled in the flight class with the possible addition of five others within the next week, according to Colonel Earl C. Popp, director of aviation.

Dr. R. C. Young, head of the Physics department, is conducting lectures in the ground school class, in which actual shop work will be included on facilities at the field, located on the Scott Davis farms, west of Williamsburg, are made adequate. Colonel Popp already has been instructing the flight students in the two open cockpits planes owned by the college.

The work in this department consists of two kinds: the ground school training work, which includes lectures and shopwork and offers four hours credit, and, actual flight instruction, for which no credit is offered. For the private pilot course, twenty hours of solo flight are required in one school year, and for the limited commercial pilot course, sixty hours of solo flight are necessary. A transport pilot's flight course, for which two hundred and ten hours of solo flight are required, and advanced work in aviation are now under consideration, and in all probability will become effective in the near future.

Among those enrolled for flight work are, George C. Diggs, Jack Eastman, Roger Ostrander, Robert G. Schell, J. M. VanBuren, Gabriel Gil-Sampfer, Douglas Stackhouse, and George Hewes, Y. O. Kent, who last year received his instruction under Colonel Popp along with Julian A. C. Chandler and Colin Vince in connection with the Raymond Riordan Scholarship at Jamestown, is employed preparing for his transport pilot's examination. Other officials of the school are: Douglas Stackhouse, assistant field manager; and Otto Johnson, formerly of the American Airways in Boston, chief mechanic.

The field is now being improved by the state, and will be considered by Class Four airport, according to the Federal Classification. The north-south runway is now practically cleared; the east-run has been cleared of a thick growth of weeds. Two open cockpit planes, one of which was purchased from the Raymond Riordan School, are now in use; one is a Fleet plane, and the other a Kittyhawk. To this number, one and possibly two cabin planes will be added, and will be used for advance work (Continued on Page Two)

PLAYERS OFFER SEASON TICKETS

For the first time in their history, the William and Mary players are offering season tickets which include nine evening entertainments. The books of general admission tickets costs three dollars, while books of reserved tickets cost four dollars and a quarter. This is a considerable saving over buying tickets for each performance. Tickets can be purchased from Miss Althea Hunt or William A. Bowen, Jr.

ected by the association, but there are still some students who have not considered it necessary to pay these fees. The student body should realize the importance of campus activities to the extent of helping to make them successful financially. The Flat Hat hopes that each student will consider it part of his duty to the college to pay his activity fee thus enabling William and Mary to become even more outstanding in the field of student activities than it is at present.

U. S. Senator Will Address Meeting

Guy D. Goff, United States Senator from West Virginia, will address the William and Mary student body in convocation Thursday morning at eleven o'clock in Phi Beta Kappa Hall. The subject of Senator Goff's address will be "The Appointing and Removal Powers of the President of the United States."

Senator Goff is coming to the campus of William and Mary under the auspices of the James Gould Cutler Foundation. The Cutler Foundation offers two prizes of \$25.00 each in gold coin, one to the man and the other to the woman, both of the senior class, who shall compose and submit the best essay upon some aspect of the Federal Constitution assigned by the Dean of the Marshall-Wythe School. Each member of the senior class is required to write an essay of not less than 2500 words upon some designated subject relating to the Constitution of the United States, and the award is to be made by the President of the College, the Dean of the Marshall-Wythe School, and one other member of the faculty designated by the President.

RULES REGARDING CLASS ABSENCES ARE ANNOUNCED

Only Four Absences Allowed on In Three or Five Hour Courses

The following are the regulations in regard to unexcused absences from classes as announced by Dr. Grace Warren Landrum, Dean of Women, and Dr. W. T. Hodges, Dean of Men:

1. In a course carrying three or more hours of credit, a professor reports to the office of the Dean of Women or of the Dean of Men, as the case may be, the name of a student who has incurred a fur unexcused absence. The dean then warns the student, but the student will not be able to plead exemption because he has not been warned. When the fifth unexcused absence is incurred, the professor reports immediately to the proper dean and upon notification from this dean, drops the student from his roll.

In a laboratory course, five unexcused absences from the lecture and laboratory periods combined eliminate the student from that course.

2. In a two hour course the same procedure is followed except that a report is made on the third unexcused absence and the student is dropped from the roll when the fourth absence is incurred.

3. In a one hour course the report is made on the second unexcused absence and the student is dropped from the class roll after the third unexcused absence occurs.

If a student has been deprived of credit in two courses, he will be required to leave college.

COUNCIL TO HANDLE CHECKS

The honor council wishes to bring the attention of both the students and the local merchants that they take charge of all bad checks and ask cooperation in having these reported to the bank as soon as possible.

Reports can be made to any member of the council or directly to Livingston Swentzel at the Lambda Chi Alpha House.

W. & M. Students Are Active in Pageant

The Yorktown Sesqui-Centennial, celebrating 150 years of American Independence, will begin on Friday, October 16, and continue through Monday, October 19. The college members of community will play a very prominent part in this celebration, and especially in the pageant.

The three divisions of the pageant include, "The Pageant of the Colonies," on the first day, in which William and Mary has charge of the New York group. This commemorates the actual landing at Jamestown and the early activities of the Colonists; "Army Day," picturing the warfare at Yorktown, and being in charge of the United States Army; "Sunday" ending in a masque, which will be a historical treatment of the United States as a nation. The Physical Educational Department of the College, under the direction of Miss Roberts and Dr. Jones, have charge of certain divisions in the Monday pageant.

ENROLLMENT THIS YEAR IS LARGEST EVER RECORDED

Students From Thirty-One States, Six Foreign Countries Are Registered

The student body of the College of William and Mary numbered 1563 students Saturday, September 19, according to Mr. H. L. Bridges, Registrar of the college. This count does not include the students in either of the two extension schools. Last year at this time there were only 1389 students enrolled at the college making an increase of 174 this year. According to Mr. Bridges, the depression largely accounts for the increase in the student body. Since the graduating class of last June were unable to obtain positions, they came to college. Also some of the people who are out of work have returned to college.

The class of 1935 numbers approximately six hundred with the men students outnumbering the women slightly. According to Mr. Bridges the women students led in number at one time during the registration. Geographically, the students represent thirty-one states and six foreign countries. Approximately 1000 students are residents of Virginia. According to the cards stating religious preference, there are students of twenty-two religious denominations at William and Mary.

DEBATE TRIPS PLANNED

Plans for the debate team include two trips for the coming semester, according to Merrill P. Swan, president of the Debate Council. One trip will be conducted through New England, and the second will include many states of the middle West. Charles Hohehn, manager of the council, is negotiating plans for the trips and a definite answer will soon be released.

The Wranglers Club will hold try-outs for the debate society tomorrow evening in Washington 200 at 7:15, at which time Professors Brooks, Woodbridge and Howard will act as judges.

Capt. W. H. Graves, who's death deprived the college of one of the most interested of its alumni.

CAPTAIN GRAVES AGED 97 YEARS DIES IN ASHEVILLE

Oldest Alumnus Began Studies At William and Mary in 1854; Here Three Years

CHILDREN STUDIED HERE ALSO

The death of Capt. W. H. Graves at the age of 97 removes from earthly activity, the oldest and most beloved of all of William and Mary alumni. Capt. Graves died at his summer home in Asheville, North Carolina, July 29, of double pneumonia. The funeral was held from the home of his daughter and son-in-law, Mr. and Mrs. Harrison S. Matthews, 76 Country Club Gardens, Birmingham, Alabama. The Rev. Balaizade de Orlas, dean of the Episcopal Cathedral, Atlanta, and lifelong friend of the deceased, officiated. Burial was in Elmwood cemetery, Birmingham.

Capt. Graves entered the College of William and Mary in September, 1854 where he spent three years. His room in the third story of the elaborated Sir Christopher Wren building is now known as the Graves Room. He was a very good student and took both the A. B. and L. B. degrees. He was a charter member of the Theta Delta Chi fraternity and of the Phoenix Literary Society. While a student at William and Mary he visited the University of North Carolina and organized a chapter of the Theta Delta Chi there. Seventy-five years ago when the National chapter of this fraternity convened in Williamsburg, Capt. Graves was the executive officer and presided over the various sessions. When this fraternity met in Richmond last year he was their honor guest and received a large ovation from the host of National delegates present. Capt. Graves and his daughter and son-in-law, Mr. and Mrs. Frederick Gunster, visited the College of William and Mary while on their trip and were the guests of Dr. J. A. C. Chandler. The President showed Capt. Graves his old room in the Wren Building and he was deeply touched by the scenes of his early manhood here. He spoke in very affectionate terms of Col. Benjamin S. Fowell, the student of his and occupied an adjoining room. Capt. Graves was a member of Alpha Chapter of Phi Beta Kappa.

After graduation Capt. Graves located in Knoxville, Tennessee, and began the practice of law. He rose steadily in his profession and was one of the outstanding young lawyers of that section. At the outbreak of hostilities of the War Between the States (Continued on Page Two)

BARRETT ROBERTS PUBLISHES SONG

Prof. Geo. M. Small, head of the Music Department, College of William and Mary, has announced the publication of the "Indian Warrior Song" (Wa-Hoo"). This popular song was written by Barrett Roberts, of the Class of 1933 and the music was composed by Thornton W. Allen, the composer of the "Washington and Lee Swing." The song will be broadcast over the National Broadcasting System within a few days.

will be permitted from September 22 to October 5. During the first week, September 22 thru September 29, no girl will be permitted to talk fraternally to rushes in any form whatsoever. Girls may be invited to sorority houses, but cannot be "sewed up." The fact that there can be no fraternity talk cannot be stressed too much, as this ruling will be rigidly enforced by the council.

Starting September 29, fraternity talk will be permitted, and girls may be "sewed up." The following is the list of rushing rules issued by the Panhellenic Council:

1. School begins September 8th.
2. From September 8th until September 22nd there is to be no rushing whatsoever and no fraternality in signa worn. During this time fraternity girls will be allowed to see new girls for only a half hour daily and there is to be no mention of fraternities.
3. Official rushing starts Sept. 22. Starting September 22nd through September 28th rushing will be by the dormitory system. Each fraternity will have one division of the dormitory from 4-5, another from 5-6, another from 6-7. There may be no fraternality talk.
4. On Sunday, September 27th there will be no rushing.
5. The second week of rushing, September 29th through October 6th, will be continued with the dormitory rushing, but having one division of the dormitory 4-6 and another from 7-9. (Continued on Page Two)

FREEMAN SPEAKS AT REDEDICATION

Chorley, Director of Rockefeller Foundation, Reads Letter From Philanthropist

The Sir Christopher Wren Building, the oldest college structure in America, was rededicated September 16, and officially taken over by college authorities.

The restoration of this building was Rockefeller, Jr., project in restoring Colonial Williamsburg. Although Mr. Rockefeller could not be present for the celebration, his representative, Kenneth Chorley, director of the Rockefeller restoration interests, read his letter in which he expressed this work as "an opportunity to restore one of Virginia's most beloved shrines."

Dr. J. A. C. Chandler, president of the college, presided over the ceremonies, and gave a brief historical summary of the Wren Building. Dr. Douglas Freeman, of Richmond, as principal speaker, hailed the structure as a "restoration symbolizing the return of ancient William and Mary College from the ashes of the Civil War days to become one of our nation's leading institutions of higher learning." Dr. Freeman urged William and Mary to take the lead in Virginia to require some form of a selective system for entrance, and to hold before its graduates the prospects for positions of useful service.

The architects presented the keys of the building to Dr. James Hardy Dilard, rector of the Board of Visitors to the college.

FLAT HAT TRY OUTS

Tryouts for the editorial, sports, business and circulation staffs of the Flat Hat will take place in 200 Washington Hall after the Freshmen meeting on Thursday night. All students interested are invited to report at this time.

OLDEST ALUMNI OF WM. AND MARY DIES

(Continued from Page One)
 he entered the Confederate service and remained until April 1866. He was in a number of the leading engagements of the struggle and distinguished himself at the Battle of Chickamauga, where he was first appointed ordnance officer and later was appointed by General Butler as Captain of artillery of Crew's brigade. His duties kept him in close touch with the brigade during the fight which resulted in a signal Confederate victory. The Federal Army was driven back about fifteen miles from where the battle began into their fortifications in Chattanooga. After the surrender he located in the practice of law in Montgomery, Alabama and he did not return to Knoxville owing to the very hostile feeling of the Union men in East Tennessee against Confederate soldiers and officers. Capt. Graves made quite a success in the practice of his profession and invested the proceeds in central real estate in Birmingham which developed rapidly. His investments proved to be very handsome, increasing as the city grew. In 1890 he and his family moved to Birmingham where he practiced law for awhile and later gave his full time to his investments and literary pursuits.

Capt. Graves was born in Wytheville, Virginia, September 7, 1833, and was the most outstanding alumnus of William and Mary during his generation. His usual success was marked by sterling integrity, high sense of honor and patient attention to details. He was a former president of the Birmingham Trust and Savings Company and was a big factor in the civic and business life of that city for a number of years. Capt. Graves married Miss Florida Whiting, daughter of John Whiting, second president of the North and South Railroad, now the Louisville and Nashville system. He is survived by three daughters, Mrs. Harrison S. Matthews, of Birmingham, Mrs. E. D. Smith, of Atlanta, and Mrs. Frederick Gunstern of New York City. Also surviving are four grandchildren, Mrs. Charles B. Whitworth, of Nashville, Tennessee, Graves Smith, Addison Smith and Edward D. Smith, Jr., of Atlanta; two great-grandchildren, Charles B. Whitworth, Jr., and Fenner Graves Matthews, Jr., and two nephews, Manly Caldwell, of Roanoke, Virginia, and Charles Caldwell, of West Palm Beach, Florida.

Although Capt. Graves was very active in his business and professional career he found time for literary work. He proved beyond dispute that Thomas Paine, and not Sir Philip Francis, was the author of "The Letters of Junius." This work is now in the library of the College of William and Mary and stands as a monument to the culture and painstaking genius of this very able and scholarly man. It is a ready reference to students doing research work in literature.

The Birmingham Aero-Herald summarized the career of Capt. Graves as follows: "To live bravely and usefully for 97 years, to succeed notably in public service and private enterprise, to play a useful role in pioneering that produces a great city, to preside at last as the beloved patriarch of three descendant generations—that was the lot of Capt. W. H. Graves, whose death Wednesday at Asheville, North Carolina, calls Birmingham in salute to a great career."

TRI-COLOR TEAM OPENS SEASON AGAINST WILFORD

KELLISON OUTFIT IN GOOD SHAPE FOR NIGHT BATTLE

W. & M. DEFEATED VISITORS IN OPENER LAST YEAR, 24-0

On Saturday, Sept. 26, the William and Mary football squad will open the season with a night contest against Guilford College of North Carolina at Cary Field, The North Carolina club is making its second appearance on Cary Field, opening the Indian season last year by losing 24-0 to the championship Tricolor aggregation.

Outside of a couple of scrimmages in the middle of last week, the Langley practice affair has been the sole work under fire for the W&M squad and that game was hardly indicative of the strength of the Indian outfit. Scrimmages today, tomorrow and possibly Thursday ought to iron out the rough spots in the Indian attack and Guilford should be ready for a rough evening next Saturday.

Most of Coach Kellison's worries are centered in the Indian backfield. Graduation having robbed Mozzaleski, Scott and Baldacci, the newly appointed mentor and his assistant, Bill Fetzer, have been working out a number of men to fill in the two vacant jobs in the backfield. Red Maxey, scoring ace and Butch Constantino, full back, are taking care of their jobs in good fashion but the remaining jobs have yet to be filled. Jack Tut-till and Chalko are the leading candidates for the quarter job. Tut-till is competing his third year of varsity football and Chalko was a member of the freshmen outfit of last year. Palese and Le Croix are the two outstanding candidates for the vacant half berth, with Harkins, Lindsey and Barber pushing them for the position. The line looks like one of the heavier ones William and Mary has had in a number of years. With Ayres at center, Syer and Meade at the guards, captain Douglas and Quirk on the tackles and Halligan and Johnson, on the ends, the line is averaging close to a hundred and ninety pounds.

SPORTS HEADS TO BE APPOINTED BY NEW METHOD

Coaching Staff And Athletic Committee Combine In Electing Captains Of Teams

Beginning this fall with football and continuing with the eight or so major sports connected with William and Mary athletic programs, a new system regarding election of captains of teams will be inaugurated here. The action came as the result of a meeting of the 3-3-3 athletic committee last June and it is expected to improve considerably the system of electing captains of the various outfits.

According to the plan, the office of captain is not to be elected by the let-termen of the team as has been the case in the past. Instead one of more of the men eligible for the office are to be nominated by a group composed of the coaching staff of athletics here at the institution. The nominee or nominees, whichever is to be the case, are passed on the 3-3-3 athletic committee which shall in turn either accept or reject the names submitted by the coaching staff.

The new system is expected to do away with the political practices which have become somewhat weighing in the past as regards the swinging of elections to favored men. The action makes it possible for a sport to have two or even more captains for the season. The two groups will meet at the conclusion of each athletic season to elect the men to office.

100 CO-EDS REPORT FOR HOCKEY DRILLS

Coach Barksdale Divides Candidates Into Three Squads

Hockey season started last week reporting for practice. Sixty of these players are freshmen, but all two of last year's varsity are back and ready to face competition.

The huge number of players have forced Coach Barksdale to divide the Hockeyites into three sectional squads. "A" squad is composed of four teams of shambusters who saw action either on varsity or Fresh squads last year. "B" section includes these new girls who have played. "C" section is made up of those dummies to whom Hockey is still an unsolved mystery.

Two large gaps are left in the back-field lineup by the absences of former Captain Lois Roberts, and Julia Ann Fippin. The left fullback position, left vacant by the graduation of Lois Roberts, is going to be most difficult to fill, because of the lack of experienced fullbacks. It is hoped that a center-half may be found, who in some part will replace the loss of Julia Ann Fippin. This in no way means that only two faces will be seen on this year's eleven. There is some good material among the freshmen and transfers which will give the veterans some keen competition.

Manager Eleanor Field is planning a heavy schedule for this season. During the last week in October it is hoped that William and Mary will be represented by a team at Harrisonburg for the annual tournament of the Virginia-North Carolina Field Hockey Association. On November 15, the Sweet Briar team will journey here for the big game of the season. Then during Thanksgiving week there may be a trip to Philadelphia with the Indianettes meeting some of the best college teams in Pennsylvania, and observing either some part of the All-American selections, or the All-American-All Scotch matches.

TRYOUTS

All men who may be interested in trying out for the sports staff of the FLAT HAT may do so by reporting to Washington 200 Thursday night at seven o'clock. There are several vacancies on the staff and all men, with little or no experience, are urged to come out. SPORTS EDITOR.

LANGLEY FIELD IN TIE CONTEST WITH TRICOLOR ELEVEN

Both Teams Score Touchdowns On Blocked Kicks In A 6-6 Practice Game

Preparing for the initial game of the season next Saturday with Guilford College of North Carolina, the Indians played a 6-6 tie practice game with the Langley Field aggregation last Saturday. The game was typical of a first contest, the Indian attack being slowed up to a considerable extent by fumbles.

In the first quarter, after an exchange of punts, Halligan, Indian right end, turned loose a nice play by blocking a punt and racing some thirty-five yards for the initial score of the day. The attempts for the extra point failed when Maxey's placement hit the crossbar.

The Tricolor continued to force the play for the remainder of the half, tossing away a nice chance in the second quarter by fumbling on the Langley 20 yard line.

In the middle of the third quarter, Hoag, left tackle for the Aviators, blocked a kick and Jeannette, right guard for the visitors, picked up the ball to run ten yards for the touchdown. A fumble on the try for the extra point left the score tied.

Soon after this break, Langley blocked another kick only to have W&M recover on the five yard line and punt out of danger.

In the final minutes of play, Cornell, Langley safety, returned a punt thirty-five yards to the W&M 7 yard line but a bad pass from center ruined the drive for a winding tally.

The Indians showed to good advantage on the drive, the I-n-d-i-a-n-a-tion being held to a single first down.

TENNIS TAKEN UP BY INDIANETTES

Team To Soon Encounter Sweet Briar In Richmond Match

For the first time at William and Mary the Squaws have taken up tennis as a fall activity. Janet Simms, manager of tennis, is arranging a very interesting schedule for the season.

Last year's varsity is already in full swing getting ready for the match with Sweetbriar which will probably, with Sweetbriar which will probably. (Continued on Page Five)

NINETY-TWO FROSH REPORT TO DAVIS FOR '35 FOOTBALL

Bill Scott, Former W&M Athlete, Helping Meb Davis with Promising Squad

Freshman football has started the new college year in a big way. Exactly ninety-two "dues" run out to Cary field every afternoon to battle for a position on the yearling team. Coach Meb Davis, having already taken the boys through their calisthenics, is now inculcating the fundamentals into their heads, and, with the aid of daily scrimmages, is teaching them some new plays and is polishing off the rough points.

Quite a number of men show promise of affording real ability. Among these, in the backfield, are John Kelly, Smith, Evan Shaw, Travers, J. Kelley, Breen, R. Kelley, Young, Sorrentzen, Bolton, Dave Glasser, Drogo, and several others. Other backfield men, Shade, Manning, Hope, and Kramer, battling for the quarterback position, show no small ability.

The line also presents strong possibilities. Among the linemen are Anderson and Anderson are outstanding for center position. Martone, shifting from tackle to guard, shows promise. Others trying out for tackles are Anderson, Stuart, Spicer, and Turner; for guard: Watkins, Jester, and Stevens. Among the ends, Krowl, Krunk, Franklin, and Wari, exhibit some ability.

Coach Davis, aided by Bill Scott, is working hard with the boys, and says that prospects are rather bright for a good freshman team. He expects to present a good congregation of boys against the Norfolk Division of William and Mary on October 16. At present, practice games with Fort Eustis and Fortress Monroe for either this Saturday or the Saturday following, are pending.

SPORTS SHORTS

By Everett Dreyer

The Indianette athletes are now taking up their hockey sticks, tennis suits, and are opening all four sports with a bang. Most of the old Squaws have returned. There are a few Fresh who need training and the same may be said for the transfers, but all in all—the outlook for the various seasons looks fine. Wheat may sell for a nickle a bucket, but there is not any depression in William and Mary Hockey material.

Five Squaws enjoyed Miss Applebee's hockey camp for a week before school. They improved their hockey by watching and playing against All-American under the instruction of English coaches, Pat Lowry and Mike Brame may have been called "Silly asses" and "beautiful dolls" respectively, but you should see them play now.

For the first game at hockey camp Dot Ladette, our own left half, was placed against Betty Cadbury who has played on the All-American team for ten years. Dot was so scared that she didn't give Cadbury a chance to get near the ball. That was a big day in the life of Miss Ladette.

Miss Barksdale is a better coach than automobile driver. On the way to camp she ran through two red lights (with a cop looking on), and then hit a watermelon truck. You admitted it yourself, Miss Barksdale.

Have you ever seen Kitty Cubberly execute a swan dive? You have missed something then. Boy! such poise, and such a little splash.

Lois Roberts and Agnes Winn were in town last week. (For the benefit of newcomers) Lois and Agnes were two of the best sport captains and leaders W&M ever had, and we all wish that they were back with us for all time.

COLUMN BY BUD

Well, another season is at hand and you all will have to face this column glaring at you from the sports page, that is, if you ever find the sports page.

Per usual, the offer to anyone of writing in to this column with views on sports is gladly given, first because it might be good fun for you and second, because the more you write the less this writer has to do. So you, in order to do your daily act of good, can let someone else help the older generation across the street and help out this writer in discussion on sport. Connie Mack has won his third American League pennant in a row and one of the main causes was Jimmy Dykes, who is known as "the talking-est guy" on the A ball outfit.

Still, that quality is not to be sneezed at, for all during the winter, Jimmy gets \$100 for every appearance he makes as an after-dinner speaker.

You may or may not have noticed that Earl Webb broke the two base hit record the other day. The reason that you probably didn't notice the feat was due to the fact that Earl plays for the Boston Red Sox.

Anyway, Webb broke the record made by George Burns of Cleveland in 1926, and all power to him. But several times during the past season, the flashy right fielder of the Sox failed to make a hit with the fans for he'd bang out a clout that was due for at least three bases and as soon as he reached the middle station he'd stop and talk his official double.

Quite a racket. Still Burns did the same thing in piling up his record but the racket does seem kind of tough on Ruth and Gehrig et al. They stop when they dent the platter and no sooner.

Get a line on Nick Albrook's sense of humor:—"Today I got my annual shipment of opium pipes and micro-phermlia of an expert for doping out the world series. I always get into a round padded cell so I can't sit in the corner. It is quite a strain on Uncle Nick but I haven't picked a loser since the White Sox played the Circus in 1919. That was the year I forgot to look under the White Sox pillows."

Perhaps you have heard of the name Ted "Kid" Lewis who is a former welterweight champion. Here is an example of what ex-prize fighters do for a living after they have been knocked from pillar to post for a few years.

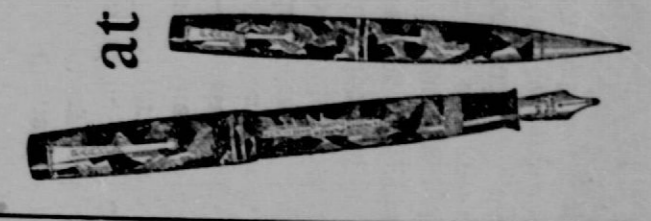

Lewis has joined the new party of Sir Oswald Moseley in England and is helping things out by giving boxing lessons to members at campaigning time. A nice quiet political life Lewis is also seeking election to Parliament as a representative to a London constituency.

You have heard of the saying that it is a woman's privilege to change her mind. Well, Wilda Bennett, threatened to sue wealthy Anthony Wetchack a year ago but changed her mind and married him.

ALUMNI PUT ON SPECIAL DRIVE FOR FINANCES

Secretary Guy Requests All Alumni and Former Students To Pay Up Their Dues

To William and Former Students of William and Mary:

This is a personal message to you concerning the plans of the William and Mary Alumni Association for the coming year.

Two years ago a full-time alumni secretary was employed and during that time twenty-four William and Mary Clubs have been formed in various states and in the various countries and cities of Virginia.

During this period the College has been keeping up the Alumni Office, but from September on it will have to be financed by the alumni themselves...

One hundred and twenty loyal alumni subscribed \$10 a year for three years and seven clubs have agreed to raise their quotas. The Association is now organized on a paid membership basis...

We are making a special drive to get one thousand paid-up members in the William and Mary alumni clubs in the coming year.

Our slogan is EVERY MEMBER GET A MEMBER. Yours for a greater Alumni Association, GEO. W. GUY, Executive Secretary

Large Number of Clubs Organized In Many Places; President Broadcasts Speech

The Alumni Association of the College of William and Mary Summary of Alumni Work:

- 1. Home Coming Day held with an attendance of 800. 2. The Annual Alumni Dinner at Murphy's Hotel was attended by 105 alumni.

3. Dr. J. A. C. Chandler delivered his annual message to the alumni over WVA. The College Glee Club broadcast.

4. There were thirty-three William and Mary meetings held last year with an average attendance of thirty alumni at each meeting.

5. Formation of William and Mary Club of Virginia with Dr. Chandler as president. This club has already raised \$8900 in subscriptions.

6. Special drive for new students on the part of the alumni. As a result of which the College has now the largest enrollment in its history.

7. The Alumni Office is also the Information Office and the secretary assists with the various parties and conventions coming to the College.

8. William and Mary Alumni Dinners were held in Hampton, Roanoke, Big Stone Gap, Washington, Baltimore, Philadelphia, New York, Emory and Henry, Lawrenceville, Richmond and Emporia and Charleston, W. Va.

9. The organization of the "100 Club" among the Williams. The Marys are now organizing their "100 Club." The members of these clubs donate \$10 a year for three years for the support of the Alumni work.

10. Organization of following clubs: Richmond Alumni, Richmond Alumnae, Hampton, Portsmouth, Newport News, Norfolk, Williamsburg, New Kent, Charles City, Greensville, Brunswick, Northampton, Accomac, Roanoke, Southside Virginia, Southwestern Virginia, North Carolina, Washington, D. C., Baltimore, Philadelphia, New York, West Virginia, Honolulu, Northern Neck and Gloucester.

If you are interested in the formation of a club in your community, please write to Geo. W. Guy, Alumni Office, College of William and Mary, Williamsburg. It is our plan to have a William and Mary Club in every city and county of the state as well as in every state in the Union, for William and Mary alumni are found in practically every state.

TENNIS TAKEN UP BY INDIANETTES

(Continued from Page Three) take place sometime in the near future in Richmond. Exact arrangements have not yet been completed concerning the match, however.

Elsie Hudak, last year's cup champion is back on the courts playing her usual smashing game and Pat Beale, the 1930 intra-collegiate champion is giving a splendid exhibition of form. Everybody is glad to see Fran Booth back on the team again after her absence caused by illness last year.

Other old members of the varsity are: Lella Chewning, Vivian Dreyer, Emily Dunleavy, and Aubrey Holloway. With such a varsity and the help of several of the freshman the Indianettes should do big things this season.

TRI-COLOR TEAM OPENS SEASON AGAINST WILFORD

(Continued from Page Three) Quirk and Johnson are the only men who are not veterans, both having done service under Coach Mob Davis last year. Both shaped up well under fire in the practice session with Langley on Saturday and ought to be able to fill the shoes of their predecessors in satisfactory manner.

Spare linemen include Wilson at center, Fisher, Balkan and DeBorden-awe as guards, Upshur and Upson on the tackles and Reid and Pinello on the wings.

The game, due to start at 8:30 p. m., is an important one from a WXM standpoint. Guilford lost a close 13-6 ball game to the Emory and Henry Wasps and the Emory club has no mean aggregation.

The starting lineup will probably find Ayres at center, Syer and Meade at guards, Capt. Douglas and Quirk at tackles and Halligan and Johnson on the ends. Tut-hill at quarter, Maxey at half, Constandine at full and either Le Croix or Palese in the other half position will probably complete the eleven.

Here, MEN, smoke a man's smoke

A PIPEFUL of good tobacco is distinctly a man's smoke. The women (long may they waver!) have taken over most of our masculine privileges. But pipe smoking still belongs to us.
In every walk of life you'll find that the men at the top are pipe smokers. And most college men agree that the pipe offers the rarest pleasures a man could ask of his smoking.

When you smoke a pipe, be sure you choose the tobacco that will give you the greatest enjoyment. In 42 out of 54 colleges Edgeworth is the favorite. You can buy Edgeworth wherever good tobacco is sold.

Or for a special sample packet, write to Larus & Bro. Co., 105 S. 22d St., Richmond, Va. Sample is free.

EDGEWORTH SMOKING TOBACCO
Edgeworth is a blend of fine old burleys, with its natural savor enhanced by Edgeworth's distinctive and exclusive electric process. Buy Edgeworth anywhere in two forms—Edgeworth Ready-Rubbed and Edgeworth Plug Slice. All sizes, 15¢ per pound humidor tin.
